Ref. 2014/04996

[REDACTED]

7 October 2014

Dear [REDACTED],

Thank you for your e-mail of 8 September 2014 asking for information about RAF Typhoon, Tornado GR4 and Hawk aircraft operated by the RAF.

You requested the following information:

*"Please can you provide me with a full fleet list of Eurofighter Typhoon, Hawk and Tornado GR4 aircraft operated by the Royal Air Force.*

*I would be grateful if, in addition to model type and serial, you could provide me with the tail codes (where applicable) and also which squadron these aircraft are currently with.*

*At a minimum I'd accept the serial and model."*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000.

A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held. I attach lists at Annexes A to C showing the aircraft type, mark, tail number, tail code and unit for Typhoon, Tornado and Hawk aircraft operated by the RAF.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note that the list includes aircraft that are in planned maintenance, storage or undergoing modification programmes. Additionally, the Tornado fleet at RAF Marham, including those employed on operations overseas are organised in an aircraft pool from which aircraft can be drawn, rather than permanently allotted to specific squadrons. You may also wish to note that not all aircraft are allotted a tail code and are therefore marked N/A on the list. The information provided relates to RAF aircraft only.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1<sup>st</sup>

Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.uk](mailto:CIO-FOI-IR@mod.uk)). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely,

  
Air DRes Sec 3a1
