## **PART 1**

### **CARE AND SUPPORT**

#### **General responsibilities of local authorities**

##### **1 Promoting individual well-being**

(1) The general duty of a local authority, in exercising a function under this Part in the case of an individual, is to promote that individual's well-being.

(2) "Well-being", in relation to an individual, means that individual's well-being so far as relating to any of the following—

(a) personal dignity (including treatment of the individual with respect);

(b) physical and mental health and emotional well-being;

(c) protection from abuse and neglect;

(d) control by the individual over day-to-day life (including over care and support, or support, provided to the individual and the way in which it is provided);

(e) participation in work, education, training or recreation;

(f) social and economic well-being;

(g) domestic, family and personal relationships;

(h) suitability of living accommodation;

(i) the individual's contribution to society.

(3) In exercising a function under this Part in the case of an individual, a local authority must have regard to the following matters in particular—

(a) the importance of beginning with the assumption that the individual is best-placed to judge the individual's well-being;

(b) the individual's views, wishes, feelings and beliefs;

(c) the importance of preventing or delaying the development of needs for care and support or needs for support and the importance of reducing needs of either kind that already exist;

(d) the need to ensure that decisions about the individual are made having regard to all the individual's circumstances (and are not based only on the individual's age or appearance or any condition of the individual's or aspect of the individual's behaviour which might lead others to make unjustified assumptions about the individual's well-being);

(e) the importance of the individual participating as fully as possible in decisions relating to the exercise of the function concerned and being provided with the information and support necessary to enable the individual to participate;

(f) the importance of achieving a balance between the individual's wellbeing and that of any friends or relatives who are involved in caring for the individual;

(g) the need to protect people from abuse and neglect;

(h) the need to ensure that any restriction on the individual's rights or freedom of action that is involved in the exercise of the function is kept to the minimum necessary for achieving the purpose for which the function is being exercised.

(4) “Local authority” means—

- (a) a county council in England,
- (b) a district council for an area in England for which there is no county council,
- (c) a London borough council, or
- (d) the Common Council of the City of London.

## **~~2 Preventing needs for care and support~~**

~~(1) A local authority must provide or arrange for the provision of services, facilities or resources, or take other steps, which it considers will—~~

~~(a) contribute towards preventing or delaying the development by adults in its area of needs for care and support;~~

~~(b) contribute towards preventing or delaying the development by carers in its area of needs for support;~~

~~(c) reduce the needs for care and support of adults in its area;~~

~~(d) reduce the needs for support of carers in its area.~~

~~(2) In performing that duty, a local authority must have regard to—~~

~~(a) the importance of identifying services, facilities and resources already available in the authority’s area and the extent to which the authority could involve or make use of them in performing that duty;~~

~~(b) the importance of identifying adults in the authority’s area with needs for care and support which are not being met (by the authority or otherwise);~~

~~(c) the importance of identifying carers in the authority’s area with needs for support which are not being met (by the authority or otherwise).~~

~~(3) Regulations may—~~

~~(a) permit a local authority to make a charge for providing or arranging for the provision of services, facilities or resources, or for taking other~~

~~steps, under this section;~~

~~(b) prohibit a local authority from making a charge it would otherwise be permitted to make by virtue of paragraph (a).~~

~~(4) The regulations may in particular (in reliance on section 125(7)) make provision by reference to services, facilities or resources which—~~

~~(a) are of a specified type;~~

~~(b) are provided in specified circumstances;~~

~~(c) are provided to an adult of a specified description;~~

~~(d) are provided for a specified period only.~~

~~(5) A charge under the regulations may cover only the cost that the local authority incurs in providing or arranging for the provision of the service, facility or resource or for taking the other step.~~

~~(6) In cases where a local authority performs the duty under subsection (1) jointly with one or more other local authorities in relation to the authorities' combined area—~~

~~(a) references in this section to a local authority are to be read as references to the authorities acting jointly, and~~

~~(b) references in this section to a local authority's area are to be read as references to the combined area.~~

~~(7) Sections 21 (exception for persons subject to immigration control), 22 (exception for provision of health services) and 23 (exception for provision of housing etc.) apply in relation to the duty under subsection (1), but with the modifications set out in those sections.~~

~~(8) "Adult" means a person aged 18 or over.~~

### **3 Promoting integration of care and support with health services etc.**

(1) A local authority must exercise its functions under this Part with a view to ensuring the integration of care and support provision with health provision

and health-related provision where it considers that this would—

(a) promote the well-being of adults in its area with needs for care and support and the well-being of carers in its area,

(b) contribute to the prevention or delay of the development by adults in its area of needs for care and support or the development by carers in its area of needs for support, or

(5) For the purposes of this section, the provision of housing is health-related provision.

(6) In section 13N of the National Health Service Act 2006 (duty of NHS Commissioning Board to promote integration), at the end insert—

“(5) For the purposes of this section, the provision of housing accommodation is a health-related service.”

(7) In section 14Z1 of that Act (duty of clinical commissioning groups to promote integration), at the end insert—

“(4) For the purposes of this section, the provision of housing accommodation is a health-related service.”

#### **4 Providing information and advice**

~~(1) A local authority must establish and maintain a service for providing people in its area with information and advice relating to care and support for adults and support for carers.~~

~~(2) The service must provide information and advice on the following matters in particular—~~

~~(a) the system provided for by this Part and how the system operates in the authority's area,~~

~~(b) the choice of types of care and support, and the choice of providers, available to those who are in the authority's area,~~

~~for by this Part,~~

## **Assessing needs**

## **~~9 Assessment of an adult’s needs for care and support~~**

~~(1) Where it appears to a local authority that an adult may have needs for care and support, the authority must assess—~~

~~(a) whether the adult does have needs for care and support, and~~

~~(b) if the adult does, what those needs are.~~

~~(2) An assessment under subsection (1) is referred to in this Part as a “needs assessment”.~~

~~(3) The duty to carry out a needs assessment applies regardless of the authority’s view of—~~

~~(a) the level of the adult’s needs for care and support, or~~

~~(b) the level of the adult’s financial resources.~~

~~(4) A needs assessment must include an assessment of—~~

~~(a) the impact of the adult’s needs for care and support on the matters specified in section 1(2);~~

~~(b) the outcomes that the adult wishes to achieve in day-to-day life, and~~

~~(c) whether, and if so to what extent, the provision of care and support could contribute to the achievement of those outcomes.~~

~~(5) A local authority, in carrying out a needs assessment, must involve—~~

~~(a) the adult,~~

~~(b) any carer that the adult has, and~~

~~(c) any person whom the adult asks the authority to involve or, where the adult lacks capacity to ask the authority to do that, any person who appears to the authority to be interested in the adult’s welfare.~~

~~(6) When carrying out a needs assessment, a local authority must also consider—~~

~~(a) whether, and if so to what extent, matters other than the provision of care and support could contribute to the achievement of the outcomes that the adult wishes to achieve in day-to-day life, and~~

~~(b) whether the adult would benefit from the provision of anything under~~

~~section 2 or 4 or of anything which might be available in the community.~~

~~(7) This section is subject to section 11(1) to (4) (refusal by adult of assessment).~~

#### ~~10 Assessment of a carer's needs for support~~

~~(1) Where it appears to a local authority that a carer may have needs for support (whether currently or in the future), the authority must assess—~~

~~(a) whether the carer does have needs for support (or is likely to do so in the future), and~~

~~(b) if the carer does, what those needs are (or are likely to be in the future).~~

~~(2) An assessment under subsection (1) is referred to in this Part as a “carer’s assessment”.~~

~~(3) “Carer” means an adult who provides or intends to provide care for another adult (an “adult needing care”); but see subsections (9) and (10).~~

~~(4) The duty to carry out a carer’s assessment applies regardless of the authority’s view of—~~

~~(a) the level of the carer’s needs for support, or~~

~~(b) the level of the carer’s financial resources or of those of the adult needing care.~~

~~(5) A carer’s assessment must include an assessment of—~~

~~(a) whether the carer is able, and is likely to continue to be able, to provide care for the adult needing care,~~

~~(b) whether the carer is willing, and is likely to continue to be willing, to do so,~~

~~(c) the impact of the carer’s needs for support on the matters specified in section 1(2),~~

~~(d) the outcomes that the carer wishes to achieve in day-to-day life, and~~

~~(e) whether, and if so to what extent, the provision of support could~~

~~contribute to the achievement of those outcomes.~~

~~(6) A local authority, in carrying out a carer's assessment, must have regard to—~~

~~(a) whether the carer works or wishes to do so, and~~

~~(b) whether the carer is participating in or wishes to participate in education, training or recreation.~~

~~(7) A local authority, in carrying out a carer's assessment, must involve—~~

~~(a) the carer, and~~

~~(b) any person whom the carer asks the authority to involve.~~

~~(8) When carrying out a carer's assessment, a local authority must also consider—~~

~~(a) whether, and if so to what extent, matters other than the provision of support could contribute to the achievement of the outcomes that the carer wishes to achieve in day-to-day life, and~~

~~(b) whether the carer would benefit from the provision of anything under section 2 or 4 or of anything which might be available in the community.~~

~~(9) An adult is not to be regarded as a carer if the adult provides or intends to provide care—~~

~~(a) under or by virtue of a contract, or~~

~~(b) as voluntary work.~~

~~(10) But in a case where the local authority considers that the relationship between the adult needing care and the adult providing or intending to provide care is such that it would be appropriate for the latter to be regarded as a carer, that adult is to be regarded as such (and subsection (9) is therefore to be ignored in that case).~~

~~(11) The references in this section to providing care include a reference to providing practical or emotional support.~~

~~(12) This section is subject to section 11(5) to (7) (refusal by carer of assessment).~~

## **11 Refusal of assessment**

~~(1) Where an adult refuses a needs assessment, the local authority concerned is not required to carry out the assessment (and section 9(1) does not apply in the adult's case).~~

~~(2) But the local authority may not rely on subsection (1) (and so must carry out a needs assessment) if—~~

~~(a) the adult lacks capacity to refuse the assessment and the authority is satisfied that carrying out the assessment would be in the adult's best interests, or~~

~~(b) the adult is experiencing, or is at risk of, abuse or neglect.~~

~~(3) Where, having refused a needs assessment, an adult requests the assessment, section 9(1) applies in the adult's case (and subsection (1) above does not).~~

~~(4) Where an adult has refused a needs assessment and the local authority concerned thinks that the adult's needs or circumstances have changed, section 9(1) applies in the adult's case (but subject to further refusal as mentioned in subsection (1) above).~~

~~(5) Where a carer refuses a carer's assessment, the local authority concerned is not required to carry out the assessment (and section 10(1) does not apply in the carer's case).~~

~~(6) Where, having refused a carer's assessment, a carer requests the assessment, section 10(1) applies in the carer's case (and subsection (5) above does not).~~

~~(7) Where a carer has refused a carer's assessment and the local authority concerned thinks that the needs or circumstances of the carer or the adult needing care have changed, section 10(1) applies in the carer's case (but subject to further refusal as mentioned in subsection (5) above).~~

## **12 Assessments under sections 9 and 10: further provision**

~~(1) Regulations must make further provision about carrying out a needs or carer's~~

~~assessment; the regulations may, in particular—~~

~~(a) require the local authority, in carrying out the assessment, to have regard to the needs of the family of the adult to whom the assessment relates;~~

~~(b) specify other matters to which the local authority must have regard in carrying out the assessment (including, in particular, the matters to which it must have regard in seeking to ensure that the assessment is carried out in an appropriate and proportionate manner);~~

~~(c) specify steps that the local authority must take for the purpose of ensuring that the assessment is carried out in an appropriate and proportionate manner;~~

~~(d) specify circumstances in which the assessment may or must be carried out by a person (whether or not an officer of the authority) who has expertise in a specified matter or is of such other description as is specified, jointly with or on behalf of the local authority;~~

~~(e) specify circumstances in which the adult to whom the assessment relates may carry out the assessment jointly with the local authority;~~

~~(f) specify circumstances in which the local authority must, before carrying out the assessment or when doing so, consult a person who has expertise in a specified matter or is of such other description as is specified;~~

~~(g) specify circumstances in which the local authority must refer the adult concerned for an assessment of eligibility for NHS continuing healthcare.~~

~~(2) The regulations may include provision for facilitating the carrying out of a needs or carer's assessment in circumstances specified under subsection (1)(d) or (e); they may, for example, give the local authority power to provide the~~

~~person carrying out the assessment—~~

~~(a) in the case of a needs assessment, with information about the adult to whom the assessment relates;~~

~~(b) in the case of a carer's assessment, with information about the carer to whom the assessment relates and about the adult needing care;~~

~~(c) in either case, with whatever resources, or with access to whatever facilities, the authority thinks will be required to carry out the assessment.~~

~~(3) The local authority must give a written record of a needs assessment to—~~

~~(a) the adult to whom the assessment relates,~~

~~(b) any carer that the adult has, if the adult asks the authority to do so, and~~

~~(c) any other person to whom the adult asks the authority to give a copy.~~

~~(4) The local authority must give a written record of a carer's assessment to—~~

~~(a) the carer to whom the assessment relates,~~

~~(b) the adult needing care, if the carer asks the authority to do so, and~~

~~(c) any other person to whom the carer asks the authority to give a copy.~~

~~(5) A local authority may combine a needs or carer's assessment with an assessment it is carrying out (whether or not under this Part) in relation to another person only if the adult to whom the needs or carer's assessment relates agrees and—~~

~~(a) where the combination would include an assessment relating to another adult, that other adult agrees;~~

~~(b) where the combination would include an assessment relating to a child (including a young carer), the consent condition is met in relation to the child.~~

~~(6) The consent condition is met in relation to a child if—~~

~~(a) the child has capacity or is competent to agree to the assessments being~~

~~combined and does so agree, or~~

~~(b) the child lacks capacity or is not competent so to agree but the local authority is satisfied that combining the assessments would be in the child's best interests.~~

~~(7) Where a local authority is carrying out a needs or carer's assessment, and there is some other assessment being or about to be carried out in relation to the adult to whom the assessment relates or in relation to a relevant person, the local authority may carry out that other assessment—~~

~~(a) on behalf of or jointly with the body responsible for carrying it out, or~~

~~(b) if that body has arranged to carry out the other assessment jointly with another person, jointly with that body and the other person.~~

~~(8) A reference to a needs or carer's assessment includes a reference to a needs or carer's assessment (as the case may be) which forms part of a combined assessment under subsection (5).~~

~~(9) A reference to an assessment includes a reference to part of an assessment.~~

~~(10) "NHS continuing health care" is to be construed in accordance with standing rules under section 6E of the National Health Service Act 2006.~~

~~(11) A person is a "relevant person", in relation to a needs or carer's assessment, if it would be reasonable to combine an assessment relating to that person with the needs or carer's assessment (as mentioned in subsection (5)).~~

### **~~13 The eligibility criteria~~**

~~(1) Where a local authority is satisfied on the basis of a needs or carer's assessment that an adult has needs for care and support or that a carer has needs for support, it must determine whether any of the needs meet the eligibility criteria (see subsection (7)).~~

~~(2) Having made a determination under subsection (1), the local authority must give the adult concerned a written record of the determination and the reasons~~

for it.

~~(3) Where at least some of an adult's needs for care and support meet the eligibility criteria, the local authority must—~~

~~(a) consider what could be done to meet those needs that do,~~

~~(b) ascertain whether the adult wants to have those needs met by the local authority in accordance with this Part, and~~

~~(c) establish whether the adult is ordinarily resident in the local authority's area.~~

~~(4) Where at least some of a carer's needs for support meet the eligibility criteria, the local authority must—~~

~~(a) consider what could be done to meet those needs that do, and~~

~~(b) establish whether the adult needing care is ordinarily resident in the local authority's area.~~

~~(5) Where none of the needs of the adult concerned meet the eligibility criteria, the local authority must give him or her written advice and information about—~~

~~(a) what can be done to meet or reduce the needs;~~

~~(b) what can be done to prevent or delay the development of needs for care and support, or the development of needs for support, in the future.~~

~~(6) Regulations may make provision about the making of the determination under subsection (1).~~

~~(7) Needs meet the eligibility criteria if—~~

~~(a) they are of a description specified in regulations, or~~

~~(b) they form part of a combination of needs of a description so specified.~~

~~(8) The regulations may, in particular, describe needs by reference to—~~

~~(a) the effect that the needs have on the adult concerned;~~

~~(b) the adult's circumstances.~~

## **Charging and assessing financial resources**

## **14 Power of local authority to charge**

(1) A local authority—

(a) may make a charge for meeting needs under sections 18 to 20[ or section 62(1)], and

(b) where it is meeting needs because Condition 2 in section 18 or Condition 2 or 4 in section 20 is met, may make a charge (in addition to the charge it makes under paragraph (a)) for putting in place the arrangements for meeting those needs.

(2) The power to make a charge under subsection (1) for meeting needs under section 18 is subject to section 15.

(3) The power to make a charge under subsection (1) for meeting a carer's needs for support under section 20 by providing care and support to the adult needing care may not be exercised so as to charge the carer.

(4) A charge under subsection (1)(a) may cover only the cost that the local authority incurs in meeting the needs to which the charge applies.

(5) Regulations may make provision about the exercise of the power to make a charge under subsection (1).

(6) Regulations may prohibit a local authority from making a charge under subsection (1); and the regulations may (in reliance on section 125(7)) prohibit a local authority from doing so where, for example, the care and support or the support—

(a) is of a specified type;

(b) is provided in specified circumstances;

(c) is provided to an adult of a specified description;

(d) is provided for a specified period only.

(7) A local authority may not make a charge under subsection (1) if the income of the adult concerned would, after deduction of the amount of the charge, fall

below such amount as is specified in regulations; and the regulations may in particular (in reliance on section 125(7)) specify—

(a) different amounts for different descriptions of care and support;

(b) different amounts for different descriptions of support.

(8) Regulations under subsection (7) may make provision as to cases or circumstances in which an adult is to be treated as having income that would, or as having income that would not, fall below the amount specified in the regulations if a charge were to be made.

### **~~15 Cap on care costs~~**

~~(1) A local authority may not make a charge under section 14 for meeting an adult's needs under section 18 if the total of the costs accrued in meeting the adult's eligible needs after the commencement of this section exceeds the cap on care costs.~~

~~(2) The reference to costs accrued in meeting eligible needs is a reference—~~

~~(a) in so far as the local authority met those needs, to the cost to the local authority of having done so (as reckoned from the costs specified in the personal budget for meeting those needs (see section 26));~~

~~(b) in so far as another local authority met the needs, to the cost to that other local authority of having done so (as reckoned from the costs so specified for meeting those needs);~~

~~(c) in so far as a person other than a local authority met the needs, to what the cost of doing so would have been to the local authority which would otherwise have done so (as reckoned from the costs specified in the independent personal budget for meeting those needs (see section 28)).~~

~~(3) An adult's needs are "eligible needs" if, at the time they were met—~~

~~(a) they met the eligibility criteria,~~

~~(b) they were not being met by a carer, and~~

~~(c) the adult was ordinarily resident or present in the area of a local authority.~~

~~(4) The “cap on care costs” is the amount specified as such in regulations; and the regulations may in particular (in reliance on section 125(7))—~~

~~(a) specify different amounts for persons of different age groups;~~

~~(b) specify zero as the amount for persons of a specified description.~~

~~(5) The total of the costs accrued in meeting an adult’s eligible needs after the commencement of this section (as referred to in subsection (1)) is referred to in this Part as the adult’s “accrued costs”.~~

~~(6) Where the costs accrued include daily living costs, the amount attributable to the daily living costs is to be disregarded in working out for the purposes of subsection (1) the total of the costs accrued in meeting an adult’s eligible needs after the commencement of this section.~~

~~(7) Where the cost to a local authority of meeting an adult’s needs under section 18 includes daily living costs, and the accrued costs exceed the cap on care costs (with the result that subsection (1) applies), the local authority may nonetheless make a charge to cover the amount attributable to those daily living costs.~~

~~(8) For the purposes of this Part, the amount attributable to an adult’s daily living costs is the amount specified in, or determined in accordance with, regulations.~~

#### ~~16 Cap on care costs: annual adjustment~~

~~(1) Where it appears to the Secretary of State that the level of average earnings in England is different at the end of a review period from what it was at the beginning of that period, the Secretary of State must make regulations under section 15(4) to vary the cap on care costs by the percentage increase or decrease by which that level has changed.~~

~~(2) If a variation is made under subsection (1), each adult’s accrued costs are to be~~

~~varied by the same percentage with effect from when the variation itself takes effect (and local authorities must accordingly ensure that care accounts and other records reflect the variation).~~

~~(3) The “level of average earnings in England” means the amount which represents the average annual earnings in England estimated in such manner as the Secretary of State thinks fit.~~

~~(4) “Review period” means—~~

~~(a) the period of 12 months beginning with the day on which section 15 comes into force, and~~

~~(b) each subsequent period of 12 months.~~

~~(5) The duty under subsection (1) does not restrict the exercise of the power to make regulations under section 15(4).~~

## **17 Assessment of financial resources**

(1) Where a local authority, having made a determination under section 13(1), thinks that, if it were to meet an adult’s needs for care and support, it would charge the adult under section 14(1) for meeting at least some of the needs, it must assess—

(a) the level of the adult’s financial resources, and

(b) the amount (if any) which the adult would be likely to be able to pay towards the cost of meeting the needs for care and support.

(2) Where a local authority thinks that, in meeting an adult’s needs for care and support, it would make a charge under section 15(7), it must assess—

(a) the level of the adult’s financial resources, and

(b) the amount (if any) which the adult would be likely to be able to pay towards the amount attributable to the adult’s daily living costs.

(3) Where a local authority, having made a determination under section 13(1), thinks that, if it were to meet a carer’s needs for support, it would charge the

carer under section 14(1) for meeting at least some of the needs, it must assess—

(a) the level of the carer's financial resources, and

(b) the amount (if any) which the carer would be likely to be able to pay towards the cost of meeting the needs for support.

[(3A) Where a local authority think that, if it were to meet a child's carer's needs for support, it would charge the child's carer under section 14(1) for meeting at least some of the needs, it must assess—

(a) the level of the child's carer's financial resources, and

(b) the amount (if any) which the child's carer would be likely to be able to pay towards the cost of meeting the needs for support.]

(4) Where a local authority, having made a determination under section 13(1), thinks that, if it were to meet a carer's needs for support, it would charge the adult needing care under section 14(1) for meeting at least some of the needs, it must assess—

(a) the level of the financial resources of the adult needing care, and

(b) the amount (if any) which the adult needing care would be likely to be able to pay towards the cost of meeting the carer's needs for support.

(5) An assessment under this section is referred to in this Part as a "financial assessment".

(6) A local authority, having carried out a financial assessment, must give a written record of the assessment to the adult to whom it relates.

(7) Regulations must make provision about the carrying out of a financial assessment.

(8) The regulations must make provision as to cases or circumstances in which, if the financial resources of an adult who has needs for care and support (whether in terms of income, capital or a combination of both) exceed a specified level, a local authority is not permitted to, or may (but need not)—

(a) in a case where the adult's accrued costs do not exceed the cap on care costs, pay towards the cost of the provision of care and support for the adult;

(b) in a case where the adult's accrued costs exceed the cap on care costs, pay towards the amount attributable to the adult's daily living costs.

(9) The regulations must make provision as to cases or circumstances in which, if the financial resources of a carer who has needs for support or of the adult needing care (whether in terms of income, capital or a combination of both) exceed a specified level, a local authority is not permitted to, or may (but need not), pay towards the cost of the provision of support for the carer.

(10) The level specified for the purposes of subsections (8) and (9) is referred to in this Part as "the financial limit"; and the regulations may in particular (in reliance on section 125(7)) specify—

(a) different levels for different descriptions of care and support;

(b) different levels for different descriptions of support.

(11) The regulations must make provision for—

(a) calculating income;

(b) calculating capital.

(12) The regulations may make provision—

(a) for treating, or not treating, amounts of a specified type as income or as capital;

(b) as to cases or circumstances in which an adult is to be treated as having, or as not having, financial resources above the financial limit.

(13) The regulations may make provision as to cases or circumstances in which a local authority is to be treated as—

(a) having carried out a financial assessment in an adult's case, and

(b) being satisfied on that basis that the adult's financial resources exceed,

or that they do not exceed, the financial limit.

## **Duties and powers to meet needs**

### **18 Duty to meet needs for care and support**

~~(1) A local authority, having made a determination under section 13(1), must meet the adult's needs for care and support which meet the eligibility criteria if—~~

~~(a) the adult is ordinarily resident in the authority's area or is present in its area but of no settled residence,~~

~~(b) the adult's accrued costs do not exceed the cap on care costs, and~~

~~(c) there is no charge under section 14 for meeting the needs or, in so far as there is, condition 1, 2 or 3 is met.~~

~~(2) Condition 1 is met if the local authority is satisfied on the basis of the financial assessment it carried out that the adult's financial resources are at or below the financial limit.~~

~~(3) Condition 2 is met if—~~

~~(a) the local authority is satisfied on the basis of the financial assessment it carried out that the adult's financial resources are above the financial limit, but~~

~~(b) the adult nonetheless asks the authority to meet the adult's needs.~~

~~(4) Condition 3 is met if—~~

~~(a) the adult lacks capacity to arrange for the provision of care and support, but~~

~~(b) there is no person authorised to do so under the Mental Capacity Act 2005 or otherwise in a position to do so on the adult's behalf.~~

~~(5) A local authority, having made a determination under section 13(1), must meet the adult's needs for care and support which meet the eligibility criteria if—~~

~~(a) the adult is ordinarily resident in the authority's area or is present in its area but of no settled residence, and~~

~~(b) the adult's accrued costs exceed the cap on care costs.~~

~~(6) The reference in subsection (1) to there being no charge under section 14 for meeting an adult's needs for care and support is a reference to there being no such charge because—~~

~~(a) the authority is prohibited by regulations under section 14 from making such a charge, or~~

~~(b) the authority is entitled to make such a charge but decides not to do so.~~

~~(7) The duties under subsections (1) and (5) do not apply to such of the adult's needs as are being met by a carer.~~

### ~~19 Power to meet needs for care and support~~

~~(1) A local authority, having carried out a needs assessment and (if required to do so) a financial assessment, may meet an adult's needs for care and support if—~~

~~(a) the adult is ordinarily resident in the authority's area or is present in its area but of no settled residence, and~~

~~(b) the authority is satisfied that it is not required to meet the adult's needs under section 18.~~

~~(2) A local authority, having made a determination under section 13(1), may meet an adult's needs for care and support which meet the eligibility criteria if—~~

~~(a) the adult is ordinarily resident in the area of another local authority,~~

~~(b) there is no charge under section 14 for meeting the needs or, in so far as there is such a charge, condition 1, 2 or 3 in section 18 is met, and~~

~~(c) the authority has notified the other local authority of its intention to meet the needs.~~

~~(3) A local authority may meet an adult's needs for care and support which appear to it to be urgent (regardless of whether the adult is ordinarily resident in its area) without having yet—~~

~~(a) carried out a needs assessment or a financial assessment, or~~

~~(b) made a determination under section 13(1).~~

~~(4) A local authority may meet an adult's needs under subsection (3) where, for example, the adult is terminally ill (within the meaning given in section 82(4) of the Welfare Reform Act 2012).~~

~~(5) The reference in subsection (2) to there being no charge under section 14 for meeting an adult's needs is to be construed in accordance with section 18(6).~~

## **~~20 Duty and power to meet a carer's needs for support~~**

~~(1) A local authority, having made a determination under section 13(1), must meet a carer's needs for support which meet the eligibility criteria if—~~

~~(a) the adult needing care is ordinarily resident in the local authority's area or is present in its area but of no settled residence,~~

~~(b) in so far as meeting the carer's needs involves the provision of support to the carer, there is no charge under section 14 for meeting the needs or, in so far as there is, condition 1 or 2 is met, and~~

~~(c) in so far as meeting the carer's needs involves the provision of care and support to the adult needing care—~~

~~(i) there is no charge under section 14 for meeting the needs and the adult needing care agrees to the needs being met in that way, or~~

~~(ii) in so far as there is such a charge, condition 3 or 4 is met.~~

~~(2) Condition 1 is met if the local authority is satisfied on the basis of the financial assessment it carried out that the carer's financial resources are at or below the financial limit.~~

~~(3) Condition 2 is met if—~~

~~(a) the local authority is satisfied on the basis of the financial assessment it carried out that the carer's financial resources are above the financial limit, but~~

~~(b) the carer nonetheless asks the authority to meet the needs in question.~~

~~(4) Condition 3 is met if—~~

~~(a) the local authority is satisfied on the basis of the financial assessment it carried out that the financial resources of the adult needing care are at or below the financial limit, and~~

~~(b) the adult needing care agrees to the authority meeting the needs in question by providing care and support to him or her.~~

~~(5) Condition 4 is met if—~~

~~(a) the local authority is satisfied on the basis of the financial assessment it carried out that the financial resources of the adult needing care are above the financial limit, but~~

~~(b) the adult needing care nonetheless asks the authority to meet the needs in question by providing care and support to him or her.~~

~~(6) A local authority may meet a carer's needs for support if it is satisfied that it is not required to meet the carer's needs under this section; but, in so far as meeting the carer's needs involves the provision of care and support to the adult needing care, it may do so only if the adult needing care agrees to the needs being met in that way.~~

~~(7) A local authority may meet some or all of a carer's needs for support in a way which involves the provision of care and support to the adult needing care, even if the authority would not be required to meet the adult's needs for care and support under section 18.~~

~~(8) Where a local authority is required by this section to meet some or all of a carer's needs for support but it does not prove feasible for it to do so by providing care and support to the adult needing care, it must, so far as it is feasible to do so, identify some other way in which to do so.~~

~~(9) The reference in subsection (1)(b) to there being no charge under section 14 for~~

~~meeting a carer's needs for support is a reference to there being no such charge because—~~

~~(a) the authority is prohibited by regulations under section 14 from making such a charge, or~~

~~(b) the authority is entitled to make such a charge but decides not to do so.~~

~~(10) The reference in subsection (1)(c) to there being no charge under section 14 for meeting an adult's needs for care and support is to be construed in accordance with section 18(6).~~

## **~~21 Exception for persons subject to immigration control~~**

~~(1) A local authority may not meet the needs for care and support of an adult to whom section 115 of the Immigration and Asylum Act 1999 ("the 1999 Act") (exclusion from benefits) applies and whose needs for care and support have arisen solely—~~

~~(a) because the adult is destitute, or~~

~~(b) because of the physical effects, or anticipated physical effects, of being destitute.~~

~~(2) For the purposes of subsection (1), section 95(2) to (7) of the 1999 Act applies but with the references in section 95(4) and (5) to the Secretary of State being read as references to the local authority in question.~~

~~(3) But, until the commencement of section 44(6) of the Nationality, Immigration and Asylum Act 2002, subsection (2) is to have effect as if it read as follows—~~

~~“(2) For the purposes of subsection (1), section 95(3) and (5) to (8) of, and paragraph 2 of Schedule 8 to, the 1999 Act apply but with references in section 95(5) and (7) and that paragraph to the Secretary of State being read as references to the local authority in question.”~~

~~(4) The reference in subsection (1) to meeting an adult's needs for care and support includes a reference to providing care and support to the adult in order to meet~~

~~a carer's needs for support.~~

~~(5) For the purposes of its application in relation to the duty in section 2(1)~~

~~(preventing needs for care and support), this section is to be read as if—~~

~~(a) for subsection (1) there were substituted—~~

~~“(1) A local authority may not perform the duty under section 2(1)~~

~~in relation to an adult to whom section 115 of the Immigration~~

~~and Asylum Act 1999 (“the 1999 Act”) (exclusion from benefits)~~

~~applies and whose needs for care and support have arisen, or~~

~~for whom such needs may in the future arise, solely—~~

~~(a) because the adult is destitute, or~~

~~(b) because of the physical effects, or anticipated physical~~

~~effects, of being destitute.”, and~~

~~(b) subsection (4) were omitted.~~

## **22 Exception for provision of health services**

(1) A local authority may not meet needs under sections 18 to 20[ or section 62(1)]  
by providing or

arranging for the provision of a service or facility that is required to be

provided under the National Health Service Act 2006 unless—

(a) doing so would be merely incidental or ancillary to doing something  
else to meet needs under those sections, and

(b) the service or facility in question would be of a nature that the local  
authority could be expected to provide.

(2) Regulations may specify—

(a) types of services or facilities which, despite subsection (1), may be  
provided or the provision of which may be arranged by a local  
authority, or circumstances in which such services or facilities may be  
so provided or the provision of which may be so arranged;

(b) types of services or facilities which may not be provided or the provision of which may not be arranged by a local authority, or circumstances in which such services or facilities may not be so provided or the provision of which may not be so arranged;

(c) services or facilities, or a method for determining services or facilities, the provision of which is, or is not, to be treated as meeting the conditions in subsection (1)(a) and (b).

(3) A local authority may not meet needs under sections 18 to 20[ or section 62(1)] by providing or

arranging for the provision of nursing care by a registered nurse.

(4) But a local authority may, despite the prohibitions in subsections (1) and (3), arrange for the provision of accommodation together with the provision of nursing care by a registered nurse if—

(a) the authority has obtained consent for it to arrange for the provision of the nursing care from whichever clinical commissioning group regulations require, or

(b) the case is urgent and the arrangements for accommodation are only temporary.

(5) In a case to which subsection (4)(b) applies, as soon as is feasible after the temporary arrangements are made, the local authority must seek to obtain the consent mentioned in subsection (4)(a).

(6) Regulations may require a local authority—

(a) to be involved in the specified manner in processes for assessing a person's needs for health care and for deciding how those needs should be met;

(b) to make arrangements for determining disputes between the authority and a clinical commissioning group or the National Health Service

Commissioning Board about whether or not a service or facility is required to be provided under the National Health Service Act 2006.

(7) Nothing in this section affects what a local authority may do under the National Health Service Act 2006, including entering into arrangements under regulations under section 75 of that Act (arrangements with NHS bodies).

(8) A reference to the provision of nursing care by a registered nurse is a reference to the provision by a registered nurse of a service involving—

(a) the provision of care, or

(b) the planning, supervision or delegation of the provision of care, other than a service which, having regard to its nature and the circumstances in which it is provided, does not need to be provided by a registered nurse.

(9) Where, in a case within subsection (4), the National Health Service Commissioning Board has responsibility for arranging for the provision of the nursing care, the reference in paragraph (a) of that subsection to a clinical commissioning group is to be read as a reference to the Board.

(10) For the purposes of its application in relation to the duty in section 2(1) (preventing needs for care and support), this section is to be read as if references to meeting needs under sections 18 to 20 were references to performing the duty under section 2(1).

### **23 Exception for provision of housing etc.**

(1) A local authority may not meet needs under sections 18 to 20 [ or section 62(1)] by doing

anything which it or another local authority is required to do under—

(a) the Housing Act 1996, or

(b) any other enactment specified in regulations.

(2) “Another local authority” includes a district council for an area in England for which there is also a county council.

(3) For the purposes of its application in relation to the duty in section 2(1) (preventing needs for care and support), this section is to be read as if, in subsection (1), for “meet needs under sections 18 to 20” there were substituted “perform the duty under section 2(1)”.

### **Next steps after assessments**

#### **24 The steps for the local authority to take**

(1) Where a local authority is required to meet needs under section 18 or 20(1), or decides to do so under section 19(1) or (2) or 20(6) [ or 62(1)], it must—

(a) prepare a care and support plan or a support plan for the adult concerned,

(b) tell the adult which (if any) of the needs that it is going to meet may be met by direct payments, and

(c) help the adult with deciding how to have the needs met.

(2) Where a local authority has carried out a needs or carer’s assessment but is not required to meet needs under section 18 or 20(1), and does not decide to do so under section 19(1) or (2) or 20(6), it must give the adult concerned—

(a) its written reasons for not meeting the needs, and

(b) (unless it has already done so under section 13(5)) advice and information about—

(i) what can be done to meet or reduce the needs;

(ii) what can be done to prevent or delay the development by the adult concerned of needs for care and support or of needs for support in the future.

(3) Where a local authority is not going to meet an adult’s needs for care and support, it must nonetheless prepare an independent personal budget for the adult (see section 28) if—

(a) the needs meet the eligibility criteria,

- (b) at least some of the needs are not being met by a carer, and
- (c) the adult is ordinarily resident in the authority's area or is present in its area but of no settled residence.

## **25 Care and support plan, support plan**

(5) Condition 2 is that—

(a) the local authority is not prohibited by regulations under section 33 from meeting the adult’s needs by making direct payments to the adult or nominated person, and

(7) Condition 4 is that the local authority is satisfied that making direct payments to the adult or nominated person is an appropriate way to meet the needs in question.

### **32 Adults without capacity to request direct payments**

(1) This section applies where—

(a) a personal budget for an adult specifies an amount which the local authority must pay towards the cost of meeting the needs to which the personal budget relates, and

(b) the adult lacks capacity to request the local authority to meet any of those needs by making payments to the adult, but

(c) an authorised person requests the local authority to meet some or all of those needs by making payments to the authorised person.

(2) If conditions 1 to 5 are met, the local authority must, subject to regulations under section 33, make the payments to which the request relates to the authorised person.

(8) Condition 4 is that the local authority is satisfied that the authorised person is capable of managing direct payments—

(a) by himself or herself, or

(b) with whatever help the authority thinks the authorised person will be able to access.

(9) Condition 5 is that the local authority is satisfied that making direct payments to the authorised person is an appropriate way to meet the needs in question.

### **33 Direct payments: further provision**

(1) Regulations must make further provision about direct payments.

(2) The regulations may, in particular, specify—

(g) cases or circumstances in which a local authority making direct payments must review the making of those payments.

(3) A direct payment is made on condition that it be used only to pay for arrangements under which the needs specified under section 25(2)(a) in the care and support plan or (as the case may be) the support plan are met.

(4) In a case where one or more of conditions 1 to 4 in section 31 is no longer met or one or more of conditions 1 to 5 in section 32 is no longer met, the local authority must terminate the making of direct payments.

(5) In a case where a condition specified under subsection (2)(b) or the condition mentioned in subsection (3) is breached, the local authority—

### **Deferred payment agreements, etc.**

#### **34 Deferred payment agreements and loans**

(1) Regulations may, in such cases or circumstances and subject to such conditions as may be specified, require or permit a local authority to enter into a deferred payment agreement with an adult.

(2) A “deferred payment agreement” is an agreement under which a local authority agrees not to require until the specified time either or both of the following—

(a) the payment of the specified part of the amounts due from an adult to the authority under such provision of this Part or of regulations under this Part as is specified in regulations;

(b) the repayment of the specified part of a loan made under the agreement by the authority to an adult for the purpose of assisting the adult to obtain the provision of care and support for the adult.

(a) the authority does not consider to be necessary to meet the adult’s needs;

(b) is in addition to care and support which is being provided, arranged for, or paid for (in whole or in part) by the authority.

(4) Regulations under subsection (1) may, in particular, prohibit a local authority from entering into, or permit it to refuse to enter into, a deferred payment agreement unless it obtains adequate security for the payment of the adult’s deferred amount.

(5) Regulations may specify what constitutes adequate security for the purposes of subsection (4); they may, for example, specify—

(a) an obligation on the adult to give the authority a charge over the adult’s legal or beneficial interest in the property which the adult occupies as his or her only or main residence (or in a property which the adult used to occupy as such) to secure payment of the adult’s deferred amount;

(b) a guarantee from another person to pay the adult’s deferred amount.

(6) A reference in this section or section 35 to an adult’s deferred amount, in

relation to a deferred payment agreement, is a reference to the amount of which the local authority agrees not to require payment or repayment until the specified time.

(7) “Specified”, in relation to a time or a part of an amount or loan, means specified in or determined in accordance with regulations; and the specified part of an amount or loan may be 100%.

(8) This section applies in relation to an agreement under which a local authority agrees to make a loan to an adult for the purpose of assisting the adult to obtain the provision of care and support for the adult as it applies in relation to a deferred payment agreement; and for that purpose—

(a) the reference in subsection (3) to subsection (2)(b) is to be read as a reference to this subsection; and

(b) the references in subsections (4) and (5) to payment of the adult’s deferred amount are to be read as references to repayment of the loan.

(c) specify what constitutes adequate security for the purposes of paragraph (a).

(4) The authority may not charge interest under regulations made under subsection (1) or under a deferred payment agreement at a rate that exceeds the rate specified in or determined in accordance with the regulations; the regulations may, for example, provide for a rate to be determined by reference to a specified interest rate or other specified criterion.

(5) The regulations must enable the adult to terminate a deferred payment agreement by—

(a) giving the authority notice, and

(b) paying the authority the full amount for which the adult is liable with respect to the adult's deferred amount and any interest or other amount charged under regulations made under subsection (1) or under the agreement.

(6) The regulations may make other provision about the duration of a deferred payment agreement and for its termination by either party.

(7) The regulations may make provision as to the rights and obligations of the authority and the adult where the adult disposes of any legal or beneficial interest in a property to which a deferred payment agreement relates and acquires a legal or beneficial interest in another property (whether or not it is in the area of that authority); they may, for example, make provision—

(a) for the authority not to require payment of the amounts referred to in subsection (5)(b) until the time specified in or determined in accordance with the regulations;

(b) for the adult to give the authority a charge over the adult's legal or beneficial interest in the other property.

(8) The regulations may—

(b) permit such other terms or conditions as the authority considers appropriate to be included in such an agreement;

(c) require statements or other information relating to specified matters, or in a specified form, to be included in such an agreement.

(9) The regulations may make provision for the purpose of enabling local authorities to protect (for example, by registration) or enforce security obtained for the payment of the adult's deferred amount or the payment of any interest or other amount referred to in subsection (1); and, for that purpose, the regulations may amend, repeal, or revoke an enactment, or provide for an enactment to apply with specified modifications.

(10) This section applies in relation to an agreement of the kind mentioned in section 34(8) as it applies in relation to a deferred payment agreement; and for that purpose—

(a) the references in subsections (1), (3) and (5) to the adult's deferred amount are to be read as references to the loan; and

(b) the reference in subsection (9) to payment of the adult's deferred amount is to be read as a reference to repayment of the loan.

### **36 Alternative financial arrangements**

(1) Regulations may, in such cases or circumstances and subject to such conditions as may be specified, require or permit a local authority to enter into alternative financial arrangements of a specified description with an adult.

(2) "Alternative financial arrangements" means arrangements which in the Secretary of State's opinion—

(a) equate in substance to a deferred payment agreement or an agreement of the kind mentioned in section 34(8), but

(b) achieve a similar effect to an agreement of the kind in question without including provision for the payment of interest.

(3) The regulations may make provision in connection with alternative financial arrangements to which they apply, including, in particular, provision of the kind that may (or must) be made in regulations under section 34 or 35 (apart from provision for the payment of interest).

~~(c) a reference to remaining in an area is a reference to remaining ordinarily resident there.~~

### **~~38 Case where assessments not complete on day of move~~**

~~(7) Where, having complied with the duty under subsection (1), the second authority is not required to meet the adult's needs for care and support under section 18 because the adult is still ordinarily resident in the area of the first authority, the second authority may recover from the first authority the costs it incurs in complying with the duty under subsection (1).~~

~~(2) This section also applies where—~~

~~(a) a local authority has been meeting a carer's needs for support, but~~

#### **~~44 Safeguarding adults reviews~~**

~~(1) An SAB must arrange for there to be a review of a case involving an adult in its area with needs for care and support (whether or not the local authority has been meeting any of those needs) if—~~

~~(a) there is reasonable cause for concern about how the SAB, members of it or other persons with relevant functions worked together to safeguard the adult, and~~

~~(b) condition 1 or 2 is met.~~

~~(2) Condition 1 is met if—~~

## **Market oversight**

### **~~53 Specifying criteria for application of market oversight regime~~**

~~(1) Regulations must specify criteria for determining whether (subject to regulations under subsection (4)) section 55 (financial sustainability assessment) applies to a registered care provider who is registered in respect of the carrying on of a regulated activity relating to the provision of social care for adults.~~

~~(2) In specifying the criteria, the Secretary of State must have regard to the following in particular—~~

~~(a) the amount of social care provided by a registered care provider,~~

~~(b) the geographical concentration of a registered care provider’s business,~~

~~(c) the extent to which a registered care provider specialises in the provision of particular types of care.~~

~~(3) The Secretary of State must—~~

~~(a) at such times as the Secretary of State considers appropriate, review the criteria for the time being specified in the regulations, and~~

~~(b) publish information about how the matters mentioned in subsection~~

~~(2), and any other matters to which the Secretary of State has regard in specifying the criteria, are to be measured.~~

~~(4) Regulations may provide that section 55 does not apply, or applies only to the~~

~~extent specified, to a specified registered care provider or to a registered care provider of a specified description, regardless of whether that provider or a provider of that description would satisfy the criteria.~~

~~(5) Regulations may provide that section 55 applies, or applies to the extent specified, to a specified registered care provider or to a registered care provider of a specified description, regardless of whether that provider or a provider of that description would satisfy the criteria.~~

~~(6) The circumstances in which regulations may be made under subsection (4) include those in which the Secretary of State is satisfied that certain registered care providers are already subject to a regulatory regime comparable to that provided for by sections 55 and 56; and regulations made in such circumstances may, for example, make provision requiring specified persons to co-operate or to share information of a specified description.~~

~~(7) “Social care” has the same meaning as in Part 1 of the Health and Social Care Act 2008.~~

#### **~~54 Determining whether criteria apply to care provider~~**

~~(1) The Care Quality Commission must determine, in the case of each registered care provider, whether the provider satisfies one or more of the criteria specified in regulations under section 53.~~

~~(2) If the Commission determines that the provider satisfies one or more of the criteria, section 55 applies to that provider unless, or except in so far as, regulations under section 53(4) provide that it does not apply.~~

~~(3) Where section 55 applies to a registered care provider (whether as a result of subsection (2) or as a result of regulations under section 53(5)), the Commission must inform the provider accordingly.~~

#### **~~55 Assessment of financial sustainability of care provider~~**

~~(1) Where this section applies to a registered care provider, the Care Quality~~

~~Commission must assess the financial sustainability of the provider's business of carrying on the regulated activity in respect of which it is registered.~~

~~(2) Where the Commission, in light of an assessment under subsection (1), considers that there is a significant risk to the financial sustainability of the provider's business, it may—~~

~~(a) require the provider to develop a plan for how to mitigate or eliminate the risk;~~

~~(b) arrange for, or require the provider to arrange for, a person with appropriate professional expertise to carry out an independent review of the business.~~

~~(3) Where the Commission imposes a requirement on a care provider under subsection (2)(a), it may also require the provider—~~

~~(a) to co-operate with it in developing the plan, and~~

~~(b) to obtain its approval of the finalised plan.~~

~~(4) Where the Commission arranges for a review under subsection (2)(b), it may recover from the provider such costs as the Commission incurs in connection with the arrangements (other than its administrative costs in making the arrangements).~~

~~(5) Regulations may make provision for enabling the Commission to obtain from such persons as it considers appropriate information which the Commission believes will assist it to assess the financial sustainability of a registered care provider to which this section applies.~~

~~(6) Regulations may make provision about the making of the assessment required by subsection (1).~~

~~(7) The Commission may consult such persons as it considers appropriate on the method for assessing the financial sustainability of a registered care provider's business; and, having done so, it must publish guidance on the method it~~

~~expects to apply in making the assessment.~~

#### ~~**56 Informing local authorities where failure of care provider likely**~~

~~(1) This section applies where the Care Quality Commission is satisfied that a registered care provider to which section 55 applies is likely to become unable to carry on the regulated activity in respect of which it is registered because of business failure as mentioned in section 48.~~

~~(2) The Commission must inform the local authorities which it thinks will be required to carry out the duty under section 48(2) if the provider becomes unable to carry on the regulated activity in question.~~

~~(3) Where the Commission considers it necessary to do so for the purpose of assisting a local authority to carry out the duty under section 48(2), it may request the provider, or such other person involved in the provider's business as the Commission considers appropriate, to provide it with specified information.~~

~~(4) Where (as a result of subsection (3) or otherwise) the Commission has information about the provider's business that it considers may assist a local authority in carrying out the duty under section 48(2), the Commission must give the information to the local authority.~~

~~(5) Regulations may make provision as to the circumstances in which the Commission is entitled to be satisfied for the purposes of subsection (1) that a registered care provider is likely to become unable to carry on a regulated activity.~~

~~(6) The Commission may consult such persons as it considers appropriate on the methods to apply in assessing likelihood for the purposes of subsection (1); and, having carried out that consultation, it must publish guidance on the methods it expects to apply in making the assessment.~~

#### ~~**57 Sections 54 to 56: supplementary**~~

~~(1) For the purposes of Part 1 of the Health and Social Care Act 2008, the duties imposed on the Care Quality Commission under sections 54(1) and 55(1) are to be treated as regulatory functions of the Commission.~~

~~(2) For the purposes of that Part of that Act, the doing by the Commission of anything for the purpose of assisting a local authority to carry out the duty under section 48(2) is to be treated as one of the Commission's regulatory functions.~~

~~(3) For the purposes of sections 17 and 18 of that Act (cancellation or suspension of registration under Part 1 of that Act), a requirement imposed on a registered care provider under or by virtue of any of sections 54 to 56 (or by virtue of subsection (1) or (2)) is to be treated as a requirement imposed by or under Chapter 6 of Part 1 of that Act.~~

~~(4) The Commission must, in exercising any of its functions under sections 54 to 56, have regard to the need to minimise the burdens it imposes on others.~~

### ~~**Transition for children to adult care and support, etc.**~~

#### ~~**58 Assessment of a child's needs for care and support**~~

~~(1) Where it appears to a local authority that a child is likely to have needs for care and support after becoming 18, the authority must, if it is satisfied that it would be of significant benefit to the child to do so and if the consent condition is met, assess—~~

~~(a) whether the child has needs for care and support and, if so, what those needs are, and~~

~~(b) whether the child is likely to have needs for care and support after becoming 18 and, if so, what those needs are likely to be.~~

~~(2) An assessment under subsection (1) is referred to in this Part as a "child's needs assessment".~~

~~(3) The consent condition is met if—~~

~~(a) the child has capacity or is competent to consent to a child's needs assessment being carried out and the child does so consent, or~~

~~(b) the child lacks capacity or is not competent so to consent but the authority is satisfied that carrying out a child's needs assessment would be in the child's best interests.~~

~~(4) Where a child refuses a child's needs assessment and the consent condition is accordingly not met, the local authority must nonetheless carry out the assessment if the child is experiencing, or is at risk of, abuse or neglect.~~

~~(5) Where a local authority, having received a request to carry out a child's assessment from the child concerned or a parent or carer of the child, decides not to comply with the request, it must give the person who made the request—~~

~~(a) written reasons for its decision, and~~

~~(b) information and advice about what can be done to prevent or delay the development by the child of needs for care and support in the future.~~

~~(6) "Parent", in relation to a child, includes—~~

~~(a) a parent of the child who does not have parental responsibility for the child, and~~

~~(b) a person who is not a parent of the child but who has parental responsibility for the child.~~

~~(7) "Carer", in relation to a child, means a person, other than a parent, who is providing care for the child, whether or not under or by virtue of a contract or as voluntary work.~~

~~(8) The reference to providing care includes a reference to providing practical or emotional support.~~

## **~~59 Child's needs assessment: requirements etc.~~**

~~(1) A child's needs assessment must include an assessment of—~~

~~(a) the impact on the matters specified in section 1(2) of what the child's needs for care and support are likely to be after the child becomes 18,~~  
~~(b) the outcomes that the child wishes to achieve in day-to-day life, and~~  
~~(c) whether, and if so to what extent, the provision of care and support could contribute to the achievement of those outcomes.~~

~~(2) A local authority, in carrying out a child's needs assessment, must involve—~~

~~(a) the child,~~

~~(b) the child's parents and any carer that the child has, and~~

~~(c) any person whom the child or a parent or carer of the child requests the local authority to involve.~~

~~(3) When carrying out a child's needs assessment, a local authority must also consider whether, and if so to what extent, matters other than the provision of care and support could contribute to the achievement of the outcomes that the child wishes to achieve in day-to-day life.~~

~~(4) Having carried out a child's needs assessment, a local authority must give the child—~~

~~(a) an indication as to whether any of the needs for care and support which it thinks the child is likely to have after becoming 18 are likely to meet the eligibility criteria (and, if so, which ones are likely to do so), and~~

~~(b) advice and information about—~~

~~(i) what can be done to meet or reduce the needs which it thinks the child is likely to have after becoming 18;~~

~~(ii) what can be done to prevent or delay the development by the child of needs for care and support in the future.~~

~~(5) But in a case where the child is not competent or lacks capacity to understand the things which the local authority is required to give under subsection (4), that subsection is to have effect as if for "must give the child" there were~~

~~substituted “must give the child’s parents”.~~

~~(6) Where a person to whom a child’s needs assessment relates becomes 18, the local authority must decide whether to treat the assessment as a needs assessment; and if the authority decides to do so, this Part applies to the child’s needs assessment as if it were a needs assessment that had been carried out after the person had become 18.~~

~~(7) In considering what to decide under subsection (6), a local authority must have regard to—~~

~~(a) when the child’s needs assessment was carried out, and~~

~~(b) whether it appears to the authority that the circumstances of the person to whom the child’s needs assessment relates have changed in a way that might affect the assessment.~~

~~(8) “Carer” has the same meaning as in section 58.~~

### ~~**60 Assessment of a child’s carer’s needs for support**~~

~~(1) Where it appears to a local authority that a carer of a child is likely to have needs for support after the child becomes 18, the authority must, if it is satisfied that it would be of significant benefit to the carer to do so, assess—~~

~~(a) whether the carer has needs for support and, if so, what those needs are, and~~

~~(b) whether the carer is likely to have needs for support after the child becomes 18 and, if so, what those needs are likely to be.~~

~~(2) An assessment under subsection (1) is referred to in this Part as a “child’s carer’s assessment”.~~

~~(3) Where a child’s carer refuses a child’s carer’s assessment, the local authority is not required to carry out the assessment (and subsection (1) does not apply in the carer’s case).~~

~~(4) Where, having refused a child’s carer’s assessment, a child’s carer requests the~~

~~assessment, subsection (1) applies in the carer's case (and subsection (3) does not).~~

~~(5) Where a child's carer has refused a child's carer's assessment and the local authority concerned thinks that the carer's needs or circumstances have changed, subsection (1) applies in the carer's case (but subject to further refusal as mentioned in subsection (3)).~~

~~(6) Where a local authority, having received a request to carry out a child's carer's assessment from the carer concerned, decides not to comply with the request, it must give the carer—~~

~~(a) written reasons for its decision, and~~

~~(b) information and advice about what can be done to prevent or delay the development by the carer of needs for support in the future.~~

~~(7) "Carer", in relation to a child, means an adult (including one who is a parent of the child) who provides or intends to provide care for the child (but see subsection (8)).~~

~~(8) An adult is not a carer for the purposes of this section if the adult provides or intends to provide care—~~

~~(a) under or by virtue of a contract, or~~

~~(b) as voluntary work.~~

~~(9) But in a case where the local authority considers that the relationship between the child and the adult providing or intending to provide care is such that it would be appropriate for the adult to be regarded as a carer, the adult is to be regarded as such (and subsection (8) is therefore to be ignored in that case).~~

~~(10) The references to providing care include a reference to providing practical or emotional support.~~

## **61 Child's carer's assessment: requirements etc.**

~~(1) A child's carer's assessment must include an assessment of—~~

~~(a) whether the carer is able to provide care for the child and is likely to continue to be able to do so after the child becomes 18,~~  
~~(b) whether the carer is willing to do so and is likely to continue to be willing to do so after the child becomes 18,~~  
~~(c) the impact on the matters specified in section 1(2) of what the carer's needs for support are likely to be after the child becomes 18,~~  
~~(d) the outcomes that the carer wishes to achieve in day-to-day life, and~~  
~~(e) whether, and if so to what extent, the provision of support could contribute to the achievement of those outcomes.~~

~~(2) A local authority, in carrying out a child's carer's assessment, must have regard to—~~

~~(a) whether the carer works or wishes to do so, and~~  
~~(b) whether the carer is participating in or wishes to participate in education, training or recreation.~~

~~(3) A local authority, in carrying out a child's carer's assessment, must involve—~~

~~(a) the carer, and~~  
~~(b) any person whom the carer asks the local authority to involve.~~

~~(4) When carrying out a child's carer's assessment, a local authority must also consider whether, and if so to what extent, matters other than the provision of support could contribute to the achievement of the outcomes that the carer wishes to achieve in day-to-day life.~~

~~(5) Having carried out a child's carer's assessment, a local authority must give the carer—~~

~~(a) an indication as to whether any of the needs for support which it thinks the carer is likely to have after the child becomes 18 are likely to meet the eligibility criteria (and, if so, which ones are likely to do so), and~~  
~~(b) advice and information about—~~

~~(i) what can be done to meet or reduce the needs which it thinks the carer is likely to have after the child becomes 18;~~

~~(ii) what can be done to prevent or delay the development by the carer of needs for support in the future.~~

~~(6) Where, in the case of a carer to whom a child's carer's assessment relates, the child becomes 18, the local authority must decide whether to treat the assessment as a carer's assessment; and if the authority decides to do so, this Part applies to the child's carer's assessment as if it were a carer's assessment that had been carried out after the child had become 18.~~

~~(7) In considering what to decide under subsection (6), a local authority must have regard to—~~

~~(a) when the child's carer's assessment was carried out, and~~

~~(b) whether it appears to the authority that the circumstances of the carer to whom the child's carer's assessment relates have changed in a way that might affect the assessment.~~

~~(8) "Carer" has the same meaning as in section 60.~~

## **~~62 Power to meet child's carer's needs for support~~**

~~(1) Where a local authority, having carried out a child's carer's assessment, is satisfied that the carer has needs for support, it may meet such of those needs as it considers appropriate.~~

~~(2) Regulations may make provision in connection with the exercise of the power under subsection (1); the regulations may, in particular, provide for provisions of this Part to apply with such modifications as may be specified.~~

~~(3) In deciding whether or how to exercise the power under subsection (1), a local authority must have regard to any services being provided to the carer under section 17 of the Children Act 1989.~~

~~(4) "Carer" has the same meaning as in section 60.~~

### ~~63 Assessment of a young carer's needs for support~~

~~(1) Where it appears to a local authority that a young carer is likely to have needs for support after becoming 18, the authority must, if it is satisfied that it would be of significant benefit to the young carer to do so and if the consent condition is met, assess—~~

~~(a) whether the young carer has needs for support and, if so, what those needs are, and~~

~~(b) whether the young carer is likely to have needs for support after becoming 18 and, if so, what those needs are likely to be.~~

~~(2) An assessment under subsection (1) is referred to in this Part as a “young carer's assessment”.~~

~~(3) The consent condition is met if—~~

~~(a) the young carer has capacity or is competent to consent to a young carer's assessment being carried out and the young carer does so consent, or~~

~~(b) the young carer lacks capacity or is not competent so to consent but the authority is satisfied that carrying out a young carer's assessment would be in the young carer's best interests.~~

~~(4) Where a young carer refuses a young carer's assessment and the consent condition is accordingly not met, the local authority must nonetheless carry out the assessment if the young carer is experiencing, or is at risk of, abuse or neglect.~~

~~(5) Where a local authority, having received a request to carry out a young carer's assessment from the young carer concerned or a parent of the young carer, decides not to comply with the request, it must give the person who made the request—~~

~~(a) written reasons for its decision, and~~

~~(b) advice and information about what can be done to prevent or delay the development by the young carer of needs for support in the future.~~

~~(6) “Young carer” means a person under 18 who provides or intends to provide care for an adult (but see subsection (7)).~~

~~(7) A person is not a young carer for the purposes of this section if the person provides or intends to provide care—~~

~~(a) under or by virtue of a contract, or~~

~~(b) as voluntary work.~~

~~(8) But in a case where the local authority considers that the relationship between the adult and the person under 18 providing or intending to provide care is such that it would be appropriate for the person under 18 to be regarded as a young carer, that person is to be regarded as such (and subsection (7) is therefore to be ignored in that case).~~

~~(9) The references to providing care include a reference to providing practical or emotional support.~~

#### **64 Young carer’s assessment: requirements etc.**

~~(1) A young carer’s assessment must include an assessment of—~~

~~(a) whether the young carer is able to provide care for the person in question and is likely to continue to be able to do so after becoming 18,~~

~~(b) whether the young carer is willing to do so and is likely to continue to be willing to do so after becoming 18,~~

~~(c) the impact on the matters specified in section 1(2) of what the young carer’s needs for support are likely to be after the young carer becomes 18,~~

~~(d) the outcomes that the young carer wishes to achieve in day-to-day life, and~~

~~(e) whether, and if so to what extent, the provision of support could~~

~~contribute to the achievement of those outcomes.~~

~~(2) A local authority, in carrying out a young carer's assessment, must have regard to—~~

~~(a) the extent to which the young carer works or wishes to work (or is likely to wish to do so after becoming 18),~~

~~(b) the extent to which the young carer is participating in or wishes to participate in education, training or recreation (or is likely to wish to do so after becoming 18).~~

~~(3) A local authority, in carrying out a young carer's assessment, must involve—~~

~~(a) the young carer,~~

~~(b) the young carer's parents, and~~

~~(c) any person whom the young carer or a parent of the young carer requests the authority to involve.~~

~~(4) When carrying out a young carer's assessment, a local authority must also consider whether, and if so to what extent, matters other than the provision of support could contribute to the achievement of the outcomes that the young carer wishes to achieve in day-to-day life.~~

~~(5) Having carried out a young carer's assessment, a local authority must give the young carer—~~

~~(a) an indication as to whether any of the needs for support which it thinks the young carer is likely to have after becoming 18 are likely to meet the eligibility criteria (and, if so, which ones are likely to do so), and~~

~~(b) advice and information about—~~

~~(i) what can be done to meet or reduce the needs for support which it thinks the young carer is likely to have after becoming 18;~~

~~(ii) what can be done to prevent or delay the development by the young carer of needs for support in the future.~~

~~(6) But in a case where the young carer is not competent or lacks capacity to understand the things which the local authority is required to give under subsection (5), that subsection is to have effect as if for “must give the young carer” there were substituted “must give the young carer’s parents”.~~

~~(7) Where a person to whom a young carer’s assessment relates becomes 18, the local authority must decide whether to treat the assessment as a carer’s assessment; and if the authority decides to do so, this Part applies to the young carer’s assessment as if it were a carer’s assessment that had been carried out after the person had become 18.~~

~~(8) In considering what to decide under subsection (7), a local authority must have regard to—~~

~~(a) when the young carer’s assessment was carried out, and~~

~~(b) whether it appears to the authority that the circumstances of the person to whom the young carer’s assessment relates have changed in a way that might affect the assessment.~~

### **~~65 Assessments under sections 58 to 64: further provision~~**

~~(1) Regulations under section 12—~~

~~(a) may make such provision about carrying out a child’s needs assessment as they may make about carrying out a needs assessment;~~

~~(b) may make such provision about carrying out a child’s carer’s assessment or a young carer’s assessment as they may make about carrying out a carer’s assessment.~~

~~(2) A local authority may combine a child’s needs assessment or young carer’s assessment with an assessment it is carrying out (whether or not under this Part) in relation to another person only if the consent condition is met in relation to the child to whom the child’s needs or young carer’s assessment relates and—~~

~~(a) where the combination would include an assessment relating to another child, the consent condition is met in relation to that other child;~~

~~(b) where the combination would include an assessment relating to an adult, the adult agrees.~~

~~(3) A local authority may combine a child's carer's assessment with an assessment it is carrying out (whether or not under this Part) in relation to another person only if the adult to whom the child's carer's assessment relates agrees and—~~

~~(a) where the combination would include an assessment relating to another adult, that other adult agrees, and~~

~~(b) where the combination would include an assessment relating to a child, the consent condition is met in relation to that child.~~

~~(4) The consent condition is met in relation to a child if—~~

~~(a) the child has capacity or is competent to agree to the assessments being combined and does so agree, or~~

~~(b) the child lacks capacity or is not competent so to agree but the local authority is satisfied that combining the assessments would be in the child's best interests.~~

~~(5) Where a local authority is carrying out a child's needs assessment, a child's carer's assessment or a young carer's assessment, and there is some other assessment being or about to be carried out in relation to the person to whom the assessment relates or in relation to a relevant person, the local authority may carry out that other assessment—~~

~~(a) on behalf of or jointly with the body responsible for carrying it out, or~~

~~(b) if that body has arranged to carry out the other assessment jointly with another person, jointly with that body and the other person.~~

~~(6) A reference to an assessment includes a reference to part of an assessment.~~

~~(7) A person is a “relevant person”, in relation to a child’s needs, child’s carer’s or young carer’s assessment, if it would be reasonable to combine an assessment relating to that person with the child’s needs, child’s carer’s or young carer’s assessment (as mentioned in subsections (2) and (3)).~~

## ~~66 Continuity of services under other legislation~~

~~(1) Before section 17A of the Children Act 1989 insert—~~

~~(b) are required by section 60(1) of that Act to carry out a child’s carer’s assessment in relation to a carer of the child.~~

~~(2) If the local authority carry out the assessment before the child reaches the age of 18 and decide to treat it as a needs or carer’s assessment in accordance with section 59(6), 61(6) or 64(7) of the Care Act 2014 (with Part 1 of that Act applying to the assessment as a result), the authority must continue to comply with section 17 after the child reaches the age of 18 until they reach a conclusion in his case.~~

~~(3) If the local authority carry out the assessment before the child reaches the age of 18 but decide not to treat it as a needs or carer’s assessment in accordance with section 59(6), 61(6) or 64(7) of the Care Act 2014—~~

~~(a) they must carry out a needs or carer’s assessment (as the case may be) after the child reaches the age of 18, and~~
