------------------	-------------------

At

Any Port or Airport in England	Port of Entry
--------------------------------	---------------

This licence is valid for imports from the date of issue until varied or revoked by the Secretary of State for Environment, Food and Rural Affairs.

Date 4 July 2013

Signed: 
On behalf of the Secretary of State

Officer of the Department for Environment,
Food and Rural Affairs

CONDITIONS

1. Each consignment must be accompanied by a certificate signed by an Authorised Veterinary Inspector in Northern Ireland stating:
 - a) Details of consignment (the number of doses, identification of donor animal, date(s) of collection, breed);
 - b) Name, address and registration number of the approved semen collection centre;
 - c) Place of loading
 - d) Place of destination
 - e) Means of transport
 - f) Names and addresses of consignor and consignee
 - g) Number and code-mark of semen containers
 - h) Name and address of local AHVLA Regional Veterinary Office

2. Health Attestation

I, the undersigned Official Veterinarian, certify that:

- a) The semen described above was collected, processed and stored under conditions which meet the requirements of Chapter I of Annex D of Council Directive 92/65/EEC (as amended);
 - b) The semen comes from donor stallions which meets the requirements Chapter II, Section I of Annex D, (conditions applicable to donor animals) of 92/65/EEC (as amended);
 - c) The semen was collected, processed, preserved, stored and transported in accordance with the requirements of Chapter III, Section I, of Annex D of 92/65/EEC (as amended);
3. The material must be made available, if so required for inspection by an officer of Defra or one of its agencies at any place nominated by him for such an officer to enable him to carry out the inspection in such a manner as he shall determine and the importer shall be responsible for meeting and costs of carrying out such an inspection.

Notes

1. This is not a Department of Trade and Industry licence.

Caution

Any breach of any conditions attached to this licence will constitute an offence against the Animal Health and Welfare Act 1984
