

Department of Health

Department of Health

RESTRICTED – PERSONAL

Mr Sam Talbot Rice (By e-mail)

Date: 25 October 2013

Dear Sam

APPLICATION TO ACCEPT AN OUTSIDE APPOINTMENT

I am writing to confirm the outcome of your application to undertake work as an independent consultant for the Centre for Policy Studies (CPS).

The Department has accepted the advice of the Advisory Committee on Business Appointments (ACOBA) to the Prime Minister that your application be approved subject to the condition that:

- You should not draw on privileged information available to you as a Special Adviser;
- for twelve months from your last day of service, you should not provide advice to CPS or their clients on any bid or contract relating to the work of the Department of Health;
- you should ensure that it is clear that you are not operating on behalf of the Department of Health, or have special access to the Department, when CPS is soliciting business from other organisations; and
- for two years from your last day of service, you should not become personally involved in lobbying UK Government, Ministers or Crown servants, including Special Adviser's, on behalf of your new employer or its clients.

ACOBAs annual report includes details of the appointments that the Committee has considered. I would, therefore, be grateful if you could let us know when you take up this appointment, or earlier if it is announced, so that ACOBA are able to update their records and deal with any enquiries.

The Business Appointment Rules define lobbying in the following way: "Lobbying in this context means that the former civil servant should not engage in communication with Government – including Ministers, special

advisers and officials – with a view to influencing a Government decision or policy in relation to their own interests, or the interests of the organisation by which they are employed, or to whom they are contracted”.

You can also find further information from ACOBA’s website - www.acoba.independent.gov.uk

This clearance relates solely to the above appointment, and if you propose to extend or change your role with CPS it may be necessary to seek further permission. Similarly, if you wish to take up any other appointment, within the two years of you leaving the Department, you will need to submit a new application.

As with all Special Advisers, you are required to confirm in writing to the Department that you recognise that you will continue to be bound by the provisions of the criminal law which protect certain categories of information, including the Official Secrets Act, and by your duty of confidentiality owed to the Crown. Please sign and return one copy of this letter as your agreement to this and to the conditions set out set out above in relation to your appointment with CPS.

Yours sincerely

STUART VAN-HORNE
