

Consultation materials can also be viewed on our website or may be requested from the Highways Agency using the contact details below. All comments received during the consultation will be recorded and carefully considered by the project team, and will be taken into account in developing the scheme proposals. A consultation report, which summarises the views and comments received and outlines how your views have been taken into consideration will be prepared by the Highways Agency.

All of this information will be available to view free of charge. You will be able to take away paper copies of the consultation brochure, which includes the questionnaire and the non-technical summary of the preliminary environmental Information (PEI) report free of charge. Copies of the scheme plans and PEI report can be provided on a DVD on request. Please contact the project team for further details.

M4 junctions 3 to 12 smart motorway

The Highways Agency is holding a consultation until **21 December 2014** on planned improvements to the M4 between Hayes and Theale

The proposed scheme will convert approximately 32 miles of the existing M4 from junction 3 (Hayes) to junction 12 (Theale) to a smart motorway.

The key changes that you will see on the M4 are:

- Hard shoulder will be permanently converted to a running lane

- Provision of emergency refuge areas
- Signs and signals providing information about speed limits, travel conditions and any lane closures
- The replacement and widening of some bridges

Exhibition events

We want to make sure that the local community, residents, local interest groups, businesses, visitors and road users have the opportunity to understand the scheme and comment on our proposals. To do this we are undertaking consultation until 21 December 2014, during which time we will seek feedback on the proposed scheme.

Public exhibitions will be held at 11 locations along the route of the scheme to give people an opportunity to view the scheme proposals, speak with the project team and provide comments by completing a questionnaire.

Details of the events can be found in the consultation events scheduled below, including opening times; please feel free to drop in to the event most suitable for you.
