“Liabilities”

means all obligations or liabilities (whether past present or future, actual or contingent, as principal, surety or otherwise) for the payment or repayment of money, including, for the avoidance of doubt:

(a) any such obligation or liability arising as a consequence of any right of subrogation, however arising incurred by the Franchisee other than the Subordinated Debt; and

(b) all such obligations or liabilities (whether past present or future, actual or contingent, as principal, surety or otherwise including liabilities arising out of the issuing of any proceedings) of the Franchisee to the Secretary of State including those consequent upon the early termination of the Franchise Agreement or any failure of the Franchisee to perform or comply with any of its obligations to the Secretary of State under the Franchise Agreement (including, without limitation, damages for breach of contract);

“Subordinated Debt”

means all amounts owed by the Franchisee to the Parent under or in connection with the Facility.

2. UNDERTAKING RE SHARE CAPITAL

2.1 The Parent shall procure that:

2.1.1 the Franchisee’s issued share capital is at least [*amount offered in Financial Model*] and that it is fully paid up in cash by the Start Date; and

2.1.2 that such issued share capital is not reduced during the Franchise Period; and

2.1.3 that such issued share capital is not reduced after the Franchise Period if such reduction would reduce the aggregate of the remaining issued share capital and the Loans to less than the balance of the outstanding Liabilities.

2.2 During the Franchise Period, the Parent shall procure that none of the cash paid to the Franchisee for the above share capital and no asset acquired directly or indirectly with any of such cash, is made available to any Affiliate of the Franchisee, unless it is made available in the ordinary course of business on arms length commercial terms, or is made with the Secretary of State’s prior written consent (which shall not be unreasonably withheld or delayed).

3. UNDERTAKING TO MAKE SUBORDINATED LOAN

3.1 **Undertaking**

3.1.1 The Parent unconditionally and irrevocably undertakes to the Franchisee and the Secretary of State to make the Facility available to the Franchisee in accordance with the terms of this Deed.

3.1.2 Subject to clause 3.2.2 any amount drawn under the Facility and repaid under this Deed shall be available for reborrowing, so that the facility available under this Deed is £[25,000,000²] at all times.

3.2 **Demand by the Franchisee and notification to the Secretary of State**

3.2.1 Subject to clause 3.2.2 the Franchisee may draw on the Facility in any amounts and at any time or times during the Facility Term, by giving the Parent notice in writing. The Parent shall then make payment within 7 days.

3.2.2 The Franchisee shall not be permitted to draw on the Facility or draw further on the Facility pursuant to clause 3.2.1 following the occurrence of any of the following events in relation to the Franchisee:

(a) the appointment of a receiver, administrator or liquidator in respect of the Franchisee or any of its assets;

(b) the making of a winding up order by a court; or

(c) a railway administration order being made under Sections 60 to 62 of the Act.

3.2.3 The Parent shall notify the Secretary of State in writing of all payments made by the Parent to the Franchisee and all repayments made by the Franchisee to the Parent pursuant to the terms of the Facility within 7 days of such payment being made. On the last day of the Franchise Period the Franchisee shall notify the Secretary of State in writing of the undrawn amount of the Facility available for borrowing on the day which is the earlier of the last day of the Franchise Period and the day prior to the day on which the Franchisee ceased to be able to draw on the Facility pursuant to clause 3.2.2.

3.3 **Demand by the Secretary of State**

If, at any time during the Franchise Period:

3.3.1 the ratio of the Franchisee's Modified Revenue to its Actual Operating Costs during the preceding 13 Reporting Periods (or, prior to the end of the thirteenth such Reporting Period, during all preceding Reporting Periods) is less than 1.070:1; or

² See footnote 1.

3.3.2 the ratio of Franchisee's Forecast Modified Revenue to its Forecast Operating Costs for the next 13 Reporting Periods (or, where there are less than 13 Reporting Periods remaining in the Franchise Period, for all such remaining Reporting Periods) will be less than 1.070:1;

3.3.3 the Secretary of State reasonably believes that either of the ratios in clauses 3.3.1 or 3.3.2 will be less than 1.070:1 at the end of the current Reporting Period or any of the next 2 Reporting Periods,

the Secretary of State may require the Parent to make a loan (and the Franchisee to accept such loan) under the Facility in such amount or amounts as he may reasonably believe to be necessary to ensure that the relevant ratio remains, or is increased, above 1.070:1, by giving the Parent notice in writing (in the form set out in Schedule 1 Part A). The Parent shall then make payment within 7 days of receipt of such notice.

3.4 If, at any time during the 6 months following the end of the Franchise Period, the aggregate of the Franchisee's cash and other current assets is less than the Liabilities, the Secretary of State may (subject to clauses 3.5 and 4.1) require the Parent to make a loan (and the Franchisee to accept such loan under the Facility) in such amount or amounts as he may reasonably believe to be necessary to increase the aggregate of the Franchisee's cash and other current assets above the Liabilities, by giving the Parent notice in writing. The Parent shall then make the payment within 7 days of receipt of such notice. For the purpose of this clause (and clause 8.4.2) the Parent shall procure that the Franchisee shall, during such 6 month period:

3.4.1 provide to the Secretary of State such information as he may from time to time reasonably require in order to ascertain whether and the extent to which the aggregate of the Franchisee's cash and other current assets are more or less than the Liabilities; and

3.4.2 notify the Secretary of State if and on each occasion when the aggregate of Franchisee's cash and other current assets are less than the Liabilities.

3.5 The Parent shall not be required to make a loan pursuant to clause 3.4 to the extent that the amount of such loan aggregated with other Loans and any amount paid to the Secretary of State pursuant to clause 4.1 shall exceed the amount of £[25,000,000³].

³ See footnote 1.

3.6 For the avoidance of doubt, nothing in clauses 3.3 or 3.4 shall oblige the Parent to make any loan to the Franchisee under the Facility if and to the extent that the making of such loan would cause the Loans to exceed £[25,000,000⁴].

3.7 **Interest**

Interest shall be payable by the Franchisee to the Parent at [*percentage offered in Financial Model*]% per annum (accruing on a daily basis, assuming a 365 day year) from time to time on the Loans, but any such interest shall be subject to clauses 7 and 8. No commitment fee shall be payable on the Facility.

3.8 **Security**

The Parent shall not be entitled to any security for any amount due to it under this Deed unless otherwise agreed by the Secretary of State and any security taken by it without such consent shall be invalid.

4. **RIGHTS OF THE SECRETARY OF STATE ON FRANCHISE AGREEMENT EARLY TERMINATION**

4.1 In the event that the Secretary of State terminates the Franchise Agreement in accordance with the provisions of paragraph 1 of Schedule 10.2 of the Franchise Agreement in the circumstances described in paragraph 1.1(a) (an Event of Default having occurred) he may at any time between the date of termination of the Franchise Agreement and the date 14 days after the date of such termination serve a notice in writing (in the form set out in Schedule 1 Part B) on the Parent requiring it to pay to the Secretary of State an amount equivalent to the amount of the Facility available for borrowing by the Franchisee on the earlier of:

(a) the last day of the Franchise Period; and

(b) the day prior to any day on which the Franchisee ceased to be able to draw on the Facility pursuant to clause 3.2.2.

The Franchisee shall pay the amount specified in such notice to the Secretary of State within seven days of the notice being served. The obligations of the Parent pursuant to this Deed to pay further amounts to the Franchisee pursuant to the Facility shall cease on service of such notice but without prejudice to the other provisions of this Deed including in relation to the Subordinated Debt.

4.2 The Secretary of State shall be permitted to deduct and retain from the amount that he receives from the Franchisee pursuant to clause 4.1 above the amount of the losses, liabilities, costs or expenses which, in the reasonable opinion of the Secretary of State, the Secretary of State or a Successor Operator has incurred or suffered or may be reasonably likely to incur or suffer as a result of:

⁴ See footnote 1.

(a) early termination of the Franchise Agreement; and/or

(b) any failure by the Franchisee to perform or comply with any of its obligations to the Secretary of State under the Franchise Agreement or to a Successor Operator under the Supplemental Agreement

and which are not otherwise recovered by the Secretary of State (including from the Performance Bond) and the Secretary of State shall account to the Parent within a reasonable period of time for the balance of such funds transferred to him after such deductions have been made.

5. **THE BANK GUARANTEE**

5.1 The Parent shall procure that there shall be a valid and effective Bank Guarantee in place with effect from:

5.1.1 the date of the Franchise Agreement; and

5.1.2 throughout the Facility Term.

5.2 The Bank Guarantee that the Parent shall procure is in place pursuant to clause 4.1 and any replacement Bank Guarantee shall:

5.2.1 be substantially in the form of the document in Schedule 2; and

5.2.2 have a value equal to the amount of the Facility; and

5.2.3 have a minimum duration of at least three years.

5.3 **Provision of Replacement Bank Guarantee**

5.3.1 The Parent may replace a Bank Guarantee at any time, provided that the Secretary of State receives a replacement Bank Guarantee that complies with the provisions of clause 5.2.

5.3.2 The Parent shall replace any Bank Guarantee at least six months prior to its scheduled expiry with a replacement that complies with the requirements of clause 5.2.

5.3.3 If at any time the Secretary of State reasonably considers the Guarantor under the then current Bank Guarantee to be unacceptable for whatever reason (including (without limitation) because such Guarantor no longer has the Relevant Credit Rating) or such Guarantor becomes Insolvent, the Secretary of State may require the Parent within 20 business days to procure the execution and delivery of a new Bank Guarantee by a Guarantor acceptable to the Secretary of State.

5.4 **Demands under the Bank Guarantee**

- 5.4.1 The Secretary of State shall be entitled to make demands under the Bank Guarantee in the event that the Parent fails:
- 5.4.1.1 to comply with its undertaking to make the Facility available to the Franchisee pursuant to the terms of clause 3.3; or
 - 5.4.1.2 to comply with its undertaking to pay specified funds to the Secretary of State pursuant to clause 4.1
 - 5.4.1.3 to provide a replacement Bank Guarantee complying with the provisions of clause 5.2 at least six months prior to the scheduled expiry of the existing Bank Guarantee; or
 - 5.4.1.4 to procure the execution and delivery of a new Bank Guarantee by a Guarantor acceptable to the Secretary of State when required to do so in accordance with the provisions of clause 5.3.3.
- 5.4.2 If there has been a demand under the Bank Guarantee which has been paid in full by the Guarantor to the Franchisee and at any time thereafter the Parent is entitled pursuant to clause 8.4 to demand a repayment by the Franchisee of all or part of the Subordinated Debt because the circumstances set out in clause 8.4.1 have arisen, the Franchisee shall not be obliged to pay (and shall not pay) to the Parent all or part of the Subordinated Debt unless and until the Parent procures and delivers to the Secretary of State a guarantee which complies with the requirements of clause 5.2 and any such guarantee shall be a Bank Guarantee for the purposes of this Deed.
- 5.4.3 Any demand by the Secretary of State under the Bank Guarantee shall not relieve the Parent of any other or future obligation under this Deed except that any payment by the Guarantor of an amount to the Franchisee pursuant to such demand shall be deemed to have satisfied the Parent's obligation to make payment of that amount to the Franchisee pursuant to clause 3.3.

6. **FRANCHISEE'S UNDERTAKINGS**

- 6.1 The Franchisee undertakes that, except as otherwise expressly permitted by this Deed, it will not, at any time during the Facility Term:

 - 6.1.2 discharge any Subordinated Debt by set-off;

 - 7.1.6 do anything (or omit to do something) if that might affect any right or obligation of the parties under this Deed.

8. SUBORDINATION

8.1 Subject to clause 8.4, the Parent agrees that the Subordinated Debt shall be a contingent debt of the Franchisee that shall only be due and payable if and when the Liabilities have been paid and discharged in full, except as otherwise agreed in writing by the Secretary of State.

8.2 For the avoidance of doubt the above clause shall continue to apply if the Franchisee goes into liquidation and subject to clause 8.4, no claim in respect of the Subordinated Debt shall be provable, or capable of being established against, the Franchisee in such winding-up unless and until all the Liabilities have been paid or otherwise satisfied in full.

8.3 The Parent and the Franchisee jointly and severally covenant with the Secretary of State and agree and declare that and except as otherwise agreed in writing by the Secretary of State or permitted under clause 8.4:

8.3.1 the Subordinated Debt shall be subordinated to the extent and in the manner set out in this Deed;

8.3.3 any payments received by the Parent in breach of clause 8.3.2 above will be held by the Parent on trust for all creditors of the Franchisee other than the Parent;

8.3.4 if the Parent receives the benefit of a Right of Set-Off or counterclaim and as a result the Subordinated Debt is reduced at a time when the Parent would not (by virtue of this Deed) be entitled to receive payment in respect of the Subordinated Debt, the Parent will hold such sum on trust for all creditors of the Franchisee other than the Parent; and

provided that the Parent will procure that:

(b) such notice is accompanied by a statement by each of the Parent and the Franchisee that the aggregate of the Franchisee's cash and other current assets is (and at the proposed repayment date will be) equal to or greater than the Liabilities.
