Time: 2pm – 3.30pm, Tuesday 13th October 2015

1. **Actions from previous meeting**

- Agreement was reached on the minutes for the 15 September meeting.
- The Chair fed back to the Taskforce on a conference he attended in Barcelona and noted that the only country that has mandated membership of fraud databases is Estonia, and that there are stronger links between violent crime and insurance fraud on the continent.
- The Chair also commented that the increasing use of automated braking may lead to more low impact, and less high impact collisions.

2. **Discussion of the second Insurance Fraud Taskforce Roundtable document**

- The Chair congratulated the Taskforce on the collaboration and hard work that has culminated in this document.
- The Taskforce discussed the recommendations in the document. They broadly agreed on its tone, and consumer representatives suggested some rewording for paragraphs on consumer behaviour.

3. **AOB**

- There was no other business.
