8. The Warm Front scheme was introduced in 2000.

9. 2012/13 will be the final year of Warm Front. From 2013, support for heating and insulation for the most vulnerable will be delivered through the Green Deal for energy efficiency and a new supplier obligation on energy companies. The Green Deal is a key element of our policy to improve household energy efficiency. It will help protect people against price rises through greater energy saving, with special support for the most vulnerable.

10. There are no current plans to publicise the Warm Front scheme in 2012/13, however, DECC and Carillion Energy Services, Warm Front scheme manager, are in discussion regarding future marketing of the scheme.

### Appeal Procedure

If you are dissatisfied with the handling of your Freedom of Information request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to the: **Information Rights Unit** ([foi@decc.gsi.gov.uk](mailto:foi@decc.gsi.gov.uk))

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely,

Department of Energy and Climate Change

<sup>i</sup> Figures up to 29<sup>th</sup> February 2012

<sup>ii</sup> This figure includes £345 million from the original Warm Front budget allocated for the scheme year and £21 million additional monies made available for outstanding work.

<sup>iii</sup> The total budget of £153m consists of £110m allocated to Warm Front and associated activities secured through the Spending Review 2010. Of this, £108m was directly allocated to Warm Front. In addition, DECC allocated £25m to support the completion of outstanding work from 2010/11, the Department of Health allocated a further £10m to Warm Front in 2011/12 and a further £10 million addition as a result of material rebates from suppliers and CERT interaction.

<sup>iv</sup> The final Warm Front spend figure for 2011/12 has not yet been confirmed and so the amount of Warm Front budget left unallocated for this scheme year is not currently available.
