(c) on which anything is written or marked by which the voter can be identified except the unique identifier, or

(d) which is unmarked or rejected because of uncertainty,

shall, subject to rules FPP44.2 and FPP44.3, be rejected and not counted.

FPP44.2 Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

FPP44.3 A ballot paper on which a vote is marked:

(a) elsewhere than in the proper place,

(b) otherwise than by means of a clear mark,

(c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

FPP44.4 The returning officer is to:

(a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and

(b) in the case of a ballot paper on which any vote is counted under rules FPP44.2 and FPP 44.3, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

FPP44.5 The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings:

(a) does not bear proper features that have been incorporated into the ballot paper,

(b) voting for more candidates than the voter is entitled to,

(c) writing or mark by which voter could be identified, and

(d) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of ballot papers rejected in part.

FPP44.6 Any text voting record:

(a) on which votes are given for more candidates than the voter is entitled to vote,

(b) on which anything is written or marked by which the voter can be identified
except the voter ID number, or
(c) which is unmarked or rejected because of uncertainty,

shall, subject to rules FPP44.7 and FPP44.8, be rejected and not counted.

FPP44.7 Where the voter is entitled to vote for more than one candidate, a text voting record is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

FPP44.8 A text voting record on which a vote is marked:
(a) otherwise than by means of a clear mark,
(b) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the text voting record is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

FPP44.9 The returning officer is to:
(a) endorse the word “rejected” on any text voting record which under this rule is not to be counted, and
(b) in the case of a text voting record on which any vote is counted under rules FPP44.7 and FPP 44.8, endorse the words “rejected in part” on the text voting record and indicate which vote or votes have been counted.

FPP44.10 The returning officer is to draw up a statement showing the number of rejected text voting records under the following headings:
(a) voting for more candidates than the voter is entitled to,
(b) writing or mark by which voter could be identified, and
(c) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of text voting records rejected in part.

STV45. First stage

STV45.1 The returning officer is to sort the ballot documents into parcels according to the candidates for whom the first preference votes are given.

STV45.2 The returning officer is to then count the number of first preference votes given on ballot documents for each candidate, and is to record those numbers.

STV45.3 The returning officer is to also ascertain and record the number of valid ballot documents.

STV46. The quota

STV46.1 The returning officer is to divide the number of valid ballot documents by a number exceeding by one the number of members to be elected.

STV46.2 The result, increased by one, of the division under rule STV46.1 (any fraction being
disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

STV46.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules STV47.1 to STV47.3 has been complied with.

STV47. Transfer of votes

STV47.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot documents on which first preference votes are given for that candidate into sub-parcels so that they are grouped:

(a) according to next available preference given on those ballot documents for any continuing candidate, or
(b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV47.2 The returning officer is to count the number of ballot documents in each parcel referred to in rule STV47.1.

STV47.3 The returning officer is, in accordance with this rule and rule STV48, to transfer each sub-parcel of ballot documents referred to in rule STV47.1(a) to the candidate for whom the next available preference is given on those ballot documents.

STV47.4 The vote on each ballot document transferred under rule STV47.3 shall be at a value (“the transfer value”) which:

(a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
(b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot documents on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

STV47.5 Where at the end of any stage of the count involving the transfer of ballot documents, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot documents in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:

(a) according to the next available preference given on those ballot documents for any continuing candidate, or
(b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV47.6 The returning officer is, in accordance with this rule and rule STV48, to transfer each sub-parcel of ballot documents referred to in rule STV47.5(a) to the candidate for whom the next available preference is given on those ballot documents.

STV47.7 The vote on each ballot document transferred under rule STV47.6 shall be at:

(a) a transfer value calculated as set out in rule STV47.4(b), or
(b) at the value at which that vote was received by the candidate from whom it is now being transferred,
whichever is the less.

**STV47.8** Each transfer of a surplus constitutes a stage in the count.

**STV47.9** Subject to rule STV47.10, the returning officer shall proceed to transfer transferable ballot documents until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

**STV47.10** Transferable ballot documents shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:

(a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
(b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

**STV47.11** This rule does not apply at an election where there is only one vacancy.

**STV48. Supplementary provisions on transfer**

**STV48.1** If, at any stage of the count, two or more candidates have surpluses, the transferable ballot documents of the candidate with the highest surplus shall be transferred first, and if:

(a) The surpluses determined in respect of two or more candidates are equal, the transferable ballot documents of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
(b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballot documents of the candidate on whom the lot falls shall be transferred first.

**STV48.2** The returning officer shall, on each transfer of transferable ballot documents under rule STV47:

(a) record the total value of the votes transferred to each candidate,
(b) add that value to the previous total of votes recorded for each candidate and record the new total,
(c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
(d) compare:
   (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
   (ii) the recorded total of valid first preference votes.

**STV48.3** All ballot documents transferred under rule STV47 or STV49 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot document or, as the case may be, all the ballot documents in that sub-parcel.
STV48.4 Where a ballot document is so marked that it is unclear to the returning officer at any stage of the count under rule STV47 or STV49 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot document as a non-transferable vote; and votes on a ballot document shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV49. Exclusion of candidates

STV49.1 If:

(a) all transferable ballot documents which under the provisions of rule STV47 (including that rule as applied by rule STV49.11) and this rule are required to be transferred, have been transferred, and

(b) subject to rule STV50, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule STV49.12 applies, the candidates with the then lowest votes).

STV9.2 The returning officer shall sort all the ballot documents on which first preference votes are given for the candidate or candidates excluded under rule STV49.1 into two sub-parcels so that they are grouped as:

(a) ballot documents on which a next available preference is given, and

(b) ballot documents on which no such preference is given (thereby including ballot documents on which preferences are given only for candidates who are deemed to be elected or are excluded).

STV49.3 The returning officer shall, in accordance with this rule and rule STV48, transfer each sub-parcel of ballot documents referred to in rule STV49.2 to the candidate for whom the next available preference is given on those ballot documents.

STV49.4 The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

STV49.5 If, subject to rule STV50, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballot documents, if any, which had been transferred to any candidate excluded under rule STV49.1 into sub-parcels according to their transfer value.

STV49.6 The returning officer shall transfer those ballot documents in the sub-parcel of transferable ballot documents with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballot documents (thereby passing over candidates who are deemed to be elected or are excluded).

STV49.7 The vote on each transferable ballot document transferred under rule STV49.6 shall be at the value at which that vote was received by the candidate excluded under rule STV49.1.

STV9.8 Any ballot documents on which no next available preferences have been expressed shall be set aside as non-transferable votes.
After the returning officer has completed the transfer of the ballot documents in the sub-parcel of ballot documents with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot documents with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under rule STV49.1.

The returning officer shall after each stage of the count completed under this rule:

(a) record:
   (i) the total value of votes, or
   (ii) the total transfer value of votes transferred to each candidate,

(b) add that total to the previous total of votes recorded for each candidate and record the new total,

(c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and

(d) compare:
   (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
   (ii) the recorded total of valid first preference votes.

If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules STV47.5 to STV47.10 and rule STV48.

Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:

(a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and

(b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.
STV51. **Order of election of candidates**

STV51.1 The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule STV47.10.

STV51.2 A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

STV51.3 Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

STV51.4 Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.
FPP51. Equality of votes

FPP51.1 Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.
PART 7: FINAL PROCEEDINGS IN CONTESTED AND UNCONTESTED ELECTIONS

FPP52. Declaration of result for contested elections

FPP52.1 In a contested election, when the result of the poll has been ascertained, the returning officer is to:

(a) declare the candidate or candidates whom more votes have been given than for the other candidates, up to the number of vacancies to be filled on the council of governors from the constituency, or class within a constituency, for which the election is being held to be elected,

(b) give notice of the name of each candidate who he or she has declared elected:

(i) where the election is held under a proposed constitution pursuant to powers conferred on the [insert name] NHS Trust by section 33(4) of the 2006 Act, to the chairman of the NHS Trust, or

(ii) in any other case, to the chairman of the corporation, and

(c) give public notice of the name of each candidate who he or she has declared elected.

STV52.2 The returning officer is to make:

(a) the number of first preference votes for each candidate whether elected or not,

(b) any transfer of votes,
(c) the total number of votes for each candidate at each stage of the count at which such transfer took place,

(d) the order in which the successful candidates were elected, and

(e) the number of rejected ballot papers under each of the headings in rule STV44.1,

(f) the number of rejected text voting records under each of the headings in rule STV44.3,

available on request.

53. **Declaration of result for uncontested elections**

53.1 In an uncontested election, the returning officer is to as soon as is practicable after final day for the delivery of notices of withdrawals by candidates from the election:

(a) declare the candidate or candidates remaining validly nominated to be elected,

(b) give notice of the name of each candidate who he or she has declared elected to the chairman of the corporation, and

(c) give public notice of the name of each candidate who he or she has declared elected.
PART 8: DISPOSAL OF DOCUMENTS

54. **Sealing up of documents relating to the poll**

54.1 On completion of the counting at a contested election, the returning officer is to seal up the following documents in separate packets:

(b) the ballot papers and text voting records endorsed with “rejected in part”,
(c) the rejected ballot papers and text voting records, and

(b) the date of the publication of notice of the election,
(c) the name of the corporation to which the election relates, and
(d) the constituency, or class within a constituency, to which the election relates.

55. **Delivery of documents**

55.1 Once the documents relating to the poll have been sealed up and endorsed pursuant to rule 56, the returning officer is to forward them to the chair of the corporation.

56. **Forwarding of documents received after close of the poll**

56.1 Where:

(a) any voting documents are received by the returning officer after the close of the poll, or
(b) any envelopes addressed to eligible voters are returned as undelivered too late to be resent, or
(c) any applications for replacement voting information are made too late to enable new voting information to be issued,

the returning officer is to put them in a separate packet, seal it up, and endorse and forward it to the chairman of the corporation.

57. Retention and public inspection of documents

57.1 The corporation is to retain the documents relating to an election that are forwarded to the chair by the returning officer under these rules for one year, and then, unless otherwise directed by the board of directors of the corporation, cause them to be destroyed.

57.2 With the exception of the documents listed in rule 58.1, the documents relating to an election that are held by the corporation shall be available for inspection by members of the public at all reasonable times.

57.3 A person may request a copy or extract from the documents relating to an election that are held by the corporation, and the corporation is to provide it, and may impose a reasonable charge for doing so.

58. Application for inspection of certain documents relating to an election

ensure that the way in which the vote of any particular member has been given shall not be disclosed, until it has been established –

(i) that his or her vote was given, and
(ii) that Monitor has declared that the vote was invalid.
PART 9: DEATH OF A CANDIDATE DURING A CONTESTED ELECTION

FPP59. **Countermand or abandonment of poll on death of candidate**

FPP59.1 If at a contested election, proof is given to the returning officer’s satisfaction before the result of the election is declared that one of the persons named or to be named as a candidate has died, then the returning officer is to:

(a) countermand notice of the poll, or, if voting information has been issued, direct that the poll be abandoned within that constituency or class, and

(b) order a new election, on a date to be appointed by him or her in consultation with the corporation, within the period of 40 days, computed in accordance with rule 3 of these rules, beginning with the day that the poll was countermanded or abandoned.

FPP59.2 Where a new election is ordered under rule FPP59.1, no fresh nomination is necessary for any candidate who was validly nominated for the election where the poll was countermanded or abandoned but further candidates shall be invited for that constituency or class.

FPP59.3 Where a poll is abandoned under rule FPP59.1(a), rules FPP59.4 to FPP59.7 are to apply.

FPP59.4 The returning officer shall not take any step or further step to open envelopes or deal with their contents in accordance with rules 38 and 39, and is to make up separate sealed packets in accordance with rule 40.

FPP59.6 The returning officer is to endorse on each packet a description of:

(a) its contents,

(b) the date of the publication of notice of the election,

(c) the name of the corporation to which the election relates, and

(d) the constituency, or class within a constituency, to which the election relates.

FPP59.7 Once the documents relating to the poll have been sealed up and endorsed pursuant to rules FPP59.4 to FPP59.6, the returning officer is to deliver them to the chairman of the corporation, and rules 57 and 58 are to apply.

STV59. **Countermand or abandonment of poll on death of candidate**
If, at a contested election, proof is given to the returning officer’s satisfaction before the result of the election is declared that one of the persons named or to be named as a candidate has died, then the returning officer is to:

(a) publish a notice stating that the candidate has died, and

(b) proceed with the counting of the votes as if that candidate had been excluded from the count so that –

(i) ballot documents which only have a first preference recorded for the candidate that has died, and no preferences for any other candidates, are not to be counted, and

(ii) ballot documents which have preferences recorded for other candidates are to be counted according to the consecutive order of those preferences, passing over preferences marked for the candidate who has died.

The ballot documents which have preferences recorded for the candidate who has died are to be sealed with the other counted ballot documents pursuant to rule 54.1(a).
Election expenses

60. Election expenses

60.1 Any expenses incurred, or payments made, for the purposes of an election which contravene this Part are an electoral irregularity, which may only be questioned in an application made to Monitor under Part 11 of these rules.

61. Expenses and payments by candidates

61.1 A candidate may not incur any expenses or make a payment (of whatever nature) for the purposes of an election, other than expenses or payments that relate to:

(a) personal expenses,
(b) travelling expenses, and expenses incurred while living away from home, and
(c) expenses for stationery, postage, telephone, internet (or any similar means of communication) and other petty expenses, to a limit of £100.

62. Election expenses incurred by other persons

62.1 No person may:

(a) incur any expenses or make a payment (of whatever nature) for the purposes of a candidate’s election, whether on that candidate’s behalf or otherwise, or
(b) give a candidate or his or her family any money or property (whether as a gift, donation, loan, or otherwise) to meet or contribute to expenses incurred by or on behalf of the candidate for the purposes of an election.

62.2 Nothing in this rule is to prevent the corporation from incurring such expenses, and making such payments, as it considers necessary pursuant to rules 63 and 64.

Publicity

63. Publicity about election by the corporation

63.1 The corporation may:

(a) compile and distribute such information about the candidates, and
(b) organise and hold such meetings to enable the candidates to speak and respond to questions,

as it considers necessary.

63.2 Any information provided by the corporation about the candidates, including information compiled by the corporation under rule 64, must be:

(a) objective, balanced and fair,
(b) equivalent in size and content for all candidates,
(c) compiled and distributed in consultation with all of the candidates standing
for election, and
(d) must not seek to promote or procure the election of a specific candidate or candidates, at the expense of the electoral prospects of one or more other candidates.

63.3 Where the corporation proposes to hold a meeting to enable the candidates to speak, the corporation must ensure that all of the candidates are invited to attend, and in organising and holding such a meeting, the corporation must not seek to promote or procure the election of a specific candidate or candidates at the expense of the electoral prospects of one or more other candidates.

64. Information about candidates for inclusion with voting information

64.1 The corporation must compile information about the candidates standing for election, to be distributed by the returning officer pursuant to rule 24 of these rules.

64.2 The information must consist of:

(a) a statement submitted by the candidate of no more than 250 words,

(c) a photograph of the candidate.

65. Meaning of “for the purposes of an election”

65.1 In this Part, the phrase “for the purposes of an election” means with a view to, or otherwise in connection with, promoting or procuring a candidate’s election, including the prejudicing of another candidate’s electoral prospects; and the phrase “for the purposes of a candidate’s election” is to be construed accordingly.

65.2 The provision by any individual of his or her own services voluntarily, on his or her own time, and free of charge is not to be considered an expense for the purposes of this Part.
PART 11: QUESTIONING ELECTIONS AND THE CONSEQUENCE OF IRREGULARITIES

66. **Application to question an election**

66.1 An application alleging a breach of these rules, including an electoral irregularity under Part 10, may be made to Monitor for the purpose of seeking a referral to the independent election arbitration panel (IEAP).

66.2 An application may only be made once the outcome of the election has been declared by the returning officer.

66.3 An application may only be made to Monitor by:

(a) a person who voted at the election or who claimed to have had the right to vote, or

(b) a candidate, or a person claiming to have had a right to be elected at the election.

66.4 The application must:

(a) describe the alleged breach of the rules or electoral irregularity, and

(b) be in such a form as the independent panel may require.

66.5 The application must be presented in writing within 21 days of the declaration of the result of the election. Monitor will refer the application to the independent election arbitration panel appointed by Monitor.

66.6 If the independent election arbitration panel requests further information from the applicant, then that person must provide it as soon as is reasonably practicable.

66.7 Monitor shall delegate the determination of an application to a person or panel of persons to be nominated for the purpose.

66.8 The determination by the IEAP shall be binding on and shall be given effect by the corporation, the applicant and the members of the constituency (or class within a constituency) including all the candidates for the election to which the application relates.

66.9 The IEAP may prescribe rules of procedure for the determination of an application including costs.
67. **Secrecy**

67.1 The following persons:

(a) the returning officer,
(b) the returning officer’s staff,

must maintain and aid in maintaining the secrecy of the voting and the counting of the votes, and must not, except for some purpose authorised by law, communicate to any person any information as to:

(i) the name of any member of the corporation who has or has not been given voting information or who has or has not voted,
(ii) the unique identifier on any ballot paper,
(iii) the voter ID number allocated to any voter,

ANNEX 3
COUNCIL OF GOVERNORS’ CODE OF CONDUCT

The purpose of the code is to provide clear guidance on the standards of conduct and behaviour expected from all governors. The code operates in conjunction with the Trusts Constitution and applies at all times when governors are carrying out the business of the Trust or representing the Trust. Governors are expected to:

- Conduct themselves in a manner that reflects positively on the Trust;
- Support the Directors in promoting the success of the Trust at all times;
- Comply with the Trust’s confidentiality policies and procedures. Governors must not disclose any confidential information, except in specified lawful circumstances;
- Register and declare all relevant interests in accordance with the provisions of the Constitution. It is the responsibility of each governor to provide an update to their register entry, should their interests change to those declared;
- Avoid a situation in which they have a direct or indirect interest that conflicts or may conflict with the interest of the Trust;
- Attend Council of Governors meetings including the AGM and relevant training / events. Constructively contribute to meetings and send apologies in advance where attendance is not possible;
- Support the values of the Trust and uphold the Nolan principles of public life to maximise the benefits for members of the Trust and public.

Failure to comply with the code may lead to disciplinary action.
ANNEX 4
DISPUTE RESOLUTION PROCEDURE

1.1 The Council’s paper on “Working creatively with a diversity of views” recognises that there are likely to be strongly held and opposing views expressed by members of Council and that this is a sign that Council is fulfilling its role in bringing forward the views of the public in different parts of the region. A dispute, therefore, is not general disagreement or a lack of consensus: it arises from a material error such as withholding information or wilfully obstructing the proper work of a nominated body.

1.2 As in all grievance procedures, a dispute should be declared only as a last resort. Informal processes should be employed whenever possible to resolve disagreements between two key groups within the governance machinery of the Trust. Any dispute not resolved by informal means should:
   • be subject to external review
   • be dealt with in a timely manner and, as appropriate, confidentially.

The recommendations arising from the review will:
   • be binding on all/both parties
   • not be subject to appeal.

1.3 Grounds for declaring a dispute

A dispute may be declared only if there has been a material error in the decision making process and its implementation on the part of either the Council or the Board. A dispute can only be agreed if a majority of the Council members or if the Directors of the Board agree to this course of action.

1.4 Process

   • Level One - informal
   The Chair will be informed, by Governors or Directors, that they consider there are grounds for an appeal. The Chair will seek to resolve matters informally, normally by commissioning the Senior Independent Director to investigate the issues and seek resolution. If there is no informal resolution a formal dispute will be declared.

   • Level Two - formal
   The Nominations Committee, which includes the Deputy Chair and Independent Director, will arrange for three independent individuals with relevant experience (e.g. Chair, Non-Executive Directors or Governors of other Foundation Trusts) to undertake an investigation. The Review Team will be assisted by the Head of Corporate Governance. The investigation report will be received by the Nominations Committee which will accept and act upon its recommendations.
