Thank you for your email of 6th April 2015, following on from FOI2015/01861, requesting the following information:

"I would like to know what the AWE received in return for the money provided to UWE. e.g. what items were purchased, or what this money was being spent by UWE on.

I would also like to know if there any further plans for payments from the AWE to UWE and if so, what these payments are for."

I am treating your correspondence as a request for information under the Freedom of Information Act 2000.

A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held.

The payments were for courses in Electrical and Electronic Engineering, Mechanical Engineering, Civil Engineering, and Construction Commercial Management. There are further plans for payments from the Atomic Weapons Establishment to the University of the West of England for a course in Mechanical Engineering.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

Yours sincerely,
