Current school capacity / surpluses

The table below details the potential impact on the 6 primary schools within a one-mile radius

School name	Type	Distance from FS (miles)	School capacity	Surplus places (May 2014)	Surplus places at point of entry year (2013/14)	Attainment 2014	Inspection rating	Inspection date	Impact rating
LA						81%			
National						79%			
St Augustine's RC Primary School (Roman Catholic)	Academy Converter	0.2	210	5 places (2.3%)	0	90%	Outstanding	20/09/2007	<p>Minimal.</p> <p>The school has been rated 'Outstanding' by Ofsted and attainment results are above the LA and national average at 90% (2014). The Outstanding Ofsted result and above average results suggest that it is unlikely that Polam Hall will affect the long-term viability of this school.</p>

Skeme Park Academy	Academy Sponsor Led	0.6	330	-7	0	52%	Good	02/10/2014	<p>Minimal</p> <p>The school has been rated 'Good' by Ofsted and there is no surplus of places. The attainment scores are below the LA and national average at 52% but it is unlikely that Polam Hall will affect the long-term viability of this school.</p>
Abbey Infants' School	Academy Converter	0.6	270	1 place (0.3%)	0	(No KS2 data highest age <11)	Outstanding	09/06/2008	<p>Minimal.</p> <p>The low surplus of 0.3% and the Outstanding Ofsted result suggests that it is unlikely that Polam Hall will affect the long-term viability of this school.</p>
Abbey Junior School	Academy Converter	0.7	360	-5	-3	93%	Good	19/10/2012	<p>Minimal.</p> <p>The school has been rated 'Good' by Ofsted and their attainment scores are above the LA and national average. Also it is oversubscribed, which suggests that it is unlikely that Polam Hall will affect the long-term viability of this school.</p>

The Rydal Academy	Academy Sponsor Led	0.9	525	32 places (6%)	-11	31%	Requires Improvement	30/04/2014	<p>Minimal.</p> <p>Although the school has been rated 'Requires Improvement' by Ofsted and their attainment scores are below the LA. It is likely that Polam Hall will not affect the long-term viability of this school, as it is both oversubscribed and there is basic need.</p>
Corporation Road Community Primary School	Community School	0.9	315	39 places (12.3%)	-9	76%	Good	01/10/2010	<p>Minimal.</p> <p>This school is rated 'Good' by Ofsted and their attainment scores are just below the LA and national average at 76%. It is likely that Polam Hall will not affect the long-term viability of this school, as it is both oversubscribed and there is basic need.</p>

The table below details the potential impact on the 5 secondary schools within a two-mile radius

School name	Type	Distance from FS (miles)	School capacity	Surplus places (May 2014)	Surplus places at point of entry year	Attainment 2014	Inspection rating	Inspection date	Impact rating
LA						56%			
National						56%			
Carmel College, A Catholic Academy (Roman Catholic)	Academy Converter	1.1	1200	-11	-19	87%	Outstanding	20/11/2013	<p>Minimal.</p> <p>The school has been rated 'Outstanding' by Ofsted, the attainment results are above the LA and national average at 87% (2014) and there are no surplus places. Therefore it is unlikely that Polam Hall will affect the long-term viability of this school and there will continue to be demand for RC places.</p>
St Aiden's Church of England Academy (Church of England)	Academy Sponsor Led (Diocese sponsored since 2007)	1.3	700	73 places (10.4%)	39	37%	Inadequate (October 2014)		<p>High.</p> <p>The school has been rated 'Inadequate' by Ofsted, the attainment scores are below the national average at 37% and there is a 10.4% surplus, with over 1FE surplus at point of entry . Therefore it is highly likely</p>

									that Polam Hall will affect the long-term viability of this school.
Hummersknott Academy	Academy Converter	1.4	1200	-21	-13	66%	Good	16/10/2013	<p>Minimal.</p> <p>The school has been rated 'Good' by Ofsted, the attainment scores are above the LA and national average at 66% and there is no surplus of places. Therefore it is unlikely that Polam Hall will affect the long-term viability of this school.</p>
Darlington School of Maths and Science	Academy Sponsor Led (Longfield Academy Trust 2011)	2.0	900	444 places (49%)	84	28%	Requires Improvement (February 2014)	14/02/2014	<p>High.</p> <p>The school has been rated 'Requires Improvement' by Ofsted, attainment results are below the LA and national average at 28% (2014) and there is a 49% surplus; including nearly 3FE at point of entry. Therefore it is highly likely that Polam Hall will affect the long-term viability of this school.</p>

Houghton Academy	Academy Converter (Education Village Academy Trust 2012)	2.0	900	189 places (21%)	57	41%	Requires Improvement (February 2014)	06/02/2014	<p>High.</p> <p>The school has been rated 'Requires Improvement' by Ofsted, attainment results are below the LA and national average at 41% (2014) and there is a 21% surplus; including nearly 2FE at point of entry. Therefore it is highly likely that Polam Hall will affect the long-term viability of this school.</p>

The table below details the potential impact on the 3 local colleges within a ten-mile radius

School name	Type	Distance from FS (miles)	Approx number of pupils at the college	Average points score 2014	Inspection rating	Inspection date	Impact rating
LA				824.9			
National				771.5			
Queen Elizabeth Sixth Form College	Sixth Form College (General)	0.5	1932	822.8	Good	03/02/2012	<p>Minimal.</p> <p>This college is rated 'Good' by Ofsted and their average points score is higher than the national average. It is unlikely that the new school will affect the long term viability of the college.</p>
Darlington College	General Further Education College	1.1	4974	No KS5 data	Outstanding	06/03/2009	<p>Minimal.</p> <p>No KS5 data is available, but as the college is rated 'Outstanding' it is unlikely that Polam Hall will affect the long term viability of the college.</p>

Stockton Sixth Form College	Sixth Form College (General)	9.6	793	673.9	Good	21/03/2014	<p>Minimal.</p> <p>Whilst the college is rated 'Good' by Ofsted, their average points score is lower than the national average and the LA average. However, Polam Hall is unlikely to be able to compete with the breadth of offer of a sixth form college is therefore unlikely to affect the long term viability of the college.</p>
