

**We were asked:**

Q1. A list of European Union subsidies, grants and funds which are available to be claimed by the Wales Office, and its affiliated non ministerial departments, agencies and other public bodies, but are not claimed.

Q2. The reasons if available, why the Department decided not to claim that specific subsidy, grant or fund.

**We replied:**

A. We have conducted a search of our records and can confirm that the Wales Office does not hold information that is relevant to your request.
