

Project Name	County	Bid £ amount	Project Type	Project's own pen picture
SOUTH EAST		£695,751		PROJECT DESCRIPTION
Start Station, Bognor Regis Railway Station	Sussex	£40,000	Station	Creation of a digital and creative hub for new digital start-up businesses in the historic Bognor Regis railway station.
Bottle Alley Restoration	Sussex	£50,000	Waterfront	Concrete repairs to 'Bottle Alley' - the lower deck of a two-tier seafront promenade, built in the 1930s. This project will improve Bottle Alley and make it a place to visit once more.
Regeneration for Recreation – Reimagining Redoubt Public Spaces, Eastbourne	Sussex	£47,800	Military defence	This project will regenerate the areas around the Redoubt fortress including remedial works, moat wall repairs, gun carriage and creation of a maze. It will encourage footfall further east along the coast and become a welcoming, accessible space for visitors and residents to reflect on their heritage.
Bognor Regis Heritage Quarter	Sussex	£49,951	Pier	This project will showcase the town's key heritage assets and transform it into a high-quality destination. Projects include breathing new life into the historic pier, associated buildings and premises with the aim of reviving the old town as a stylish restaurant quarter
Brighton Hippodrome	Sussex	£44,600	Theatre	Brighton Hippodrome, a currently derelict Grade II* listed theatre, will be brought back into use for live performance and events.
Madeira Drive Regeneration & Investment Plan, Brighton	Sussex	£50,000	Waterfront	This project will revive Madeira Drive on Brighton seafront between the Palace Pier and Brighton Marina. It will combine a proud Victorian seafront heritage with a new approach that delivers private investment, new businesses and jobs to the area.
Shoreham Fort	Sussex	£50,000	Military defence	A feasibility analysis to showcase the potential of Shoreham fort as a vibrant and effective visitor attraction. This could lead to the project becoming viable for more diverse uses including becoming a significant local tourist attraction.

Sandown Barracks Battery	Isle of Wight	£25,000	Military defence	This project will fund a feasibility study for reviving of one of the Bay's most important historic monuments: the 19 th Century Palmerston Fort at Sandown Barracks Battery and its public garden.
Northwood House, Cowes	Isle of Wight	£50,000	Hall	This project will fund essential structural repairs, restoration and improvements to Northwood House, a Grade II* manor house, set in 22 acres of parkland in Cowes on the Isle of Wight Coast. The House has been identified as 'at risk' by Historic England.
Sandowns PLUTO Pump House	Isle of Wight	£50,000	Military defence	Sandown's PLUTO (Piepline under the ocean) Pump House played a key role in the nation's D-Day efforts. The local community have now come together to save this asset for public enjoyment and a lever to enhance access and appreciation of the wider historic landscape.
Sandwich Parks Project	Kent	£6,000	Town walls	Conservation of the site of the medieval town walls and associated earth works in the UK's most complete medieval town.
Fort Burgoyne - Dover's Hidden History	Kent	£48,400	Military defence	Restoration, conservation and development of Fort Burgoyne, Dover including plans to develop the site to be made safe and open to the public. This will, in turn, secure and protect the Fort as well as create a new heritage attraction so local people and visitors can learn about this fascinating building and its place in Dover's history.
Conserving Gravesham's Historic Defences	Kent	£45,000	Military defence	Funding to undertake condition surveys and conservation management plans for two of Gravesham's coastal heritage assets – New Tavern Fort and the remains of the Henry VIII Blockhouse to support it becoming a visitor destination.
Ramsgate regeneration project	Kent	£50,000	Industrial	Ramsgate's rundown Harbour Street is to be regenerated as an attractive thoroughfare linking town and historic Royal Harbour where the Clock House marking Ramsgate Mean Time and Smeaton Dry Dock (both Grade II*) will be repaired and restored to former glory.

The Maison Dieu – A Place in Time, Dover	Kent	£39,000	Public building	Restoration of the Maison Dieu, Dover's Grade II* Listed Town Hall dating back to 1203 which will improve access to and revive the community and economic use of this iconic town centre building.
South Parade Pier Roof, Portsmouth	Hampshire	£50,000	Pier	The repair and refurbishment of the main and secondary roofs on South Parade Pier, as part of a wider scheme for its restoration and regeneration as a modern pier.
