TO WHOM IT MAY CONCERN

British Consular Officers in a Commonwealth country [Singapore] have no powers under the Commissioners for Oaths Act 1889 to undertake notarial acts, witness signatures or declarations, certify British passports or UK educational certificates, administer oaths or take affidavits which will be effectual in the United Kingdom.

Applicants with requests of this nature are advised to seek the services of registered Notaries Public or Commissioners for Oaths who, under local law, are competent to perform such services. A list of Notaries Public is available on the Singapore Academy of Law website at <http://www.conp.sg/>

Kind Regards,
