

Annex B: Impact Assessment (Standard)

We have looked at 5 secondary schools within a 2.6 mile radius of the proposed site of Burnley High School. We have concluded that the free school will have a high impact on two, a moderate impact on two and are unable to assess impact on one which opened in 2013.

| School Name | School Type | Capacity | Attainment in 2012/13 | Ofsted grade | Impact Rating |
|-----------------------------------|--------------------------------------|----------|-----------------------|--|---|
| Shuttleworth College | Foundation School (11-16) | 1050 | 33% | Section 8 Inspection Feb 2014 – Pupil behaviour and safety requires improvement Requires Improvement (September 2012) | High – this school is 0.5 miles away, has surplus places, attainment levels below the national average and an Ofsted judgement of requires improvement. It is likely that Burnley High School will have an impact on the financial viability of this school. |
| Hameldon Community College | Community School (11-16) | 750 | 32% | Inadequate (October 2013) Satisfactory (June 2012) | High – this school is 1.4 miles away, has 40% surplus places in Y7, well below national average attainment levels and a satisfactory Ofsted judgement. It is likely that Burnley High School will have an impact on the financial viability of this school. |
| Visions Learning Trust UTC | University Technical College (14-19) | | No KS4 data | No Ofsted grade | Unable to assess – this UTC opened in Sept. 2013 and is 1.4 miles away. It is not possible to judge the impact of the free school on this institution until 2016 when Burnley High will admit Y10 pupils although both are focusing on |

| School Name | School Type | Capacity | Attainment in 2012/13 | Ofsted grade | Impact Rating |
|-----------------------------------|--|----------|-----------------------|------------------------------------|---|
| | | | | | STEM subjects the two institutions have distinctly different educational offers. |
| Blessed Trinity RC College | Roman Catholic Voluntary Aided School 11-16 | 1250 | 57% | Requires Improvement (Feb 2012) | Moderate – this school is 2.4 miles away, has a small number of surplus places, attainment just below average but an Ofsted judgement of requires improvement. It is a faith designated school but the vision, Christian ethos and curriculum offer of the free school along with parental choice may be a determining factor and it is likely there will be some impact on this school. |
| Unity College | Foundation School (11-16) | 1050 | 51% | Satisfactory (Nov. 2011) | Moderate – this school is 2.6 miles away and |

We have looked at 4 colleges within a 4.4 mile radius of the proposed site for Burnley High School. We have concluded that there will only be a moderate impact on one college and minimal impact on the other three.

| School Name | School Type | Capacity | Attainment in 2012/13 | Ofsted grade | Impact Rating |
|---------------------------|-----------------------------------|----------|--|-----------------------------|--|
| Burnley College | General Further Education College | 3224 | Average points Score 611.4 = below average | Outstanding (March 2009) | Minimal – a very large college, 1.6 miles away with a different education offer and unlikely to be affected by the new free school. |
| Thomas Whitham Sixth Form | Community Sixth Form | 419 | Average points score 802 = well above | Good (July 2011) | Moderate – a small college 2.2 miles away. As a small but well performing college it is unlikely to be impacted by the free school but any loss of numbers |

| | | | | | |
|-----------------------------------|------------------|------|---|--------------------------|---|
| | | | average | | in such a small college could affect financial viability. |
| Accrington and Rossendale College | Tertiary College | 3642 | Average points score per pupil 570 = well below average | Outstanding (March 2009) | Minimal - a very large college, 4.2 miles away with a different education offer and unlikely to be affected by the new free school. |
| Nelson and Colne College | Tertiary College | 2411 | Average points score 591 = below average | Outstanding (April 2008) | Minimal - a very large college, 4.4 miles away with a different education offer and unlikely to be affected by the new free school. |
