The Draft Local Authorities (Functions and Responsibilities) (England) Regulations 2015 ........................................ Page 22
Introduction

1. The Department is undertaking a technical consultation on the draft Local Authorities (Functions and Responsibilities) (England) Regulations 2015 (“the draft Regulations”) reproduced at the end of this note.

2. The draft Regulations consolidate the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 and 15 subsequent amending Regulations. They also take account of current circumstances and policies, delete references to legislative provisions that have been revoked or are otherwise no longer required, reference new legislation as appropriate, and give effect to current Government policies.

3. This note is a guide to the main changes that have been made to assist those considering and commenting on the draft Regulations. Paragraphs 7 to 19 summarises the principal legislative and policy changes. The rest of the note picks up the main changes in each part of the draft Regulations.

The Regulations

4. Part 1A of the Local Government Act 2000 (“the 2000 Act”) provides that where authorities operate executive arrangements (Leader and Cabinet or Mayor and Cabinet), all functions are to be exercised by the executive unless otherwise specified either in that Act, any enactment passed after it, or specified in regulations made under section 9D of that Act.

5. The Regulations will be made in exercise of powers conferred by sections 9D, 9DA and 105 of the 2000 Act. They specify functions that are not to be the responsibility of an authority’s executive, or are to be the responsibility of such an executive only to a limited extent or only in specified circumstances.

6. In broad terms, local authority’s full council is responsible for setting the budget and policy framework. Functions such as licensing and planning development control are also generally the responsibility of the council or its committees or sub-committees rather than the executive, although there are exceptions to this.

\[\text{\textsuperscript{1}}\] The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 made under section 13 and 105 of the Local Government Act 2000 before the Localism Act 2011 inserted the new Part 1A, remain in force until revoked pursuant to the Interpretation Act 1978.
Principal Amendments and Updates

Budgeting – Schedule 4

7. The draft Regulations clarify the current legal position on “in year” decisions that may impact on an authority’s agreed budget. They provide that once the overall budget envelope has been agreed at the beginning of the year by the full council, subsequent decisions of the executive that may impact on that budget need only be brought back to the full council:

- If the decision is likely to cause the authority’s overall budget envelope to be exceeded, or
- If it is contrary to the authority’s borrowing or capital expenditure plans; and,
- If it is not authorised by the authority’s executive arrangements, financial regulations, standing orders or other rules or procedures.

8. In the Regulations, the budget is defined by reference to the calculations required under the Local Government Finance Act 1992 and the budgeting process defined by the Local Authorities (Standing Orders) (England) Regulations 2001 as amended which provide for the preparation by the executive and approval by the council of those calculations.

Strategic plans – Schedule 4

9. The draft Regulations provide for a revised process for handling decisions impacting on strategic and other plans in authorities operating Mayor and Cabinet governance arrangements.

10. A directly elected mayor may, within 6 months of being appointed, publish a plan or strategy (the mayor’s plan) to be approved and adopted by the executive. With certain exceptions, the mayor/executive may subsequently make a determination of any matter in the discharge of a function - make decisions - consistent with the mayor’s plan without reference to the full council, even where the decision is contrary to other strategic plans which the council may have approved. The exceptions are specific statutory and other plans defined in draft Regulation 4 (1)(a) or 4(1)(b) - plans or strategies specified in the first column of Schedule 3, or plans for the control of the authority’s borrowing, investments or capital expenditure, or for determining the authority’s minimum revenue provision.

11. Any proposed decision that is neither in accordance with a plan or strategy adopted by the authority nor in accordance with the mayor’s plan, must be referred to the council in the usual way.

2 The Local authorities (Standing Orders) (England) (Amendment) Regulations 2014
Disposal of land and buildings – Schedule 4

12. The draft Regulations provide that any decision to dispose of an asset or to grant a long lease in respect of that asset should not be a function of the executive where the value of that asset exceeds a defined sum. Subject to views, the draft sets the threshold at £500,000.

Licensing of scrap metal dealers – Schedule 2, paragraph 23

13. The Scrap Metal Dealers Act 1964 has been repealed by the Scrap Metal Dealers Act 2013.

14. The draft Regulations provide that any function under the Scrap Metal Dealers Act 2013 will be a function which may be, but need not be, the responsibility of an authority’s executive.

Health and Wellbeing Boards - Schedule 2, paragraph 22

15. The draft Regulations provide that the arrangements under section 196(2) of the Health and Social Care Act 2012 to enable the Health and Wellbeing Boards to exercise any other functions of their authorities may be made either by the authority or the executive, the policy intention being that both functions of the authority and executive functions may be delegated to a Health and Wellbeing Board.

Neighbourhood Planning – Schedule 2, paragraphs 19 to 21

16. The draft Regulations provide that functions relating to charges for meeting costs relating to Neighbourhood planning, and other functions relating to neighbourhood development plans or orders may be functions either of the executive or of the council and its committees and sub-committees.

Establishment of combined authorities and economic prosperity boards – Regulation 4, paragraphs 10 and 11

17. The draft Regulations clarify and provide for the preparation of schemes for the establishment of combined authorities or economic prosperity boards to be the responsibility of the executive, but for the publication of such schemes and consent for inclusion of local government areas in such scheme areas to be a function of the full council. This reflects both the practicalities of local authorities creating combined authorities and economic prosperity boards, and the quasi constitutional nature of decisions to enter into such collaborative arrangements.
Authorising the contracting out of a function under Section 70 of the Deregulation and Contracting Out Act 1994 – Regulation 4 paragraph 17 to 21

18. The draft Regulations provide for the preparation and implementation of any such proposals or the preparation and implementation of any revocation to be a function of the executive but the authorisation in each case to be a function of the full council.

Sustainable Drainage System Approving bodies – Schedule 1 part A(30)

19. The draft Regulations provide that the functions of authorities as approval bodies for Sustainable Drainage Schemes under Schedule 3 to the Flood and Water Management Act 2010 should not be exercised by the executive.

Detailed Changes to Regulations

A. Functions not to be the responsibility of an authority’s executive

20. Regulation 2, paragraphs 2, 3, 4 and 6 - include functions relating to 'certificates' (imposing conditions limitations or other restrictions determining any other terms, determining whether and in what manner to enforce, failure to comply, contravention, amendment or revocation, whether a charge should be made and the amount of the charge) as functions that are not to be the function of an executive of the authority.

21. Regulation 2, paragraph 6 - previous references regarding the function of making schemes for members allowances, conferences and meetings, and in particular the amount of any allowance payable for financial loss, attending conferences and meetings and travel and subsistence made under sections 173,174 and 175 of the Local Government Act 1972 are deleted following the disapplication of those sections in England by the Local Authorities (Members Allowances) (England) Regulations 2003.

22. Regulation 2, paragraph 7 - updates the reference to legislation regarding the function of making a request for single member electoral areas to section 57 of the Local Democracy, Economic Development and Construction Act 2009 as amended by the Localism Act 2011.

24. Regulation 2, paragraph 14 - updated reference to include the date on which the Functions and Responsibilities Regulations were first made (19 October 2000). Under this paragraph, any function of a local authority which, by virtue of any legislation passed before that date may be discharged only by an authority, is not to be the responsibility of an executive unless it is covered by another provision in these Regulations.
25. The previous provision relating to making changes in governance arrangements under paragraphs 3 or 8 of Schedule 4 of the Local Government and Public Involvement in Health Act is deleted as these provisions have been superseded. Section 9KC in Part 1A of the Local Government Act 2000 requires a resolution of the local authority to make a change in the governance arrangements now provided for by that Act as amended by the localism Act 2011. Section 9R (7) of the Local Government Act 2000 provides that all functions conferred on a local authority by virtue of Part 1A are not to be the responsibility of an executive of the authority under executive arrangements.

B. Functions which may be the responsibility of an authority’s executive

26. Regulation 3, previously made provisions for Hastings and Saint Leonards Museum Association to appoint people who are members of the association to attend meetings of an overview and scrutiny committee or sub committee at which the management of the museum was being discussed, that they would be entitled to speak to and vote on questions relating to the management of the museum, and made provision for the numbers of people who could be so appointed. This has been removed in the draft as we believe this is more appropriately dealt with in the individual executive arrangements.

C. Functions which are not to be solely the responsibility of an authority’s executive

27. Regulation 4, paragraph 3 - The previous ‘paragraph 3’ actions (actions in connection with formulating or preparing plans and strategies which are not to be the responsibility of an executive) included the following provisions which have been deleted:

- the approval for the purposes of public consultation in accordance with regulation 10 or 22 of the Town and Country Planning (Development Plans) (England) Regulations 1999 of draft proposals associated with the preparation of alterations to, or the replacement of, a development plan; and,
- the approval, for the purpose of submission to the Secretary of State for independent examination under section 20 of the 2004 Act, of a development plan document.

28. Regulation 4, paragraph 8 – previous reference to making an application under subsection (5) of section 135 (programmes for disposals) of the Leasehold Reform, Housing and Urban Development Act 1993 for the inclusion of a disposal in a disposals programme is deleted.

29. Regulation 4, paragraphs 10 and 11 – provide that preparing schemes for the establishment of a combined authority under section 109 of the Local Democracy, Economic Development and Construction Act 2009 or for establishing an economic prosperity board under section 98 of the same Act are to be the responsibility of the executive, whilst publishing the
schemes or consenting to the inclusion of a local government area in either of the schemes is not to be a responsibility of the executive.

30. **Regulation 4, paragraph 12 (a)** – revises the references to legislation defining the council tax requirement calculation under the Local Government Finance Act 1992 as amended by the Localism Act 2011.

31. **Regulation 4, paragraph 15** – provides that preparing a draft council tax reduction scheme under section 13(A)(2) shall be a function of the executive, but the function of making or revising such a scheme shall not be a function of the executive.

32. **Regulation 4, paragraph 18 to 21** – revised to clarify the drafting of the provisions relating to the preparation of proposals to authorise contracting out functions under s70 of the Deregulation and Contracting Out Act 1994.

33. **Regulation 4, paragraph 22** – extends the current provision relating to the dis-application of section 101 of the Local Government Act 1972 to all the functions within regulation 4 to the extent that these are not executive functions, but with the exception of paragraph 3(c) provisions.

**D. Revocations**

34. The Local Authorities (Functions and Responsibilities)(England) Regulations 2000 and all subsequent amending regulations. Also revoked are:
   - regulation 6 in the Motor Salvage Operators Regulations 2002;
   - regulation 53 in the Fire and Rescue Services Act 2004 (Consequential Amendment) (England) Order 2004;
   - entries relating to the Local Authorities Functions and Responsibilities Regulations 2000 in Part 2 of the Schedule to the Restricted Byways (Application and Consequential Amendment of Provisions) Regulations 2006;
   - regulation 10 in the Local Authorities (Alcohol Consumption in Designated Public Places) Regulations 2007.

35. In addition, references to the Local Authorities Functions and Responsibilities Regulations 2000 are updated to these 2015 Regulations in:
   - The Local Authorities (Standing Orders) Regulations 2001;
   - The Local Government (Structural and Boundary Changes)(Staffing) Regulations 2008;

   - The Local Government (Structural Changes) (Transitional Arrangements) (No2) Regulations 2008; and,
The Local Government (Structural Changes) (Finance) Regulations 2008.

Schedule 4: circumstances in which certain functions are not to be the responsibility of an authority’s executive.

39. Changes have been made as set out in paragraphs 7 to 12 above to:

- clarify the current position regarding the consideration of an authority’s budget and the circumstances under which decisions relating to the budget in year must be referred back to the authority, and define the budget for this purpose;

- introduce, for mayoral authorities, the concept of a ‘mayor’s plan’ setting out the policies he or she would wish to implement during their electoral term of office (enabling the mayor to reflect in the management of the council the mandate upon which they had been elected), and how in year decisions against an authority’s strategic and other plans, including the interface with the ‘Mayor’s Plan’ are to be managed; and,

- clarify decision making relating to the disposal of assets.

(a) S.I. 2001/3384. Paragraph 12 of Schedule 2 was amended by S.I. 2014/165.
EXPLANATORY NOTE
(This note is not part of the Regulations)

Part 1A of the Local Government Act 2000 provides that the functions of a local authority in England operating executive arrangements (in the form of an elected mayor and cabinet, or a leader and cabinet) must be discharged by the executive unless those functions are specified not to be the responsibility of the authority’s executive by virtue of Regulations made under section 9D.

These Regulations specify functions that are not to be the responsibility of an authority’s executive or are to be the responsibility of such an executive only to be a limited extent or only in specified circumstances.

These Regulations replace the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (S.I. 2000/2853) (as amended) which, together with amending Regulations, are revoked, consolidating all amendments made by the other instruments listed in regulation 6, and updating all references, in particular in Schedule 1, to functions conferred by legislation which, since 2000, has been amended or repealed.

The Regulations also include reference to a number of new functions, for example, to neighbourhood planning functions under the Town and Country Planning Act 1990 (see Schedule 2); and to arrangements under the Health and Social Care Act 2012 for a Health and Wellbeing Board to exercise any functions that are exercisable by the authority (see Schedule 2).

The Regulations differ in some other respects from previous Functions and Responsibilities Regulations. Of particular note among the changes are the following: the publishing of a scheme to establish a combined authority or economic prosperity board and of consenting to join one is not to be the responsibility of an executive and may only be discharged by the full council (regulation 4(10) to (12)); the determination of a matter for the executive in terms contrary to a plan or strategy approved by the authority is to remain the responsibility of the executive, if the determination is to be made by an elected mayor in terms consistent with the elected mayor’s own plan or strategy (Schedule 4); the disposal of certain assets (Schedule 4) and a definition is included of the authority’s budget (Schedule 4).

Regulation 2 provides that the functions listed in Schedule 1 and certain other functions are not to be the responsibility of an authority’s executive. The effect of regulation 2(11) is that only the full council may discharge the functions specified in regulation 2(5), (6)(a) to (c), or (7) to (10).

Regulation 3 provides that the functions mentioned in Schedule 2 and certain other functions may (but need not be) the responsibility of an authority’s executive.

Regulation 4 allocates responsibility for various aspects of functions relating to the formation and preparation of plans and strategies of the descriptions specified in Schedule 3 between an authority and their executive. The effect of regulation 4(21) is that, to the extent that a function is not to be the responsibility of an authority’s executive, only the full council may discharge the functions.

Regulation 5 and Schedule 4 specify the circumstances in which certain functions, that would otherwise be the responsibility of an authority’s executive, are not to be the responsibility of an executive. The effect of regulation 5(5) is that, to the extent that a function is not to be the responsibility of an authority’s executive, only the full council may discharge the functions referred to in the first column of Schedule 4.

No impact assessment has been prepared in relation to these Regulations as they do not have an impact on business or charities, and have no impact on the public sector beyond that of the regulations which they consolidate.
