Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

Pershore Poultry Unit is located on a disused airfield approximately 1km south west of Bishampton village in Worcestershire at National Grid Reference SO 976 503. The installation is approximately 36acres and supplies broiler chickens from 16 purpose built poultry houses for up to 598,500 broiler places.

E.C. Drummond & Son have sold an area of green field land currently owned and within the permitted boundary to a third party for development. The purpose of this application is to surrender this area of land and amend the installation boundary accordingly. The area of land to be surrendered from the permitted facility is about 1,285m² and along the western boundary of the site.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
