SUPPORT
SYRIA
SAFELY

Make sure your money reaches those who need it

Here are a few simple steps to help ensure that your donations get to the people who really need them:

1. Check that your chosen charity is registered with the Charity Commission

You can view registered charities' details online at www.charitycommission.gov.uk

2. Look for genuine fundraising materials

These should feature the charity's name, registered name and number, and a landline contact number

3. Ask to see collector's identification

If in doubt, give directly to your chosen charity
