- 2.1 This Agreement shall come into force on Licence Award and, subject to clause 4.2 (*Continuing Obligations*), shall continue in full force and effect until the Expiry Date.
- 2.2 If a transfer of the IP Works and/or the IP Owned Structures (as applicable) (whether partially or wholly constructed), whether by share sale or asset transfer, is directed or agreed pursuant to the Project Licence, Modified WIA or otherwise in accordance with law which, subject to clause 2.3:
 - (a) excludes this Agreement or any other document forming part of the Government Support Package;

- (b) excludes the Liaison Agreement;
- (c) excludes the Project Licence and the relevant transferee has not been granted a project licence pursuant to the Modified WIA; or
- (d) where there is more than one transferee for the transfer, excludes this Agreement, any other document forming part of the Government Support Package or the Liaison Agreement in a transfer to a single transferee,

and the Secretary of State has not given its express consent to such transfer, the Secretary of State may, by notice to the other Parties, terminate this Agreement with effect from the date of such transfer. Such termination shall be without prejudice to any accrued rights or obligations under this Agreement and no Party will have any claim against any other Party in respect of such termination.

2.3 For the purposes of clauses 2.2(a), 2.2(b) and 2.2(d) only, the references to "this Agreement", "any other document forming part of the GSP" or "the Liaison Agreement" shall each be construed to exclude:

- (a) any documents which are not capable of being transferred at law;
- (b) any documents which have expired by operation of their terms; and
- (c) the Shareholders Direct Agreement, where the Shareholders Direct Agreement is replaced in accordance with clause 2.7 of the Shareholders Direct Agreement.

2.4 If a transfer of:

- (a) the IP Works and/or the IP Owned Structures (as applicable) (whether partially or wholly constructed), whether by share sale or asset transfer; or
- (b) the shares of IP OpCo, IP HoldCo or IP JVCo which results in a breach of clause 7.3 of the Shareholders Direct Agreement,

in each case occurs as a result of the enforcement of any security under the Senior Financing Agreements:

- (i) where any document forming part of the Government Support Package which has a counterparty which ceases to be a Holding Company of IP OpCo has not been transferred to an equivalent Holding Company of IP OpCo (an **"Equivalent Holding Company"**);
- (ii) where the transferee, any Equivalent Holding Company or any shareholder of any Equivalent Holding Company has not entered a Deed of Adherence or a replacement Shareholders Direct Agreement in a form satisfactory to the Secretary of State;
- (iii) where the transferee, any Equivalent Holding Company or any shareholder of any Equivalent Holding Company is an Unsuitable Party ;
- (iv) where the financing arrangements following such transfer are not substantially equivalent to the existing financing arrangements or are less favourable to the Secretary of State;
- (v) where the transferee, any Equivalent Holding Company or any shareholder of any Equivalent Holding Company is not resident in the United Kingdom for tax purposes; or

- (vi) where the corporate ownership structure of IP OpCo is not equivalent to the corporate structure of IP OpCo at Licence Award as referenced in clause 7.3 of the Shareholders Direct Agreement and as contemplated by the terms of the GSP,

and the Secretary of State has not given its express consent to such transfer, the Secretary of State may, by notice to the other Parties, terminate this Agreement with effect from the date of such transfer. Such termination shall be without prejudice to any accrued rights or obligations under this Agreement and no Party will have any claim against any other Party in respect of such termination.

3. **DISCONTINUATION**

3.2 The Secretary of State may only exercise the right to Discontinue under:

- (a) clauses 3.1(a), 3.1(b), 3.1(c) or 3.1(d) within sixty (60) Business Days of the date on which such right arose, otherwise such right shall be deemed to have been waived in respect of the specific circumstances giving rise to such right on such occasion; and
- (b) clause 3.1(e) at any time while IP OpCo remains in Special Administration.

- 3.3 If at any time any Supplemental Compensation Claim (individually or in aggregate with all previous Supplemental Compensation Claims) exceeds the then current Discontinuation Trigger Threshold and the Secretary of State has not exercised its right to Discontinue in respect of that Supplemental Compensation Claim pursuant to clause 3.1(b), the then current Discontinuation Trigger Threshold shall be increased to the next multiple of £100 million (Indexed) that exceeds the aggregate of all previous Supplemental Compensation Claims.

Deemed Discontinuation

- 3.4 Subject to clause 3.7, in the event that the Secretary of State is deemed pursuant to clause 3.4 of the Special Administration Offer Agreement to have exercised an Election to Discontinue, the Secretary of State will be deemed to have exercised its right to issue a Discontinuation Notice on the date which is:

- (a) in the case of an Extended Special Administration, thirty (30) Business Days following receipt by the Secretary of State of the relevant Warning Notice; or

- 3.5 In the event that the Secretary of State is deemed pursuant to clause 4.5 or 5.7 (as applicable) of the Contingent Equity Support Agreement to have issued a Discontinuation Notice, such Discontinuation Notice will be deemed to have been issued on the date referred to in clause 4.5 or 5.7 (as applicable) of the Contingent Equity Support Agreement.

- 3.6 Subject to clause 3.7, in the event that there is:

- (a) a revocation of the Designation Notice by the Secretary of State after Licence Award without a prior or concurrent revocation of the Project Licence; or
- (b) a revocation of the Project Specification Notice by the Secretary of State after Licence Award without a prior or concurrent revocation of the Project Licence,

the Secretary of State will be deemed to have exercised its right to issue a Discontinuation Notice on the date of such revocation.

- 3.7 Clause 3.4 and clause 3.6 shall only have effect on and from the date on which the Secretary of State has confirmed satisfaction of the GSP Utilisation Condition Precedent in writing in accordance with clause 2.6 of the Contingent Equity Support Agreement.

4. CONSEQUENCES OF DISCONTINUATION

4.1 Notice to Discontinue

If the Secretary of State elects to Discontinue upon the occurrence of any of the events specified in clause 3.1, it must serve a Discontinuation Notice on IP OpCo copied to the Security Trustee, the Regulator and Thames Water (the "**Discontinuation Notice**"). The Discontinuation Notice must identify which of the events specified in clause 3.1 has given rise to the election to Discontinue and the Discontinuation Date.

4.2 Continuing obligations

Save as otherwise expressly provided in this Agreement or under any of the GSP (or as already taken into account in the calculation of the Total Compensation Amount):

- (a) the entitlement of the Secretary of State to issue, or the issue (or deemed issue) of, a Discontinuation Notice or the occurrence of the Discontinuation Date shall be

without prejudice to any accrued rights or obligations under any of the Government Support Package and/or the Project Documents; and

- (b) following the Expiry Date each Party shall cease to have any rights or obligations under this Agreement, save that the rights and obligations under clauses 4.2 (*Continuing Obligations*), 4.3 (*Restriction on Distributions*), 5.6 (*Completion of IP Discontinuation Plan*), 6 (*Payment of compensation*), 8 (*Full payment*), 9 (*Reimbursement*) and 11 (*Confidentiality and Freedom of Information*) to 23 (*Jurisdiction and Disputes*) shall continue in full force and effect.

4.3 **Restriction on Distributions**

IP OpCo shall not declare, make, pay or permit a Distribution at any time after the date a Discontinuation Notice is issued, except in relation to any Distribution:

- (a) made to the holders of Junior Capital in relation to the payment of the Equity Compensation; or
- (b) declared before the date of such Discontinuation Notice, provided such Distribution is in compliance with:
 - (i) the terms of the GSP;
 - (ii) paragraph 25 (*Restricted Payments*) of part C (*General Covenants*) of schedule 3 (*Holdco Group Covenants*) to the Common Terms Agreement; and
 - (iii) paragraph 1 (*No Restricted Payments*) of part B (*Trigger Event Consequences*) of schedule 4 (*Trigger Events*) to the Common Terms Agreement.

5. **CALCULATION PROCEDURES**

5.1 **Process for compensation calculation**

Following the Discontinuation Date, the Calculation Procedures shall be completed as follows:

- (a) IP OpCo shall within twenty (20) Business Days of the Discontinuation Date provide a written report to the Secretary of State and the Independent Technical Assessor setting out:
 - (i) the Total Compensation Amount, including details and methodology of calculation of the Discontinuation Date Adjusted RCV, the Allowable Project Spend and any Additional Allowable Project Spend incurred between the end of the preceding Charging Year and the Discontinuation Date;
 - (ii) the Senior Debt Liabilities and the Senior Debt Compensation as certified on behalf of the Secured Creditors pursuant to clause 9.6 of the Security Trust and Intercreditor Deed;
 - (iii) the Equity Compensation payable pursuant to clause 5.4 (*Calculation of Equity Compensation outside Special Administration*), including details and methodology of calculation of the Residual Compensation Amount and the Base Case Equity Compensation Amount; and
 - (iv) an updated Expenditure Forecast that is current as at the Discontinuation Date, taking into account the relevant event referred to in clause 3.1 which gave rise to the election to Discontinue;

- (b) the Independent Technical Assessor shall, within twenty (20) Business Days of the receipt of the written report provided by IP OpCo pursuant to clause 5.1(a), review and provide a written report to the Secretary of State and IP OpCo as to its verification of the Total Compensation Amount, including the Discontinuation Date Adjusted RCV, the Allowable Project Spend and any Additional Allowable Project Spend incurred between the end of the preceding Charging Year and the Discontinuation Date, the Senior Debt Liabilities, the Senior Debt Compensation and the Equity Compensation;
- (c) the Secretary of State shall by notice in writing, within twenty (20) Business Days of receipt of the report referred to in clause 5.1(b), confirm whether or not it agrees with the Total Compensation Amount, the Senior Debt Liabilities, the Senior Debt Compensation Amount and the Equity Compensation set out in such report and the report provided under clause 5.1(a), and, if not, set out the reasons for such disagreement and the amounts that the Secretary of State believes should be the Total Compensation Amount, the Senior Debt Liabilities, the Senior Debt Compensation Amount and the Equity Compensation;
- (d) within ten (10) Business Days of receipt of the notice under clause 5.1(c), IP OpCo shall confirm whether or not it agrees with the amounts notified by the Secretary of State under clause 5.1(c) and, if IP OpCo does not agree, either Party may refer the Dispute for determination in accordance with clause 23 (*Jurisdiction and Disputes*); and
- (e) where the Secretary of State issues, or is deemed to have issued, a Discontinuation Notice while IP OpCo is in Special Administration, clause 5.3 (*Calculation of Equity in Special Administration*) shall apply to determine the Equity Compensation (Special Administration).

5.2 Calculation of Senior Debt Liabilities

Subject to clause 5.5, the Senior Debt Liabilities shall be an amount equal to:

- (a) the aggregate of all amounts outstanding, including principal, interest, costs, expenses and liabilities, owing or accrued as at the Discontinuation Date (whether or not due at such time) by IP OpCo to any Secured Creditor under each of the Senior Financing Agreements (including Breakage Costs but excluding any costs of early termination of hedging arrangements, any Make-Whole Amount and/or any other breakage costs that are not Breakage Costs, in each case howsoever arising); less
- (b) to the extent it is a positive amount, the aggregate of (without double counting):
 - (i) any amounts claimable by IP OpCo, IP HoldCo, IP JVCo, IP EquityCo and/or the Secured Creditors on or before the Discontinuation Date in respect of Contingent Funding Liabilities;
 - (ii) any amounts receivable by IP OpCo and/or IP FinCo under any DA Approved Hedging on or after the Discontinuation Date as a result of early termination of such DA Approved Hedging ("**Breakage Gains**"); and
 - (iii) all other amounts received by the Secured Creditors with respect to the Senior Financing Agreements on or after the Discontinuation Date and before the date on which any Senior Debt Compensation is payable by the Secretary of State to IP OpCo as a result of enforcing any other rights they may have.

For the purposes of calculating any Senior Debt Liabilities pursuant to this clause 5.2 or as otherwise required under this Agreement, any amounts in a Non-Base Currency will be converted into the Base Currency in accordance with the relevant Spot Exchange Rate.

5.3 **Calculation of Equity Compensation in Special Administration**

Where the Secretary of State issues a Discontinuation Notice or the Secretary of State is deemed to have exercised its right to issue a Discontinuation Notice pursuant to clause 3.4, clause 3.5 or clause 3.6 and, in each case, this occurs while IP OpCo is in Special Administration then:

(a) the Secretary of State shall appoint a Licensed Practitioner to determine the market value of all the equity and debt instruments issued by IP OpCo to IP HoldCo (the **"Equity Compensation (Special Administration)"**) based on the assumptions that, as at the Discontinuation Date:

- (i) IP OpCo remains in Special Administration, taking into account the circumstances giving rise to the entry of IP OpCo into Special Administration;
- (ii) all the equity and debt instruments issued by IP OpCo to IP HoldCo are transferred or IP OpCo's assets and business are transferred, in either case under a transfer scheme agreed between the Special Administrator and a transferee (and approved by the Secretary of State or the Regulator under the Water Industry Act 1991) or under a transfer by agreement; and
- (iii) any transfer of all the equity and debt instruments issued by IP OpCo to IP HoldCo or assets of IP OpCo is to a willing transferee,

and the Licensed Practitioner may apply any other assumption (acting reasonably) that is appropriate for determining the market value of all the equity and debt instruments issued by IP OpCo to IP HoldCo, such determination to be binding on the Parties absent manifest error or fraud; and

(b) the Equity Compensation will be an amount equal to the lower of:

- (i) the Equity Compensation (Special Administration); and
- (ii) the Equity Compensation that would have been payable pursuant to clause 5.4 (*Calculation of Equity Compensation outside Special Administration*) had IP OpCo not been in Special Administration at the time of issue of the relevant Discontinuation Notice or when the Secretary of State is deemed to have exercised its right to issue a Discontinuation Notice pursuant to clause 3.4, clause 3.5 or clause 3.6.

5.4 **Calculation of Equity Compensation outside Special Administration**

(a) Where the Secretary of State issues a Discontinuation Notice or the Secretary of State is deemed to have exercised its right to issue a Discontinuation Notice pursuant to clauses 3.4, 3.5 or 3.6 and, in each case, this occurs while IP OpCo is not in Special Administration, then the Equity Compensation shall be equal to the lower of:

- (i) the Residual Compensation Amount less amounts paid under the Supplemental Compensation Agreement which have been used to discharge Senior Liabilities; and
- (ii) the Base Case Equity Compensation Amount,

less any amounts recoverable by IP OpCo on or after the Discontinuation Date under or pursuant to the Insurances or under any other rights of IP OpCo under the Project Documents (except to the extent such amounts are included in the Senior Debt Liabilities under clause 5.2(b)(i)).

- (b) When calculating the Total Compensation Amount, Senior Debt Compensation and Senior Debt Liabilities (including Breakage Costs) for the purposes of this clause 5.4, Breakage Costs and Breakage Gains will be calculated as if the relevant DA Approved Hedging had terminated on the Discontinuation Date.

5.5 Calculation adjustments

- (a) If any amendment, waiver or exercise of any right under any Senior Financing Agreement or any transaction in relation to DA Approved Hedging would (but for the operation of this clause) have had the effect of materially increasing the Senior Debt Liabilities and such amendment, consent, waiver, increase or transaction:
 - (i) did not constitute Permitted Financial Indebtedness;
 - (ii) was not in accordance with clause 3.3 of the Liaison Agreement or the Security Trust and Intercreditor Deed; or
 - (iii) was in breach of clause 6.15,then such increase shall be deducted from the Senior Debt Liabilities.
- (b) If any amendment, waiver or exercise of any right under any Project Document has the effect of materially increasing the amount of the Discontinuation Date Adjusted RCV, the Allowable Project Spend and/or the Additional Allowable Project Spend and it is not in accordance with clause 3.3 (*Changes to Project Documents or Government Support Package*) of the Liaison Agreement, then such increase shall be deducted from the Discontinuation Date Adjusted RCV, the Allowable Project Spend and/or the Additional Allowable Project Spend (as applicable) for the purposes of the calculation of the Total Compensation Amount.
- (c) If the right of the Secretary of State to Discontinue arises during any period when a Failure Event has occurred and has not been Remedied or reduced to a Remedy Event, then an amount equal to any Allowable Project Spend and Additional Allowable Project Spend (except for costs reasonably incurred by IP OpCo in carrying out the IP Make Safe Activities in accordance with the Approved Discontinuation Plan) which IP OpCo incurs during the period when a Failure Event has occurred and has not been Remedied or reduced to a Remedy Event until the Discontinuation Notice is issued shall be deducted from the Discontinuation Date Adjusted RCV, Allowable Project Spend and/or Additional Allowable Project Spend (as applicable) for the purposes of the calculation of the Total Compensation Amount. Once the Failure Event is Remedied or reduced to a Remedy Event, no further deduction shall apply.
- (d) Any hedging liabilities shall, to the extent that they are included in the definition of "Net Debt" for the purposes of the calculation of Net Debt/Adjusted RCV (in accordance with paragraphs 7 and 8 of part 2 of schedule 4 (*SoS Approved Hedging Policy*) to this Agreement) and to the extent relating to DA Approved Hedging, be treated as, and shall be included in, Senior Debt Liabilities under clause 5.2 but, for the purposes of calculating the Total Compensation Amount only, shall not be treated as, and shall be excluded from, Breakage Costs.

5.6 Completion of IP Discontinuation Plan

- (a) Except in circumstances where a Discontinuation Notice is deemed to have been issued pursuant to clause 3.6(b), following issue or deemed issue of a Discontinuation Notice and until the completion of the Approved IP Discontinuation Plan pursuant to clause 12 (*IP Discontinuation Plan*) of the Liaison Agreement, the Secretary of State shall be entitled to withhold from the Equity Compensation to be paid in accordance with clause 6.3, an amount equal to the greater of:
 - (i) five per cent of the Equity Compensation; and
 - (ii) £20,000,000 (Indexed).
- (b) Subject to clause 5.6(c), the Secretary of State must release the portion of the Equity Compensation retained under clause 5.6(a) as follows:
 - (i) the first 50 per cent in accordance with the staged release detailed in the Approved IP Discontinuation Plan; and
 - (ii) the second 50 per cent within ten (10) Business Days of completion of the obligations by IP OpCo under the Approved IP Discontinuation Plan.
- (c) If the Project Specification Notice is revoked prior to the release of the retained portion of the Equity Compensation in accordance with clause 5.6(b), the Secretary of State shall release the full amount then retained within ten (10) Business Days of the notice of revocation.
- (d) If the Secretary of State elects to require that IP HoldCo transfers to the Secretary of State all the equity and debt instruments issued by IP OpCo to IP HoldCo pursuant to clause 6.5, the Secretary of State shall release to IP OpCo the portion of Equity Compensation retained under clause 5.6(a) in accordance with clause 5.6(b) following the completion of the transfer.
- (e) Every three (3) months from the date that the Approved IP Discontinuation Plan is approved under the Liaison Agreement until completion of the Approved IP Discontinuation Plan, IP OpCo shall provide a report to the Secretary of State setting out the expected costs to be incurred in the following three (3) months in relation to the IP Make Safe Activities.
- (f) In relation to any IP Make Safe Activities that are undertaken during the period commencing on the Discontinuation Date and expiring on the earlier of the completion of the Approved IP Discontinuation Plan and the revocation of the Project Specification Notice:
 - (i) within five (5) Business Days of receiving an invoice from a sub-contractor in relation to such IP Make Safe Activities, IP OpCo shall provide a copy of that invoice to the Secretary of State, together with any supporting information and details to substantiate the costs invoiced to the satisfaction of the Secretary of State (acting reasonably); and
 - (ii) on receipt by the Secretary of State of an invoice pursuant to clause 5.6(f)(i), the Secretary of State shall, subject to clause 5.6(g), make a payment in settlement of the relevant invoice directly to the relevant sub-contractor within the timeframe such invoice is payable by IP OpCo.
- (g) IP OpCo shall:
 - (i) not be entitled to include any margin or profit on the invoices received from the sub-contractor in relation to the IP Make Safe Activities; and

- (ii) procure the carrying out of the IP Make Safe Activities on terms and conditions and at rates consistent with the terms, conditions and rates that would have been payable in circumstances where IP OpCo was liable for the payment of the cost of the IP Make Safe Activities.

6. PAYMENT OF COMPENSATION

- 6.1 Without prejudice to this clause 6 and clause 7 (*Tax gross up*), following the issue or deemed issue of a Discontinuation Notice, the Secretary of State shall pay to IP OpCo compensation in an amount equal to the aggregate of the Senior Debt Compensation and the Equity Compensation in accordance with this clause 6, provided that the aggregate of such compensation shall not exceed the Total Compensation Amount.
- 6.2 Where notice is served pursuant to clause 6.12 or clause 6.13, the Secretary of State shall pay to IP OpCo by deposit into the Senior Debt Compensation Account an amount equal to the Senior Debt Compensation on or before the date falling sixty (60) Business Days from the Lump Sum Date together with interest thereon at the weighted average non-default rate of interest under the Senior Financing Agreements from the Lump Sum Date to (and including) the date of payment.
- 6.3 Subject to clause 5.6 (*Completion of IP Discontinuation Plan*), the Secretary of State shall pay to IP OpCo by deposit into the Equity Compensation Account an amount equal to the Equity Compensation on or before the date falling sixty (60) Business Days from the Calculation Confirmation Date.
- 6.4 Save to the extent reflected in the calculations of the Total Compensation Amount, Senior Debt Compensation or Equity Compensation, the Secretary of State shall be entitled to set off against any amount of Equity Compensation owed by it to IP OpCo, any outstanding claims by the Secretary of State against IP OpCo under any of the Project Documents, Senior Financing Agreements or the Government Support Package (whether payable as a lump sum or in instalments), except to the extent owed to the Secretary of State as a holder of Junior Capital and/or pursuant to clause 9.1 (*Reimbursement and indemnity*).
- 6.5 At any time following payment of Equity Compensation and the Senior Debt Compensation in full in accordance with this clause 6, the Secretary of State shall be entitled to require that IP HoldCo transfers to the Secretary of State all the equity and debt instruments issued by IP OpCo to IP HoldCo and IP HoldCo and IP OpCo shall promptly do everything required to comply with such requirement. As security for the performance of the obligations of IP HoldCo under this clause 6.5, IP HoldCo agrees immediately after it executes this Agreement, to execute and deliver to the Secretary of State a power of attorney in the form set out in schedule 5.
- 6.6 The Secretary of State shall pay Senior Debt Compensation in instalments in accordance with this clause 6. IP OpCo will procure that the Senior Financing Agreements including any DA Approved Hedging will continue and not terminate or accelerate (other than termination in accordance with the Common Terms Agreement or the Security Trust and Intercreditor Deed in relation to the occurrence of a Permitted Hedge Termination Event). When calculating the Total Compensation Amount, Senior Debt Compensation and Senior Debt Liabilities (including Breakage Costs) for the purposes of this clause 6.6, Breakage Costs and Breakage Gains will be calculated as if the DA Approved Hedging had terminated on the Discontinuation Date. If the Senior Debt Compensation is less than the amount of the Senior Debt Liabilities on the Discontinuation Date, the ratio of the Senior Debt Compensation to the Senior Debt Liabilities (the "**Reduction Ratio**") shall be calculated.
- 6.7 For those elements of Senior Debt Liabilities that comprise principal, instalments shall be paid to IP OpCo on or before the dates on which payments of principal are due from IP OpCo to the Secured Creditors under the Senior Financing Agreements (disregarding any

amendments not made in accordance with clause 3.3 of the Liaison Agreement), having allowed reasonable periods for the administration of payments. If the amount of Senior Debt Compensation was less than the amount of the Senior Debt Liabilities on the Discontinuation Date, the amount of scheduled principal to be repaid by way of instalments will be reduced pro rata to the Reduction Ratio.

- 6.8 For those elements of Senior Debt Liabilities that comprise of interest, costs, expenses and liabilities owing or accrued as at the Discontinuation Date (other than Breakage Costs), the Secretary of State shall pay such amounts with the first instalment payable under clause 6.7 together with interest thereon at the weighted average non-default rate of interest under the Senior Financing Agreements from the Discontinuation Date to (and including) the date of payment. If the amount of Senior Debt Compensation was less than the amount of the Senior Debt Liabilities on the Discontinuation Date, the amounts payable pursuant to this clause 6.8 shall be reduced pro rata to the Reduction Ratio.
- 6.9 From the Discontinuation Date, the Secretary of State shall pay the amounts payable by IP OpCo to the Secured Creditors from time to time under the Senior Financing Agreements (disregarding any amendments not made in accordance with clause 3.3 of the Liaison Agreement) (including interest, fees and amounts payable from time to time in relation to DA Approved Hedging (but excluding any hedging arrangements which are not DA Approved Hedging)) on the dates such amounts fall due for payment to the Secured Creditors under the Senior Financing Agreements, having allowed reasonable periods for the administration of payments. If the amount of Senior Debt Compensation was less than the amount of the Senior Debt Liabilities on the Discontinuation Date, the amounts payable pursuant to this clause 6.9 shall be reduced pro rata to the Reduction Ratio. This clause 6.9 does not apply to any amounts arising as a result of an acceleration or early termination of any Senior Financing Agreement (save for costs associated with early termination of DA Approved Hedging which is terminated as a result of the occurrence of an event in limb (a) of the definition of Permitted Hedge Termination Event).
- 6.10 During any period when the Secretary of State is paying Senior Debt Compensation by instalments, the Secretary of State shall pay any costs reasonably and properly incurred in the administration of any members of the HoldCo Group and such amounts shall be due and payable on the later of twenty (20) Business Days' notice to the Secretary of State and determination of such costs in the event of a dispute.
- 6.11 To the extent that any amounts under 6.7 to 6.10 are payable by the Secretary of State prior to the date that is sixty (60) Business Days after the Calculation Confirmation Date, such amounts shall accrue and be due and payable on the date that is sixty (60) Business Days after the Calculation Confirmation Date.
- 6.12 At any time the Secretary of State may, in its absolute discretion, by notice to IP OpCo elect to cease paying Senior Debt Compensation by instalments with effect from the date specified in the notice (the "**SoS Lump Sum Date**").
- 6.13 If:
- (a) the Secretary of State is in breach of any of its payment obligations under this clause 6;
 - (b) IP OpCo had provided the notice required under clause 6.18 in respect of the relevant payment; and
 - (c) a Loan Acceleration Notice (as defined in the Master Definitions Agreement) has been issued by the Security Trustee to IP OpCo,

IP OpCo may issue a notice to the Secretary of State declaring all unpaid and outstanding amounts under the Senior Financing Agreements to be immediately due and payable (as

reduced, where applicable, by the Reduction Ratio) and the date of such notice shall be the "**IP Lump Sum Date**".

6.14 Following the delivery of a notice under clause 6.12 or clause 6.13:

(a) the DA Approved Hedging shall be terminated on or prior to the Lump Sum Date provided that, in relation to a notice under clause 6.12, if the SoS Lump Sum Date is less than five (5) Business Days following the date on which such notice was provided ("**SoS Notice Date**"), then the DA Approved Hedging shall be terminated on or prior to the date falling five (5) Business Days after the SoS Notice Date and the liabilities arising in respect of termination of such DA Approved Hedging shall be deemed to be liabilities arising as at the SoS Lump Sum Date for the purposes of clause 6.14(b); and

(b) the Senior Debt Liabilities shall be recalculated in accordance with clause 5 (*Calculation Procedures*) as if the Lump Sum Date were the Discontinuation Date and (if applicable) shall be reduced pro rata to the Reduction Ratio, disregarding for the purposes of this recalculation any amount of Senior Debt Liabilities that remain outstanding as a result of application of the Reduction Ratio to instalment payments made prior to the date of such calculation,

following which the Secretary of State shall pay such Senior Debt Compensation in accordance with clause 6.2 (*Payment of compensation*).

6.15 Without prejudice to any other term of this Agreement, IP OpCo shall not amend any DA Approved Hedging or enter into any transaction in relation to DA Approved Hedging following the delivery of a notice under clause 6.12 or clause 6.13, other than the early termination of such DA Approved Hedging in accordance with clause 6.14(a).

6.16 To the extent amounts are received by the Secured Creditors with respect to Senior Liabilities from time to time other than by way of payments by the Secretary of State under this clause 6 and such amounts were not already taken into account under clause 5.2(b)(iii) when calculating the Senior Debt Liabilities ("**Other Recoveries**"), the obligation of the Secretary of State to make payments pursuant to clause 6.6 to clause 6.9 shall be reduced accordingly, provided that if there is (or would otherwise be) a shortfall between the amount(s) of Senior Liabilities payable by the Secretary of State under this clause 6 and the actual Senior Liabilities as a result of application of the Reduction Ratio ("**Recovery Shortfall Amount(s)**"), the obligation of the Secretary of State to make payments pursuant to clause 6.6 to clause 6.9 shall only be reduced pursuant to this clause 6.16 to the extent the Other Recoveries exceed the corresponding Recovery Shortfall Amount(s).

6.17 Any Senior Debt Compensation or other amounts payable by the Secretary of State under this Agreement which are denominated or otherwise payable in any Non-Base Currency will be converted into the Base Currency in accordance with the relevant Spot Exchange Rate and only will be payable by the Secretary of State in the Base Currency.

6.18 Without prejudice to the agreement or determination of the amounts payable pursuant to this clause 6, IP OpCo shall (and the Security Trustee may) provide at least five (5) Business Days prior written notice to the Secretary of State of any amount due and payable pursuant to this clause 6.

6.19 IP OpCo and the Security Trustee shall use reasonable endeavours to provide the Secretary of State with as much prior notice as is reasonably practicable of the anticipated upcoming amounts likely to be payable under this clause 6, including (to the extent practicable) a schedule of the actual and forecast amounts payable on a rolling three (3) month basis.

7. TAX GROSS UP

7.1 Subject to clause 7.2, if any amount of Senior Debt Compensation or Equity Compensation payable by the Secretary of State in accordance with clause 6 (*Payment of compensation*) is subject to Tax payable to a Relevant Authority in the United Kingdom, then the Secretary of State shall pay to IP OpCo such additional amount as will put IP OpCo in the same after Tax position as it would have been had the payment of Senior Debt Compensation or Equity Compensation (as applicable) not been subject to Tax, taking account of any relief, allowances, deduction, setting off or credit in respect of Tax (whether available by choice or not) which may be available to IP OpCo to reduce the Tax to which the payment is subject.

7.2 Where the Secretary of State is liable to pay IP OpCo an additional amount pursuant to clause 7.1, the Secretary of State may, in its sole discretion, elect to make such payment directly to the applicable Relevant Authority to discharge the liability for the Tax payable in relation to the Senior Debt Compensation or Equity Compensation (as applicable) and it is understood and agreed that any such payment by the Secretary of State in discharging such liability shall (to the extent of such payment) absolve the Secretary of State from any obligation to make any such payments to IP OpCo or its receiver, assignees or successors.

8. FULL PAYMENT

Without prejudice to clause 7 (*Tax gross up*), any payment of Senior Debt Compensation or Equity Compensation shall be in full satisfaction of any claim which can be made against the Secretary of State by the Security Trustee, IP HoldCo and/or IP OpCo in relation to termination of the Government Support Package following the exercise by the Secretary of State of its right to issue a Discontinuation Notice. The Senior Debt Compensation and the Equity Compensation payable under this Agreement shall be the sole remedy of the Security Trustee, of IP HoldCo and of IP OpCo against the Secretary of State in respect of its right to issue a Discontinuation Notice or the termination of this Agreement and the Government Support Package.

9. REIMBURSEMENT

9.1 Reimbursement and indemnity

(a) IP OpCo shall be liable to reimburse the Secretary of State for any payment made by or on behalf of the Secretary of State under this Agreement, which liability shall arise on the day on which the Secretary of State makes a payment under this Agreement. Such reimbursement shall be made in accordance with the Security Trust and Intercreditor Deed.

(b) IP OpCo hereby indemnifies the Secretary of State for any loss or liability arising out of or in connection with any payment of Senior Debt Compensation and/or Equity Compensation made by or on behalf of the Secretary of State under this Agreement. Such obligation shall be discharged in accordance with the Security Trust and Intercreditor Deed.

(c) Interest shall accrue on any and all amounts which remain outstanding from IP OpCo to the Secretary of State (to the extent permitted by law, if in respect of any unreimbursed amounts representing interest) from the date the amounts became due hereunder until the date on which the amounts are paid in full, at a rate of interest equal to two (2) per cent above the London Interbank Offered Rate.

9.2 Subrogation

(a) Without prejudice to clause 9.1 (*Reimbursement and indemnity*), upon the Secretary of State making any payment in respect of any compensation pursuant

to this Agreement and subject to application of such payment in accordance with the Security Trust and Intercreditor Deed, IP OpCo agrees that the Secretary of State shall, to the extent of any such payment, be fully and automatically subrogated to the fullest extent of applicable law to all of the rights of shareholders or creditors to payment of any amounts payable in respect of such Discontinuation Notice (the "**Discontinuation Rights**").

- (b) IP OpCo agrees that it shall not, by reason of any payment by the Secretary of State under this Agreement, be discharged from its obligations under this Agreement. This clause 9.2(b) is without prejudice to the terms of the Transaction Documents to which the Secretary of State is party.
- (c) IP OpCo must, on request by the Secretary of State, take such actions as are, in the sole judgment of the Secretary of State, necessary to evidence such subrogation and to ensure that, to the extent of any payment made by the Secretary of State under the this Agreement, the Secretary of State receives any moneys paid or payable in respect of the Discontinuation Rights.

9.3 **Secured creditor**

Each of the parties to this Agreement acknowledges and agrees that the Secretary of State shall, subject to clause 9.4 (*Postponement*), be a Secured Creditor in respect of all of its rights under clauses 9.1 (*Reimbursement and indemnity*) and 9.2 (*Subrogation*).

9.4 **Postponement**

- (b) If IP OpCo is not able to certify that the incurrence of Additional Financial Indebtedness or the making of an amendment to the Senior Financing Agreements would comply with the Financing Principles, it shall notify the Secretary of State of the reasons for such non-compliance and shall not incur such Additional Financial Indebtedness or make such amendment without the prior written consent of the Secretary of State.

10.2 **Approved Hedging Policy**

IP OpCo shall comply with, and procure that IP FinCo complies with the Approved Hedging Policy.

- (a) IP OpCo shall consult with the Secretary of State on or about each Test Date in relation to management by IP OpCo of the refinancing risk in relation to debt financing of IP OpCo.

other scheduled payments (other than any mandatory breaks) under any Hedging Agreements which have not crystallised) in any Test Period (as defined below) (the "**Maturing Debt**") is consistent with prudent treasury management and the Project Licence, where "prudent treasury management" shall be deemed to include a reasonably prudent view that the amount of any Maturing Debt falling due (i) in any twelve (12) month period and (ii) in the twenty-four (24) month period prior to the System Acceptance Date (each a "**Test Period**") can be and will be refinanced during or prior to such periods where failure to do so would expose IP OpCo to a material risk of insolvency.

- (b) Where a Remedy Event occurs, the Secretary of State may serve a notice of the Remedy Event on IP OpCo (a "**Remedy Event Notice**").

2.2 **Restrictions on Distributions**

If the Secretary of State has issued a Remedy Event Notice, IP OpCo or IP HoldCo shall not declare, make, pay or permit a Distribution, if and for so long as the relevant Remedy Event (and associated Failure Event, if applicable) has not been Remedied pursuant to paragraph 2.6 (*Remedied*) of this schedule 2.

2.3 **Opportunity to remedy**

- (a) On receipt of a Remedy Event Notice, IP OpCo shall either:
 - (i) remedy the Remedy Event referred to in the Remedy Event Notice (if the same is capable of remedy) within twenty (20) Business Days of the Remedy Event Notice or, if the Remedy Event is not capable of remedy within twenty (20) Business Days, such longer period as agreed with the Secretary of State (acting reasonably) and, in either case, IP OpCo shall notify the Secretary of State immediately upon remedying the relevant Remedy Event; or
 - (ii) put forward a plan within twenty (20) Business Days of the Remedy Event Notice (set out, if appropriate, in stages) for remedying or mitigating (as applicable) the Remedy Event (a "**Remediation Plan**"). A Remediation Plan shall specify in reasonable detail the manner in which, and the latest date by which, such Remedy Event is proposed to be remedied by IP OpCo or the course of action and timeline to mitigate the Remedy Event where remediation is not reasonably practical.
- (b) Where IP OpCo puts forward a Remediation Plan in accordance with paragraph 2.3(a)(ii) or a revised Remediation Plan in accordance with paragraph 2.3(c), the Secretary of State shall within twenty (20) Business Days of receipt of the Remediation Plan or revised Remediation Plan (as applicable) either:
 - (i) notify IP OpCo in writing that it accepts the Remediation Plan or revised Remediation Plan (as applicable) and IP OpCo shall comply with such Remediation Plan or revised Remediation Plan (as applicable) from the date of such notice; or
 - (ii) notify IP OpCo in writing that it does not (acting reasonably) accept the Remediation Plan or revised Remediation Plan (as applicable) and if not, provide the reasons for such rejection.
- (c) Where the Secretary of State notifies IP OpCo that it does not accept a Remediation Plan in accordance with paragraph 2.3(b)(ii), IP OpCo shall, within ten

(10) Business Days of such notice, provide a revised Remediation Plan to the Secretary of State which addresses any issues raised by the Secretary of State in the notice under paragraph 2.3(b)(ii). IP OpCo may put forward further revised Remediation Plans as necessary in order to agree a Remediation Plan in accordance with 2.3(b)(i).

- (d) For the purposes of agreeing the Remediation Plan or revised Remediation Plan (as applicable) in accordance with paragraph 2.3(b), the Secretary of State and IP OpCo shall have due regard to the following considerations:
- (i) the extent to which the event or circumstance giving rise to the Remedy Event is reasonably capable of being remedied;
 - (ii) the extent to which the event or circumstance giving rise to the Remedy Event is reasonably capable of being mitigated; and
 - (iii) any alternative steps which may be appropriate having regard to the risks of the Secretary of State under the Government Support Package in relation to the relevant Remedy Event.

2.4 **Failure Event**

If:

- (a) a Remedy Event Notice is given by the Secretary of State pursuant to paragraph 2.1(b) and:
- (i) where no Remediation Plan is proposed pursuant to paragraph 2.3(a)(ii), the Remedy Event is not remedied in the twenty (20) Business Day period (or longer period agreed with the Secretary of State) following the Remedy Event Notice;
 - (ii) IP OpCo fails to put forward a Remediation Plan within twenty (20) Business Days of the Remedy Event Notice;
 - (iii) IP OpCo fails to comply with paragraphs 2.3(a), 2.3(b) or 2.3(c) of this schedule 2; or
 - (iv) IP OpCo fails to comply with the Remediation Plan in any material respect within the time period(s) specified in the Remediation Plan;
- (b) the relevant Remedy Event has not otherwise been Remedied; and
- (c) the Secretary of State has served a notice on IP OpCo stating that the circumstances referred to in clause 2.4(a) and clause 2.4(b) apply,

then the Remedy Event shall be deemed to constitute a failure event ("**Failure Event**") unless otherwise agreed by the Parties.

2.5 **Reduction of Failure Event to Remedy Event**

- (a) If a Failure Event has arisen but:
- (i) where a Remediation Plan has not previously been agreed, the Secretary of State and IP OpCo have subsequently agreed a Remediation Plan and the Secretary of State is satisfied (acting reasonably) that IP OpCo is making substantial progress in carrying out the Remediation Plan; or

- (ii) where a Remediation Plan has previously been agreed but IP OpCo has failed to comply in any material respect with the agreed Remediation Plan, the Secretary of State is subsequently satisfied (acting reasonably) that IP OpCo has resumed making substantial progress in carrying out the Remediation Plan,

the Failure Event will be reduced to a Remedy Event.

- (b) The Parties acknowledge and agree that despite a Failure Event being reduced to a Remedy Event pursuant to paragraph 2.5(a), the restriction on Distributions will continue until the Remedy Event is Remedied.

2.6 **Remedied**

A Remedy Event (and the associated Failure Event, if applicable) shall be treated as remedied ("**Remedied**") if:

- (a) IP OpCo remedies the Remedy Event (and the associated Failure Event, if applicable); or
- (b) IP OpCo completes the relevant agreed Remediation Plan within the time period(s) specified in the Remediation Plan; or
- (c) the Secretary of State waives the relevant Remedy Event (and the associated Failure Event, if applicable).

3. **TEST DATE**

The Secretary of State may, at any time between Licence Award and the System Acceptance Date, upon written notice to IP OpCo, require IP OpCo to provide the Secretary of State with all information which the Secretary of State requires (acting reasonably) in order to measure any of the requirements which are expressed to be measured at a Test Date under this Agreement.

1. The total sources of finance for the Project will comprise senior debt and financing directly or indirectly representing investment by shareholders.
2. Financing of the Project (including security and intercreditor arrangements) will be substantially consistent with the principles and market practice from time to time of a whole business securitisation of a UK water and sewerage company regulated under the Water Industry Act 1991, as amended or replaced from time to time other than the extent to which the financing structure at Licence Award modifies such principles and market practice to reflect the Project and the GSP (together, the "**WBS Principles**").
3. Senior debt will be raised (i) on the basis of prudent treasury management, including as to pricing, tenors and management of refinancing risk, (ii) consistent with requirements of the Licence and (iii) and on arms's length and prevailing market terms, in each case consistent with the WBS Principles taking into account the performance of the Project and the then-current issuer credit rating of IP OpCo.

6. The financing of the Relevant Companies shall not include:
 - i. raising debt (other than Equity Support (as defined in schedule 2 (*Remedy Event, Failure Event and Remediation Plan*))) which benefits from third party credit enhancement;
 - ii. raising any debt (other than shareholder debt) by any Relevant Companies which is structurally or contractually junior or subordinated to senior debt of the IP OpCo/IP FinCo and which is not included in the Senior RAR (as defined in the Master Definitions Agreement) and Net Debt/Adjusted RCV financial ratio calculation;

iii.

[REDACTED]

iv. secured creditor rights of enforcement which, save as originally contemplated by the terms of the finance documents, are inconsistent with the WBS Principles.

For these purposes "**Relevant Companies**" means IP EquityCo and each of its subsidiaries.

7. IP OpCo shall not propose or agree an amendment (an "**Amendment**") to the terms of the Senior Financing Agreements if the effect of such Amendment would be inconsistent with these Financing Principles.
8. IP OpCo and IP HoldCo shall procure that IP FinCo shall only enter into (and shall not propose or agree to any amendment which would conflict with) financing arrangements pursuant to FinCo Transaction Documents (as defined in the Master Definitions Agreement) that are consistent with (i) WBS Principles and (ii) the other terms of the Discontinuation Agreement including this schedule 3 as such terms relate to the financing arrangements and terms applicable to IP OpCo and the other Relevant Companies.
