Disclaimer

The following list of lawyers has been prepared by the British Embassy Bratislava for the convenience of British Nationals who may require legal advice and assistance in Slovakia. It is provided on the understanding that we (the British Embassy/Consulate) do not assume or undertake any legal responsibility, to you, or those affected, if you choose to take it into account when instructing a local lawyer.

Further and alternatively, we cannot accept any liability to any person or company for any financial loss or damage arising from the use of this information or from any failure to give information.

Our aim is to provide our customers with as much relevant information to enable them to make better informed decisions but our lists are not recommendations and should not be treated as such.

This list has been prepared based on the main Slovak independent body registering lawyers and other legal experts in Slovakia, the Slovak Bar Association. Their details can be found on www.sak.sk and they provide a list of lawyers searchable by their language skills, specialisation and location. Although lawyers may be based in one area, they are allowed to represent their clients anywhere within Slovakia.

Each heading below describes the firms' specialisation. Each of the firms has an English speaking person.

If you do decide to use any of the providers on this list, [we would like to hear from you](#). While there is no obligation on your part to provide feedback on the services you receive, any feedback you can give us is helpful.
