Information released:

I can confirm that the UK Commission for Employment and Skills (UKCES) does not hold the information requested.

In relation to sections A (property and building services maintenance), B (cleaning and janitorial services) and C (security services), supply of these services is managed through the organisation's sponsor department, the Department for Business, Innovation and Skills, who use a Total Facilities Management solution in all aspects of the building.

Your request may therefore be more appropriately addressed to this Department. Details on requesting information from the Department are available [here](#).

In relation to section D (catering services), UKCES works on an ad hoc basis with some local suppliers of catering services. Due to the smaller values of these services, we do not hold any contracts with such suppliers.
