Introduction

This optional self-evaluation form is for providers on the Early Years Register. You may prefer to record your self-evaluation on a different form, for example:

- a children's centre self-evaluation form which covers the registered part of your provision
- a local authority form
- a quality assurance scheme system.

If you submit this form online or send it to Ofsted as part of your planning cycle, the inspector will use it when planning your inspection. If you choose not to send it to Ofsted, or you complete a different form of self-evaluation, please make this available to the inspector at the start of your inspection.

Whatever way you choose to record an evaluation of your provision, the inspector will expect this to include:

- the views of children, parents and any staff or assistants you employ
- the views of other professionals who may work with you, such as local authority advisers/development workers; health professionals; children's centre staff and any other early years provision
- your strengths, any areas for improvement and the actions you propose to tackle them.

You may find it helpful to use the following to evaluate your provision:

- *Early years self-evaluation form guidance*¹
- *Evaluation schedule for inspections of registered early years provision*²
- *The Statutory Framework for the Early Years Foundations Stage*³
- *Early Years Outcomes*.⁴

Completing this form

Please make sure you have completed the setting details at the beginning of the form, including the name of the person who completed it. Please make sure any additional sheets you might use have the name of the setting and unique reference number (URN) at the top.

The form is in two parts. Part A tells us what those who use the setting think of the quality of the provision you offer. Part B gives you an opportunity to evaluate your provision using the same judgements as inspectors.

In this section describe the main characteristics of your setting and the culture and backgrounds of the children who attend, including those who have special educational needs and/or disabilities, or speak English as an additional language.
