#### 5 **TERMINATION**

5.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2021 or any subsequent anniversary of that date.

### **Notice of Intention to Terminate by Company**

- 5.2 The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the "Indicative Funding"). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the "Critical Year") and of the taking into account all other resources available and likely to be available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company ("All Other Resources"), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.
- Any notice given by the Company under clause 5.2 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 5.2 above, within six weeks after the Secretary of State shall have done so. The notice must specify:
  - 5.3.1. the grounds upon which the Company's opinion is based and include the evidence of those grounds and any professional

accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and

- 5.3.2. the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and
- 5.3.3. a detailed budget of income and expenditure for the Academy during the Critical Year (the "**Projected Budget**").
- 5.4 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.
- If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the "Expert") for resolution. The Expert's determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the "Shortfall"). The Expert shall be an insolvency practitioner with

significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert's fees shall be borne equally between the parties.

- The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist's fees shall be borne equally between the parties.
- 5.7 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

#### **Termination Warning Notice**

- b) subject to any further measures he reasonably requires ("Further Remedial Measures") being implemented by a specified date or any evidence he requires being provided, the implementation of such measures has been or will be successfully completed within the specified timeframes; or
- c) he is not satisfied that the Company will rectify the defaults identified in the Termination Warning Notice within the specified timeframes. (In such circumstances, the Secretary of State may notify the Company of his intention to terminate the Agreement on a specified date.)
- 5.7D The Secretary of State may by notice in writing terminate this Agreement with effect from a specified date in the event that:
  - a) the Company has not by the date specified in clause 5.7Bc) responded to the Termination Warning Notice either confirming that it accepts and agrees to undertake the Specified Remedial Measures or providing its representations with regard to the Specified Remedial Measures; or

# Annex 1

# Requirements for the Admission of pupils at SPTA Alternative Provision Academy ("the Academy")

#### General

- 1. This Annex may be amended in writing at any time by agreement between the Secretary of State and School Partnership Alternative Provision Academies ("the Company").
- 2. The Company will act in accordance with equalities law.
- 3. Except where paragraphs 4 or 5 applies, the Company may not admit a child of compulsory school age unless it is by way of a referral from a Commissioner through one of the referral routes set out in paragraph 6 below.
- 4. Notwithstanding any provision in this Annex, the Secretary of State may:
  - (a) direct the Company to admit a named pupil to the SPTA Alternative Provision Academy ("the Academy") on application from a local authority. This will include complying with a School Attendance Order<sup>2</sup>. Before doing so the Secretary of State will consult the Company.
  - (b) direct the Company to admit a named pupil to the Academy if the Company has failed to act in accordance with this Annex or

37

<sup>&</sup>lt;sup>2</sup> Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might, for instance, be appropriate where a child has a place at an alternative provision Academy but his/her parents are refusing to send him/her to school. The order will require a parent to ensure his/her child attends a specified school.

has otherwise failed to comply with applicable equalities legislation.

- (c) direct the Company to amend its admission arrangements where the Company fails to comply with relevant legislation or where the Secretary of State is concerned that because of its admissions arrangements the Academy is no longer meeting the requirements at 1C of the Academies Act 2010.
- 5. Pupils on roll in any predecessor provider will transfer automatically to the Academy on opening. All children already offered a place at any predecessor provider will be admitted.

### The Company will:

- a) Subject to its right of appeal to the Secretary of State in relation to a named pupil, admit all pupils with a statement of special educational needs naming the Academy; and
- b) Adopt admission oversubscription criteria<sup>3</sup> that give highest priority to looked after children.

# **Admission arrangements**

- 6. The Company may only admit a child of compulsory school age:
  - a) referred by a local authority where the local authority has a duty to that child under section 19 of the Education Act 1996.<sup>4</sup>
  - b) referred by a maintained school or Academy where the maintained school or Academy has a duty under Section 100 of the Education and Inspections Act 2006.<sup>5</sup>

<sup>3</sup> Over subscription criteria means how the Company will distinguish/prioritise between pupils where it has more referrals than places currently available.

\_

<sup>&</sup>lt;sup>4</sup> Section 19 of the Education Act 1996, and regulations made under that section, require a local authority to make arrangements (from the sixth day of exclusion where a pupil has been permanently excluded) for the provision of suitable, full time (unless there are medical reasons as to why this would not be appropriate) education at school or otherwise for a child of compulsory school age who, for a range of reasons, would otherwise be without such education.

- c) referred by a maintained school under powers set out in section 29(A) of the Education Act 2002<sup>6</sup>.
- d) referred by an Academy which, under general powers in the Articles of the Company may send pupils off-site to an alternative provision Academy as part of early intervention measures to address behaviour. However, as with a maintained school there is an expectation in law that a pupil will be educated at the school where he is registered, so placements would generally be relatively short and subject to review<sup>7</sup>.
- 7. The Company shall have admission arrangements agreed with the Department which will include oversubscription criteria, a fair, transparent and objective process for considering whether the education provided will be appropriate for prospective pupils and an admission number for each relevant key stage. The Company will consult on its admission arrangements.
- 8. Any changes to admission arrangements proposed by the Company should be discussed with Commissioners and must be agreed with the Secretary of State.

### Pupil registration and information sharing

9. The pupil numbers of an alternative provision Academy will fluctuate throughout the academic year.

<sup>&</sup>lt;sup>5</sup> Section 100 of the Education and Inspections Act 2006 requires maintained schools and Academies to arrange full-time education for pupils on a fixed period exclusion of more than five days from the sixth day of the exclusion.

<sup>&</sup>lt;sup>6</sup> Section 29A of the Education Act 2002 provides that governing bodies of maintained schools may direct a pupil off-site for the purpose of receiving educational provision which is intended to improve the behaviour of the pupil.

<sup>&</sup>lt;sup>7</sup> It is possible that some off-site directions may become longer term placements in cases where the referring school and local authority agree that the provision in an alternative provision Academy is meeting the pupil's needs, and that a mainstream school place cannot meet that pupil's needs. These pupils could fall within the terms of section 19 of the Education Act.

- 10. The Company must ensure that pupils are appropriately registered<sup>8</sup>. In the case of a fixed period exclusion or an off site direction, the excluded pupil should remain on the register of the excluding school as they are expected to return when the exclusion period is completed and should also be registered with the Academy (dual registered). In the case of a permanent exclusion, the excluded pupil should be removed from the excluding school's register and be registered with the Academy.
- 11. As far as reasonably practicable, in agreeing contractual arrangements with Commissioners the Company shall request appropriate information on the needs and prior attainment of pupils who will attend the Academy.
- 12. The Company will provide regular feedback to a Commissioner (and in any event when requested by the Commissioner to do so) on progress made by the pupil, the pupil's needs and attainment.

# **Objections and determinations**

- 13. The Company must make clear when determining the Academy's admission arrangements, that objections should be submitted to the EFA or any successor to it.
- 14. A determination of an objection, by the EFA or any successor to it on behalf of the Secretary of State, or by the Secretary of State, will be binding upon the Academy.

-

<sup>&</sup>lt;sup>8</sup> The requirements of section 434 of the Education Act 1996 (registration of pupils) and regulations made under that section apply to schools (which includes alternative provision Academies)
