<p data-bbox="145 1048 411 1115">Item 5. CAMUS Musicians’ Dress</p>	<p data-bbox="469 477 1241 1312">The Committee was asked to approve the dress for CAMUS musicians when assigned to a Band. Although it was agreed that Full Dress, Concert Dress and No 1 Dress were to be of the affiliated corps or regiment and normal working dress was to be CAMUS Dress, there was much discussion over No 2 Dress. After hearing the views of DCAMUS and the Household Division, It was agreed that performing as a band in the No 2 Dress of the affiliated corps or regiment was contrary to ACG’s intent to enhance CAMUS identity and logistically difficult. It was therefore agreed that musicians would only possess and wear CAMUS No 2 Dress. DCAMUS suggested that, in order to enable musicians in one band to be distinguished from those from another, all CAMUS personnel assigned to bands could wear a shoulder flash in No 2 Dress only, immediately below the shoulder seam of both arms, displaying the band title e.g. “Queen’s Division Band”; the shoulder flash to be in the affiliated Regimental or Corps’ colours. This was agreed and Sec ADC was tasked with producing proposed colours for the Committee’s approval. The Dress regulations for each band are at Annex A. While recognising that the Band of the Brigade of Gurkhas was not part of CAMUS, Sec ADC was asked to find out the view of Col BG whether their musicians would also wear shoulder flashes.</p> <p data-bbox="469 1352 1066 1384">Decision. Approved by ADC. Decision 4301</p> <p data-bbox="469 1424 1241 1653">Afternote: As musicians in No 2 Dress in the Band of the Brigade of Gurkhas have a number of very easily distinguishable features, there can be no confusion with musicians from any other Bands. Col BG therefore agreed that there was no necessity to wear a shoulder flash which in any case would be in addition to their existing metal Shoulder Title of “Gurkha”</p>	<p data-bbox="1267 801 1458 904">All Corps Cols DCAMUS</p> <p data-bbox="1267 1093 1394 1124">Sec ADC</p> <p data-bbox="1267 1200 1362 1232">Col BG</p> <p data-bbox="1267 1532 1362 1563">Col BG</p>

Item	Discussion/Decision	Action
<p>Item 6. Royal Lancers Dress Proposals</p>	<p>The Committee considered proposals for key items of the Royal Lancers (RL) Dress Regulations including badges, No 1 Dress and Mess Dress. The Committee approved all badges with the exception of the collar badge based on Queen Adelaide's cipher. The example provided to the Committee included the design of crown used by male Sovereigns since 1902 and this was not thought to be correct. It was considered that the crown above the cipher should be either the crown used to represent Queen Adelaide or the modern representation of St Edward's Crown used by HM The Queen. The Amalgamation Committee was asked to review this design. The approval of the cap badge is subject to authorisation from HM The Queen.</p>   <p>The Committee approved the Mess Dress designs.</p> <p>The Committee approved the No 1 Dress with the exception of the gold lace on the officers' jacket collar. The Committee was aware that the LD officer's collar was buff with gold lace but the buff colour came from 13th/18th H collar and the gold lace from 15th/19th H making the current LD collar an amalgam of the 2. There was no such precedent to introduce the gold lace to the RL officer's collar. The Committee therefore felt that this was unnecessary over-elaboration.</p> <p>It was agreed that all items of uniform required by a soldier on joining the Regiment were to be publicly funded including the various cross belts, pouches and pouch badges but with the usual exception of Formation Flashes, TRFs and stable belts.</p> <p>Decision. Approved with exceptions by ADC. Decision 4302</p>	<p>9/12L & QRL</p>
<p>Item 7. Key items of Scottish and North Irish Yeomanry (SNIY) Dress</p>	<p>The Committee considered designs for the cap badge, TRF, stable belt, blue beret and rank slides and approved them all with the exception of the TRF for B (North Irish Horse) Squadron which had the proposed addition of the Maid of Erin. The Committee discussed at length creating the precedent of authorising a TRF for a sub-unit but although recognising the unique situation of B (North Irish Horse) Sqn, the Committee did not consider there was sufficient justification. The approval of the cap badge is subject to authorisation from HM The Queen.</p>	<p>HQ RAC QOY</p>

Approved in part by ADC. Decision 4303</p>	
<p>Item 8. Cap Badge Royal Wessex Yeomanry</p>	<p>The Committee considered and approved the proposed design of a Regimental cap badge to be worn by all ranks in all squadrons RWxY. This approval is subject to authorisation by HM The Queen.</p> <div style="display: flex; align-items: center; justify-content: center;">  <div style="margin-left: 20px;"> <p>Pantone Colours:</p> <p>Blue – 289CP Scarlet – 485CP Yellow – 121CP</p> </div> </div> <p>Decision. <p>Item 9. 105 Regt RA No 1 Dress and Mess Dress</p>	<p>Having heard that DCLF had endorsed the principle of Scottish style dress for those firing the gun salutes from Edinburgh Castle and having taken advice on the use of various tartans, the Committee agreed on the Ceremonial Dress Regulations for No 1 Dress for 105 Regt RA at Annex B. The Committee also agreed that officers and SNCOs of the Scottish Batteries may wear the tartan trews/overalls in Mess Dress. The Committee noted that the cost of providing the Balmoral and trews/overalls to satisfy the Gun Salutes requirement is subject to Army HQ providing the estimated £15,000 from public funds. The Committee stated that while newly commissioned officers and newly promoted SNCOs can purchase the tartan overalls/trews from their Uniform Grant, public funding will not be available to existing officers and SNCOs to convert their Mess Dress.</p> <p>Decision. Approved by ADC. Decision 4305</p>	<p>HQ RA 105 Regt RA</p>

	<p>b. Duke of Lancaster’s TRF. The Committee approved the change of TRF from the Glider badge to design shown below measuring 6cm across by 5cm high stressing that until public funding is provided for Formation Flashes and TRFs, these must be procured and tailored at private expense.</p>

<p>Decision. Approved by ADC. Decision 4307</p>		
<p>c. 1 Military Police Brigade Formation Flash. The Committee approved the proposed design of the 1 MB Bde Formation Flash shown below stressing that until public funding is provided for Formation Flashes and TRFs, these must be procured and tailored at private expense.</p>

<p>Decision. Approved by ADC. Decision 4308</p>		
<p>d. OP COMET FLASH. The Committee approved in principle that Army personnel involved in any role supporting the Glasgow 2014 Commonwealth Games may wear the official logo of the games on PCS in place of any existing Formation Flash with the authority of the Organising Committee. The Committee noted that no public funding had been allocated to procuring or tailoring of the flashes and in approving the design, the Committee was not endorsing any Army requirement to wear any flash. While noting the logo shown below, the Committee wished to see the other coloured variations of the logo in order to agree the most suitable background colour. The Committee agreed that the logo should be approved by SJC(UK) himself.</p>	HQ SJC (UK) HQ SCOTLAND	

Item	Discussion/Decision	Action
	 <p>Decision. Approved by ADC. Decision 4309</p> <p>e. HQ Army Training Recruiting Group Formation Flash. The Committee approved the design of a Formation Flash to be worn by personnel of HQ ARTD shown below stressing that until public funding is provided for Formation Flashes and TRFs, these must be procured and tailored at private expense.</p>  <p>Pantone Colours: Blue – 280CP Green – 5777CP Yellow – 121CP</p> <p>Decision. Approved by ADC. Decision 4310</p>	<p>HQ 51 Inf Bde</p> <p>HQ ARTD</p>
<p>Item 11. Small Arms School Corps</p>	<p>HQ SASC had submitted one minor amendment to the Corps' approved Dress Regulations by requesting that officers and WOs1 be authorised to wear the pale cream shirt in Barrack Dress. HQ SASC also asked for endorsement of the authority for WOs2 to continue to wear the leather sword belt with Corps buckle in No 2 Dress. The Committee agreed to both although both were to be provided at private expense.</p> <p>Decision. Approved by ADC. Decision 4311</p>	<p>HQ SASC</p>
<p>Item 12. Items for Discussion.</p>	<p>a. RA TUAS Pilot Brevet. Col ██████ stated that the proposal that TUAS pilots were awarded "flying wings" to be worn in perpetuity had not moved any further forward and no formal proposal was sufficiently mature to place before this Committee.</p> <p>b. RAC Band Dress. The Committee viewed photos of a possible form of dress for the Band of the RAC. The Committee was unanimous in the view that mixing Hussar head dress with a Lancer style tunic was unacceptable. The Committee endorsed the view that the various Cavalry forms of Full Dress should maintained within the Army where possible but agreed that there were logistic and administrative difficulties of mixing uniforms within the same band. The Committee noted that that Dragoon uniform was worn by the Household Cavalry and the Lancer uniform worn in the Full Dress of the Band of the</p>	<p>HQ RA HQ AAC</p> <p>HQ RAC</p>

	<p>Inns of Court and City Yeomanry which now has a State Ceremonial role. The Committee's view therefore was that the Full Dress of the Band of the RAC should be based on a Hussar uniform.</p> <p>c. Uniform Tax Relief. The Committee noted the current state of negotiations of the review of UTR with HMRC.</p>	
<p>Item 13. Any other Business and Date of Next Meeting</p>	<p>a. Senior RSM's Badge. The issue was raised of individuals wearing the Senior RSM's Badge whose appointments were not listed in Army Dress Regulations as authorised to wear the badge. The Chairman directed that the Committee is informed of these appointments so that it can take a view on authorising additional appointments.</p> <p>There was no other business and the meeting concluded at 1550 hrs. The date of the next meeting would be in the early Autumn – date to be confirmed.</p>	<p>Sec ADC</p>
