Invitation to Tender for 2015 Duty Provider Crime Contracts

Amendment Notice

On 27 November 2014 we published on our eTendering portal the Invitation to Tender for 2015 Duty Provider Crime Contracts.

In accordance with our power under paragraph 8.12 of the Terms and Conditions of the tender process, Applicant Organisations are notified that we have amended the Information for Applicants (IFA) document to correct errors in the information given in Annex B 'Table 2: London Procurement Areas' regarding immediately adjacent London Procurement Areas for the Central London and Hammersmith and Fulham (West London) Procurement Areas.

Applicant Organisations bidding in these London Procurement Areas must have an Office either in the Procurement Area itself or in one of the immediately adjacent Procurement Areas detailed below:

London Procurement Areas (including former names)	Immediately Adjacent London Procurement Areas
Central London	Hammersmith and Fulham (West London), Brent, City of London (Bishopsgate), Camden (Clerkenwell/Hampstead), Lambeth (Camberwell Green), Wandsworth (South London)
Hammersmith and Fulham (West London)	Brent, Central London, Ealing, Hounslow (Brentford), Richmond, Wandsworth (South London)

Version 2 of the Information for Applicants document, reflecting the above amendment to Annex B, is available via the 'Buyer Attachments' link within the eTendering system and on the Gov.uk website.

Requirements upon Applicant Organisations

Applicant Organisations are required to refer to the second version of the Information For Applicants in preparing their Tender.

Applicant Organisations tendering in the affected London Procurement Areas must check that their response is not impacted by this notice.
