Overview

Background

To further assist the profession in understanding the Legal Aid Agency's approach to allocation of Duty Slots under the Duty Provider Crime Contract 2015 we have decided to publish indicative rotas for each Procurement Area to demonstrate how slots will be allocated.

These indicative rotas are provided for illustrative purposes only. Slots will not be allocated to providers until the tender process has completed and contracts awarded.

In April 2014 we published Crime Data Packs containing historic information (2010-2013) including volumes and values of police station work by procurement area. Updated data packs containing 2013/14 data were published in June 2014. The data packs can be accessed on the .gov.uk website via the following link:

<https://www.gov.uk/government/publications/data-pack-tables-for-crime-tender-2015>.

Duty Rotas

Each Procurement Area will have a separate duty scheme.

For Procurement Areas outside London the duty schemes will be made up of a number of police station schemes and a number of court duty schemes. For London Procurement Areas the schemes will be made up of a police station scheme and/or a court duty scheme.

We intend to allocate rota slots to providers rather than to individual duty lawyers. Providers will be responsible for ensuring that they have sufficient volumes of duty lawyers available to cover any slots allocated to them.

Providers on a rota will receive an equal share of Duty Slots. We will endeavour to allocate slots as evenly as possible across the days of the week and the locations of the schemes to ensure fairness. Where it is not possible to allocate an equal number of slots to each provider in a rota period this will be balanced in subsequent rota periods.

The indicative rotas have been compiled based on current court and police station locations, and are correct as of July 2014 according to the information available to the LAA at that time. Changes to police station locations and court estate and listing practices may take place prior to the contract starting, in which case the rotas will be amended prior to the Duty Provider contract start date and may differ from the indicative rotas produced.
