### General Formula

- 3.1 The amount of Housing Revenue Account subsidy payable to an authority for 2011-2012 shall be calculated as follows:

amount of subsidy = (allowance for management + allowance for maintenance + allowance for major repairs + support for decent homes borrowing + PFI allowance + charges for capital + other items of reckonable expenditure) - (rent + interest on receipts),

provided that where the calculation results in a negative figure, that amount of negative subsidy is payable by an authority to the Secretary of State.

- 3.2. In the calculation above:

“the allowance for management, the allowance for maintenance and the allowance for major repairs” is calculated in accordance with paragraph 4;

“the PFI allowance” is an allowance for authorities undertaking an HRA PFI Scheme, and is listed for each eligible authority in Schedule 12;

“charges for capital” is calculated in accordance with paragraph 5;

“other items of reckonable expenditure” is calculated in accordance with paragraph 6;

“rent” is calculated in accordance with paragraph 7; and

“interest on receipts” is calculated in accordance with paragraph 8.

- 3.3 Expressions are used in paragraph 3.1 and 3.2 for convenience and not to define the items.
- 3.4 Where an authority changes their accounting practices or changes any other practice with the predominant purpose of affecting the calculations under this determination, then those calculations shall be made as if such changes had not taken place.
- 3.5 Any amount in this determination which is based on an assumption is calculated on the basis of information received by the Secretary of State on or before 10 December 2010.

## Allowances for Management, Maintenance and Major Repairs

where -

- C is the maintenance allowance per dwelling for the authority for 2011-2012 specified in Schedule 5.
- D is, subject to paragraph 4.4, the number of dwellings, excluding the authority's share of each shared ownership dwelling, assumed by the Secretary of State to be within the authority's HRA on 1 April 2010, specified in Schedule 1.

- B is the number of dwellings, including the authority's share of each shared ownership dwelling, and including also any dwelling that is included in an HRA PFI scheme, within the authority's HRA throughout the period beginning on 1 April 2011 and ending on 31 March 2012, together with, where any such

dwelling is within that HRA for only a proportion of that period, a proportion for any such dwelling calculated by dividing the number of days the dwelling is within the HRA by 365.

- D is the number of dwellings, excluding the authority's share of each shared ownership dwelling, within the authority's HRA throughout the period beginning on 1 April 2011 and ending on 31 March 2012, together with, where any such dwelling is within that HRA for only a proportion of that period, a proportion for any such dwelling calculated by dividing the number of days the dwelling is within the HRA by 365.

where –

J is 75%, or such other proportion as specified by the Secretary of State, of the total of :

i) any capital receipt received from a qualifying disposal, less

ii) the administrative costs of and incidental to any such disposal, less
