Coastal Access Provisions Approved by the Secretary of State

England Coast Path

- Approved Route
- Approved alternative route for use when access to the normal (blue) route is temporarily excluded

Sections which follow existing public rights of way or other highways are indicated by a code:

- FP** - Public footpath
- FW** - Public footway (pavement)
- RD** - Public road

Parts of the coast path may be subject to temporary diversions from time to time. Natural England may in due course alter sections of the coast path that are subject to erosion and other geomorphological processes, in the way described in part 12 of the Overview to our approved proposals.
