2.2 The Franchisee shall submit to the Secretary of State a Train Plan in respect of each Timetable in accordance with this Schedule 1.1.

2.3 In preparing any Train Plan, the Franchisee shall do so by reference to the timetable that it envisages operating in order to comply with the Service Level Commitment and paragraph 7 of this Schedule 1.1.

2.4 The Train Plan for the Timetable as at the Start Date is in the agreed terms marked TP.

2.5 Each Train Plan is to set out for each railway passenger service in the Timetable to which it relates:

   (a) its start point and departure time;

   (b) its terminating point and arrival time;

   (c) the number and class of rolling stock vehicles allocated to each such railway passenger service;

   (d) the Passenger Carrying Capacity that each such railway passenger service, as formed, is to have;

   (e) its Forecast Passenger Demand; and

   (f) where this has been requested by the Secretary of State and is capable of calculation, the Actual Passenger Demand.

2.6 A Train Plan shall be in any format that the Secretary of State may reasonably specify for this purpose.
3. **Not used.**

4. **Consultation on Significant Alterations to the Timetable**

4.1 Notwithstanding any consultation the Secretary of State might separately undertake in respect of any amended or new draft Service Level Commitment issued pursuant to paragraph 9, the Franchisee shall where:

(a) it intends that any future Timetable shall contain Significant Alterations compared to the Timetable then in force otherwise than as a result of restrictions of use proposed by Network Rail or due to its inability to secure the necessary Timetable Development Rights or due to the timetable otherwise able to be secured from Network Rail; and

(b) such Significant Alterations are likely to have, in the reasonable opinion of the Franchisee, a materially adverse effect on:

(i) ability of passengers using any station served by the Passenger Services to make journeys relating to work or education at reasonably convenient times; and/or

(ii) the trading prospects of commercial enterprises located in any community in which a station served by the Passenger Services is located in consequence of it being more difficult for customers or employees to access such commercial enterprises through travel on the Passenger Services,

consult with Stakeholders who would reasonably be expected to be affected by any such Significant Alterations in relation to such proposed future Timetable.

For the avoidance of doubt the first Timetable to which these provisions applies is the Timetable with effect from the Passenger Change Date in December 2016.

4.2 In conducting any consultation under paragraph 4.1 the Franchisee shall:

(a) after first providing a summary to the Secretary of State regarding the Significant Alterations in the future timetable as soon as reasonably practicable give all Stakeholders notice and consult them in respect of the changes to the Passenger Services specified in such summary;

(b) give consultees such time as is reasonable under all the circumstances to respond (it being agreed that it shall normally be reasonable to give at least 12 weeks to respond in relation to major proposed Timetable changes but that the Franchisee and the Secretary of State in appropriate circumstances may agree a different period);

(c) after sending or receiving any correspondence in respect of such notice or consultation, provide the Secretary of State with copies of such correspondence;

(d) take due account of such bodies’ views that are submitted to the Franchisee in accordance with any guidance referred to in paragraph 4.2(f);
inform the Secretary of State of any material changes that it would expect there to be to such timetable if the views of such bodies were accommodated; and

comply with such reasonable requirements and guidance as the Secretary of State may notify to it from time to time in respect of giving notice to and consulting such stakeholders in accordance with this paragraph 4.2.

5. **Timetable Development Rights**

5.1 The Franchisee shall use all reasonable endeavours to amend and/or enter into such Access Agreements as may be necessary or desirable from time to time to obtain the timetable development rights that it requires to secure a Timetable that enables it to operate railway passenger services that comply with the Service Level Commitment and otherwise comply with its obligations under the Franchise Agreement (including under paragraph 7 of this Schedule 1.1).

5.2 Prior to exercising any Timetable Development Rights to secure a Timetable the Franchisee shall make an informed estimate of Forecast Passenger Demand and in doing so shall make reasonable assumptions based on available evidence and making proper use of recognised railway industry systems and forecasting tools as these may develop over the Franchise Period, with the estimate being in such format and to such level of disaggregation as the Secretary of State may reasonably require.

5.3 Subject to the remaining provisions of this paragraph 5, the Franchisee shall exercise its Timetable Development Rights so as to secure a Timetable that enables it to operate railway passenger services that comply with the Service Level Commitment and paragraph 7 of this Schedule 1.1 in accordance with its obligations under paragraph 11 of this Schedule 1.1.

5.4 Where the Franchisee proposes to exercise its Timetable Development Rights so that the Timetable in force after the relevant Passenger Change Date contains Significant Alterations to that in force prior to such Passenger Change Date the Franchisee shall, (without prejudice to its obligation to consult pursuant to paragraph 4) act reasonably with the intention of obtaining a Timetable which enables paragraphs 7.1(a) and 7.1(b) of this Schedule 1.1 to be achieved in relation to each Passenger Service in the Timetable to the greatest extent reasonably practicable. It is agreed that in acting reasonably the Franchisee shall take full and proper account of its estimation of Forecast Passenger Demand made pursuant to paragraph 5.2.

5.5 Unless the Secretary of State otherwise directs, the Franchisee shall, for the purposes of securing a Timetable that complies with the Service Level Commitment and paragraph 7 of this Schedule 1.1, exercise its rights under the Track Access Agreement (including the Network Code) to object, to make representations and to withhold consent in respect of any actual or proposed act or omission by Network Rail in relation to such agreement in respect of its Timetable Development Rights.

5.6 If the Secretary of State does not consider that the Franchisee has taken sufficient steps under paragraph 5.5, he may require the Franchisee to exercise its rights referred to in paragraph 5.5 in such manner as he reasonably considers appropriate in the circumstances, including:
(a) disputing any actual or proposed act or omission by Network Rail in respect of any Timetable Development Rights; and

(b) submitting such dispute to any relevant dispute resolution arrangements or procedures and appealing against any award or determination under such arrangements or procedures, including to the ORR.

5.7 Subject to the Franchisee complying with its obligations under paragraph 5.5, it shall not be liable for any failure to secure a Timetable that enables the Franchisee to operate railway passenger services that comply with the Service Level Commitment or paragraph 7 of this Schedule1.1, to the extent that such failure is caused by:

(a) the Franchisee's Timetable Development Rights being inadequate to enable it to secure the requisite Train Slots, provided that the Franchisee has exercised and, unless otherwise agreed by the Secretary of State, is continuing to exercise all reasonable endeavours to obtain the requisite timetable development rights in accordance with paragraph 5.1;

(b) Network Rail exercising its flexing rights from time to time under the Track Access Agreement or the Network Code in respect of such Train Slots;

(c) Network Rail exercising its other rights from time to time under the Track Access Agreement or the Network Code; or

(d) the exercise by the ORR of its powers pursuant to Section 22C of the Act.

5.8 Not used.

5.9

(a) If and to the extent that the Franchisee is not able to secure a Timetable enabling it to operate railway passenger services that comply with the Service Level Commitment as a result of it not being able to obtain the timetable development rights that it requires for that purpose, then the Secretary of State shall (subject to paragraphs 5.9(b) and 5.9(c) below) issue to the Franchisee such amendments to the Service Level Commitment (“SLC (TDR) Amendment”) as the Secretary of State considers necessary such that the Franchisee is able to secure a Timetable in compliance with the Service Level Commitment as amended by the SLC (TDR) Amendments by exercise of the Timetable Development Rights that the Franchisee does have.

(b) The Secretary of State shall have an unfettered discretion as to whether or not to issue an SLC (TDR) Amendment in circumstances where the Franchisee:

(i) has failed to exercise all reasonable endeavours to obtain the requisite timetable development rights in accordance with paragraph 5.1; and

(ii) it is not relieved by paragraph 5.7 from liability for such failure to secure a Timetable that enables the Franchisee
to operate railway passenger services that comply with the Service Level Commitment.

(c) Where the Secretary of State reasonably considers that the failure to secure a Timetable that enables the Franchisee to operate the Service Level Commitment is partly due to the default of the Franchisee in not properly complying with its obligations under the Franchise Agreement in relation to securing timetable development rights any SLC (TDR) Amendment shall not relieve the Franchisee of the obligation to comply with the Service Level Commitment to the extent that the Secretary of State determines that the failure is due to such default of the Franchisee and the Franchisee may be in contravention of the Franchise Agreement accordingly.

5.10 Following issue of any SLC (TDR) Amendment pursuant to paragraph 5.9 the Franchisee shall, unless otherwise agreed by the Secretary of State, continue to use all reasonable endeavours to amend and/or enter into such Access Agreements as may be necessary or desirable from time to time to obtain the timetable development rights that it requires to secure a Timetable that enables it to operate railway passenger services that comply with the Service Level Commitment without such SLC (TDR) Amendment.

5.11 Any SLC (TDR) Amendment issued pursuant to paragraph 5.9 shall:

(a) unless otherwise required by the Secretary of State, cease to have effect on the date (if any) on which the first Timetable comes into effect after the Franchisee has obtained the Timetable Development Rights that it requires to secure a Timetable that enables it to operate railway passenger services that comply with the Service Level Commitment without any such SLC (TDR) Amendment;

(b) amount to a Change.

5.12 With effect from the date on which any SLC (TDR) Amendment ceases to have effect in accordance with paragraph 5.11:

(a) the Service Level Commitment without such SLC (TDR) Amendment shall thereafter apply;

(b) there shall be a further Change to the extent necessary so as, with effect from such date, to disapply the effect of the Change referred to in paragraph 5.11(b) in respect of such SLC (TDR) Amendment.

6. **Certification and Notification by Franchisee of Exercising Timetable Development Rights**

6.1 Before exercising any Timetable Development Right to bid for Train Slots, the Franchisee shall provide a certificate addressed to the Secretary of State and signed by a statutory director of the Franchisee confirming that its proposed exercise of that Timetable Development Right will be compliant with its obligation specified in paragraph 5.3.

6.2 If requested by the Secretary of State, the Franchisee agrees to demonstrate to the reasonable satisfaction of the Secretary of State that the Franchisee's certificate referred to in paragraph 6.1 is a true and accurate confirmation of compliance with its obligation specified in paragraph 5.3.
6.3 The Franchisee shall:

(a) keep the Secretary of State fully informed of any discussions with Network Rail in relation to the matters referred to in this Schedule 1.1 which may, in the reasonable opinion of the Franchisee, have a material bearing on the ability of the Franchisee to deliver the Service Level Commitment through the Timetable or meet the requirements of paragraph 7 of this Schedule 1.1 and shall, if required to do so by the Secretary of State, supply copies of any related correspondence to the Secretary of State; and

(b) update any notification under this paragraph 6.3 and/or certification under paragraph 6.1 as soon as reasonably practicable, if at any time it elects or is required to modify any aspect of its exercise of its Timetable Development Rights following Network Rail's proposed or actual rejection or modification of its bid or any part of it or for any other reason.

7. Planning to meet Target Passenger Demand

7.1 Capacity and Timetable Planning

The Franchisee shall, in preparing its Timetable and Train Plan, unless the Secretary of State otherwise agrees, provide for the Passenger Carrying Capacity specified in the SLC and use all reasonable endeavours to:

(a) provide for Passenger Carrying Capacity on each Passenger Service that meets as a minimum the Target Passenger Demand for that Passenger Service;

(b) provide passengers with a reasonable expectation of a seat:

(i) on boarding any Passenger Service during each Off-Peak; and

(ii) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) any Passenger Service during each Peak.

7.2 Allocation of rolling stock where Franchisee unable to meet the capacity requirements

If at the time it prepares its Timetable and/or Train Plan, having exercised all reasonable endeavours, the Franchisee is unable to prepare a Timetable and/or Train Plan having the Passenger Carrying Capacity and/or meeting the reasonable expectations referred to in paragraph 7.1, then the Timetable and/or the Train Plan shall specify the best allocation of Passenger Services and rolling stock vehicles to Passenger Services that is reasonably practicable with a view to:

(a) minimising, so far as is possible, the amount by which Target Passenger Demand exceeds the provision of Passenger Carrying Capacity on the affected Passenger Services;

(b) ensuring, so far as is possible, that such excess is not unduly concentrated on any particular Route or Passenger Service; and
(c) minimising, so far as is possible, the extent to which passengers are required to stand:

(i) on boarding any Passenger Service during the Off-Peak; and

(ii) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) any Passenger Service during each Peak.

**Timetable and Train Plan**

7.3

(a) Subject to paragraph 7.3(b) the Franchisee shall in preparing its Timetable and its Train Plan take full and proper account of its calculation of Forecast Passenger Demand and use all reasonable endeavours to ensure that the Train Fleet is deployed in an optimal manner for the purposes of complying with its obligations under sub paragraphs 7.1 and 7.2 above.

(b) The Franchisee shall in preparing its Timetable and Train Plan deploy the entire Train Fleet (excluding reasonable planning requirements for the allocation of Hot Standbys or other rolling stock vehicles to be out of service due to maintenance requirements, Mandatory Modifications or any other reason agreed with the Secretary of State (such agreement not to be unreasonably withheld or delayed)) in delivering the Passenger Services:

(i) during each Peak; and

(ii) at such times during each Off Peak where such deployment of the entire Train Fleet is reasonably required to meet the Franchisee's obligations pursuant to sub paragraphs 7.1 and 7.2 above.

**Finalising the Train Plan**

7.4 The Franchisee shall submit its Train Plan to the Secretary of State as soon as reasonably practicable after Network Rail has published the working timetable on which the Timetable is to be based.

7.5 The Secretary of State may notify the Franchisee of:

(a) any respect in which he considers that the Train Plan does not comply with the requirements of this Schedule 1.1; and

(b) any revisions that he requires to address such non-compliance,

and the Franchisee shall revise the Train Plan in accordance with the Secretary of State's requirements.

7.6 If the Franchisee considers that any of the revisions that the Secretary of State requires pursuant to paragraph 7.5(b) are not required for the Train Plan to comply with this Schedule 1.1 then:

(a) it shall nevertheless make such revisions;
it may subsequently refer the question as to whether such revisions were so required for resolution in accordance with such dispute resolution procedure as the parties may agree or, in the absence of agreement, in accordance with the Dispute Resolution Rules; and

(c) following determination of any such dispute, the parties shall take such steps as are required to give effect to such determination.

8. **Capacity Mitigation Plan**

8.1

(a) Without prejudice to the obligation of the Franchisee to include in the Train Plan the capacity specified in the Service Level Commitment, if at any time the Franchisee is unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 7.1 (regardless of whether the Franchisee has used all reasonable endeavours to do so), the Secretary of State may serve a notice on the Franchisee requiring it to produce a plan to a reasonable specification provided with the notice to remedy or mitigate such inability ("Capacity Mitigation Plan"). Such specification may, without limitation, include measures to be implemented by the Franchisee to:

(i) remedy the circumstances leading to the Franchisee being unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 7.1; and/or

(ii) minimise, so far as is possible, the amount by which Target Passenger Demand exceeds the provision of Passenger Carrying Capacity on the affected Passenger Services;

(iii) ensure, so far as is possible, that such excess is not unduly concentrated on any particular Route or Passenger Service; and

(iv) minimise, so far as is possible, the extent to which passengers are required to stand:

(A) on boarding any Passenger Service during each Off-Peak; and

(B) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) any Passenger Service during each Peak,

in all such cases (unless the Secretary of State specifies to the contrary) taking into account both Actual Passenger Demand and Forecast Passenger Demand. Where the Secretary of State reasonably believes that future circumstances may lead to the Franchisee being unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 7.1 at any time within the next four years (including after the end of the Franchise Term) he shall have the right to serve notice on the Franchisee specifying those future circumstances and the date that the Franchisee should assume that they will arise from and requiring it to produce a Capacity Mitigation Plan to remedy
or mitigate such future circumstances on the basis of assumptions provided by the Secretary of State.

(b) The Capacity Mitigation Plan shall (unless the Secretary of State specifies to the contrary) include the Franchisee’s informed estimate of Forecast Passenger Demand, in such format and to such level of disaggregation as the Secretary of State may reasonably require. Without limitation such specification may require the Franchisee to present options to address relevant issues through:

(i) alterations to the Service Level Commitment;

(ii) modification of rolling stock or the acquisition of additional or replacement rolling stock;

(iii) alterations to Fares; and/or

(iv) alterations or enhancements to any track, signalling, station, depot or other relevant railway infrastructure.

(c) The Capacity Mitigation Plan shall provide a comprehensive analysis backed by relevant data and assumptions of:

(i) all cost and revenue and other financial implications of options contained within it including the potential implications for Franchise Payments;

(ii) the implications (if any) for the Benchmarks; and

(iii) the likely impact of options within it for existing and future passenger journeys and journey opportunities.

(d) The Franchisee shall meet with the Secretary of State to discuss the Capacity Mitigation Plan and provide such further information or analysis and further iterations of the Capacity Mitigation Plan as the Secretary of State shall reasonably require.

9. Franchisee Informed Opinion and new or amended Service Level Commitment

9.1 As and when required, whether for the purposes of considering alterations to the Service Level Commitment or otherwise, the Franchisee shall provide to the Secretary of State:

(a) its informed estimate of Forecast Passenger Demand, in such format and to such level of disaggregation as the Secretary of State may reasonably require in order to assist the Secretary of State’s decision making on future service level commitments, infrastructure, station and rolling stock vehicle investment, the best use of the network and the alleviation of overcrowding;

(b) its informed opinion as to any changes to the current Service Level Commitment which:

(i) should be made in order to deliver an optimal range of railway passenger service patterns relative to Target Passenger Demand; and
could be implemented and operated without additional resources or an adjustment to the Franchise Payments;

its informed opinion as to any changes to the current Service Level Commitment which:

would deliver an optimal range of railway passenger service patterns relative to Target Passenger Demand; and

could only be implemented and operated with additional resources and/or an adjustment to the Franchise Payments, together with an explanation as to:

what additional resources and/or adjustments are necessary to make such changes; and

why such additional resources and/or adjustments are necessary;

a draft of the Train Plan that it considers that each set of proposed changes would require.

Prior to issuing any amended or new Service Level Commitment the Secretary of State shall provide to the Franchisee his draft of any proposed amended or new Service Level Commitment stating the date upon which he proposes that such amended or new Service Level Commitment should take effect along with the Secretary of State’s view as to the changes (if any) that he proposes to make to the Benchmarks.

On receipt of any such draft of a proposed amended or new Service Level Commitment the Franchisee shall provide to the Secretary of State if so requested:

its informed opinion with supporting reasons as to the impact of the proposed amended or new Service Level Commitment on the delivery of an optimal range of railway passenger services patterns relative to Target Passenger Demand and compliance with paragraph 7.1 of this Schedule;

its informed opinion with supporting reasons as to the changes to resources and adjustment to Franchise Payments (if any) which would be required in consequence of the proposed amended or new Service Level Commitment;

its informed opinion with supporting reasons as to changes (if any) to the Benchmarks;

its informed opinion of the process to be required to implement the proposed amendment to the Service Level Commitment together with a plan for the implementation of the amendment to the Service Level Commitment (including all steps required to ensure that the Franchisee can deliver a Timetable compliant with such amended or new Service Level Commitment) prepared in accordance with procedural arrangements specified by the Secretary of State pursuant to paragraph 10; and
(e) a draft of the Train Plan that it considers that the proposed amended or new Service Level Commitment would require.

9.4 There may be iterations of drafts of the proposed amended or new Service Level Commitment and the Franchisee shall to the extent required by the Secretary of State have the obligations described in this paragraph 9 in respect of all such iterations.

9.5 Processes contained in this paragraph 9 shall take place in accordance with procedural arrangements and timescales stipulated by the Secretary of State pursuant to paragraph 10.2.

9.6 The Secretary of State may, in accordance with any stipulation made under paragraph 10.2, issue to the Franchisee any amended or new Service Level Commitment that he requires the Franchisee to operate and notice of the changes (if any) to the Benchmarks. Such amended or new Service Level Commitment will be issued within a reasonable period prior to the commencement of the timetable development process of Network Rail for the Timetable in respect of which it is proposed to implement the change to Passenger Services arising from the amended or new Service Level Commitment. In the absence of the Secretary of State issuing any amended or new Service Level Commitment the existing Service Level Commitment will remain in full force and effect. The degree of variation from any Service Level Commitment specified when the Franchise Agreement was entered into in respect of any particular period and brought about by any amended or new Service Level Commitment issued pursuant to this paragraph 9.6 shall (where relevant) be of a magnitude no greater than that contemplated in the Request for Proposal.

9.7 At the same time as the Secretary of State provides the Franchisee with a draft of any proposed amended or new Service Level Commitment pursuant to paragraph 9.2, the Secretary of State shall also provide to the Franchisee his opinion of any changes (if any) that are required to the Benchmarks.

9.8 The Secretary of State shall be permitted to carry out indicative Runs of the Financial Model for the purposes of considering the effects of his proposed amended or new Service Level Commitment.

10. **Procedure**

10.1 The Franchisee agrees that the effective operation of the provisions of this Schedule 1.1, and of provisions addressing the same or similar matters in other franchise agreements, will require certain procedural arrangements and timescales to be followed to a common timescale by the Secretary of State, the Franchisee and others.

10.2 The Franchisee agrees that the Secretary of State may stipulate any reasonable procedural arrangements and timescales that are to be followed by the Secretary of State and the Franchisee for these purposes (which shall be consistent with any relevant standard railway industry processes for timetable development) and that the Secretary of State may amend any such stipulation from time to time.

10.3 The Secretary of State agrees to consult the Franchisee as far as reasonably practicable prior to stipulating or amending any such procedural arrangements and timescales in accordance with paragraph 10.2.
10.4 Any stipulation by the Secretary of State pursuant to paragraph 10.2:

(a) shall be at the reasonable discretion of the Secretary of State;

(b) may contain procedural arrangements and timescales to be followed by the Franchisee in relation to other changes to the Franchise Services (pursuant to paragraph 1 of Schedule 9.5 (Variations and Incentivising Beneficial Changes) in conjunction with the Service Level Commitment; and

(c) may provide for iterations of drafts of any amended or new Service Level Commitment, Train Plan or Timetable and for indicative Runs of the Financial Model in relation thereto.

10.5 Any procedural arrangements and timescales stipulated by the Secretary of State pursuant to paragraph 10.2 shall have contractual effect between the Franchisee and the Secretary of State in accordance with the terms of such stipulation.

11. **Obligations in relation to other Train Operators**

Subject to the terms of the Licences and any applicable Law, the Franchisee shall co-operate with other Train Operators in respect of their timetable development rights where such other Train Operators provide railway passenger services meeting common or displaced passenger demand, with a view to ensuring that:

(a) the levels of overcrowding over the Routes or other relevant routes are minimised and not unduly concentrated on particular railway passenger services, Routes or other relevant routes;

(b) the stopping patterns of such railway passenger services are placed at approximately evenly-spaced intervals throughout each relevant hour, taking into account the reasonable needs of passengers and the different types of railway passenger services provided by other Train Operators and the Franchisee; and

(c) a reasonable pattern of railway passenger service is provided on the relevant route(s) to enable passengers to make Connections (particularly where low frequency railway passenger services are operated or last trains are involved, taking account of seasonal fluctuations in passenger demand and the time needed to make any such Connection).

12. **Provisions relating to Access Agreements and Property Leases**

12.1 Where the Secretary of State considers it requisite for the purposes of better securing the delivery of railway passenger services under the Franchise Agreement, or any other franchise agreement, or for the better achievement by him of any of his duties, functions and powers in relation to railways the Secretary of State may require the Franchisee:

(a) to exercise or refrain from exercising any or all of its rights under any Access Agreement or any Property Lease, or any related rights under such other agreements as the Secretary of State may specify; and/or

(b) subject to the consent of the counterparty thereto, to assign, novate or surrender its rights under any Access Agreement or Property Lease.
12.2 Except to the extent that the Secretary of State otherwise indicates from time to time, the Franchisee shall notify the Secretary of State of its intention to enter into or amend any Access Agreement:

(a) where the approval of the ORR is required under the Act, not less than 10 Weekdays before the submission to the ORR; and

(b) where no such approval is required, not less than 10 Weekdays prior to entering into such amendment or Access Agreement.

12.3 The Franchisee shall comply with its obligations under any Access Agreement or any Property Lease to which it is a party from time to time:

(a) to notify or consult with the Secretary of State on any matter or proposal relating to that Access Agreement or Property Lease; and

(b) which are contingent on a particular course of action being taken by the Secretary of State or which are otherwise expressly included in that Access Agreement or Property Lease for the benefit of the Secretary of State.

12.4 If and to the extent that:

(a) the Secretary of State exercises his rights pursuant to paragraph 12.1; and

(b) the Franchisee's compliance with the Secretary of State's requirements pursuant to paragraph 12.1 would lead to the unavoidable consequence of the Franchisee contravening any other terms of the Franchise Agreement or the occurrence of an Event of Default; and

(c) the Franchisee duly complies with such requirements,

no such contravention of the Franchise Agreement or Event of Default shall have occurred.

13. The Timetable and the Working Timetable

13.1 Any specification of railway passenger services in a Service Level Commitment shall (unless the Secretary of State states to the contrary) be regarded as relating to how those services are to be provided for in the National Rail Timetable that Network Rail publishes for passengers, and not how they are to be provided for in the working timetable that Network Rail issues to industry parties at the conclusion of its timetable development process.

13.2 Accordingly, the Franchisee's obligations specified in paragraph 5.3 shall be construed as an obligation to secure the requisite Train Slots in the working timetable to be issued by Network Rail at the conclusion of its timetable development process that will permit the Franchisee to operate railway passenger services that comply with the Service Level Commitment provided for in the relevant Timetable.

13.3 The Franchisee shall ensure, for each period between two consecutive Passenger Change Dates during the Franchise Term, that the Timetable for such period is, in its reasonable opinion, not materially different from the relevant working timetable issued by Network Rail at the conclusion of its timetable development process.
SCHEDULE 1.2

Operating Obligations

1. Daily Operating Obligations

1.1 The Franchisee agrees to use all reasonable endeavours to operate on each day of the Franchise Term each of its Passenger Services as are set out in the Plan of the Day for that day with at least the Passenger Carrying Capacity specified in the Train Plan for that Passenger Service. The Franchisee shall notify the Secretary of State as soon as reasonably practicable if it has on any day of the Franchise Term failed to operate to a material extent each of its Passenger Services as are set out in the Plan of the Day for that day and with at least the Passenger Carrying Capacity specified in the Train Plan for that Passenger Service.

1.2 The Franchisee shall ensure that its performance in each Reporting Period, calculated as a moving annual average in accordance with Schedule 7.1 (Performance Benchmarks), does not exceed (that is, is neither equal to or worse than) each Breach Performance Level in respect of that Reporting Period. It shall be a contravention by the Franchisee of the terms of the Franchise Agreement if its performance exceeds (that is, is equal to or worse than) any Breach Performance Level in any Reporting Period.

2. Service Level Commitment and Capacity Compliance

2.1 If the Secretary of State considers that the Franchisee may have breached any of its obligations under paragraphs 5.1, 5.3, 5.4, 5.5, 7.1 and 7.2 of Schedule 1.1 (Service Development) or paragraph 1.1 of this Schedule 1.2, he shall (in addition to his right to obtain further information pursuant to paragraph 1.1 of Schedule 1.5 (Information about Passengers) and without prejudice to any other rights of the Secretary of State under the Franchise Agreement or otherwise) have the right, by serving notice on the Franchisee, to instigate an investigation of the Franchisee’s compliance with its obligations under paragraphs 5.1, 5.3, 5.4, 5.5, 7.1 and 7.2 of Schedule 1.1 (Service Development) and paragraph 1.1 of this Schedule 1.2 ("Timetabling and Train Planning Compliance Investigation").

Following the service of such a notice the Franchisee shall:

(a) provide such information as the Secretary of State may reasonably require for the purposes of determining if the Franchisee has complied with its obligations under paragraphs 5.1, 5.3, 5.4, 5.5, 7.1 and 7.2 of Schedule 1.1 (Service Development) and paragraph 1.1 of this Schedule 1.2 including;

(i) evidence of the steps taken by the Franchisee to amend and/or enter into Access Agreements, exercise Timetable Development Rights and exercise its rights under the Track Access Agreement to object, to make representations and to withheld consent in respect of any actual or proposed act or omission by Network Rail in relation to such agreement in respect of its Timetable Development Rights;

(ii) evidence of the extent to which the Franchisee has operated on each day of the relevant Reporting Period
each of its Passenger Services as are set out in the Plan of the Day for that day and with at least the Passenger Carrying Capacity specified in the Train Plan for that Passenger Service;

(iii) Forecast Passenger Demand and the way that it was calculated including all evidence taken into account and assumptions used (including any divergences from then existing industry modelling standards and the reasons for such divergences); and

(iv) the alternative solutions considered by the Franchisee before finalising the Timetable and Train Plan and the reasons why any such alternative solutions were not adopted; and

(b) permit the Secretary of State to carry out an audit of the extent to which the Timetable and Train Plan enables the Franchisee to operate railway passenger services that comply with the Service Level Commitment and paragraph 7 of Schedule 1.1 (Service Development) and fully co-operate with and provide all information needed to facilitate such audit.

2.2

(a) The Franchisee shall be in contravention of the Franchise Agreement if following the completion by the Secretary of State of the Timetabling and Train Planning Compliance Investigation he concludes that the Franchisee breached any of its obligations under paragraphs 5.1, 5.3, 5.4, 5.5, 7.1 and 7.2 of Schedule 1.1 (Service Development) and paragraph 1.1 of this Schedule 1.2 including where the Franchisee:

(i) failed to act reasonably in calculating Forecast Passenger Demand because it unreasonably assumed that there would be differences between Forecast Passenger Demand and Actual Passenger Demand at the time that the Forecast Passenger Demand calculation was made; or

(ii) made unreasonable assumptions about the timetables likely to be operated by other Train Operators serving some or all of the same stations as the Franchisee.

(b) Where the Secretary of State does conclude pursuant to paragraph (a) above that the Franchisee has breached any relevant obligation the Franchisee shall pay to the Secretary of State the costs incurred by him in undertaking any Timetabling and Train Planning Compliance Investigation (including any audit pursuant to paragraph 2.1(b)).

2.3 The Secretary of State shall notify the Franchisee if he concludes pursuant to paragraph 2.2 that the Franchisee is in contravention of the Franchise Agreement and he may at his discretion, and entirely without prejudice to his other rights consequent upon the relevant contravention, serve a Remedial Plan Notice pursuant to paragraph 1.1 of Schedule 10.1 (Remedial Plans and Remedial Agreements).
3. **Timetable changes proposed by Network Rail**

3.1 The Franchisee shall notify the Secretary of State promptly after being notified by Network Rail that Network Rail has decided or proposes to:

   (a) omit from the Plan of the Day Passenger Services that are included in the Timetable; or

   (b) reschedule in the Plan of the Day Passenger Services from their scheduling in the Timetable,

SCHEDULE 2.2

Security of Access Agreements, Rolling Stock Leases, Station and Depot Leases

1. **Novation of Access Agreements during the Franchise Term**

1.1 The Franchisee shall, to the extent so requested by the Secretary of State (other than on termination of the Franchise Agreement, for which the provisions of paragraph 1 of Schedule 15.4 (Provisions Applying on and after Termination) apply):

   (a) following receipt of a notice purporting to terminate any Access Agreement to which it is a party, in relation to such Access Agreement; or

   (b) following receipt of a notice purporting to terminate a Station Lease or Depot Lease in whole or in part or on becoming aware of any proceedings or any other steps having or purporting to have similar effect, in relation to any Access Agreement under which it is a Facility Owner by virtue of such Station Lease or Depot Lease,

   novate its interest under any such relevant Access Agreement (and any related Collateral Agreement) to the Secretary of State or as he may direct.

1.2 Such obligation to novate shall be subject to the agreement of any counterparty to such Access Agreement or Collateral Agreement and, to the extent applicable, the ORR.

1.3 Such novation shall be on such terms as the Secretary of State may reasonably require, including:

   (a) that the Franchisee shall not be released from any accrued but unperformed obligation, the consequences of any breach of the relevant agreement which is the subject of arbitration or litigation between the parties thereto or any liability in respect of any act or omission under or in relation to the relevant agreement prior to, or as at the date of, any such novation (except to the extent that the Secretary of State or his nominee agrees to assume responsibility for such unperformed obligation, such liability or the consequences of such breach in connection with the relevant novation); and

   (b) that neither the Secretary of State nor his nominee shall be obliged, in connection with the novation, to agree to assume responsibility for any unperformed obligation, liability or consequences of a breach referred to in paragraph 1.3(a),

   but shall not, unless the Franchisee otherwise agrees, be on terms which release any counterparty to the relevant agreement from any liability to the Franchisee arising prior to the date of such novation.

1.4 The Franchisee shall, on the occurrence of any of the circumstances specified in paragraph 1.1 in relation to any other Train Operator who is a party to an Access Agreement to which the Franchisee is also party, agree to the novation of the relevant Train Operator's interest under the relevant Access Agreement to the Secretary of State or as he may direct, subject, to the extent applicable, to the
consent of the ORR. The provisions of paragraph 1.3 shall apply to any such novation.

1.5 The Franchisee shall notify the Secretary of State on becoming aware of any circumstances which might lead to the Secretary of State being able to require the Franchisee to novate its interest or agree to the novation of another Train Operator's interest under this paragraph 1.

2. **Rolling Stock Related Contracts and insurance arrangements**

2.1 The Franchisee shall not:

(a) execute any Rolling Stock Related Contract;

(b) exercise any option or other discretion in any Rolling Stock Related Contract that would result in any increased payment or delay in delivery being made by or to the Franchisee or the relevant counterparty or which may result in it being reasonably likely to be unable to comply with the terms of the Franchise Agreement; or

(c) amend or waive the terms of any Rolling Stock Related Contract,

without, in each case, the prior written consent of the Secretary of State (not to be unreasonably withheld); and

2.1A The Franchisee shall supply a copy of all draft Rolling Stock Related Contracts and, immediately following execution, all executed Rolling Stock Related Contracts (including any agreement amending any Rolling Stock Related Contract) together with such other information or documentation relating to such Rolling Stock Related Contract and/or the relevant rolling stock as the Secretary of State may request (which may include offer letters (original and final), the terms proposed by any person providing finance in relation to the relevant rolling stock (including cash flows), any agreement (in whatever form) to which the Franchisee (or an Affiliate of the Franchisee) is a party and which relates to the relevant rolling stock, information relating to capital allowances, details of any changes in the terms (including rentals) on which the relevant rolling stock is proposed to be leased compared to the terms on which such rolling stock was previously leased, a detailed justification of the Franchisee's proposed maintenance strategy for the relevant rolling stock and/or the Franchisee's analysis of the whole life costs of the relevant rolling stock) to the Secretary of State.

2.1B Where the information or documentation so requested by the Secretary of State is not held by the Franchisee, the Franchisee shall use reasonable endeavours to obtain the relevant information or documentation from a third party (including any person from whom the Franchisee leases rolling stock).

2.2 The Franchisee shall not, without the prior written consent of the Secretary of State:

(a) amend the terms of any insurance arrangements which relate to rolling stock vehicles used by it in the provision of the Passenger Services to which it is a party on the Start Date; or

(b) enter into any new insurance arrangements after the Start Date which relate to rolling stock vehicles used or to be used by it in the provision of the Passenger Services ("New Insurance Arrangements").
2.3 Not used.

2.4 The Franchisee shall, in addition, if it enters into any New Insurance Arrangements, use all reasonable endeavours to ensure that the relevant insurers waive their rights of subrogation against any Train Operator which may have equivalent insurance arrangements providing for a similar waiver of rights of subrogation against the Franchisee, whether on a reciprocal basis or otherwise.

2.5 Without limiting paragraph 2.1, where the rolling stock to be leased by the Franchisee under any Rolling Stock Lease is Cascaded Rolling Stock the Secretary of State may:

(a) as a condition of giving his consent to the Franchisee executing such Rolling Stock Lease, require that such Rolling Stock Lease contains a provision whereby, in the event of a Relevant Delay, the Secretary of State may require that such Cascaded Rolling Stock can continue to be used by the Prior Train Operator during such period as the Secretary of State shall specify. Without limitation this may include the Franchisee subleasing the Cascaded Rolling Stock back to the Prior Train Operator and/or a delay to the date on which the Cascaded Rolling Stock is required to be delivered to the Franchisee under such Rolling Stock Lease; and

(b) where the Secretary of State requires such a provision to be included in the relevant Rolling Stock Lease, if a Relevant Delay occurs, require the Franchisee to make the Cascaded Rolling Stock available for use by the Prior Train Operator during such period as the Secretary of State may require.

For the purpose of paragraph 2.5, paragraph 2.6 and paragraph 2.7:

“Cascaded Rolling Stock” means rolling stock proposed to be used by the Franchisee in the provision of the Passenger Services the availability of which is, in the opinion of the Secretary of State, directly or indirectly dependent upon the successful introduction into service of any Relevant Rolling Stock by any other Train Operator;

“Prior Train Operator” means the Train Operator which used or is using the Cascaded Rolling Stock immediately prior to its proposed use by the Franchisee;

“Relevant Delay” means any delay to the successful introduction into service of any Relevant Rolling Stock; and

“Relevant Rolling Stock” means rolling stock to be acquired by another Train Operator which, when acquired, will initiate the “cascade” of rolling stock that directly or indirectly makes the Cascaded Rolling Stock available for use by the Franchisee.

2.6 (a) Where the Secretary of State exercises his right pursuant to paragraph 2.5(b) to make Cascaded Rolling Stock available for use by the Prior Train Operator during a specified period there shall be a Change and where this is a Qualifying Change, it shall be assumed that the period that the Prior Train Operator retains any Cascaded Rolling Stock shall not exceed ninety days and the only Revised Inputs shall be in relation to the difference between each of the rolling stock lease
costs and variable track usage charge for the Cascaded Rolling Stock and the rolling stock lease costs and variable track usage charge applicable in relation to whatever rolling stock is to be used by the Franchisee in place of the Cascaded Rolling Stock.

(b) Where there is a Change pursuant to paragraph 2.6(a) and the period that the Prior Train Operator retains any Cascaded Rolling Stock is more than ninety days there shall be a further Change. Where such Change is a Qualifying Change the modifications to the methodology for calculating Revised Inputs provided for in paragraph 2.6(a) shall not apply.

(c) Where there is a Change pursuant to paragraphs 2.6(a) or 2.6(b) and any such Change is a Qualifying Change there shall be a further Change (which shall be a Qualifying Change irrespective of whether such Change meets the requirements of the definition of Qualifying Change) on the date that the last Cascaded Rolling Stock ceases to be retained by the Prior Train Operator.

2.7

(a) Where the Secretary of State exercises his right pursuant to paragraph 2.5(b) to make the Cascaded Rolling Stock available for use by the Prior Train Operator during a specified period the Franchisee shall not be liable for any failure to comply with its obligations under the Franchise Agreement to the extent that:

(i) such failure to comply arises directly as a result of the Franchisee being unable to use the Cascaded Rolling Stock; and

(ii) the Franchisee uses all reasonable endeavours to comply with the relevant obligations notwithstanding the unavailability of the Cascaded Rolling Stock.

(b) The Franchisee shall notify the Secretary of State as soon as reasonably practicable if it becomes aware of any material risk that a Relevant Delay will occur. If a Relevant Delay does occur the Franchisee shall use all reasonable endeavours to mitigate the impact on the delivery of the Franchise Services of the unavailability of the Cascaded Rolling Stock at the expected time including by identifying and proposing value for money alternative sources of replacement rolling stock.

(c) If a Relevant Delay has occurred or the Secretary of State believes that there is a material risk that a Relevant Delay will occur he may serve a notice on the Franchisee requiring it to produce a plan to a reasonable specification provided with the notice to remedy or mitigate the impact of the delayed availability of the Cascaded Rolling Stock ("Delayed Cascade Mitigation Plan"). Such specification may include measures to be implemented by the Franchisee to mitigate the direct or indirect impact of the Relevant Delay on the Prior Train Operator or any other affected Train Operator. The Delayed Cascade Mitigation Plan shall provide a comprehensive analysis backed by relevant data and assumptions of:
(i) all cost and revenue and other financial implications of options contained within it including the potential implications for Franchise Payments;

(ii) the implications (if any) for the Benchmarks; and

(iii) the likely impact of options within it for existing and future passenger journeys and journey opportunities.

The Franchisee shall meet with the Secretary of State to discuss the Delayed Cascade Mitigation Plan and provide such further information or analysis and further iterations of the Delayed Cascade Mitigation Plan as the Secretary of State shall reasonably require.

3. Assignment of Property Leases during the Franchise Term

3.1 The Franchisee shall (other than on termination of the Franchise Agreement, for which the provisions of paragraph 4.5 of Schedule 15.4 (Provisions Applying on and after Termination) shall apply) following receipt of a notice purporting to terminate a Property Lease or on becoming aware of any proceedings or any other steps having or purporting to have similar effect, if requested by the Secretary of State, assign its interest under all or any Property Leases to the Secretary of State or as he may direct, subject where applicable to the agreement of any other party to such Property Lease or the ORR.

3.2 Such assignment shall be on such terms as the Secretary of State may reasonably require, including:

(a) that the Franchisee shall not be released from any accrued but unperformed obligation, the consequences of any antecedent breach of a covenant or obligation in the Property Leases or any liability in respect of any act or omission under or in relation to the Property Lease prior to, or as at the date of, any such assignment (except to the extent that the Secretary of State or his nominee agrees to assume responsibility for such unperformed obligation, such liability or the consequences of such breach in connection with the relevant assignment); and

(b) that neither the Secretary of State nor his nominee shall be obliged, in connection with such assignment, to agree to assume responsibility for any unperformed obligation, liability or consequences of a breach referred to in paragraph 3.2(a), and the Franchisee shall indemnify the Secretary of State or his nominee, as the case may be, on an after-tax basis against any costs, losses, liabilities or expenses suffered or incurred in relation thereto.

3.3 The Franchisee shall, on the occurrence of any of the circumstances specified in paragraph 3.1 in relation to any other Train Operator who is a party to a Property Lease to which the Franchisee is also party, agree to the assignment of such Train Operator’s interest under the relevant Property Lease to the Secretary of State or as he may direct, subject, where applicable, to the consent of Network Rail. The provisions of paragraph 3.2 shall apply to any such assignment.

3.4 The Franchisee shall notify the Secretary of State on becoming aware of any circumstances which might lead to the Secretary of State being able to require the Franchisee to assign its interest or agree to the assignment of another Train Operator's interest under this paragraph 3.
4. **Station and Depot Leases**

4.1 The Franchisee shall at all times enforce its rights under each Station Lease and Depot Lease.

4.2 The Franchisee shall not:

   (a) terminate or agree to terminate in whole or in part, or take or omit to take any other action which might result in the termination of any Station Lease or Depot Lease;

   (b) assign all or part of its interest under any Station Lease or Depot Lease; or

   (c) sublet the whole or substantially the whole of the property comprised in any Station Lease or Depot Lease,

except to the extent that the Secretary of State may otherwise agree from time to time (such agreement not to be unreasonably withheld if the Franchisee has made arrangements, reasonably satisfactory to the Secretary of State, for the continued operation of such Station or Depot (as the case may be) for the remainder of the Franchise Term or if consent to the Closure of the relevant Station or Depot has been granted).

5. **Station Subleases**

5.1 Unless the Secretary of State agrees otherwise, the Franchisee shall not sublet to any of its Affiliates any part of the property comprised in any Property Lease except on terms that any such subletting:

   (a) (other than any subletting to an Affiliate which is a Train Operator) is terminable without compensation immediately upon the termination of the Franchise Agreement; and

   (b) is excluded from the provisions of Part II of the Landlord and Tenant Act 1954 and the Tenancy of Shops (Scotland) Act 1949.

5.2 If so requested by the Secretary of State, the Franchisee shall:

   (a) extend each Station Sublease on the same terms for such period as the Secretary of State may request (including a period equivalent to the franchise term of the Train Operator who is the lessee under such Station Sublease); and

   (b) if such Station Sublease terminates (which for the purposes of this paragraph 5.2(b) shall include the termination, at or around the time of termination of the Previous Franchise Agreement, of a station sublease in respect of which the Franchisee was the lessor), grant a new Station Sublease on the same terms to such Train Operator and for such period as the Secretary of State may request (including a period equivalent to the franchise term of the Train Operator who is the lessee under such Station Sublease),

subject, where required, to the consent of Network Rail (and, if required, the relevant sub-lessee) and to the duration of the relevant Station Lease.
5.3 The Franchisee shall notify the Secretary of State immediately on it becoming aware of any event which might give the Franchisee a right to forfeit or terminate any Station Sublease. The Franchisee shall notify the Secretary of State if it wishes to forfeit or terminate any such Station Sublease but shall not (without the Secretary of State's prior written consent) effect such forfeiture or termination until the date which occurs three months after the date of such notice.
SCHEDULE 2.3

Third Party Delivery of Passenger Services and Other Franchisees

1. **Subcontracting any Passenger Services**

   1.1 Subject to paragraph 1.2, the Franchisee may not subcontract or delegate the provision of the Passenger Services without the prior written consent of the Secretary of State.

   1.2 The Franchisee may subcontract or delegate the provision of the Passenger Services, provided that:

      (a) the Secretary of State receives prior written notice of any such subcontracting or delegation;

      (b) the Franchisee continues to be party to all Access Agreements and Property Leases necessary to provide such Passenger Services and to enjoy all relevant access and operational rights thereunder;

      (c) the Franchisee continues to specify and control the terms and conditions (subject to the requirements of the Inter-Operator Schemes) on which such Passenger Services are to be provided, including the determination of the Price or Child Price (as the case may be) of any Fares;

      (d) the Train Mileage of the Passenger Services so delegated or subcontracted does not exceed 5 per cent. of the aggregate scheduled Train Mileage of the Franchisee in any Reporting Period; and

      (e) the Franchisee continues to perform its obligations under Schedule 1.1 (Service Development) in respect of any subcontracted or delegated services.

   1.3 Any such subcontracting or delegation shall not relieve the Franchisee from any of its obligations under the Franchise Agreement, including its obligations under this paragraph 1 and Schedule 14 (Preservation of Assets).

2. **Other Franchisees**

   2.1 If the franchise agreement of another franchisee terminates or a railway administration order is made in respect of another franchisee, the Franchisee shall co-operate with any reasonable request of the Secretary of State to ensure:

      (a) that the services provided or operated by such other franchisee may continue to be provided or operated by any successor Train Operator or the railway administrator; and

      (b) that the benefit of any arrangements between the Franchisee and such other franchisee which were designated as a key contract under such franchise agreement immediately prior to its termination or to a railway administration order being made will continue to be provided to any successor Train Operator or to the railway administrator.

   2.2 The benefit of any arrangements of the type referred to in paragraph 2.1(b) shall be provided on substantially the same terms as previously obtained by the
relevant franchisee, subject to paragraph 9 of Schedule 19 (Other Provisions) and paragraph 2.3, provided that the Secretary of State may exclude or modify any terms agreed or amended by such franchisee in the 12 months preceding the date on which such franchisee's franchise agreement was terminated or the date on which the relevant railway administration order was made which were, in the Secretary of State's reasonable opinion, to the material detriment of such franchisee's business. The benefit of such arrangements shall be provided for such period as the Secretary of State may reasonably require to allow the relevant Train Operator or railway administrator to renegotiate such arrangements or make alternative arrangements.

2.3 The Franchisee shall notify the Secretary of State of its intention to terminate any contract with any other Train Operator which is designated as a “Key Contract” under that Train Operator's franchise agreement and shall give that Train Operator sufficient notice to enable it to make suitable alternative arrangements for its passengers without causing disruption to the railway passenger services provided by such Train Operator.

2.4 If the franchise agreement of another franchisee terminates in contemplation of the entry into or entry into effect of a new franchise agreement with the same franchisee in respect of all or a material part of the relevant railway passenger services, the Franchisee shall waive any event of default or other right it may have to terminate any agreement with such franchisee arising out of such termination, provided that the entry into or entry into effect of such new franchise agreement takes place.

2.5 References in this paragraph 2 to a franchisee include references to any franchise operator of that franchisee.
SCHEDULE 2.4

Such co-operation shall not unreasonably disrupt the provision and operation of the Franchise Services and may include:

(c) propose to terminate the use of,

any Station (or part of a Station) or any railway passenger service over a Route where such cessation or proposal might result in a Closure.

2.2 If any procedures are commenced under Part 4 of the Railways Act 2005 in relation to a Closure, the Franchisee shall, at its own cost and to the extent so requested by the Secretary of State, take such action as the Secretary of State may require in order to enable the Secretary of State to comply with any duty imposed on him under Part 4 of the Railways Act 2005 in relation to such Closure.

3. **Not Used**

4. **Royal Train**

4.1 The Franchisee shall, if and to the extent requested by any person (including Rail Express Systems Limited) and subject to the payment by such person of any
reasonable costs of the Franchisee, co-operate in the provision by such person of railway passenger services for Her Majesty Queen Elizabeth II or any successor head of state or members of the family or representatives of either of them.

2.2 Subject to the terms of the relevant Concessionary Travel Schemes, the Franchisee shall be entitled to cease to participate in any scheme referred to in paragraph 2.1(a) where, in the reasonable opinion of the Secretary of State:

(a) the Franchisee's continuing participation in such scheme; and/or

(b) the obligations assumed by the relevant Local Authority in connection therewith;

each pursuant to Part II of the Travel Concession Schemes Regulations 1986 (SI 1986/77) (the "Regulations"), would fail to leave the Franchisee financially no worse off (within the meaning of the Regulations) that it was immediately following the Start Date.

2.3 The Secretary of State shall not require the Franchisee to participate in a scheme referred to in paragraph 2.1(b) where the Secretary of State is reasonably satisfied that:

(a) the reimbursement arrangements with respect to the Franchisee's participation in any such scheme; and/or

(b) the obligations to be assumed by such Local Authority in connection therewith,

each pursuant to the Regulations would fail to leave the Franchisee financially no worse off (within the meaning of the Regulations) as a result of such participation.
2.4 The Secretary of State shall consult the Franchisee before making any request of the Franchisee to participate in any amended or new concessionary travel scheme pursuant to paragraph 2.1(b) and shall allow the Franchisee a reasonable opportunity to make representations to him with respect to any such participation.

2.5 The Franchisee shall supply to the Secretary of State, in respect of any concessionary travel schemes referred to in paragraph 2.1, such information within such period as the Secretary of State may reasonably require for the purposes of determining whether or not the Franchisee is or will be financially no worse off (within the meaning of the Regulations) as a consequence of its participation in any such scheme, and/or the obligations assumed by such Local Authority in connection therewith.

2.6 If the Secretary of State and the Franchisee are unable to agree whether the Franchisee will be financially no worse off (within the meaning of the Regulations), the Secretary of State and the Franchisee may resolve such dispute in accordance with the Dispute Resolution Rules.

for the purposes of Section 28 of the Act, such amendment, intended amendment, introduction or cessation of approval shall be a Change.

4.2 The Secretary of State shall provide a reasonable opportunity to the Franchisee to make representations to him before amending, introducing or ceasing to approve a Discount Fare Scheme pursuant to paragraph 4.1.

4.3 The Franchisee shall supply to the Secretary of State, in respect of any Discount Fare Scheme referred to in paragraph 4.1, such information within such period as the Secretary of State may reasonably require for the purposes of determining the financial effect of any such amendment, intended amendment, introduction or cessation of approval.

5.1 The Franchisee shall participate in and comply with its obligations under the terms of each of the Inter-Operator Schemes.

5.2 Without limiting paragraphs 5.1 and 5.3, the Franchisee agrees to be bound by Parts IV and V of Chapter 4 of the Ticketing and Settlement Agreement and shall not amend, or agree or propose to amend, the Ticketing and Settlement Agreement without the prior written consent of the Secretary of State.

5.3 The Franchisee shall not amend, or agree or propose to amend, any Inter-Operator Scheme other than in accordance with its terms.
5.4 The Franchisee shall:

(a) provide reasonable notice to the Secretary of State of any proposal to amend any Inter-Operator Scheme which it intends to make or of which it receives notification and which, in its opinion, is reasonably likely materially to affect the provision of the Franchise Services; and

(b) have regard to the Secretary of State's views in respect of any such proposal.

5.5 If an amendment is effected or proposed to be effected to an Inter-Operator Scheme which requires the consent or approval of the Secretary of State in accordance with the terms thereof, such amendment shall be treated as a Change to the extent and only to the extent that the Franchisee makes a saving as a consequence of such amendment or proposed amendment.

Appendix 2: Alternative Transport
SCHEDULE 4

Persons with Disabilities and Disability Discrimination

1. Relationship with other obligations relating to persons with disabilities

1.1 The Franchisee acknowledges that its obligations in this Schedule 4 are in addition to and do not limit its obligations to comply with:

(a) the EA and any regulations imposed by it;

(b) any applicable condition(s) in any of its Licences (including in respect of persons with disabilities); and

(c) any other of the requirements of the Franchise Agreement.

1.2 This Schedule 4 sets out:

(a) specific arrangements which apply in respect of physical alterations to stations to facilitate accessibility and use by Disabled Persons; and

(b) specific obligations of the Franchisee directed at meeting the needs of persons with disabilities.

2. Physical Alterations and Accessibility of Stations

2.1 In respect of physical alteration works at stations to facilitate accessibility and use by Disabled Persons, it is acknowledged by the Franchisee that:

(a) there is limited funding available to the Secretary of State to assist franchisees and/or franchise operators with the carrying out of those works;

(b) consequently, there is a need for such works to be carried out over a period of time to reflect the availability of funding, and for such works to be prioritised with regard to where there is the greatest need and/or where physical alterations can have the greatest effect; and

(c) the Secretary of State’s national programme of works of physical alterations at stations addresses these issues in a structured way.

2.2 The Franchisee shall:

(a) co-operate reasonably with and assist the Secretary of State in the development and furtherance by the Secretary of State of the programme described in paragraph 2.1(c) by providing to the Secretary of State:

(i) information concerning the usage of Stations (including, where and to the extent reasonably practicable, usage of Stations by Disabled Persons); and

(ii) advice as to the most economic way in which accessibility for Disabled Persons could, in the Franchisee’s reasonable opinion, be improved at Stations;
(b) co-operate reasonably with other Train Operators and/or Network Rail to seek to ensure that, where it would be advantageous to do so, having regard to the needs of Disabled Persons, any planned work on the Stations to facilitate accessibility and use by Disabled Persons is, so far as reasonably practicable, co-ordinated with other work to be carried out at the Stations and/or other parts of the network; and

(c) use all reasonable endeavours to secure sources of grant funding (other than from itself or an Affiliate) for improving accessibility for Disabled Persons at Stations (in addition to any funding secured through the Secretary of State pursuant to paragraph 2.5), including from Local Authorities, local development agencies and the Lottery Commission. The Franchisee shall notify the Secretary of State of:

(i) any such additional funding which it secures; and

(ii) the terms on which such additional funding has been granted.

2.3 In participating in any multi-modal fares scheme, the Franchisee shall use all reasonable endeavours to secure, through the planning and development of such scheme, improvements in disabled access to the entrances of any relevant station, including within and in the immediate proximity of such station.

2.4 If, during the Franchise Term:

(a) the Franchisee has complied with its obligations in Section 20(4) and Section 20(9), as varied by paragraph 2(3) of Schedule 2, of the EA (to take such steps as are reasonable to provide a reasonable alternative method of making services at a Station accessible to a Disabled Person to avoid a Disabled Person being placed at a substantial disadvantage by a physical feature at a Station) and its obligations in paragraph 2.7 concerning Minor Works; and

(b) notwithstanding such compliance, the Franchisee reasonably considers it is still required to carry out or procure physical works of alteration at a Station in order to comply with the EA Requirements in respect of that Station, and, in so carrying out or procuring, would incur expenditure which it would not otherwise have an obligation to incur,

the Franchisee may seek funding from the Secretary of State in respect of that expenditure.

2.5 If the Franchisee seeks funding from the Secretary of State under paragraph 2.4, and demonstrates to the Secretary of State’s satisfaction that the criteria in paragraph 2.4 have been satisfied, then the Secretary of State may agree to adjust the amount of Franchise Payments in respect of some or all of the works and/or expenditure. In considering his response to any such request, the Secretary of State will have regard to the availability of funding and the priorities set out in the national programme described in paragraph 2.1(c), together with any other available sources of funding described in paragraph 2.2(c). If and to the extent the Secretary of State agrees to adjust Franchise Payments in accordance with this paragraph 2.5 in any Franchisee Year:

(a) the Secretary of State shall make such adjustment to the Franchise Payments; and

(b) the Franchisee shall spend such additional funds:
(i) in order to comply with the EA Requirements referred to in paragraph 2.4(b); and

(ii) in accordance with any conditions the Secretary of State may notify the Franchisee of.

2.6 If and to the extent the Franchisee is required to pay any increased access charges as a result of additional expenditure required to be incurred by another station Facility Owner for the purpose of complying with the EA Requirements in respect of a Franchisee Access Station, provided that the Franchisee:

(a) notifies the Secretary of State within seven days of becoming aware of any proposal for the increase in such charges (or the works to which they relate); and

(b) complies with the Secretary of State’s reasonable directions regarding the exercise of any rights the Franchisee may have in respect thereof,

the imposition of the increased access charges shall be a Change.

2.7 The Franchisee shall:

(a) establish and manage the Minor Works’ Budget to fund the carrying out of Minor Works. For the purposes of this paragraph 2.7, Minor Works means small scale physical alterations or additions to improve accessibility of Stations to Disabled Persons, not involving substantial works of construction or reconstruction. The Minor Works:

(i) may, but shall not necessarily include, the Minor Works described in Appendix 1 of this Schedule 4;

(ii) shall not include any works which Network Rail, the Franchisee or any other person has a separate obligation to carry out, except where:

(A) such obligation is an obligation of the Franchisee under the EA; or

(B) the inclusion of such works would lead to the acceleration of the timescale for their completion and the Secretary of State gives his consent pursuant to paragraph 2.7(a)(iii);

(iii) shall only include works other than those permitted by paragraphs 2.7(a)(i) and (a)(ii) with the prior consent of the Secretary of State; and

(iv) must comply with the standards provided for in the Code of Practice, unless otherwise agreed with the prior consent of the Secretary of State;

(b) as soon as reasonably practicable (and in any event within four months) after the Start Date and thereafter before the start of each Franchisee Year:
(i) develop a Minor Works’ Programme and consult with the Disabled Persons Transport Advisory Committee and relevant Rail Passengers’ Council in relation thereto;

(ii) in conjunction with its activities in paragraph 2.7(b)(i), and, consistent with its obligations under paragraph 2.2(b), liaise with Network Rail and other Train Operators as necessary with regard to the determination and implementation of each Minor Works’ Programme; and

(iii) following the consultation and liaison described in paragraphs 2.7(b)(i) and (b)(ii), obtain the Secretary of State’s prior approval (such approval not to be unreasonably withheld) of each Minor Works’ Programme;

(c) carry out or procure the carrying out of the Minor Works’ Programme in each Franchisee Year and in doing so, spend at least the amount of the Minor Works’ Budget for the relevant Franchisee Year in such Franchisee Year (unless otherwise agreed by the Secretary of State);

(d) report progress to the Secretary of State in determining and carrying out the Minor Works’ Programme no less than once every three Reporting Periods; and

(e) co-operate, as the Secretary of State may reasonably require, with Network Rail or any other person seeking to carry out or procure Minor Works at the Stations or any other stations.

3. Dealing with Claims Relating to Stations

3.1 If the Franchisee receives notification of a claim under the EA in respect of any alleged non-compliance with the EA Requirements or otherwise in respect of any Station (an “EA Claim”) then the Franchisee shall:

(a) notify the Secretary of State within seven days of receiving notification of the EA Claim. The Franchisee shall at the same time notify the Secretary of State of any reasonable alternative methods of making services at the Station accessible to Disabled Persons that it has considered and/or put in place pursuant to Section 20(4) and Section 20(9), as varied by paragraph 2(3) of Schedule 2, of the EA;

(b) if required by the Secretary of State, defend the EA Claim or any aspect of the EA Claim (which may include appealing the judgment). The Secretary of State will, subject to paragraph 3.4, pay the Franchisee’s reasonable costs of:

   (i) any defence or appeal required by the Secretary of State; and/or

   (ii) compliance with the Secretary of State’s instructions in accordance with paragraph 3.1(c); and

(c) act in accordance with the reasonable instructions of the Secretary of State to defend the EA Claim (or any aspect of it) as required under paragraph 3.1(b) and shall not (without the prior consent of the Secretary of State) settle or enter into any compromise in relation to the EA Claim (or the relevant aspect of it), including by entering into mediation.
3.2 If, in the reasonable opinion of the Franchisee, it will be more cost effective to settle the EA Claim rather than act in accordance with the Secretary of State’s requirement under paragraph 3.1, it shall produce for the Secretary of State’s approval a settlement proposal, setting out the terms of the Franchisee’s proposals to make an offer to the Disabled Person making the EA Claim and its reasons for making such offer (the “Settlement Proposal”).

3.3 If the Secretary of State does not accept the Settlement Proposal and still requires the Franchisee to defend the EA Claim (or any aspect of it) then the Franchisee shall defend the EA Claim in accordance with paragraph 3.1.

3.4 If the Franchisee is required to defend an EA Claim where it has submitted a Settlement Proposal to the Secretary of State and an award is made in respect of the EA Claim in favour of the person bringing it which is higher than the figure set out in the Settlement Proposal, then, subject to paragraph 3.5, the Secretary of State shall pay to the Franchisee:

(a) the difference between such an award and the figure set out in the Settlement Proposal; and

(b) the further reasonable costs incurred or payable by the Franchisee in defending the EA Claim, to the extent that such costs have not already been paid by the Secretary of State under paragraph 3.1(b).

3.5 The Secretary of State shall not have any obligation to make the payments described in paragraphs 3.1(b) or 3.4 where it is determined or, if no declaration or determination by the court on this point has been sought or made, the Secretary of State, in his reasonable opinion, considers that the Franchisee has not taken such steps as it is reasonable, in all the circumstances of the case, for it to take to provide a reasonable alternative method of making services at the Station accessible to Disabled Persons.

4. Specific additional obligations relating to persons with disabilities

4.1 Not used.

4.2 The Franchisee shall establish and implement procedures necessary to:

(a) record the making of reservations for seating accommodation for and/or the provision of assistance to, persons with disabilities which are made through the Assisted Passenger Reservation System (or whatever system may replace it from time to time for the purposes of ORR Guidance on Disabled People’s Protection Policies) and where the Franchisee is responsible for making the reservation and/or delivering the seating accommodation or assistance reserved. Any helpline established by the Franchisee for the purposes of making reservations for seating accommodation for and/or the provision of assistance to, persons with disabilities shall be provided free of charge;

(b) record whether such seating accommodation and/or assistance is actually provided; and

(c) provide such records to the Secretary of State on his request.

4.3 Where the Franchisee’s Disabled People’s Protection Policy:

(a) has been established before the date of the Franchise Agreement; and
(b) has not been revised and approved by the ORR to take into account the ORR’s most recent published Guidance on Disabled People’s Protection Policies as at the date of the Franchise Agreement,

the Franchisee shall within six months of the date of the Franchise Agreement revise its Disabled People’s Protection Policy such that it complies with that guidance, and obtain the ORR’s approval of the revised version.

4.4 The Franchisee shall comply with the requirements set out in Appendix 2 (Alternative Transport) of this Schedule 4 in respect of the provision of alternative means of transportation for persons with disabilities.

2. **CONTINUATION OF AVAILABILITY**

   2.1

   (a) Save as expressly provided in this Schedule 6.1, the Franchisee shall maintain facilities, activities or other matters established in accordance with its Committed Obligations throughout the remainder of the Franchise Term.

   (b) The provisions of this paragraph 2.1 shall apply in relation to each Committed Obligation regardless of whether or not such Committed Obligation specifically provides for the Franchisee to maintain throughout the Franchise Term the facilities, activities or other matters established in accordance with such Committed Obligation.

   2.2 The Franchisee shall be treated as maintaining the relevant facilities, activities or other matters which are the subject of the Committed Obligations notwithstanding temporary non-availability due to accidental damage or vandalism or maintenance, repair or replacement activities, or temporary staff absence, subject in each case to the Franchisee taking all reasonable steps to keep any such period of temporary non-availability to a minimum.

   2.3 Where Part 1 (List of Committed Obligations) to this Schedule 6.1 includes a commitment regarding staffing or particular appointments the Franchisee plans to make:

   (a) the obligation of the Franchisee applies, but shall not be regarded as being contravened by:

      (i) temporary absences (for example for sickness or holiday); or

      (ii) temporary non-fulfilment of a relevant post whilst the Franchisee is recruiting for that post, subject to the Franchisee using all reasonable endeavours to keep the duration between appointments as short as reasonably practicable; and

   (b) the Franchisee’s rights and obligations in relation to the numbers or deployment of its other staff remain unaffected.
3. **EXPENDITURE COMMITMENTS**

**Annual Expenditure**

3.1 Where Part 1 (List of Committed Obligations) to this Schedule 6.1 provides for the expenditure of an annual amount (or an amount over some other period) by the Franchisee, that amount:

(a) is assessed net of Value Added Tax; and

(b) is the amount required to be expended by the Franchisee itself or procured by the Franchisee to be expended.

**Expenditure Commitments in real amounts**

3.2 All expenditure commitments set out in Part 1 (List of Committed Obligations) to this Schedule 6.1, to the extent they have not already been incurred by the Franchisee, shall be indexed by the Retail Prices Index (in the same way as variable costs are indexed in Schedule 8.2 (Annual Franchise Payments)).

**Expenditure by Network Rail**

3.3 All amounts which the Franchisee has committed (whether unconditionally or otherwise) pursuant to Part 1 (List of Committed Obligations) to this Schedule 6.1 to expend in connection with improvements to track or Stations shall be in addition to any expenditure made by Network Rail as part of its infrastructure improvements or maintenance programme to the extent such expenditure is not directly funded or reimbursed by the Franchisee.

**Underspend**

3.4 Where in relation to any Committed Obligation that is expressed in terms of a requirement to spend not less than a specified sum in fulfilling its stated objective, the Franchisee is able to achieve that stated objective without incurring the full amount referred to in that Committed Obligation, whether because of cost savings or otherwise, the Franchisee shall notify the Secretary of State, together with a statement of the costs it has incurred (excluding any third party funding) in delivering the relevant obligations and a reconciliation against the amount it had committed to spend (excluding any third party funding) ("Underspend").

3.5 The Parties shall, acting reasonably, seek to agree an alternative scheme or schemes which would give rise to benefits to passengers using the Passenger Services to be funded using the Underspend and, once agreed, the Franchisee shall apply such Underspend in the delivery of the agreed scheme(s). In circumstances only where, despite having used reasonable endeavours the Parties fail to agree an alternative scheme in relation to which the Underspend will be applied, such Underspend shall be repaid to the Secretary of State as soon as reasonably practicable.

4. **LIAISON AND CO-OPERATION**

Where the Franchisee is committed to liaison and co-operation under Part 1 (List of Committed Obligations) to this Schedule 6.1, it shall participate actively in the relevant measures including through the application of management time and internal resources, correspondence and attendance at meetings, in each case as the Franchisee reasonably considers in all the circumstances to be an appropriate use of its resources and effective to help achieve the relevant objective.
5. **NATURE OF COMMITMENT**

5.1 Any commitment in terms of Part 1 (List of Committed Obligations) to this Schedule 6.1 shall be in addition to any obligation of the Franchisee elsewhere in this Franchise Agreement and nothing in this Schedule 6.1 shall limit or restrict an obligation imposed on the Franchisee elsewhere in this Franchise Agreement.

5.2 Save as expressly provided in Part 1 (List of Committed Obligations) to this Schedule 6.1, each Committed Obligation is a separate obligation from any other Committed Obligation and satisfaction of or steps taken towards the satisfaction of one Committed Obligation will not amount to or contribute towards satisfaction of any other Committed Obligation.

5.3 Where in Part 1 (List of Committed Obligations) to this Schedule 6.1, references are made to particular manufacturers or suppliers of equipment or services, the Franchisee may fulfil its relevant commitment by using reasonable equivalents.

5.4 Each commitment under this Schedule 6.1 shall come to an end on expiry of the Franchise Term for whatever reason.

6. **REVIEW OF COMPLIANCE**

6.1 Progress with Committed Obligations is an agenda item for Franchise Performance Meetings and the Franchisee shall ensure that at such meetings, the Secretary of State is given such progress reports as he may reasonably request.

6.2 In addition to its obligation under paragraph 6.1, the Franchisee shall from time to time promptly provide such evidence of its compliance with any Committed Obligation as the Secretary of State may reasonably request.

7. **LATE COMPLETION OR NON-DELIVERY OF COMMITTED OBLIGATIONS**

If the Franchisee fails to deliver in full a Committed Obligation in accordance with and by the timeframe specified for its delivery in Part 1 (List of Committed Obligations) to this Schedule 6.1, such late, partial or non-delivery shall constitute a contravention of the Franchise Agreement.

8. **REASONABLE ENDEAVOURS**

Where in respect of any Committed Obligation the Franchisee is obliged to use all reasonable endeavours or reasonable endeavours to do or procure that something is done by a specified date then, without prejudice to any other rights the Secretary of State may have (whether under the Franchise Agreement or otherwise) in respect of any contravention arising if the same is not achieved by such specified date the Franchisee shall consult with the Secretary of State and if required by the Secretary of State shall continue to use all reasonable endeavours or reasonable endeavours (as applicable) to do or procure that the relevant thing is done as soon as reasonably practicable thereafter.
SCHEDULE 6.2

TransPennine Express Franchise Specific Provisions

1. British Transport Police Accommodation

1.1 The Franchisee shall give due consideration to any request by the British Transport Police to provide suitable accommodation (including additional or alternative accommodation) or facilities at Stations to enable the British Transport Police to effectively perform the services owed to the Franchisee under any contract or arrangement entered into between the British Transport Police and the Franchisee.

1.2 The Franchisee shall:

(a) work in partnership with the British Transport Police to assess and review regularly the security and crime risk at all Stations and across the franchise generally;

(b) work with the British Transport Police to:

(i) reduce crime on the railway;

(ii) reduce minutes lost to police-related disruption; and

(iii) increase passenger confidence with personal security on train and on station; and

(c) co-operate with the British Transport Police to provide the British Transport Police with access to records and/or systems maintained by the Franchisee which relate to lost property to enable the British Transport Police to have access to such information when dealing with items reported to them as lost. The Franchisee shall consult with the British Transport Police as to its requirements in relation to such records and/or systems and shall ensure that the British Transport Police has access to such records and/or systems within 12 months of the Start Date.

1.3 The Franchisee shall consult with the British Transport Police in relation to plans to develop any part of the land within a Property Lease which could affect staff or customers and give the British Transport Police an opportunity to advise on and/or provide comments on any opportunities for the enhancement of safety and reduction in crime.

2. REBS

Where participation in a Route Efficiency Benefit Share Mechanism is made available to the Franchisee under a Track Access Agreement, the Franchisee must elect not to participate in such mechanism for all of its routes. Should the Franchisee for any reason fail to comply with this requirement and participate in such a mechanism, then the Secretary of State reserves the right to fully recover from the Franchisee any financial benefits paid to it under the mechanism and the Franchisee agrees that the Secretary of State shall be entitled to receive details of those benefits from Network Rail or any other relevant party.
3. **Infrastructure Projects**

3.1 The Franchisee shall from the Start Date until the completion of each Infrastructure Project engage constructively with all relevant parties responsible for the delivery of such Infrastructure Project with the intention of assisting its timely, efficient and cost effective completion.

3.2 To the extent that any Infrastructure Project leads to the Franchisee having rights under railway industry procedures (including Network Change and Station Change) the Franchisee shall not act in a way designed to directly or indirectly prevent, prejudice or frustrate the delivery of such Infrastructure Project and the Franchisee shall not unreasonably raise any objection under any railway industry procedure (including Network Change or Station Change) and any reasonable objections shall be raised by the Franchisee in accordance with the relevant railway industry procedures. It is acknowledged that the Franchisee may make reasonable objections with a view to mitigating the impact of the Infrastructure Projects and their implementation on passengers and the Franchise Services, while recognising the need for the Infrastructure Projects to be able to be undertaken in a reasonable manner.

3.3 The Franchisee shall throughout the Franchise Term allocate such appropriate Franchise Employees and other relevant resource as is reasonably required for the purposes of complying with its obligations in relation to all of the Infrastructure Projects pursuant to both this Franchise Agreement and the Access Agreements to which it is a party.

3.4 The Franchisee shall provide within 17 days of the end of each Reporting Period a detailed report complying with the reasonable requirements of the Secretary of State describing progress in relation to each Infrastructure Project and identifying and quantifying so far as the Franchisee is reasonably able the emerging risk position in relation to each such Infrastructure Project as it affects passengers and the Franchise Services. The Franchisee shall provide such additional information as the Secretary of State shall reasonably request and if requested by the Secretary of State it shall develop such alternative and contingency plans as the Secretary of State may reasonably require for the purpose of mitigating relevant risk and ensuring that the adverse impacts on passengers and the Franchise Services of any relevant risk arising are mitigated to the greatest extent reasonable practicable.

3.5 For the purposes of this paragraph 3:

"**Infrastructure Project**" means any of the following infrastructure projects:

(i) Northern Hub; and

(ii) Electrification Programme.

4. **National Stations Improvement Programme/Access For All**

The Franchisee shall co-operate with Network Rail in the development of plans and proposals in relation to the 'National Stations Improvement Programme' and the 'Access for All programme'.

5. **Publication of Public Performance Measure Information**

5.1 The Franchisee shall, from the Start Date, publish the statistics in relation to its Public Performance Measure to such level of disaggregation (including by Route or
Service Group) as is reasonably specified by the Secretary of State. The initial relevant level of disaggregation from the Start Date shall be:

(a) North TransPennine;
(b) South TransPennine;
(c) North West TransPennine; and
(d) Anglo-Scottish.

5.2 For the purposes of this paragraph 5:

"Publish" means making the relevant information available upon request in one or more booklets or in similar form at Stations and displaying such information on information displays at all Stations and/or on the Franchisee’s website.

6. National Rail Passenger Survey

6.1 The Franchisee shall use all reasonable endeavours to achieve in the National Rail Passenger Survey due to be carried out in the autumn of 2015 results which are equal to or greater than the target scores shown in the table below:

<table>
<thead>
<tr>
<th>STATION</th>
<th>TRAINS</th>
<th>CUSTOMER SERVICES</th>
</tr>
</thead>
<tbody>
<tr>
<td>2015</td>
<td>75%</td>
<td>74%</td>
</tr>
<tr>
<td></td>
<td></td>
<td>73%</td>
</tr>
</tbody>
</table>

6.2 Without prejudice to any contravention of the Franchise Agreement in the event that any scores in the National Rail Passenger Survey are less than the target the Franchisee shall within one calendar month of the results being published produce a report to the Secretary of State analysing the likely reasons for failure to achieve the targets and actions that can reasonably be taken with the intention that targets will be achieved, in the event of any extension of this Franchise Agreement pursuant to paragraph 2 of Schedule 18 (Additional Reporting Periods), at the next National Rail Passenger Survey. The Franchisee shall consult with the Secretary of State in relation to such report take account of his comments and use all reasonable endeavours to implement the actions identified in a finalised report (to be produced within two calendar months of the publication of the submission of the report to the Secretary of State).

6.3 The Parties agree that if the Secretary of State provides notice to the Franchisee of his intention to continue the Franchise Agreement in accordance with paragraph 2 of Schedule 18 (Additional Reporting Periods), then the Franchisee shall use all reasonable endeavours to achieve in the National Rail Passenger Survey due to be carried out in the spring of 2016 results which are equal to or greater than the target scores shown in the table above.

7. Project Arcturus

7.1 The Franchisee shall on or before the date of this Agreement enter into

(a) the Class 156 Daily Hire Agreement;
(b) the Retained Chiltern Class 170 Sub-lease;

(c) the Angel Trains Subordination Letter; and

(d) the Tripartite Subordination Letter.

7.2 The Franchisee agrees and undertakes to

(a) observe and comply with all the conditions and obligations on its part contained in each of the Retained Class 170 Sub-lease, Class 156 Daily Hire Agreement, the Angel Trains Subordination Letter and the Tripartite Subordination Letter;

(b) not vary, agree to vary, waive performance of, terminate or in any other way deal with or change the terms of the Retained Class 170 Sub-lease, Class 156 Daily Hire Agreement, the Angel Trains Subordination Letter or the Tripartite Subordination Letter without the prior consent of the Secretary of State; and

(c) enter into a replacement for the Class 156 Daily Hire Agreement on materially the same commercial terms with a successor operator who becomes the franchisee of all or part of the services provided by the Northern Franchisee except to the extent that the Secretary of State otherwise directs,

provided that this paragraph 7.2 shall not prevent day to day liaison and cooperation in the ordinary course of running the Franchise by agreement between the Franchisee and the hirer under the Class 156 Daily Hire Agreement which does not involve any substantive amendment to the terms of the Class 156 Daily Hire Agreement (including by persistently acting as if the Class 156 Daily Hire Agreement was on materially different terms to its written terms).

7.3 The Secretary of State confirms that should a successor operator become the franchisee of all or part of the services provided by the Northern Franchisee before the scheduled expiry of the Class 156 Daily Hire Agreement, then the successor operator shall be appointed on terms which include its offering to the Franchisee to enter into a replacement for the Class 156 Daily Hire Agreement on materially the same commercial terms.

Driver Training

7.4

(a) The Secretary of the State recognises that the plans of the Franchisee to operate the Passenger Services from the Passenger Change Date in May 2015 using Class 156 units hired pursuant to the Class 156 Daily Hire Agreement were dependent upon the Northern Franchisee making one Class 156 unit available for driver training purposes from 16 February 2015 and that while an alternative plan depends on availability of the unit from 5 March 2015, that alternative plan does not include contingency to allow for any delay or intervening event which may occur. In the event that such a Class 156 unit is not made available until after 16 February 2015 or (despite the unit being made available after 16 February 2015) the Franchisee experiences (despite the use by it of all reasonable endeavours) any other delay or intervening operational event (in each case which is outside of the Franchisee’s reasonable control) affecting its training programme,
leading to a shortfall of Class 156 trained drivers below the minimum reasonable requirement to fully deliver the timetabled Passenger Services, the Franchisee shall as soon as possible prepare a reasonable mitigation plan that seeks to mitigate such adverse impacts to the greatest extent reasonably practicable and submit it to the Secretary of State. The Franchisee shall discuss such mitigation plan with the Secretary of State and make such amendment to it as he shall reasonably require. The Franchisee shall use all reasonable endeavours to implement the mitigation plan as it may be reasonably amended by the Secretary of State.

(b) Where the Franchisee has acted in accordance with its obligations pursuant to paragraph 7.4(a) and because of an absence of drivers with Class 156 traction knowledge or the extended requirement for use of a Class 156 unit for driver training believes that it will not be able to fully operate the Timetable the Secretary of State will act reasonably in considering whether to consent to proposals of the Franchisee to amend the Plan of the Day to the extent reasonably required to take account of its inability to fully utilise hired Class 156 units.

Cancellations Benchmarks

7.5 If for reasons beyond the reasonable control of the Franchisee the Northern Franchisee fails to supply the contracted minimum number of Class 156 units pursuant to the Class 156 Daily Hire Agreement ("Contracted Class 156 Non-Delivery Event") then:

(a) the Franchisee may notify the Secretary of State of that fact and provide:

(i) details of any Cancellations reasonably made by the Franchisee in consequence of the applicable Contracted Class 156 Non-Delivery Event ("Contracted Class 156 Non-Delivery Event Cancellations");

(ii) details of the impact which it considers the relevant Contracted Class 156 Non-Delivery Event Cancellations have had on the Franchisee's ability to meet the applicable Cancellations Benchmarks; and

(iii) a request as to how it believes that the Secretary of State should treat the Contracted Class 156 Non-Delivery Event Cancellations for the purposes of the obligations of Franchisee pursuant to the Cancellations Benchmarks in Schedule 7.1 (Performance Benchmarks);

(b) the Franchisee shall provide such further relevant information as the Secretary of State may reasonably request; and

(c) the Secretary of State shall act reasonably in considering the request of the Franchisee in the context of all of the relevant circumstances.

Project Arcturus II

7.6 The Franchisee and the Secretary of State acknowledge that:
(a) as at the date of this Agreement the expectation of the parties is that the Retained Chiltern Class 170 Sub Lease will end on the Retained Chiltern Class 170 Return Date;

(b) for the purposes of establishing a clear baseline for operation of the Change mechanisms in Schedule 9, the Financial Model assumes that from the Retained Chiltern Class 170 Return Date the Franchisee is a party to the Notional Class 170 Lease and the timetable which applies from that date is one consistent with the timetable operated by the Franchisee up to the Passenger Change Date in May 2015 which assumes nine Class 170 units are available to the Franchisee;

(c) the assumptions referred to in paragraph (b) are not expected to reflect the actual position;

(d) further actions will need to be agreed to ensure the continued robust provision of the Passenger Services after the termination of the Retained Chiltern Class 170 Sub Lease ("Project Arcturus II Solution") and these are likely to require amendment to this Agreement; and

(e) the financial impacts of any Variation to this Agreement to implement a Project Arcturus II Solution must be compliant with the duties of the Secretary of State pursuant to Regulation 1370/2007.

7.7 The Secretary of State and the Franchisee shall engage in good faith as soon as reasonably practicable with the intention of identifying a value for money and operationally efficient Project Arcturus II Solution which as far as possible ensures the continued robust delivery of the Passenger Services from the Retained Chiltern Class 170 Unit Return Date and mitigates any shortfall in the delivery of the Passenger Services. Accordingly at the reasonable direction of the Secretary of State the Franchisee shall:

(a) acting in accordance with its duties under clause 5 of this Agreement make its own proposals so far as it is reasonably able for delivering the Project Arcturus II Solution in an entirely transparent "open book" basis to such timescales as the Secretary of State may reasonably propose;

(b) provide its informed opinion on relevant options proposed by the Secretary of State;

(c) actively engage with rolling stock leasing companies, other train operators, Network Rail, Stakeholders and other relevant third parties; and

(d) meet with the Secretary of State and provide such relevant information as he shall reasonably require.

The Secretary of State and the Franchisee agree that their mutual expectation is that the implementation of the Project Arcturus II Solution will require a Variation to the Franchise Agreement pursuant to paragraph 1 of Schedule 9.5 (Variations and Incentivising Beneficial Changes) and that such Variation shall be implemented by no later than 30 August 2015 or as soon as reasonably practicable thereafter, with the terms of the Variation being such that the Arcturus SoSRA shall be removed as part of the Variation.
7.8 If a Project Arcturus II Variation has not been implemented by 1 December 2015 and the Franchisee reasonably considers or the Secretary of State notifies the Franchisee that the Arcturus SoSRA is likely to be triggered, then the Franchisee shall no later than 31 December 2015 provide to the Secretary of State a reasonably detailed report on its assessment of the consequences of the Arcturus SoSRA not being correct, together with its proposals to take reasonable and effective mitigation actions to minimise the adverse impacts on the Franchise Services to the greatest extent reasonably practicable.

7.9 It is acknowledged that, subject to the circumstances prevailing at the time, it is anticipated that such mitigation actions may comprise extension of the Class 156 Daily Hire Agreement, continuation of the timetable as provided prior to 7 February 2016 and (assuming that no Class 170 units or other additional rolling stock is available to the Franchisee) making such timetable adjustments as are reasonably required to take account of the return of the Retained Chiltern Class 170 Units. In this case it is further acknowledged that the Change consequent on the Arcturus SoSRA being triggered would be assessed in a manner consistent with the switch applied to the Financial Model to address Project Arcturus I, subject to further adjustment to take account of the return of the Retained Chiltern Class 170 Units, the consequent timetable adjustments and any other relevant changed circumstances. It is further acknowledged that until otherwise agreed with or directed by the Secretary of State it shall be reasonable for the Franchisee to plan its timetables from the Passenger Change Date in December 2015 on the basis of a continuation of Project Arcturus I for the remainder of the Franchise Term, with further changes to the timetable being made when Project Arcturus II is implemented or in connection with the triggering of the Arcturus SoSRA (as applicable).

7.10 In circumstances where there has been no Variation pursuant to paragraph 7.6 prior to the Retained Chiltern Class 170 Return Date then subject to the Franchisee using all reasonable endeavours to:

(a) comply with its obligations pursuant to this Agreement; and
(b) mitigate adverse impacts arising out of the Arcturus SoSRA not being correct.

and without prejudice to the rights of the Secretary of State pursuant to Schedule 10.1 (Remedial Plans and Remedial Agreements):

(i) where because of the return of the Retained Chiltern Class 170 Units the Franchisee will not be able to fully operate the Timetable, the Secretary of State will act reasonably in considering whether to consent to proposals of the Franchisee to amend the Plan of the Day to the extent reasonably required to take account of that inability; and

(ii) the Franchisee shall not be regarded as being in contravention of this Agreement if it is not able to comply with any term of this Agreement that it would have been able to comply with had the Arcturus SoSRA been satisfied.

7.11 It is acknowledged that the Invitation to Tenders issued on 27 February 2015 in relation to the Trans Pennine Express and Northern passenger rail franchises envisage a franchise “remapping” so that some of the Franchise Services, after the end of the Franchise Period, will be provided by the new Northern franchisee. The parties acknowledge that a Variation may be required so that this Agreement
contains appropriate provision to facilitate and implement such remapping. Accordingly the Franchisee and Secretary of State agree to work together in good faith to implement such a Variation it being acknowledged that the current intention of the parties is that this should be dealt with in parallel with the discussion of the Variation to implement a Project Arcturus II Solution referred to in paragraph 7.7 of this Schedule 6.2 (Trans Pennine Express Franchise Specific Provisions).

7.12

(a) It is acknowledged by the Secretary of State and the Franchisee that:

(i) the Project Arcturus arrangements were concluded on the basis of a joint view of the parties in relation to risk transfer and the proper compensation of the Franchisee including in the context of the obligations of the Secretary of State pursuant to Regulation 1370/2007; and

(ii) at the date of this Franchise Agreement it was not certain, for reasons potentially beyond the reasonable control of the Franchisee, the extent to which the driver training programme of the Franchisee would be able to deliver the number of drivers trained to operate Class 156 units required to enable the Timetable and Train Plan to be operated in the manner envisaged from the Passenger Change Date in May 2015 and what contingency plans might reasonably have to be put in place if such circumstances arose.

(b) Accordingly the Secretary of State acknowledges that in the context of discussions in relation to a Project Arcturus II Solution it shall be permissible for the Franchisee to submit to the Secretary of State a report that:

(i) identifies net costs and losses suffered by the Franchisee in consequence of a reasonable requirement to implement mitigation plans arising out of an insufficiency of drivers trained to drive Class 156 Units where this insufficiency was beyond the reasonable control of the Franchisee; and

(ii) contains a detailed explanation of why the Franchisee believes that any part of such net costs and losses represents the crystallisation of a financial risk that the Franchisee did not agree to bear pursuant to the Project Arcturus arrangements and which it was not able to reasonably mitigate.

Any such report must contain confirmation in writing that it has been prepared by the Franchisee acting in accordance with its duties under clause 5 of this Agreement.

(c) The Secretary of State agrees that he will act reasonably in considering the report of the Franchisee in the context of the negotiation of the Project Arcturus II Solution.

8. **Avantix**

8.1 It is acknowledged that as at the date of the Franchise Agreement the Avantix equipment used by the Franchisee is not expected to be supported beyond 31 August 2016.

8.2 If the Franchise Term is extended by the exercise by the Secretary of State of his rights under Schedule 18 (Additional Reporting Periods), beyond 31 August 2016, the Franchisee shall engage in good faith as soon as reasonably practicable with the Secretary of State with the intention of identifying a value for money and operationally efficient solution either for the continued use of the Avantix equipment for the balance of the Franchise Term or for their replacement. If the conclusion of this process agreed between the Franchisee and the Secretary of State (or in the absence of agreement reasonably directed by the Secretary of State) is either the procurement of replacement devices or the adoption of materially more expensive or less efficient working practices by way of mitigation, then that procurement or adoption shall be implemented as a Variation.

8.3 The obligations on the Franchisee under the Franchise Agreement with regard to the maintenance, repair and replacement of Avantix equipment shall be treated as fulfilled where the Franchise is extended, support for the Avantix equipment is not able to be continued beyond August 2016 on a basis materially consistent with current terms and the Franchisee has complied with its obligations under paragraph 8.2 and then acted in accordance with any Variation under that provision.

2. **Information Provisions**

   **Cancellations Benchmarks**

2.1 At the end of each Reporting Period, the Franchisee shall, in accordance with the relevant requirements of Appendix 3 (Operational Information) to Schedule 13 (Information and Industry Initiatives), report to the Secretary of State:

   (b) the total number of Cancellations and Partial Cancellations in that Reporting Period;

   (c) the total number of Disputed Cancellations and Disputed Partial Cancellations in that Reporting Period;

   (d) the total number of Network Rail Cancellations and Network Rail Partial Cancellations in that Reporting Period; and

2.2 For each Reporting Period, the Secretary of State shall calculate a moving annual average of the Franchisee's performance against the Cancellations Benchmark in accordance with the following formula:

\[
\frac{A + D}{13}
\]

where:
A is ascertained as follows:

\[
\frac{B}{C} \times 100
\]

where:

B is the total number of Cancellations or Partial Cancellations of Passenger Services in that Reporting Period, on the basis that:

(a) a Cancellation shall count as 1;

(b) a Partial Cancellation shall count as 0.5; and

(c) any Cancellations or Partial Cancellations during that Reporting Period which were caused by:

(i) the Franchisee’s implementation of a Service Recovery Plan during that Reporting Period; or

(ii) the occurrence or continuing effect of a Force Majeure Event,

shall, if the Franchisee has complied with paragraph 4, be disregarded in determining such total number;

C is the total number of Passenger Services scheduled to be operated in the Enforcement Plan of the Day for that Reporting Period, disregarding, if the Franchisee has complied with paragraph 4.6, any Cancellations or Partial Cancellations during that Reporting Period which were caused by:

(a) the Franchisee’s implementation of a Service Recovery Plan during that Reporting Period; or

(b) the occurrence or continuing effect of a Force Majeure Event; and

D is the sum of the values of A in each of the 12 preceding Reporting Periods.

2.2A Where there are any Disputed Cancellations and/or Disputed Partial Cancellations at the end of a Reporting Period the Secretary of State shall, for the purpose of performing the calculations referred to in paragraphs 2.2 allocate any Disputed Cancellations and/or Disputed Partial Cancellations between the Franchisee and Network Rail in the proportions of:

A to B

where:

A is the total number of undisputed Cancellations and/or Partial Cancellations (that is, which are not Disputed Cancellations or Disputed Partial Cancellations) from the 12 preceding Reporting Periods including any Disputed Cancellations or Disputed Partial Cancellations which were resolved or determined (and attributed to the Franchisee) during such 12 preceding Reporting Periods; and
B is the total number of undisputed Network Rail Cancellations and/or Network Rail Partial Cancellations (that is, which are not Disputed Cancellations or Disputed Partial Cancellations) from the 12 preceding Reporting Periods including any Disputed Cancellations or Disputed Partial Cancellations which were resolved or determined (and attributed to Network Rail) during such 12 preceding Reporting Periods.

**Capacity Benchmarks**

2.3 At the end of each Reporting Period the Franchisee shall, in accordance with the relevant requirements of Appendix 3 (Operational Information) to Schedule 13 (Information and Industry Initiatives), report to the Secretary of State the total number of Passenger Services in that Reporting Period operated with less than the Passenger Carrying Capacity specified for each such Passenger Service in the Train Plan.

2.4 For each Reporting Period, the Secretary of State shall calculate a moving annual average of the Franchisee's performance against the Capacity Benchmark in accordance with the following formula:

$$\frac{A + D}{13}$$

where:

A is ascertained as follows:

$$\frac{B \times 100}{C}$$

where:

B is the total number of Passenger Services in that Reporting Period operated with less Passenger Carrying Capacity than the Passenger Carrying Capacity specified for each such Passenger Service in the Train Plan, disregarding, if the Franchisee has complied with paragraph 4, any such Passenger Services which were operated in that way as a result of:

(a) the implementation of a Service Recovery Plan during that Reporting Period; or

(b) the occurrence or continuing effect of a Force Majeure Event;

C is the total number of Passenger Services scheduled to be operated in that Reporting Period, disregarding, if the Franchisee has complied with paragraph 4.6, any Passenger Services operated with less Passenger Carrying Capacity than the Passenger Carrying Capacity specified for each such Passenger Service in the Train Plan as a result of:

(a) the implementation of a Service Recovery Plan during that Reporting Period; or

(b) the occurrence or continuing effect of a Force Majeure Event; and

D is the sum of the values of A in each of the 12 preceding Reporting Periods.
2.5 If and to the extent that any Passenger Service is operated with Passenger Carrying Capacity in excess of the Passenger Carrying Capacity specified for that Passenger Service in the Train Plan, the excess capacity shall be disregarded for the purposes of the calculation referred to in paragraph 2.4.

2.6 Any Passenger Service that is the subject of a Cancellation or a Partial Cancellation shall be disregarded altogether for the purposes of the calculations referred to in paragraph 2.4.

**TOC Minute Delay Benchmarks**

2.7 At the end of each Reporting Period the Franchisee shall, in accordance with the relevant requirements of Appendix 3 (Operational Information) to Schedule 13 (Information and Industry Initiatives), report to the Secretary of State:

(a) the total number of Minutes Delay:

   (i) in that Reporting Period attributable to the Franchisee;

   (ii) in that Reporting Period for which the attribution is in dispute between Network Rail and the Franchisee;

   (iii) from the 12 preceding Reporting Periods for which the attribution remains in dispute; and

   (iv) from the 12 preceding Reporting Periods for which disputed attributions have been resolved or determined since the Franchisee's last report pursuant to this paragraph 2.7, and the number of such Minutes Delay attributed to each of the Franchisee and Network Rail as a result of such resolution or determination; and

(b) the aggregate Train Mileage operated in that Reporting Period.

2.8 For each Reporting Period, the Secretary of State shall calculate a moving annual average of the Franchisee's performance against the TOC Minute Delay Benchmark in accordance with the following formula:

\[
\frac{A}{D}
\]

where:

A is the sum of the number of Minutes Delay that are attributable to the Franchisee:

   (i) in such Reporting Period; and

   (ii) in the 12 preceding Reporting Periods;

D is ascertained as follows:

\[
\frac{B}{1000}
\]

Where:
B is the sum of the actual Train Mileage operated by the Franchisee:

(i) in such Reporting Period; and

(ii) in the 12 preceding Reporting Periods.

2.9 In performing the calculation pursuant to paragraph 2.8, the Secretary of State shall disregard any Minutes Delay that are caused by the occurrence or continuing effect of a Force Majeure Event.

2.10 Where the attribution of any Minutes Delay is in dispute between Network Rail and the Franchisee at the end of a Reporting Period the Secretary of State shall, for the purpose of performing the calculation referred to in paragraph 2.8, allocate any disputed Minutes Delay between the Franchisee and Network Rail in the proportions of:

A to B

where:

A is the total number of undisputed Minutes Delay from the 12 preceding Reporting Periods that are attributable to the Franchisee including any disputed attributions which were resolved or determined during such 12 preceding Reporting Periods; and

B is the total number of undisputed Minutes Delay from the 12 preceding Reporting Periods that are attributable to Network Rail including any disputed attributions which were resolved or determined during such 12 preceding Reporting Periods.

2.11 The Franchisee agrees with the Secretary of State to comply with the requirements of the Track Access Agreement in respect of Minutes Delay attribution.

First 12 Reporting Periods of the Franchise Term

2.12 For as long as fewer than 13 Reporting Periods have elapsed following the Start Date, the Secretary of State shall, for the purposes of performing the calculations referred to in paragraphs 2.2, 2.4 and 2.8, assume performance at the Previous Performance Level in respect of the relevant Reporting Periods (up to a maximum of the 12 Reporting Periods) that precede the Start Date.

Calculations

2.13 The Secretary of State shall perform the calculations referred to in paragraphs 2.2, 2.4 and 2.8 rounded to two decimal places, with the midpoint (that is, 11.115) rounded upwards (that is, 11.12).

Notice of Performance Results

2.14 As soon as reasonably practicably after the end of each Reporting Period, the Secretary of State shall notify the Franchisee of the results of the calculations performed pursuant to this paragraph 2.

Meaning of Train Plan

2.15 For the purposes of this Schedule 7.1, Train Plan shall, unless otherwise stated, mean the then current train plan which has been finalised pursuant to paragraph
7.5 of Schedule 1.1 (Service Development) and which includes any amendments thereto:

(a) pursuant to paragraph 3 of Schedule 1.2 (Operating Obligations), where:

(i) such amendments are required as a consequence of Network Rail exercising its rights pursuant to the Track Access Agreement; and

(ii) the Franchisee has complied with the provisions of such paragraph in respect thereof.

3. Not Used

4. Performance Levels

4.1 Not used

Consequences for Poor Performance

4.2 The consequences of the Franchisee's performance exceeding (that is, equalling or being worse than) the Improvement Plan Performance Levels relating to each Benchmark (other than the Capacity Benchmarks) are set out in paragraph 4.5 of this Schedule 7.1.

4.3 The Franchisee shall procure that in each Reporting Period the moving annual average of:

(a) Cancellations and Partial Cancellations (calculated in accordance with paragraph 2.2 of this Schedule 7.1) does not exceed (that is, is neither equal to nor worse than) the Breach Performance Levels and the Default Performance Levels specified in the cells relating to each such Reporting Period in the Cancellations Benchmark Table; and

(b) the Minutes Delay occurring in respect of the Passenger Services which are attributable to the Franchisee (including in accordance with paragraph 2.10) per 1000 Train Miles actually operated (calculated in accordance with paragraphs 2.8, 2.9 and 2.10 of this Schedule 7.1) does not exceed (that is, is neither equal to nor worse than) the Breach Performance Levels and the Default Performance Levels specified in the cells relating to such Reporting Period in the TOC Minute Delay Benchmark Table.

4.4 Certain consequences of the Franchisee's performance exceeding (that is, equalling or being worse than) the Breach Performance Levels and Default Performance Levels relating to each Benchmark (other than the Capacity Benchmarks) are set out in Schedule 10 (Remedies, Termination and Expiry).

Improvement Plans

4.5 If and whenever the Franchisee's performance:

(a) in respect of a Reporting Period, calculated as a moving annual average in accordance with this Schedule 7.1, exceeds (that is, is equal to or worse than) the Improvement Plan Performance Level for any Benchmark (other than the Capacity Benchmarks), the Franchisee shall promptly notify the Secretary of State of that fact; and
4.5 (b) in relation to any Benchmark (other than the Capacity Benchmarks) exceeds (that is, is equal to or worse than) the Improvement Plan Performance Level for that Benchmark for any two consecutive Reporting Periods the Franchise shall:

(i) prepare and provide to the Secretary of State, for his comments, a plan that it proposes to implement to ensure that its future performance does not exceed (that is, is neither equal to or worse than) the Improvement Plan Performance Level (an “Improvement Plan”). The Franchisee shall have due regard to any comments provided by the Secretary of State in relation to the Improvement Plan and may amend the Improvement Plan as may be considered necessary (and consistent with its obligation under this paragraph 4.5(b)(i));

(ii) implement such Improvement Plan; and

(iii) advise the Secretary of State from time to time of the results of the implementation of such Improvement Plan.

4.6 Submission of Records Relating to the Implementation of a Service Recovery Plan

The Franchisee shall, within eight weeks of the end of each Reporting Period for which a Service Recovery Plan has been implemented (or such other period as may be agreed by the Secretary of State), submit to the Secretary of State all the comprehensive records (as more particularly described in the relevant paragraph of the Service Recovery Plan) which relate to the implementation of such Service Recovery Plan during that Reporting Period.

4.7 Delivery of Industry PPM and CaSL targets

(a) The Franchisee shall use reasonable endeavours, working in collaboration with Network Rail, to support delivery of the industry Public Performance Measure (PPM) and Cancellations and Significant Lateness targets (CaSL) (as set by the ORR), including using reasonable endeavours to deliver any other performance trajectories set in relation to industry PPM and CaSL targets.

(b) For the purposes of this paragraph 4.7:

“Cancellations and Significant Lateness (CaSL)” means the measure of the proportion of trains (expressed as a percentage of Passenger Services which are scheduled to be provided under the Plan of the Day) which are cancelled, or arrive Significantly Late at their final scheduled destination measured on the basis that for this purpose, “Significantly Late” means arriving thirty minutes or more after the scheduled public arrival time at destination, as produced and/or published by Network Rail or the Office for Rail Regulation.

“Public Performance Measure” means the public performance measure as produced and/or published by Network Rail and/or the ORR.

**START OF THE FRANCHISE**

The Reporting Period in the cells entitled “Year 1 Period 1” shall be the first Reporting Period of the Franchise Term.
SCHEDULE 7.2

Service Quality Management

1. **Introduction**

   This Schedule 7.2 provides for:

   (a) the Service Quality Management System arrangements to be put in place by the Franchisee for the management and delivery of service quality during the Franchise Term;

   (b) the responsibilities, including auditing, and reporting requirements of the Franchisee;

   (c) the audits that may be carried out by the Secretary of State;

   (d) the right of the Secretary of State to witness any audit carried out by the Franchisee;

   (e) the remedies available to the Secretary of State if the Franchisee underperforms against the measurement criteria set out in the Service Quality Management System; and

   (f) the remedies available to the Secretary of State if the Franchisee fails to submit a Service Quality Plan when required to do so or implement any Service Quality Plan in accordance with its terms.

2. **Service Quality Arrangements**

   **Service Quality Management System**

   2.1 The Service Quality Management System shall:

   (a) be capable of measuring the Franchisee’s compliance with the standards set out in the Service Quality Standards;

   (b) contain distinct benchmarks against which the Franchisee’s performance can be monitored each Reporting Period and any other performance criteria agreed between the parties;

   (c) set out procedures, including in respect of the auditing requirements specified in paragraph 3, for identifying and rectifying failures against those benchmarks; and

   (d) provide details of the resources allocated by the Franchisee, including any contractual arrangements in place, to ensure the provision by it of a level of service quality across the Franchise that is consistent with the level specified in the Service Quality Standards.

   2.2 The Franchisee shall implement the Service Quality Management System in accordance with its terms.

   2.3 The Franchisee shall review the effectiveness of the Service Quality Management System, including the Service Quality Audit Programme, at reasonable intervals.
throughout the Franchise Term (each such interval being no more than 12 months), and propose changes to the Secretary of State as appropriate with a view to ensuring the level of service quality provided across the Franchise is consistent with the level specified in the Service Quality Standards. In considering changes to the Service Quality Audit Programme, the Franchisee shall have regard to the need to maintain a reasonable spread and frequency of audits across the Franchise and across those facilities that are the subject of the Service Quality Standards.

2.4 The prior consent of the Secretary of State (such consent not to be unreasonably withheld) must be obtained to any changes to either the Service Quality Management System or the Service Quality Audit Programme that the Franchisee considers appropriate in order to continue to provide the level of service quality referred to in paragraph 2.3.

Service Quality Plans

2.5 Any Service Quality Plan submitted under paragraph 4.1(e) requires approval by the Secretary of State. The Secretary of State and the Franchisee shall act in good faith to agree the Service Quality Plan and in the event that no such agreement can be reached, the Secretary of State shall reasonably determine the Service Quality Plan.

2.6 The Franchisee shall implement any Service Quality Plan agreed with or determined by the Secretary of State pursuant to paragraph 2.5 in accordance with its terms.

Service Quality at Franchisee Access Stations

2.7 The Franchisee shall:

(a) use all reasonable endeavours to procure, including by:

(i) entering into new agreements with relevant third parties; and/or

(ii) varying existing agreements with relevant third parties; and

(b) enforce any rights it may have under any Access Agreement in respect of any Franchisee Access Station,

in order that any services equivalent to the Franchise Services that are provided by the Facility Owner at any Franchisee Access Station are provided at a level of service quality that is consistent with the level specified in the Service Quality Standards.

3. Auditing

3.1 The Service Quality Audit Programme shall provide for a reasonable spread and frequency of audits across the Franchise and across those facilities that are the subject of the Service Quality Standards in order to ascertain the extent to which the Franchisee is implementing the Service Quality Management System in accordance with its terms.

3.2 The Franchisee shall implement the Service Quality Audit Programme in accordance with its terms.
3.3 The Secretary of State, and his employees and agents on his behalf, shall have the right (at his own cost) to:

(a) witness any audits carried out by the Franchisee under the Service Quality Audit Programme; and

(b) carry out his own independent audits of the extent to which the Franchisee implements the Service Quality Management System in accordance with its terms, in addition to any further independent audits he may carry out pursuant to paragraph 1.8 of Schedule 10.1 (Remedial Plans and Remedial Agreements).

3.4 The Franchisee shall cooperate with the Secretary of State, and his employees and agents on his behalf, in permitting the Secretary of State to exercise his rights under paragraph 3.3.

3.5 The Secretary of State shall use all reasonable endeavours to ensure that the persons employed in undertaking independent audits, carry out such audits diligently and objectively.

3.6 The Secretary of State shall use all reasonable endeavours to notify the Franchisee of the result of any independent audit that is undertaken within any Service Quality Reporting Period no later than the last day of such Service Quality Reporting Period where any such audit is conducted five days or more prior to the last day of such Service Quality Reporting Period. Otherwise, the Secretary of State shall notify the Franchisee as soon as reasonably practicable thereafter.

3.7 The Franchisee shall grant such access to the facilities under its control as is necessary to enable the Secretary of State and the Secretary of State’s employees and agents on his behalf to witness any audits conducted by the Franchisee pursuant to the Service Quality Audit Programme and exercise his independent audit rights under paragraph 3.3(b).

3.8 In carrying out any independent audit, or witnessing any audits conducted by the Franchisee pursuant to the Service Quality Audit Programme, the Secretary of State shall, subject to paragraph 3.9, ensure that his employees or agents:

(a) are appropriately trained and briefed with respect to any location-specific safety rules and regulations; and

(b) obey any location-specific rules and regulations in respect of security and access.

3.9 The Franchisee shall provide notice from time to time of current location-specific access, security and safety rules and regulations to the Secretary of State, his employees or agents for the purpose of ensuring that the Secretary of State, his employees and agents can carry out the Secretary of State’s auditing rights in an efficient, secure and safe manner.

4. Reporting Arrangements for the Franchisee

4.1 The Franchisee shall:

(a) calculate its performance every Reporting Period as a moving annual average against the benchmarks set out in the System Quality Management System taking account of the results of any independent audits referred to in paragraphs 5.4 and 5.5;
(b) self-certify the extent of its compliance against those benchmarks to the Secretary of State no later than seven days after each Service Quality Reporting Period, disaggregating the results of its performance by Service Group where required to do so from time to time by the Secretary of State;

(c) promptly provide to the Secretary of State, following his request, copies of the records of any of the audits carried out pursuant to the Service Quality Audit Programme;

(d) promptly notify the Secretary of State if and whenever its performance in any Reporting Period in respect of any standard set out in the Service Quality Standards, when expressed as a moving annual average, is worse than the benchmark relating to that standard; and

(e) promptly submit to the Secretary of State a Service Quality Plan where it is required to notify the Secretary of State under paragraph 4.1(d).

4.2 Each Service Quality Plan shall detail:

(a) the benchmark and standard in respect of which it has been submitted;

(b) the remedial actions that the Franchisee intends to take, including the resources it intends to allocate, in order to ensure that its future performance in respect of that standard is once again better than that benchmark; and

(c) the anticipated time it will take to achieve the objective referred to in paragraph 4.2(b).

5. Remedies Available to the Secretary of State

Contraventions

5.1 It shall be a contravention of the Franchise Agreement if:

(a) the Franchisee fails to implement the Service Quality Audit Programme in accordance with its terms;

(b) the Franchisee is required to notify the Secretary of State pursuant to paragraph 4.1(d);

(c) the Franchisee fails to submit a Service Quality Plan in accordance with paragraph 4.1(e);

(d) the Franchisee fails to implement a Service Quality Plan in accordance with its terms; or

(e) there are material discrepancies which are favourable to the Franchisee between the results of any audit carried out pursuant to the Service Quality Audit Programme and the results of any independent audit relevant to it except where the Franchisee can demonstrate to the reasonable satisfaction of the Secretary of State that the results of that independent audit are inaccurate.

5.2 Without prejudice to the provisions of paragraph 2.11 of Schedule 10.3 (Events of Default and Termination Events), no Event of Default shall have occurred if any of the circumstances referred to in paragraph 5.1 occur.
**Results of independent audits**

5.3 Subject to paragraph 5.5, the results of any independent audits that are carried out in specific response to the occurrence of any of the circumstances described in paragraphs 5.1(a) to 5.1(d) inclusive shall be included in the calculation pursuant to paragraph 4.1(a) of the Franchisee’s performance against the relevant benchmarks in the Service Quality Management System.

5.4 Subject to paragraph 5.5, the results of any independent audits that are carried out in specific response to the occurrence of the circumstance described in paragraph 5.1(e) shall be substituted for the results of any corresponding audit carried out pursuant to the Service Quality Audit Programme in the calculation pursuant to paragraph 4.1(a) of the Franchisee’s performance against the relevant benchmarks in the Service Quality Management System.

5.5 Only the results of those independent audits:

1.2 The Franchisee shall notify the Secretary of State upon becoming aware that any Track Access Adjustment is to be made and shall supply such information as the Secretary of State may require in relation thereto. The Franchisee shall exercise its rights under the Track Access Agreement in such manner and take such other action as the Secretary of State may reasonably require in connection with any related payment thereunder (including in relation to any agreement of the amount of any such payment and including submitting any relevant dispute to any relevant dispute resolution procedures). 1.4 If no value is ascertained for "W" or "GCA" prior to the date on which the Franchise Payment for the relevant Reporting Period is determined, then a Track Access Adjustment shall only be determined to the extent such values can be ascertained at such time and, when such values are subsequently ascertained, adjustment shall be made to reflect the full Track Access Adjustment for such Reporting Period.
1.5 The values of “W” and “GCA” when used in the computation in paragraph 1.1 shall be taken to exclude any input Value Added Tax which is recoverable in respect of the payments they represent by the Franchisee under Sections 24 to 26 of the Value Added Tax Act 1994.

Period shall be the sum of the Station Charge Adjustment as determined for each such period.

2.2 The Franchisee shall notify the Secretary of State upon becoming aware that any Station Charge Adjustment is to be made and shall supply such information as the Secretary of State may require in relation thereto. 2.5 The value of “L” when used in the computation in paragraph 2.2 shall be taken to exclude any input Value Added Tax which is recoverable in respect of the payments they represent by the Franchisee under Sections 24 to 26 of the Value Added Tax Act 1994.

2.6 For the purposes of this paragraph 2, Independent Station shall mean, at any time, any station of which Network Rail is the Facility Owner at that time.

2.7 References in this paragraph 2 to “Lt”, Condition F11.2 of the Station Access Conditions entitled “National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)” and Condition 42.3 of the Independent Station Access Conditions shall be deemed also to be references to such other provisions, and such other algebra under any such other provisions, of any relevant station access conditions as the Secretary of State may reasonably consider have an equivalent effect, or are intended to fulfil the same function as, “Lt” and Condition F11.2 of the Station Access Conditions entitled “National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)” and Condition 42.3 of the Independent Station Access Conditions which are in effect on the Start Date.

Schedule 9.2: Identity of the Financial Model etc.

Schedule 9.3: Not used

Schedule 9.4: Not used

Schedule 9.5: Variations and Incentivising Beneficial Changes
1. **Purpose and Application of Schedule**

1.1 This Schedule 9.1 sets out:

(a) the circumstances in which the occurrence of a Change will result in an adjustment to the Franchise Payments and/or the Benchmarks and whenever in Schedule 9 reference is made to “adjustment to Franchise Payments” such reference shall be construed to include (unless the context otherwise requires) the restatement of the values FPST, SPST, TPST and FoPST as specified in respect of each Franchise Year in paragraphs 1, 2, 3 and 4 (respectively) of Appendix 1 to Schedule 8.1 (Franchisee Payments) (“Profit Share Components”); and

(b) the process by which that adjustment to the Franchise Payments and/or the Benchmarks will be determined and effected; and

(c) provisions dealing with the responsibility for costs incurred by the Franchisee in connection with any audit of the Run of the Financial Model and its results.

1.2 Schedule 9.2 (Identity of the Financial Model etc.) contains provisions dealing with the Financial Model which are relevant to the operation of this Schedule 9.1.

1.3 This Schedule 9.1 shall apply in relation to a Change where:

(a) there are good reasons for considering that that Change will be a Qualifying Change or, with other Changes, part of an Aggregated Qualifying Change; and

(b) the required notice(s) has/have been given in accordance with paragraph 1.4 (or the parties have agreed that this Schedule 9.1 will apply and there should be a Run of the Financial Model and/or a review of the Benchmarks even though the required notices have not been given).

1.4 The notice requirements are:

(a) subject to paragraph 1.4(b), a party must have notified the other that it considers that the Change will be a Qualifying Change and that it requires a Run of the Financial Model and/or a review of the Benchmarks in respect of that Change:

(i) within 6 months of the notification or agreement of that Change if it is a Variation pursuant to paragraph 1.1 of Schedule 9.5 (Variations and Incentivising Beneficial Changes); or

(ii) within 6 months of becoming aware of it, if it is any other type of Change; and
in the case of an Aggregated Qualifying Change, a party must have notified the other:

(i) after an individual Change occurs, within the time limits stated in 1.4(a)(i) or 1.4(a)(ii), that it reserves the right to count that Change towards an Aggregated Qualifying Change; and

(ii) within 6 months of the occurrence of the last Change which that party considers will trigger an Aggregated Qualifying Change, that the party requires a Run of the Financial Model and/or a review of the Benchmarks in respect of the Changes comprised in that Aggregated Qualifying Change. The notice must identify each of the Changes included in the Aggregated Qualifying Change.

1.5 References in the remainder of this Schedule 9.1 and in Schedule 9.2 (Identity of the Financial Model etc.) to a “Change” are to a Change in respect of which the requirements in paragraph 1.3 have been satisfied.

1.6 Appendix 1 (Summary Flow Chart) to this Schedule 9.1 contains a flow chart summary of the process described in this Schedule 9.1. This is for guidance only and if there are any inconsistencies between this flow chart and any other of the contents of Schedule 9 (Changes and Variations), the latter shall apply.

2. Timescales

2.1 Where this Schedule 9.1 applies, any resulting restatement of the Annual Franchise Payment Components, the Profit Share Components and/or the Benchmarks (as applicable) shall be made in accordance with this Schedule:

(a) where it is reasonably practicable to do so, at least three Reporting Periods prior to the Change; or

(b) where the timescale in 2.1(a) is not reasonably practicable, as soon as reasonably practicable after that.

2.2 If paragraph 2.1(b) applies and it is not reasonably practicable for the restatement of the Annual Franchise Payment Components and the Profit Share Components to be made before the Change occurs, then paragraph 9 (Estimated Revisions) shall apply.

3. How any adjustments to Franchise Payments will be established

The adjustments, if any, to the Franchise Payments to be made in respect of any Change shall be established by:

(a) establishing those Model Changes and/or Revised Inputs required to take account of the Change; then

(b) applying those Model Changes and/or Revised Inputs to the Financial Model before performing a Run of the Financial Model to generate the New Results; then

(c) restating the Annual Franchise Payment Components and the Profit Share Components, by, in each case, substituting the New Results for the Old Results (so that, to the extent that the New Results and the Old Results are different, this will result in an adjustment to the Franchise Payments),
in each case, subject to and in accordance with the terms more particularly described in this Schedule 9.1.

4. **How Model Changes and/or Revised Inputs will be established**

4.1 The parties shall agree or the Secretary of State shall reasonably determine the Revised Inputs and (if any) the Model Changes.

4.2 Revised Inputs means:

   (a) the data that the Financial Model utilised in order to produce the Old Results, as such data is recorded in the Financial Model released by the Secretary of State pursuant to either of paragraphs 2.1(d) or 2.2 of Schedule 9.2 (Identity of the Financial Model etc.) for the purposes of the Run of the Financial Model; but

   (b) amended, whether by way of increase, reduction or other alterations to such data, (if at all) only as the parties may agree or the Secretary of State may reasonably determine is required by the provisions of Appendix 2 to this Schedule 9.1 in respect of a Change.

4.3 **Model Changes** means: any changes that the parties may agree or the Secretary of State may reasonably determine are required to the Financial Model and/or the Operational Model, as released by the Secretary of State pursuant to either of paragraphs 2.1(d) or 2.2 of Schedule 9.2 (Identity of the Financial Model etc.), for the purposes of the Run of the Financial Model, as a consequence of and in order to give effect to the Revised Inputs.

4.4 The Secretary of State shall provide a written statement of the Revised Inputs and any Model Changes to the Franchisee for the purposes of paragraph 6 promptly after they have been agreed or determined.

5. **Changes to Benchmarks**

5.1 This paragraph 5 shall apply if either party has given notice to the other that it considers that a Change has or will have, in that party’s reasonable opinion, a material effect on the risk of the Franchisee failing to satisfy the requirements of any Benchmark (whether in terms of increasing or reducing that risk).

5.2 Any notice pursuant to paragraph 5.1 shall be given as soon as reasonably practicable and in any event before the parties have agreed or the Secretary of State has reasonably determined the Revised Inputs in respect of the Change.

5.3 Where this paragraph 5 applies, the relevant Benchmarks shall be revised to the extent that such revision is reasonably considered to be appropriate to hold constant the risk of the Franchisee failing to satisfy the requirements of that Benchmark. The parties shall agree or the Secretary of State shall reasonably determine any such revision(s).

5.4 For the purposes of any revision to the Benchmarks under this paragraph 5, regard may be had to:

   (a) any relevant assumptions in the Record of Assumptions; and/or

   (b) the contents of an Operational Model; and/or

   (c) any other information,
to the extent they are relevant to the consideration of whether a revision is reasonably considered to be appropriate to take account of the Change.

6. **Run of the Financial Model following agreement or determination of the Revised Inputs and Model Changes**

6.1 When the Revised Inputs and Model Changes (if any) are agreed or determined there shall be a Run of the Financial Model.

6.2 The Run of the Financial Model shall be performed after making any Model Changes and utilising the Revised Inputs and shall be performed by:

(a) the Franchisee promptly on receiving notification of the Revised Inputs and any Model Changes from the Secretary of State pursuant to paragraph 4.4 or within such period of time as the Secretary of State shall reasonably determine; or

(b) the Secretary of State if the Franchisee fails to do so. In these circumstances, the Franchisee shall reimburse to the Secretary of State the Secretary of State's costs of performing the Run of the Financial Model.

6.3 The party that performs the Run of the Financial Model pursuant to paragraph 6.2 shall provide the non-performing party with a reasonable opportunity to be in attendance and shall promptly notify such other party of the New Results.

6.4 Where there is more than one Change, Runs of the Financial Model in respect of such Changes shall (unless otherwise agreed or the Secretary of State reasonably determines) be undertaken in the order in which such Changes occur. For this purpose, the order of occurrence will be determined by reference to the earliest date from which the Franchise Payments are reasonably expected to require adjustment as a result of the restatement of the Annual Franchise Payment Components triggered by a Change. This will be as agreed between the parties or in the absence of agreement be reasonably determined by the Secretary of State.

7. **Certification or Audit of the New Results**

7.1 The Secretary of State, as soon as reasonably practicable after receiving or generating the New Results pursuant to paragraph 6.2, shall either:

(a) certify to the Franchisee his approval of the New Results; or

(b) notify the Franchisee that he requires the Run of the Financial Model and its results to be audited by an independent auditor appointed by the Secretary of State with the approval (not to be unreasonably withheld) of the Franchisee.

7.2 For purposes of paragraph 7.1, the requirement for an audit is one that requires the auditor either to certify:

(a) that the New Results have been produced by applying the Revised Inputs (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4) to the Financial Model after making the Model Changes (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4); or

(b) the New Results themselves, by itself applying the Revised Inputs (as provided to the Franchisee by the Secretary of State pursuant to
paragraph 4.4) to the Financial Model after making the Model Changes (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4).

7.3 The parties shall procure that any auditor is, as soon as reasonably practicable after his appointment, able to discharge the audit requirements.

7.4 The results as certified by the Secretary of State pursuant to paragraph 7.1 or by the auditor pursuant to paragraph 7.2 shall be final and binding on the parties, except in the case of manifest error.

7.5 The Secretary of State may stipulate (on or before the date on which the Secretary of State approves or the auditor certifies the results of the Run of the Financial Model) in respect of a Change that the restated Annual Franchise Payment Components are to apply for a limited period of time only (the “Initial Period”), with provision thereafter, if appropriate, for a further Run of the Financial Model with new Revised Inputs and/or Model Changes based on information available at that time.

8. **Restatement of Annual Franchise Payment Components, the Profit Share Components and/or Benchmarks**

8.1 When the New Results have been certified by the Secretary of State or the auditor in accordance with paragraph 7 then:

(a) if:

(i) there is any difference between the Old Results and the New Results; and

(ii) the New Results are such that the Change:

(1) meets the criteria for a Qualifying Change; or

(2) with other Changes meets the criteria for an Aggregated Qualifying Change,

the Annual Franchise Payment Components and the Profit Share Components shall be restated in the amounts of the New Results; and

(b) if any changes to the Benchmarks have been agreed or determined in accordance with paragraph 5, the Benchmarks shall be restated to give effect to those changes.

8.2 Subject to paragraph 8.3, the restatement of the Annual Franchise Payment Components and the Profit Share Components shall have effect on and from the date on which the Secretary of State or the auditor certifies the results of the Run of the Financial Model.

8.3 If and to the extent that:

(a) the application of the New Results in respect of the then current or any earlier Franchisee Year would, result in any change to the amount of any payments already made between the Secretary of State and the Franchisee; and
(b) that change in payments is not already taken into account in any Reconciliation Amount payable pursuant to paragraph 9.9,

then a reconciliation payment shall be paid by the Franchisee or the Secretary of State (as the case may be). The payment shall be made on the first Payment Date which falls more than seven days after agreement or determination of the amount of the reconciliation payment required (or if there is no such Payment Date, within 14 days after such agreement or determination).

9. **Estimated Revisions**

9.1 This paragraph 9 applies where there is or is to be a Change before there is a Run of the Financial Model in respect of it. It provides a mechanism for interim adjustments in Franchise Payments pending the final agreement or determination of those adjustments under this Schedule.

9.2 Where this paragraph 9 applies, the Secretary of State shall make the Estimated Revisions described in paragraph 9.3:

(a) if the Franchisee requests the Secretary of State to do so at the same time as requesting a Run of the Financial Model in respect of the Change under paragraph 1.4; or

(b) if the Secretary of State otherwise agrees or chooses (in his discretion) to do so.

9.3 The estimated revisions are the Secretary of State's estimates of the New Results which will apply once the process in paragraphs 4 - 8 of this Schedule 9.1 has been completed in respect of the Change (the "**Estimated Revisions**"). For the avoidance of doubt, Revised Inputs are not made in order to generate or take account of the Estimated Revisions.

9.4 The estimates referred to in paragraph 9.3 will be such estimates as the Secretary of State, acting reasonably, makes having regard to the time and the information available to him at the time the estimates fall to be made provided always that it is acknowledged that:

(a) the purpose of the estimates is to enable some provision to be made in respect of adjustments to the Annual Franchise Payment Components and the Profit Share Components before full information about the Change is available and/or full consideration of the nature and extent of Revised Inputs and/or Model Changes has been undertaken;

(b) it may not be reasonably practicable in all circumstances for the Secretary of State to take into account in such an estimate all actual or potential impacts of a Change. Where the Secretary of State is aware that there are any such actual or potential impacts which he has not taken into account, he shall notify the Franchisee of them when notifying the Estimated Revisions pursuant to paragraph 9.2; and

(c) the Secretary of State shall be entitled to adjust any Estimated Revision notified pursuant to paragraph 9.2 to the extent he reasonably considers appropriate if at any time:

(i) the Secretary of State becomes aware of any new or revised information which would, if it had been available to him at the
time he made his original estimate, have resulted in him making a different Estimated Revision; and

(ii) it is reasonable to revise the Estimated Revision having regard to the likely period of delay prior to the Run of the Financial Model in respect of the relevant Change.

9.5 In the circumstances described in paragraph 9.2 and paragraph 9.4(c) the Annual Franchise Payment Components and the Profit Share Components shall be restated in the amounts and values of the Estimated Revisions, and Franchise Payments shall be paid accordingly until the Run of the Financial Model has taken place and its results have been put into effect.

9.6 The Secretary of State shall use all reasonable endeavours to notify the Franchisee of the Estimated Revisions required by paragraph 9.2 at least two Reporting Periods before he considers the Change is likely to occur. If, having exercised all reasonable endeavours, the Secretary of State cannot provide two Reporting Periods' notice, he shall provide such notification as soon as reasonably practicable afterwards.

9.7 The restatement of the Annual Franchise Payment Components and the Profit Share Components referred to in paragraph 9.5 shall have effect on and from:

(a) the date on which the Secretary of State notifies the Franchisee of the Estimated Revisions; or

(b) such other date as the Secretary of State, acting reasonably, may notify the Franchisee as the date on which the Secretary of State considers the Estimated Revisions should reasonably take effect, consistent with the matters taken into account by the Secretary of State in estimating the Estimated Revisions.

9.8 No estimate made by the Secretary of State pursuant to this paragraph 9 shall prejudice the Secretary of State's subsequent determination of any Revised Input or Model Change pursuant to paragraph 4.

9.9 Subject to paragraph 9.10, where adjustments to Franchise Payments (including for these purposes any profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments) have resulted from the operation of paragraph 9.5. then, as soon as reasonably practicable after the certification of the New Results following the related Run of the Financial Model, the parties shall agree or the Secretary of State shall reasonably determine the difference (the “Reconciliation Amount”) between:

(a) the total amount of Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) paid or to be paid to which adjustments have been made pursuant to the operation of paragraph 9.5; and

(b) the total amount of the Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)), as determined by that Run of the Financial Model, in respect of the same period as the period over which the adjusted Franchise Payments (including for these purposes the profit share payments) referred to in paragraph 9.9(a) have been paid/or are to be paid.
9.10 If a Change is agreed or determined not to be a Qualifying Change or not to be part of an Aggregated Qualifying Change with or without any Run of the Financial Model having been performed, the Reconciliation Amount shall be the total amount of the adjustments to Franchise Payments (including the profit share payments referred to in paragraph 9.9) which have resulted from the operation of paragraph 9.5.

9.11 The Reconciliation Amount shall be paid:

(a) by the Franchisee to the Secretary of State where the Estimated Revisions resulted in an overpayment of Franchise Payments by the Secretary of State to the Franchisee or an underpayment of Franchise Payments and/or profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments) by the Franchisee to the Secretary of State compared with:

(i) the amount of the Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) described in paragraph 9.9(b); or

(ii) where paragraph 9.10 applies, the amount of the unrestated Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) over the same period; and

(b) by the Secretary of State to the Franchisee where the Estimated Revisions resulted in an underpayment of Franchise Payments by the Secretary of State to the Franchisee or an overpayment of Franchise Payments and/or profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments) by the Franchisee to the Secretary of State compared with:

(i) the amount of the Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) described in paragraph 9.9(b); or

(ii) where paragraph 9.10 applies, the amount of the unrestated Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) over the same period.

In either case, such payment shall be made on the first Payment Date after agreement or determination (or if none, within 14 days after such agreement or determination).

10. Information

The Franchisee shall promptly, having regard to the other timescales anticipated in this Schedule 9.1, provide to the Secretary of State such information as the Secretary of State may request for the purpose of enabling the Secretary of State to exercise his rights and comply with his obligations pursuant to this Schedule 9.1.

11. Costs

11.1 This paragraph deals with the costs incurred by the Franchisee in connection with any audit required by the Secretary of State pursuant to paragraph 7.
11.2 The costs of any audit required under paragraph 7.1(b) shall be met by the Secretary of State subject to the following:

(a) the costs of the audit shall be met entirely by the Franchisee:

(i) not used; and

(ii) in the case of a Change falling within any of the following subparagraphs within the definition of Change:

(A) an event set out in any Secretary of State Risk Assumption specified in Schedule 9.3 (Secretary of State Risk Assumptions); and

(B) a Charge Variation; and

(b) where paragraph 11.2(a) does not apply, the Secretary of State shall only be responsible for the reasonable costs of the Franchisee in connection with the audit, and the Franchisee shall comply with the Secretary of State's reasonable directions in connection with the audit which may include a requirement for a competitive tender for the appointment of the auditor.

APPENDIX 2 TO SCHEDULE 9.1

Agreement or Determination of Revised Inputs

1. The parties shall agree or the Secretary of State shall reasonably determine the Revised Inputs that are required in respect of a Change:

   (a) on the basis of the general adjustments and/or assumptions referred to in paragraph 2;

   (b) on the basis of the assumptions in the Record of Assumptions as added to and/or amended (if at all) in accordance with paragraph 3;

   (c) so as to provide for Traction Electricity Charges in accordance with paragraph 4;

   (d) so as to provide for profit in accordance with paragraph 5; and

   (e) so as to give effect to the provisions of paragraph 6 in relation to indexation,

   provided that if there is any inconsistency between the assumptions in the Record of Assumptions described in paragraph (b) above and any other of the requirements of this paragraph 1, those other requirements shall prevail, unless the Secretary of State (acting reasonably) otherwise elects.

2. General Adjustments/Assumptions

2.1 Revised Inputs are to be agreed between the parties or reasonably determined by the Secretary of State on the basis that:

   (a) any increase in costs relating to a Change; and/or

   (b) any reduction in revenues relating to a Change,

   that is attributable to any activities, actions or omissions of the Franchisee which are not permitted under, or would otherwise constitute a contravention of, the terms of the Franchise Agreement, is to be disregarded.

2.2 Revised Inputs are to be agreed between the parties or reasonably determined by the Secretary of State on the basis that:

   (a) any reduction in costs relating to a Change; and/or

   (b) any increase in revenues relating to a Change,

   that is attributable to any activities, actions or omissions of the Franchisee which are not permitted under, or would otherwise constitute a contravention of, the terms of the Franchise Agreement, is to be taken into account.

2.3 Revised Inputs are also to be agreed between the parties or reasonably determined by the Secretary of State on the basis that:

   (a) the Franchisee will use all reasonable endeavours to:
reduce any costs that may arise or income that may be foregone; and

(ii) increase any revenue that may arise and avoid any cost that may be avoided,

as a consequence of a Change; and

any requirement for borrowing in respect of Capital Expenditure by the Franchisee is dealt with in accordance with paragraph 2 of Schedule 9.5 (Variations and Incentivising Beneficial Changes).

2.4 Where and as directed to do so by the Secretary of State (acting reasonably) the Franchisee shall undertake one or more competitive tendering exercises for the purposes of ascertaining the likely level of any costs relating to a Change which are relevant to a Revised Input.

3. Assume in the Record of Assumptions

3.1 The parties shall (unless to do so would be contrary to paragraph 2) agree or the Secretary of State shall reasonably determine Revised Inputs that are in accordance with the assumptions that are contained in the Record of Assumptions, as added to or modified pursuant to paragraph 3.2 or paragraph 3.3.

3.2 Where the Secretary of State reasonably considers that the assumptions contained in the Record of Assumptions are ambiguous or that additional assumptions are required in relation to circumstances not dealt with by the assumptions in the Record of Assumptions, the parties shall agree or the Secretary of State shall reasonably determine the assumptions or additional assumptions to be utilised for this purpose.

3.3 Where the Secretary of State reasonably considers that:

(a) a Change is likely to result in an increase in either or both of the costs of the Franchisee and the revenues of the Franchisee; and

(b) an assumption relevant to the Change contained in the Record of Assumptions does not accord with what would be achievable by, or experienced by, an economic and efficient franchisee,

then the parties shall agree or the Secretary of State shall reasonably determine a modification to the assumption so that, as modified, it does accord with what would be achievable by, or experienced by, an economic and efficient franchisee.

4. Traction Electricity Charges

4.1 This paragraph 4 applies only in relation to Charge Variations.

4.2 In agreeing or determining Revised Inputs, no adjustment shall be made in respect of a Charge Variation to the extent that Charge Variation relates, directly or indirectly and however it may be effected, to the Traction Electricity Charge payable by the Franchisee pursuant to any Track Access Agreement. For this purpose (and subject to clause 1.1(l) of this Franchise Agreement), the Traction Electricity Charge is the component of the Track Charges (as defined in the Track Access Agreement) identified as such in any Track Access Agreement or any similar arrangement under which the Franchisee pays for traction current consumed by rolling stock vehicles operated by or on behalf of the Franchisee.
5. **Revised Input for Profit**

5.1

(a) Where a Change is forecast to result in an increase to the Franchisee's revenue in a Franchisee Year, the parties shall agree or the Secretary of State shall reasonably determine Revised Inputs in relation to profit that provide for an increase in the amount of profit in any Franchisee Year equal to the forecast increase in revenue for that Franchisee Year; and/or

(b) Where a Change is forecast to result in a reduction in the Franchisee's revenue in a Franchisee Year, the parties shall agree or the Secretary of State shall reasonably determine Revised Inputs in relation to profit that provide for a decrease in the amount of profit in any Franchisee Year equal to the lower of:

(i) the percentage specified in paragraph 5.1(a); or

(ii) the average profit margin percentage in the current Business Plan for the remaining Franchise Term, of the forecast reduction in revenue for that Franchisee Year.

5.2 In agreeing or determining Revised Inputs in relation to profit in respect of any Change, the parties or the Secretary of State shall effect such change (if any) in the amount attributable to profit in paragraph 5.1 as they agree or the Secretary of State reasonably determines to reflect:

(a) the risk for the Franchisee in continuing to operate the Franchise on the terms of the Franchise Agreement after and as a result of the Change; and

(b) the likelihood of:

(i) material benefit from such Change arising after expiry of the Franchise Term; and

(ii) material detriment from such Change arising prior to the expiry of the Franchise Term.

5.3 In agreeing or determining Revised Inputs for the purposes of any Protected Proposal, the parties or the Secretary of State shall effect such change (if any) to the amount attributable to profit as they agree or the Secretary of State reasonably determines:

(a) fairly rewards the Franchisee for proposing the Protected Proposal; and

(b) reasonably incentivises the Franchisee to propose further Protected Proposals

by sharing with the Franchisee a reasonable amount of the additional profit that is expected to arise from implementing the Protected Proposal.

5.4 The Annex (Incentivising Long Term Investment) to this Appendix 2 sets out the Secretary of State's guidance on how he approaches incentivising long term investment.

6. **Indexation**

   In agreeing or determining Revised Inputs, the parties shall apply the following principles in connection with indexation. For each relevant item of data in the Financial Model in respect of which a Revised Input is agreed or determined to be required:

   (a) the parties shall agree or the Secretary of State shall reasonably determine, having regard to the particular facts of the Change, the base date at which that item is priced; and

   (b) that item shall be deflated by reference to the original base date and index (if any) relevant to that item in the Financial Model.

7. **Route Efficiency Benefit Share Mechanism**

   No Revised Inputs will be made to reflect:

   (a) any amount payable by or to the Franchisee in respect of Route Efficiency Benefit Share; or

   (b) any change in the basis on which Route Efficiency Benefit Share is calculated or is to be paid (including any change which may require amounts in respect of Route Efficiency Benefit Share to be payable by as well as payable to the Franchisee).

   For this purpose (and subject to clause 1.1(l) of this Franchise Agreement), Route Efficiency Benefit Share is the component of Track Charges (as defined in the Track Access Agreement) identified as such in any Track Access Agreement or similar arrangement under which benefits of any outperformance of efficiency targets (or risk of failure to achieve efficiency targets) are to be shared between Network Rail and train operators.
ANNEX TO APPENDIX 2 TO SCHEDULE 9.1

Incentivising Long Term Investment

This Appendix sets out the Secretary of State's guidance on how he approaches incentivising long term investment.

1. The Secretary of State wishes to encourage the Franchisee to:
   
   (a) improve the efficiency;
   
   (b) reduce the cost; and
   
   (c) enhance the revenue earning potential of the delivery of services to passengers,

   from the commencement of the Franchise, through the Franchise Term and into the successor franchises.

2. It is recognised however, that the Franchise Term may be perceived to be a barrier to undertaking investment or change programmes where:
   
   (a) the time scale for implementation limits the benefit to the Franchisee; or
   
   (b) the business case for such investment or change has a payback period longer than the Franchise Term.

3. In this context investment or change may be considered to encompass:
   
   (a) capital investments undertaken solely by the Franchisee;
   
   (b) capital investments undertaken by the Franchisee in association with others;
   
   (c) total or partial substitution of certain train services by bus services where an enhanced service level could be provided for reduced cost or where the provision of bus services improves the overall capacity of the network or delivers other benefits;
   
   (d) changes in working practices of the Franchisee's employees;
   
   (e) changes in the contracted roles and responsibilities between the Franchisee and its major suppliers; and
   
   (f) operational changes.

4. Accordingly, the Franchisee is encouraged to propose schemes that seek to achieve the objectives set out in paragraph 1 for consideration by the Secretary of State during the Franchise Term.

5. In considering the Franchisee's proposals for any investment or change proposed to be undertaken, the Secretary of State will recognise:
   
   (a) the capital cost and proposed payment profile;
(b) legitimate costs of the Franchisee in developing, procuring, delivering and project managing the project;

(c) the life of any capital assets and the duration of the benefits stream arising;

(d) the remaining Franchise Term and the projected payback period;

(e) the benefits associated with undertaking the investment early rather than waiting until the Franchise is re-let;

(f) the risks of cost overrun or under performance of the projected benefits;

(g) a profit element for undertaking the project commensurate with the risks of the proposed project; and

(h) alternative benefit sharing arrangements which could be based on:

(i) a capital lump sum when the expenditure is incurred;

(ii) an enhanced Franchise Payment over the Franchise Term;

(iii) a balloon payment on expiry of the Franchise which allocates a proportion of future benefits to the Franchisee;

(iv) an ongoing payment if the benefits materialise after the Franchise Term; and/or

(v) any combination of any of paragraphs 5(h)(i) to 5(h)(iv) inclusive.

6. In evaluating the Franchisee's proposals for any investment or change proposed to be undertaken and to enable best value for money to be obtained from third party financiers, the Secretary of State shall also give consideration to the appropriateness of the provision, by the Secretary of State, of an undertaking (or other form of comfort) pursuant to Section 54 of the Act.
Schedule 9.2

Following the making of such a new copy of the Escrow Documents, the Secretary of State shall retain all copies of the Escrow Documents in accordance with paragraph 2.1(b);

(d) within seven days of receipt of a notice from the Franchisee stating that the Escrow Documents are required for the purposes of a Run of the Financial Model in relation to any Change, or should the Secretary of State himself so decide that the Escrow Documents are required by the Franchisee or by the Secretary of State for such purposes release one copy of the Escrow Documents accordingly and retain one copy of the Escrow Documents in escrow in accordance with paragraph 2.1(b);

(e) maintain a record of any release of any copy of any version of the Escrow Documents made, including details of any version released and the date of release as well as the identity of the person to whom the Escrow Documents are released;

(a) such failure to perform or to return the released copy to the Secretary of State shall be a contravention of the Franchise Agreement;

(b) the Secretary of State may release the other copy of the Escrow Documents Placed in Escrow and take a copy thereof (the “Replacement Copy”) in order that the Secretary of State may perform a Run of the Financial Model pursuant to paragraph 6.2(a) of Schedule 9.1 (Financial and Other Consequences of Change);

(c) once copied, the second copy of the Escrow Documents released pursuant to this paragraph 2.2 shall be Placed in Escrow; and

3. Errors in Escrow Documents

3.1 Any feature of the Escrow Documents which is in the reasonable opinion of the Secretary of State an error will be addressed as follows:

(a) if rectification of such an error would (as the case may be) over the Franchise Term result in a net increase in the amount of Franchise Payments payable by the Secretary of State to the Franchisee or a net decrease in the amount of Franchise Payments payable by the Franchisee to the Secretary of State then such error shall be rectified provided that there shall not be a restatement of the values of the Annual Franchise Payment Components and the Profit Share Components;

(b) if rectification of such an error would (as the case may be) over the Franchise Term result in a net decrease in the amount of Franchise Payments payable by the Secretary of State to the Franchisee or a net increase in the amount of Franchise Payments payable by the Franchisee to the Secretary of State then such error shall be rectified and the values of the Annual Franchise Payment Components and the Profit Share Components shall be restated where appropriate;

SCHEDULE 9.5

Variations and Incentivising Beneficial Changes

1. Variations to the Franchise Agreement and incentivising beneficial Changes

1.1 The terms of the Franchise Agreement may be varied as follows but not otherwise:

(a) by the Secretary of State as contemplated (where relevant) in the Request for Proposal, in relation to:

   (i) any aspect of the Franchise Services; and/or
   (ii) any provision of the Franchise Agreement other than those provisions specified in paragraph 1.2,

   by service of a notice on the Franchisee referring to this paragraph 1.1(a) and setting out the variation to the terms of the Franchise Agreement; and

(b) in relation to any other provision of the Franchise Agreement, by agreement in writing between the parties to that effect,

   (each a “Variation”).

1.2 Without prejudice to the Secretary of State's rights under paragraph 1.1(a), the terms of each of:

   (a) Clause 4 (Term) of this Franchise Agreement;
   (b) Schedules 8 (Payments), 9 (Changes and Variation), 10 (Remedies, Termination and Expiry), 12 (Financial Obligations and Covenants), 14 (Preservation of Assets), 18 (Additional Reporting Periods) and Schedule 19 (Other Provisions); and
   (c) the definitions set out at Clause 2 (Definitions) of this Franchise Agreement insofar as such affect the respective rights and obligations of the Secretary of State and the Franchisee pursuant to the provisions referred to at paragraphs 1.2(a) and 1.2(b) above,

shall not be varied at any time other than in accordance with the terms of the Franchise Agreement or with the agreement of the parties.

1.3 The Secretary of State shall, to the extent reasonably practicable, allow the Franchisee a reasonable opportunity to make representations to the Secretary of State concerning any Variation to be made in accordance with paragraph 1.1(a), prior to making any such Variation.

1.4 The Secretary of State may:

(a) issue, revise and withdraw from time to time procedures that he requires to be followed for the purposes of orderly consideration of Variations. This will include for the purpose of establishing in relation to any Change whether it is a Qualifying Change; and
require the Franchisee to provide any information that the Secretary of State reasonably requires for this purpose (including in relation to prospective change to profit, costs and revenue as a consequence of proceeding with the Variation).

1.5 Procedures issued pursuant to paragraph 1.4 may provide for indicative iterations of Runs of the Financial Model in relation to one or more Changes that the Secretary of State is considering and may also provide for any number of Changes to be grouped together as a single Change for the purposes of agreeing or determining Revised Inputs and then performing a Run of the Financial Model.

1.6 Procedures issued pursuant to paragraph 1.4 shall have contractual effect between the parties in accordance with their terms.

1.7 The Franchisee may notify the Secretary of State of any proposal for a Variation by notice setting out the proposed method of implementing such Variation including:

(a) the timescale for doing so;
(b) the effect (if any) on the timing of the performance of its other obligations under the Franchise Agreement;
(c) the impact of effecting the proposed Variation on the provision of the Franchise Services and the Franchisee’s proposals as to how to minimise such impact; and
(d) the financial consequences of implementing the Variation proposed by the Franchisee in terms of the Revised Inputs that the Franchisee considers the Variation would require.

1.8 The Secretary of State shall be under no obligation to consider a Variation proposed by the Franchisee but if he wishes to do so, he shall do so pursuant to paragraph 1.1 of this Schedule 9.5.

1.9 Where the Franchisee proposes a Variation in sufficient detail for it to be apparent that its implementation is likely to result in an increase in the overall profitability of the Franchisee through costs saving measures (a “Protected Proposal”), the Secretary of State may not proceed with the Protected Proposal or seek to implement the substance of it by proposing a Variation of his own without complying with the provisions of paragraph 5.3 of Appendix 2 (Agreement or Determination of Revised Inputs) to Schedule 9.1 (Financial and Other Consequences of Change).

1.10 (a) The Franchisee and the Secretary of State acknowledge that the Franchisee may during the Franchise Term identify actions that could be taken by the Franchisee to achieve savings and improved financial performance and that such actions may if implemented give rise to a Change under the terms of this Franchise Agreement which, if it is a Qualifying Change, will give a financial benefit to the Secretary of State. It is further acknowledged that it is appropriate for the Franchisee to seek to identify such actions for the purposes of improving the cost effective delivery of railway passenger services.
To incentivise the Franchisee to seek to identify such actions it is agreed that the Franchisee may approach the Secretary of State with a proposal to take an action that would constitute a Change on the basis that if such a Change occurred and was a Qualifying Change in agreeing or determining the Revised Inputs the parties or the Secretary of State would effect such change (if any) to the amount attributable to profit as they agree or the Secretary of State reasonably determines:

(i) fairly rewards the Franchisee for proposing the Change; and

(ii) reasonably incentivises the Franchisee to propose further Changes that achieve savings and/or improved financial performance by sharing with the Franchisee a reasonable amount of the additional profit that is expected to arise from implementing the relevant Change.

The Secretary of State shall have an unfettered discretion as to whether or not to agree such a proposal but if he does so agree and a Qualifying Change in consequence occurs then in agreeing or determining Revised Inputs the provisions referred to in sub paragraph 1.10(b) above shall apply.

2. **Capital Expenditure**

**Capital Expenditure Threshold**

2.1 The Franchisee shall notify the Secretary of State promptly if it reasonably expects that a Change to which paragraph 1 relates would require it to incur, singly or in aggregate with other Changes from time to time, Capital Expenditure in excess of one per cent. of its annual Turnover as disclosed by its latest available Annual Audited Accounts and, when so notified, the Secretary of State shall either:

(a) withdraw the Change;

(b) undertake to meet the excess through additional funding as and when such Capital Expenditure is incurred; or

(c) direct the Franchisee to use all reasonable endeavours to borrow or otherwise raise the money required to fund any Change on commercial terms and at rates which are consistent with market conditions at the time, unless borrowing or otherwise raising such money would result in the Franchisee failing to comply with the financial covenants contained in Schedule 12 (Financial Obligations and Covenants).

**Franchisee to Seek Finance**

2.2 If the Secretary of State elects to require the Franchisee to use all reasonable endeavours as described in paragraph 2.1(c) then the Franchisee shall:

(a) seek finance from a representative range of lending institutions and other financial institutions including those which at that time provide finance to the Franchisee and the Parent;

(b) if it is unable to raise funding, provide the Secretary of State with all information the Secretary of State may reasonably require in relation to the efforts made by the Franchisee and the reasons for a failure to raise additional finance;
(c) so far as it is able (having used all reasonable efforts to do so), the Franchisee shall provide to the Secretary of State letters from lenders and financiers it has approached for finance stating their reasons for refusing to provide it and if the Secretary of State so requires, arrange and attend meetings with them for the Secretary of State to discuss those reasons; and

(d) if funding is not available, or is not available on terms that the Secretary of State considers to be commercial terms or at rates which are consistent with market conditions at that time the Secretary of State may:

(i) withdraw the Change; or

(ii) undertake to fund the Capital Expenditure as and when such Capital Expenditure is incurred.

Treatment of Borrowings in Revised Inputs

2.3 In calculating the Revised Inputs for the purposes of any Change referred to in this paragraph 2, the Franchisee shall account for the Capital Expenditure in accordance with GAAP, taking into account the basis on which such Capital Expenditure has been financed.

Meaning of Capital Expenditure

2.4 The expression Capital Expenditure when used in this Schedule 9.5 refers to the nature of the expenditure incurred by the Franchise and, accordingly, does not include expenditure incurred under operating leases.

SCHEDULE 14.1

Maintenance of Franchise

Maintenance as going concern

1. The Franchisee shall maintain and manage the business of providing the Franchise Services so that, to the greatest extent possible and practicable:
   
   (a) the Franchisee is able to perform its obligations under the Franchise Agreement; and
   
   (b) a Successor Operator would be able to take over the business of providing the Franchise Services immediately at any time.

2. The Franchisee’s obligation under paragraph 1 shall include an obligation to ensure that any computer and information technology systems of the Franchisee shared in whole or in part with Affiliates or third parties can be operated by a Successor Operator as a stand alone system without continued reliance on such Affiliates or other third parties immediately from the date of termination of the Franchise Agreement without any reduction in functionality or any increase in maintenance or support costs to the Successor Operator (this obligation being without prejudice to any requirement for the Franchisee to obtain consent to such arrangements relating to sharing computer and information technology systems from the Secretary of State).

3. The Franchisee shall use all reasonable endeavours to ensure that such Successor Operator would have immediate access to all Franchise Employees and Primary Franchise Assets for such purpose.

4. The Franchisee shall maintain and manage the business of providing the Franchise Services on the basis that such business will be transferred, in the manner contemplated under the Franchise Agreement, as a going concern at the end of the Franchise Period to, and continued immediately thereafter by, a Successor Operator.

5. The Franchisee shall use all reasonable endeavours to ensure that an appropriate number of employees (having sufficient skills, qualifications and experience) will transfer by operation of Law to any Successor Operator following the expiry of the Franchise Period.

6. The Franchisee shall comply with all reasonable requirements of the Secretary of State to obtain or maintain the property and rights that a Successor Operator would require, or that it would be convenient for it to have, on the basis that the same will transfer by operation of Law to any Successor Operator following the expiry of the Franchise Period.

Post-Franchise timetables

7. Both prior to and following the selection of a Successor Operator (whether a franchisee or otherwise and whether or not subject to the satisfaction of any conditions), the Franchisee shall:
   
   (a) co-operate with, where a Successor Operator has been appointed, that Successor Operator, or where not, the Secretary of State; and
(b) take such steps as may reasonably be requested by the Secretary of State,

so as to ensure the continuity of, and orderly handover of control over of the Franchise Services.

8. The steps that the Secretary of State may reasonably request (following discussions with the Franchisee) the Franchisee to take pursuant to paragraph 6 include:

(a) participating in any timetable development process that takes place during the Franchise Period, but which relates to any timetable period applying wholly or partly after the expiry of the Franchise Term (including in relation to timetables intended to implement alterations to passenger services consequent on completion of Northern Hub related works) ("Successor Operator Timetable"), including bidding for and securing any Successor Operator Timetable, whether or not:

(i) the Successor Operator has been identified; or

(ii) there is in place an Access Agreement relating to the period over which that Successor Operator Timetable is intended to be operated;

(b) using reasonable endeavours to seek amendments to and/or extensions of Access Agreements which can be transferred to the Successor Operator on expiry of the Franchise Period;

(c) assisting the Secretary of State or the Successor Operator (as the case may be) in the preparation and negotiation of any new Access Agreement relating to any Successor Operator Timetable; and/or

(d) entering into that Access Agreement in order to secure the relevant priority bidding rights required by the Successor Operator to operate that Successor Operator Timetable, provided that the Franchisee shall not be required to enter into any such Access Agreement unless the Secretary of State has first provided to it confirmation in writing that he will include that Access Agreement in any Transfer Scheme pursuant to paragraph 3.1 of Schedule 15.4 (Provisions Applying on and after Termination).
SCHEDULE 14.2

Maintenance of Operating Assets

1. Operating Assets

1.1 The Franchisee shall maintain, protect and preserve the assets (including any intellectual property or intangible assets employed in the performance of its obligations under the Franchise Agreement (the “Operating Assets”) in good standing or good working order, subject to fair wear and tear.

1.2 The Franchisee shall carry out its obligations under paragraph 1.1 so that the Operating Assets may be transferred at the end of the Franchise Period to a Successor Operator and used by such Successor Operator in the provision or operation of similar services to the Franchise Services.

1.3 Where any Operating Asset is lost, destroyed or otherwise beyond repair, the Franchisee shall replace the Operating Asset with property, rights or liabilities in modern equivalent form to the Operating Asset to be replaced. The Franchisee shall at all times maintain an appropriate volume of Spares, and/or an appropriate level of access to Spares from a third party, to enable it to perform its obligations under the Franchise Agreement.

1.4 The Secretary of State may at any time require the Franchisee to provide to the Secretary of State a schedule specifying the condition of any asset or class of assets that he specifies for this purpose. Such schedule shall cover such aspects of asset condition as the Secretary of State may reasonably require. If the parties are unable to agree the content of such schedule of condition, either party may refer the dispute for resolution in accordance with the Dispute Resolution Rules. Until such dispute is resolved, the Franchisee shall comply with the Secretary of State’s requirements in respect of such schedule of condition.

1.5 The Franchisee shall keep vested in it at all times during the Franchise Period all Franchise Assets designated as such pursuant to Schedule 14.4 (Designation of Franchise Assets) as it may require in order to comply with:

(a) the Licences;
(b) any contracts of employment with Franchise Employees;
(c) any relevant Fares;
(d) any Key Contracts; and
(e) any applicable safety legislation regulations or safety standards and the Safety Certificate,

in order to ensure that the Secretary of State may designate such assets as Primary Franchise Assets.

2. Brand Licences And Branding

Brand Licences

2.1 The Franchisee shall comply with its obligations under each of the Brand Licences.
Branding

2.2 Subject to any applicable obligations or restrictions on the Franchisee (including the terms of the Rolling Stock Leases), the Franchisee may apply registered or unregistered trademarks (including company names, livery and other distinctive get-up) to any assets owned or used by it in the operation and provision of the Franchise Services.

(a) Subject to paragraphs 2.2(c) and (g), the Franchisee may:

(i) in respect of unregistered Marks, provide or procure the provision of an irrevocable undertaking to any relevant Successor Operator to the effect that neither it nor the owner of the Marks will enforce such rights as it may have or may in the future have in respect of such Marks against such Successor Operator and its successors; and

(ii) in respect of registered Marks, grant or procure the grant of an irrevocable licence to use such Marks to such Successor Operator and its successors.

(b) Any such licence or undertaking under paragraph 2.2(a) shall be in such form as the Secretary of State shall reasonably require except that the terms of any such licence and, to the extent appropriate, any such undertaking shall accord with the provisions of paragraph 8.3 of Schedule 15.4 (Provisions Applying on and after Termination).

(c) Subject to paragraph 2.2(g), to the extent that:

(i) the Franchisee does not provide a relevant undertaking or licence in accordance with paragraph 2.2(a);

(ii) the Secretary of State considers the relevant Marks to be so distinctive or otherwise such that a Successor Operator could not reasonably be asked to use the relevant assets to which the Marks are applied; or

(iii) the Franchisee has not otherwise removed or covered such Marks in such a way as may be reasonably acceptable to the Secretary of State prior to the expiry of the Franchise Period,

then the Franchisee shall pay to the relevant Successor Operator such amount as may be agreed between the Franchisee and such Successor Operator, as being the reasonable cost (including any Value Added Tax for which credit is not available under Sections 25 and 26 of the Value Added Tax Act 1994) of covering such Marks or otherwise removing all indications of or reference to the Marks in a manner reasonably acceptable to the Secretary of State. Such amount shall not in any event exceed the cost to the Successor Operator of replacing such Marks with its own. If the Franchisee and the relevant Successor Operator fail to agree such cost within 28 days of the expiry of the Franchise Period, the Franchisee shall submit such dispute for resolution in accordance with such dispute resolution procedures as the Secretary of State may require.

(d) The amount to be paid to a Successor Operator under paragraph 2.2(c) may include the reasonable cost of:
(i) removing or covering Marks from the exterior of any rolling stock vehicle;

(ii) removing or covering interior indications of the Marks including upholstery and carpets;

(iii) replacing or covering all station or other signs including billboards; and

(iv) otherwise ensuring that such removal, covering or replacement is effected with all reasonable care and in such manner that the relevant assets may reasonably continue to be used by a Successor Operator in the provision of the Franchise Services.

(e) The Franchisee shall, in addition to making a payment under paragraph 2.2(c) grant or procure the grant of a licence or undertaking complying with paragraphs 2.2(a) and (b) except that such licence shall only be for such period as may be agreed between the Franchisee and the Successor Operator as being reasonably required by the Successor Operator to remove the Marks from all relevant assets without causing excessive disruption to the operation of services similar to the Franchise Services provided by such Successor Operator. If such period cannot be agreed, the Franchisee shall submit such dispute for resolution in accordance with such dispute resolution procedures as the Secretary of State may require.

(f) The Secretary of State shall determine at or around the end of the Franchise Period, and after consultation with the Franchisee, the maximum liability of the Franchisee under paragraph 2.2(c) and the maximum length of licence or undertaking under paragraph 2.2(e);

(g) The provisions of paragraphs 2.2(a) to (f) shall not apply to the extent that the relevant asset is not to be used by a Successor Operator in the provision of services similar to the Franchise Services. The Secretary of State shall notify the Franchisee as soon as he becomes aware of whether or not any such asset is to be so used.

**Non-designation of New Brands**

2.3 The Secretary of State agrees not to designate as a Primary Franchise Asset any registered or unregistered trademark which is developed by the Franchisee.

1.3 Without prejudice to the provisions of paragraphs 2, 3 and 4 of this Schedule 14.3, the Appendix (List of Key Contracts) to this Schedule 14.3 shall be amended as considered necessary from time to time to take account of any:

(a) designation by the Secretary of State of any actual or prospective agreement, contract, licence or other arrangement or any category of agreement, contract, licence or other arrangement, to which or under which the Franchisee is (or may become) a party or a beneficiary pursuant to paragraph 2 of this Schedule 14.3; or

(b) de-designation by the Secretary of State of any Key Contract pursuant to paragraph 3 of this Schedule 14.3; or

(c) re-designation by the Secretary of State pursuant to paragraph 4 of this Schedule 14.3.

2. Designation of Key Contracts

2.1 Where the Secretary of State considers that it is reasonably necessary for securing the continued provision of the Franchise Services or the provision of services similar to the Franchise Services by a Successor Operator in accordance with the Franchise Agreement, he may make a designation pursuant to paragraph 2.2.

2.2 The Secretary of State may at any time, by serving notice on the Franchisee, designate as a Key Contract:

(a) any actual or prospective agreement, contract, licence or other arrangement; and/or

5. **Direct Agreements**

5.1 Unless the Secretary of State otherwise agrees, or unless directed to do so by the ORR, the Franchisee shall not enter into any prospective Key Contract unless the counterparty to that prospective Key Contract:

(a) is a Train Operator; or

(b) has entered into a Direct Agreement with the Secretary of State in respect of that prospective Key Contract, providing on a basis acceptable to the Secretary of State, amongst other things, for the continued provision of the Passenger Services and/or the continued operation of the Stations and Depots in the event of:

(i) breach, termination or expiry of such Key Contract;

6. **Emergencies**

Where any emergency may arise in connection with the provision and operation of the Franchise Services, the Franchisee:

(a) may enter into on a short-term basis such contracts, licences or other arrangements as it considers necessary or appropriate to deal with the emergency;

(b) need not procure that the relevant counterparty enters into a Direct Agreement in respect of such contracts or use all reasonable endeavours to assist the Secretary of State in entering into the same;

(c) shall promptly inform the Secretary of State of any such emergency and contracts, licences or other arrangements which it proposes to enter into; and

(d) shall take such action in relation to such emergency, contracts, licences or other arrangements as the Secretary of State may request.

7. **No Amendment**

The Franchisee shall not without the prior consent of the Secretary of State (which shall not be unreasonably withheld) vary, or purport to vary, the terms or conditions of any Key Contract at any time, unless directed to do so by the ORR.

8. **Replacement of Key Contracts**

The Franchisee shall, prior to the scheduled expiry date of any Key Contract (or, if earlier, such other date on which it is reasonably likely that such Key Contract will terminate), take all reasonable steps to enter into an appropriate replacement contract (whether with the counterparty to the existing Key Contract or not) and shall comply with the reasonable instructions of the Secretary of State in relation to such replacement contract.

9. **Termination of Key Contracts**

3. **Designation of Additional Primary Franchise Assets**

Subject to paragraph 2.2(f) the Secretary of State may at any time and from time to time during the Franchise Period, by serving notice on the Franchisee, designate any or all of the Franchise Assets as Primary Franchise Assets. Such designation shall take effect from the delivery of such notice and may refer to all or certain categories of property, rights or liabilities. Any such notice shall specify the reasons for such designation. On or before designation of any Franchise Asset as a Primary Franchise Asset, the Secretary of State may agree not to subsequently de-designate such Primary Franchise Asset without the prior written consent of the Franchisee. If the Secretary of State so agrees, the notice designating the relevant Franchise Asset as a Primary Franchise Asset shall state that the Secretary of State shall not de-designate such Primary Franchise Asset without the prior written consent of the Franchisee.

4. **Designation during last 12 Months of Franchise Period**

If the Secretary of State designates a Franchise Asset as a Primary Franchise Asset under paragraph 3 at any time during the last 12 months of the Franchise Period then, within 28 days of such designation, the Secretary of State may de-designate such Primary Franchise Asset by serving notice on the Franchisee provided that, in relation to any Primary Franchise Asset in respect of which the Secretary of State agreed pursuant to paragraph 3 that he would not de-designate without the prior written consent of the Franchisee, such consent has been obtained. Such de-designation shall take effect upon delivery of such notice.

5. **Designation of Key Contracts as Primary Franchise Assets**

The Secretary of State shall, subject to paragraphs 1.2(b) and 7, be entitled to designate any Key Contract as a Primary Franchise Asset at any time during the Franchise Period by serving notice on the Franchisee. Such designation shall take effect from delivery of such notice.
6. **Designation of Fares and Discount Cards**

The Secretary of State may designate any Fare or Discount Card as a Primary Franchise Asset at any time during the Franchise Period by serving a notice on the Franchisee. Such designation shall take effect from delivery of such notice.

7. **Rights and Liabilities**

The Secretary of State, in designating the rights and liabilities of the Franchisee (whether under a particular contract or other arrangement) as a Primary Franchise Asset may, in his discretion, elect to designate some but not all of the rights and liabilities under a particular contract or other arrangement, or to designate only those rights and liabilities arising after or otherwise relating to a period after a particular time (including the period after the expiry of the Franchise Period) or to those relating only to the Franchise Services or a particular part thereof.

8. **Disputes over Designation**

8.1 The Franchisee may object in writing to the Secretary of State to any designation pursuant to paragraph 3 or 4.

8.2 Such objection may be made solely on the grounds that the designation of the relevant property, rights or liabilities specified in the objection is not, in the Franchisee’s opinion, reasonably necessary to secure the continued provision of the Franchise Services by a Successor Operator on the expiry of the Franchise Period on a basis reasonably acceptable to the Secretary of State or to facilitate the transfer to such Successor Operator of the provision of the Franchise Services at such time.

8.3 Any such objection may only be made within 28 days of a designation made more than 12 months prior to the end of the Franchise Period or 14 days of a designation made during the last 12 months of the Franchise Period.

8.4 The Secretary of State shall respond to any such objection as soon as reasonably practicable and shall take account of any representations made by the Franchisee regarding the use of the relevant Primary Franchise Asset otherwise than in the provision and operation of the Franchise Services.

8.5 If the Franchisee’s objection cannot be resolved by agreement within a period of 14 days from the date of submission of that objection, the Franchisee may refer the dispute for resolution in accordance with the Dispute Resolution Rules.

8.6 Any body duly appointed to resolve such dispute shall determine whether or not the designation of the relevant property, rights or liabilities was reasonably necessary for securing that the Franchise Services may continue to be provided by a Successor Operator on the expiry of the Franchise Period on a basis reasonably acceptable to the Secretary of State or otherwise facilitating the transfer of the provision of the Franchise Services at such time, and accordingly whether or not they should cease to be so designated.

8.7 If any dispute as to any designation pursuant to paragraph 3 remains outstanding on the expiry of the Franchise Period, then such dispute shall be deemed to cease immediately before the expiry of the Franchise Period and the relevant Franchise Assets shall continue to be designated as Primary Franchise Assets on and after the expiry of the Franchise Period.
9. **Provision of Information to the Secretary of State**

9.1 The Franchisee shall provide such information as the Secretary of State may reasonably require in order to satisfy the Secretary of State that any Franchise Assets which are to be designated as Primary Franchise Assets after the Start Date under this Schedule 14.4 will at the time of such designation be vested in the Franchisee. Such information may include details of any Security Interests over such property, rights and liabilities.

9.2 The Franchisee shall further provide such information as to the property, rights and liabilities of the Franchisee as the Secretary of State may reasonably require in connection with the designation of Primary Franchise Assets. Such information shall be supplied to the Secretary of State within such timescale as the Secretary of State may reasonably require.

10. **De-Designation of Franchise Assets and Primary Franchise Assets**

10.1 The Secretary of State and the Franchisee may agree in writing at any time during the Franchise Period that a Franchise Asset shall cease to be so designated as a Franchise Asset or that a Primary Franchise Asset shall cease to be so designated as a Primary Franchise Asset, and the relevant Franchise Asset or Primary Franchise Asset (as the case may be) shall cease to be designated upon such agreement coming into effect.

10.2 The Secretary of State may in addition at any time during the Franchise Period, by serving notice on the Franchisee, cause a Franchise Asset which is not a Primary Franchise Asset to cease to be so designated as a Franchise Asset. Such Franchise Asset shall cease to be so designated on the date specified in such notice.

10.3 The Secretary of State may in addition, at any time during the Franchise Period, by serving notice on the Franchisee, cause a particular Primary Franchise Asset to cease to be designated as such provided that, in relation to any Primary Franchise Asset in respect of which the Secretary of State agreed pursuant to paragraph 3 that he would not de-designate without the prior written consent of the Franchisee, such consent has been obtained. Such Primary Franchise Asset shall cease to be so designated on the date specified in such notice. Such right may be exercised, in respect of any rights and liabilities in respect of a Fare or Discount Card, at any time and, in respect of any other Primary Franchise Asset, no later than one year prior to the expiry of the Franchise Term.

11. **Amendment of the Appendix to this Schedule 14.4**

The Appendix (List of Primary Franchise Assets) to this Schedule 14.4 shall be amended as the Secretary of State considers necessary or desirable from time to time to take account of designation and de-designation of Primary Franchise Assets pursuant to this Schedule 14.4.

12. **Spares**

The obligation of the Franchisee to maintain, preserve and protect Primary Franchise Assets under this Schedule 14.4 shall, in respect of Spares, include the obligation to replace any Spare which has been designated as a Primary Franchise Asset, which subsequent to its designation ceases to be part of the stock of Spares available to the Franchisee for use in the provision of the Franchise Services, with an equivalent Spare of equal or better quality than the Spare so replaced.

4. **Inspection Rights at premises used for the provision of the Franchise Services**

4.1 Without limiting any other rights of the Secretary of State under the Franchise Agreement and subject to paragraph 4.2, the Franchisee shall, if so requested by the Secretary of State, permit the Secretary of State (or his nominee, which for these purposes shall include potential Successor Operators including potential bidders who have expressed an interest in tendering for the right and obligation to operate any or all of the Franchise Services) to have such access to premises owned or occupied by the Franchisee or any of its Affiliates (including Stations and Depots and which for these purposes shall include any premises used in connection with the provision of the Franchise Services by the Franchisee or any of its Affiliates) as the Secretary of State may reasonably require in connection with any Tendering/Reletting Process including for the purposes of inspecting such premises (including the taking of inventories) and undertaking such surveys as may be necessary or desirable for the purposes of ascertaining the condition of any such premises.

4.2 The Secretary of State shall use reasonable endeavours to ensure that any access rights required pursuant to paragraph 4.1 shall be undertaken so as not to unduly interfere with the continuing provision and operation of the Franchise Services by the Franchisee.
SCHEDULE 15.2

Last 12 or 13 Months of Franchise Period and other conduct of business provisions

1. Last 12 or 13 Month Period

1.1 Where reference is made in the Franchise Agreement to the last 12 or 13 months of the Franchise Period, such period shall (notwithstanding the fact that such period is longer than twelve or thirteen months) be deemed to commence on the Start Date.

1.2 Any such period (which may be longer or shorter than 12 or 13 months, as the case may be) shall expire on the Expiry Date.

2. Franchise Employees

Terms of Employment of Existing Employees

2.1 The Franchisee shall not, and shall secure that each other relevant employer shall not, without the prior consent of the Secretary of State (which shall not be unreasonably withheld), vary or purport or Promise to Vary the terms or conditions of employment of any Franchise Employee (in particular, the Franchisee shall not promise to make any additional payment or provide any additional benefit or vary any term or condition relating to holiday, leave or hours to be worked) where such variation or addition:

(a) takes effect in the last 12 months of the Franchise Period unless it is in the ordinary course of business and, when aggregated with any other variation or addition which takes effect during such period, represents an increase in the remuneration of a Franchise Employee of no more than the amount determined in accordance with the following formula:

\[
\frac{MAWE + JAWE + SAWE + DAWE}{4}
\]

where:

MAWE is the change in the Average Weekly Earnings between March in the preceding 12 months and the corresponding March one year before, expressed as a percentage;

JAWE is the change in the Average Weekly Earnings between June in the preceding 12 months and the corresponding June one year before, expressed as a percentage;

SAWE is the change in the Average Weekly Earnings between September in the preceding 12 months and the corresponding September one year before, expressed as a percentage; and

DAWE is the change in the Average Weekly Earnings between December in the preceding 12 months and the corresponding December one year before, expressed as a percentage;

(b) wholly or partly first takes effect after the end of the Franchise Period;
results in any such employment not being terminable by the Franchisee or other relevant employer within six months of the expiry of the Franchise Period;

(d) relates to a payment or the provision of a benefit triggered by termination of employment;

(e) relates to the provision of a benefit (excluding base salary) which any such employee will or may have a contractual right to receive after the expiry of the Franchise Period; or

(f) prevents, restricts or hinders any such employee from working for a Successor Operator or from performing the duties which such employee performed for the Franchisee.

It is agreed that the Franchisee will be permitted to make a decrease in the remuneration of any Franchise Employee that takes effect in the last 12 months of the Franchise Period without first obtaining the consent of the Secretary of State in circumstances where such decrease is in the ordinary course of business and when aggregated with any other variation which takes effect during such period, represents a decrease in the remuneration of a Franchise Employee of no more than the amount determined in accordance with the formula contained in paragraph 2.1(a) where a calculation pursuant to such formula gives rise to a negative percentage. In any other circumstances the prior consent of the Secretary of State will be required to any decrease in the remuneration of a Franchise Employee in the last 12 months of the Franchise Period.

2.2 Without limiting the foregoing, the Franchisee shall consult the Secretary of State as soon as reasonably practicable in any circumstances in which the Secretary of State’s consent under paragraph 2.1 may be required. Further, it shall always be deemed to be reasonable for the Secretary of State to withhold his consent to a variation or addition which is prohibited without such consent under paragraph 2.1(a) provided the Secretary of State:

(a) makes an overall increase in Franchise Payments equal to the amount of the direct net losses suffered by the Franchisee on the days when the Passenger Services are affected by Industrial Action taken by the Franchise Employees which is a consequence of a refusal by the Secretary of State to agree to the variation or addition; and

(b) agrees that, to the extent that the Franchisee would otherwise be in contravention of the Franchise Agreement as a consequence of the Industrial Action referred to in this paragraph 2.2, no such contravention shall have occurred, save where such contravention relates to safety requirements.

2.3 The expression “Promise to Vary” when used in paragraph 2.1 includes any offer or indication of willingness to vary (whether or not such offer or willingness is made conditional upon obtaining the Secretary of State’s consent).

**Terms of Employment of New Employees**

2.4 The Franchisee shall not, and shall secure that each other relevant employer shall not, without the prior consent of the Secretary of State (which shall not be unreasonably withheld), create or grant, or promise to create or grant, terms or conditions of employment for any Franchise Employee where the employment of
such Franchise Employee by the Franchisee or such other relevant employer may commence on or after the Start Date if and to the extent that:

(a) such terms or conditions are, in the reasonable opinion of the Franchisee, materially different from the terms or conditions of employment of equivalent or nearest equivalent Franchise Employees at the date on which such employment is scheduled to commence; and

(b) if such terms or conditions were granted to such equivalent Franchise Employees already employed by the Franchisee by way of variation to their terms or conditions of employment, the Franchisee would be in contravention of paragraph 2.1.

Changes in Numbers and Total Cost of Employees

2.5 Subject to and excluding any increase in the remuneration of Franchise Employees permitted under paragraph 2.1, the Franchisee shall not, and shall secure that each other relevant employer shall not, without the prior written consent of the Secretary of State (which shall not be unreasonably withheld) increase or decrease in the last 12 months of the Franchise Period the number of Franchise Employees such that:

(a) the total number of Franchise Employees or the total cost per annum to the Franchisee and each other relevant employer of employing all Franchise Employees is increased; or

(b) the total number of Franchise Employees is decreased,

in each case, by more than five per cent. during such period of 12 months provided that where the last 12 months or 13 months of the Franchise Period has been deemed to have commenced under paragraph 1.1 and the period of the restriction contemplated by this paragraph 2.5 lasts longer than 12 months such restriction shall apply in respect of the longer period.

3. Fares

Reduction in Prices of Fares

3.1

(a) During the last 13 months of the Franchise Period the Franchisee shall not, without the prior written consent of the Secretary of State (not to be unreasonably withheld), set the Price or Child Price of or sell (except to the extent required to do so under the terms of the Ticketing and Settlement Agreement as a result of the Price or Child Price of a Fare being set by another person) any Fare which would entitle the purchaser of such Fare to travel on all or any of the Passenger Services after the Franchise Period for an amount which is less than the Price or the Child Price of that Fare immediately before the commencement of such 13 month period or, in the case of a new Fare, the Price of its nearest equivalent immediately before the commencement of such period.

(b) Paragraph 3.1(a) shall not prevent the Franchisee from giving any discount or reduction to which the purchaser of a Fare may be entitled by virtue of:
(i) presenting a Discount Card (or any equivalent replacement thereof) issued by the Franchisee before the commencement of such 13 month period and to which the purchaser would have been entitled before the commencement of such period;

(ii) presenting a Discount Card issued by another train operator;

(iii) the Passenger’s Charter or the passenger’s charter of any other train operator; or

(iv) any relevant conditions of carriage.

(c) The Franchisee shall procure that persons acting as its agent (except persons acting in such capacity by virtue of having been appointed under Parts II to VI of Chapter 9 of the Ticketing and Settlement Agreement or by being party to the Ticketing and Settlement Agreement) shall comply with the provisions of paragraph 3.1(a) to the extent that such provisions apply to the selling of Fares by the Franchisee.

**Percentage Allocations**

**3.2**

(a) Except to the extent that the Secretary of State may consent from time to time (such consent not to be unreasonably withheld), the Franchisee shall not, in the last 13 Reporting Periods of the Franchise Period, take any action or step which may result in its Percentage Allocation (as defined in the Ticketing and Settlement Agreement) in respect of any Rail Product (as defined in the Ticketing and Settlement Agreement) being reduced.

(b) The Franchisee shall notify the Secretary of State before taking any such action or step in the last 13 Reporting Periods of the Franchise Period and upon becoming aware of any other person proposing to take any action or step which may have the same effect. The Franchisee shall take such action as the Secretary of State may reasonably request in order to prevent any such reduction, including submitting any dispute to any relevant dispute resolution procedures.

**Restrictions in respect of Sale of Advance Purchase Train-specific Fares**

**3.3**

(a) It is acknowledged that the Franchisee will make available for sale prior to the end of the Franchise Period Advance Purchase Train-specific Fares which are valid for travel after the end of the Franchise Period.

Whenever any matter is referred under this Agreement to the decision of the Reporting Accountants:

(a) the Reporting Accountants shall be engaged jointly by the parties on the terms set out in this Agreement and otherwise on such terms as shall be agreed, provided that neither party shall unreasonably (having regard, amongst other things, to the provisions of this Agreement) refuse its agreement to terms proposed by the Reporting Accountants or by the other party. If the terms of engagement of the Reporting Accountants have not been settled within 14 days of their appointment having been determined (or such longer period as the parties may agree) then, unless one party is unreasonably refusing its agreement to those terms, such accountants shall be deemed never to have been appointed as Reporting Accountants, save that the accountants shall be entitled to their reasonable expenses under clause 3(d), and new Reporting Accountants shall be selected in accordance with the provisions of this Agreement;

(b) if Reporting Accountants acting or appointed to act under this Agreement resign, withdraw, refuse to act, or are disqualified for any reason from performing their duties then, except as may be agreed between the parties, the parties shall appoint a replacement in accordance with the definition of Reporting Accountants;

(c) the Reporting Accountants shall be deemed to act as experts and not as arbitrators;

(d) the Reporting Accountants shall have power to allocate their fees and expenses for payment in whole or in part by any party at their discretion. If not otherwise allocated they shall be paid as to half by the Transferor and as to half by the Transferee;
(e) each of the parties shall promptly on request supply to the Reporting Accountants all such documents and information as they may require for the purpose of the reference;

(f) the decision of the Reporting Accountants shall (in the absence of objection on the grounds of any manifest error discovered within 14 days of the issue of their decision) be conclusive and binding (and in accordance with clause 3(g) below) and shall not be the subject of any appeal by way of legal proceeding or arbitration or otherwise; and

(g) without prejudice to clauses 3(a) to 3(f) above, either party may, prior to or during the course of the reference to the Reporting Accountants, seek a declaration from the court on a relevant point of law, including but not limited to a point of legal interpretation. Upon such application for a declaration being issued and served all applicable time limits relative to the reference to the Reporting Accountant shall be stayed pending the outcome of such application (including any appeal). The Reporting Accountants are bound to make their determination in a manner consistent with the findings of the Court.

4. **WARRANTY**

The Transferor warrants and represents to the Transferee that the Relevant Contract Liabilities and the Relevant Franchise Assets are, to the extent they are property or rights, transferring to the Transferee free and clear of all Security Interests.

5. **INTEREST**

If the Transferor or the Transferee defaults in the payment when due of any sum payable under this Agreement (whether determined by agreement or pursuant to an order of a court or otherwise) the liability of the Transferor or the Transferee (as the case may be) shall be increased to include interest on such sum from the date when such payment is due until the date of actual payment (after as well as before judgement) at a rate equal to the Interest Rate. Such interest shall accrue from day to day.

6. **VALUE ADDED TAX**

6.1 All amounts under this Agreement are expressed as exclusive of Value Added Tax where Value Added Tax is applicable.

6.2 The Transferor and the Transferee shall use all reasonable endeavours to secure that the transfer of the Transferring Assets and Liabilities is treated for Value Added Tax purposes as the transfer of a business as a going concern ("TOGC") and accordingly as neither a supply of goods nor a supply of services for the purposes of Value Added Tax.

6.3 If HM Revenue & Customs direct that the transfer of the Transferring Assets and Liabilities cannot be treated as a TOGC, the Transferor shall provide the Transferee with a copy of such direction within five days of receipt thereof by the Transferor.

6.4 The Transferee shall thereafter pay upon the receipt of a valid tax invoice the amount of any Value Added Tax which as a result of that direction may be chargeable on the transfer of the Transferring Assets and Liabilities. If the aforementioned direction was issued as a result of any action or inaction of the Transferee then the Transferee shall in addition to the Value Added Tax indemnify
the Transferor for any penalties and interest that may be incurred upon receipt of such evidence from HM Revenue & Customs.

6.5 If the Transferee considers the direction issued by HM Revenue & Customs referred to in clause 6.3 to be incorrect then, without prejudice to the Transferee’s obligation under clause 6.4 to pay to the Transferor the amount of any Value Added Tax which as a result such direction may be chargeable on the transfer of the Transferring Assets and Liabilities, the Transferee may, within 30 days of receipt of such direction by the Transferor, give notice to the Transferor that it requires the Transferor to appeal such direction. Upon requesting such an appeal the Transferee agrees to indemnify the Transferor for all reasonable costs that the Transferor may incur in taking such action upon receipt of evidence of those costs. If such an appeal is successful the Transferor agrees to reimburse the Transferee for such reasonable costs and penalties and interest to the extent that those costs have been reimbursed by HM Revenue & Customs.

6.6 If any amount paid by the Transferee to the Transferor in respect of Value Added Tax pursuant to this Agreement is subsequently found to have been paid in error the Transferor shall issue a valid tax credit note for the appropriate sum to the Transferee and promptly repay such amount to the Transferee.

6.7 If any amount is payable by the Transferor to the Transferee in respect of the transfer of the Relevant Franchise Assets, Relevant Contract Liabilities, Relevant Debits and Credits and Relevant Employee Liabilities pursuant to this Agreement, clauses 6.3 to 6.6 inclusive shall apply mutatis mutandis to such payment substituting Transferor for Transferee and vice versa.

6.8 Not used.

6.9 All of the records referred to in Section 49 of the Value Added Tax Act 1994 relating to the Business (being the purchase records) shall be retained by the Transferor and the Transferor shall undertake to the Transferee to:

(a) preserve those records in such manner and for such periods as may be required by law; and

(b) give the Transferee as from the Transfer Date reasonable access during normal business hours to such records and to take copies of such records.

7. EMPLOYEES

(d) if any contract of employment or collective agreement which is neither disclosed in writing to the Transferee by the Transferor prior to the Transfer Date nor made available to the Secretary of State under Schedule 15.3 (Handover Package) of the Franchise Agreement prior to the Transfer Date shall have effect as if originally made between the Transferee and any employee (the "Undisclosed Employee") or a trade union or employee representatives as a result of the provisions of the Transfer Regulations (without prejudice to any other right or remedy which may be available to the Transferee):

(i) the Transferee may, upon becoming aware of the application of the Transfer Regulations to any such contract of
employment or collective agreement terminate such contract or agreement forthwith;

(ii) the Transferor shall indemnify the Transferee against each and every action, proceeding, cost, claim, liability (including, without limitation, any Taxation), expense (including, without limitation, reasonable legal fees) or demand relating to or arising out of such termination and reimburse the Transferee for all costs and expenses (including, without limitation, any Taxation) incurred in employing such employee in respect of his employment following the Transfer Date; and

(iii) the Transferor shall indemnify the Transferee in respect of any Undisclosed Employee on the same terms mutatis mutandis as the Transferor has indemnified the Transferee in respect of a Relevant Employee pursuant to the terms of clauses 7.1(b) and 7.1(c); and

(e) the Transferor shall indemnify the Transferee and keep the Transferee indemnified against each and every action, proceeding, cost, claim, liability (including without limitation, any Taxation) expense (including, without limitation, reasonable legal fees) or demand which relates to or arises out of any dismissal (including, without limitation, constructive dismissal) by the Transferor of any employee (not being a Relevant Employee) and which the Transferee may incur pursuant to the provisions of the Transfer Regulations.

7.2 The Transferee shall indemnify the Transferor and keep the Transferor indemnified against each and every action, proceeding, liability (including, without limitation, any Taxation), cost, claim, loss, expense (including reasonable legal fees) and demand arising out of or in connection with:

(c) the employment by the Transferee on or after the Transfer Date of any of the Relevant Employees other than on terms (including terms relating to any occupational pension scheme) at least as good as those enjoyed prior to the Transfer Date or the termination of the employment of any of them on or after the Transfer Date; or

(d) any claim by any Relevant Employee (whether in contract or in tort or under statute (including the Treaty of the European Community or European Union and any Directives made under the Secretary of State of any such Treaty or any successor thereof)) for any remedy (including, without limitation, for unfair dismissal, redundancy, statutory redundancy, equal pay, sex or race discrimination) as a result of any act or omission by the Transferee after the Transfer Date.
The Transferee shall indemnify the Transferor and keep the Transferor indemnified against each and every action, proceeding, liability, cost, claim, loss, expense (including reasonable legal fees) and demand which arises as a result of it not providing or not having provided, in accordance with its obligations under the Transfer Regulations, the Transferor in writing with such information and at such time as will enable the Transferor to carry out its duties under Regulation 13(2)(d) and 13(6) of the Transfer Regulations concerning measures envisaged by the Transferee in relation to the Relevant Employees.

SCHEDULE TO THE SUPPLEMENTAL AGREEMENT

Net Asset Statement

The Net Asset Statement shall be drawn up (except to the extent otherwise agreed by the Transferor and the Transferee) in accordance with accounting principles generally accepted in the United Kingdom and such that the Transferring Assets and Liabilities are valued on the following basis:

1. Rights and liabilities relating to an obligation of carriage under the terms of any Fare shall be valued in accordance with the following formula:

\[(C-D) \times \frac{A}{B} + E\]

where:

- **C** equals the Credit (exclusive of any Valued Added Tax) received by the Transferor in respect of the Fare provided that:
  - (a) such Credit shall be deemed not to include any reduction in respect of a discount allowed to the purchaser of the Fare pursuant to the Passenger’s Charter or any other passenger’s charter of the Transferor;
  - (b) if the Fare is a Season Ticket Fare, such Credit shall be the New Credit (as defined in the Ticketing and Settlement Agreement) relating to that Season Ticket Fare on the Transfer Date if different to the Credit that was in fact received by the Transferor in respect of such Season Ticket Fare;
  - (c) such Credit shall be net of any Private Settlement Credit (as defined in the Ticketing and Settlement Agreement) arising in respect of that Fare; and
  - (d) such Credit shall be deemed to exclude any Credit received by the Transferor in respect of any commission due to it in respect of the sale of such Fare (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Fare);

- **D** equals the Debit (exclusive of any Value Added Tax) received by the Transferor in respect of the commission due in respect of the sale of the Fare (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Fare);

\[\frac{A}{B}\]

- (a) in the case of a Season Ticket Fare, the number of journeys which the purchaser of the Fare is estimated to make from (and including) the Transfer Date to (and including) the last day on which the Fare is valid (including any extensions to its original period of validity) divided by the total number of journeys which the purchaser of the Fare is estimated to make with that Fare (as determined in each case in
accordance with Schedule 28 of the Ticketing and Settlement Agreement);

(b) in the case of any other Fare which entitles the holder thereof to make more than two journeys, the number of days for which the Fare continues to be valid after the Transfer Date (including any extensions to its original period of validity) divided by the total number of days for which such Fare is valid on issue (except to the extent that it can reasonably be estimated what proportion of the journeys which could be made on issue of the Fare have not been made prior to the Transfer Date); or

(c) in the case of any other Fare, zero; and

E equals, if $\frac{A}{B}$ is greater than zero:

the amount of any discount to which it can be reasonably estimated that the purchaser of the Fare would be entitled pursuant to the Passenger’s Charter or any other passenger’s charter of the Transferor on purchasing an equivalent Fare on the expiry of the relevant Fare,

and for these purposes a Credit or Debit shall be deemed to be received when the relevant Fare is Accepted for Clearing (as defined in the Ticketing and Settlement Agreement).

2. Rights and liabilities relating to an Excess Fare, Reservation or Upgrade (as such terms are defined in the Ticketing and Settlement Agreement) shall be valued at zero unless such Excess Fare, Reservation or Upgrade involves more than two journeys, in which case they shall be valued in accordance with paragraph 1 and references to Fare in paragraph 1 shall be construed accordingly.

3. Rights and liabilities under a Discount Card shall be valued in accordance with the following formula:

$$(C - D) \times \frac{A}{B}$$

where:

$C$ equals the Credit (exclusive of any Value Added Tax) received by the Transferor in respect of the Discount Card;

$D$ equals the Debit (exclusive of any Value Added Tax) received by the Transferor in respect of the commission due in respect of the sale of the Discount Card (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Discount Card); and

$\frac{A}{B}$ equals the number of days for which the Discount Card continues to be valid after the Transfer Date (including any extensions to its original period of validity) divided by the total number of days for which such Discount Card is valid on issue, or in the case of any Discount Card listed in Schedules 12 or 39 of the Ticketing and Settlement Agreement on the Start Date, zero,
and for these purposes a Credit or Debit shall be deemed to be received when the relevant Discount Card is accepted for clearing (as defined in the Ticketing and Settlement Agreement).

4. Relevant Debits and Credits shall be valued at the full amount of such Debits and Credits (inclusive of any Value Added Tax) but excluding any Debits and Credits arising in respect of Adjustment Amounts (as defined in the Ticketing and Settlement Agreement) which are received by the Transferee in respect of a change to the Credit which is used to value any relevant Season Ticket Fare under paragraph 1 of this Schedule to the extent such Adjustment Amounts (as defined in the Ticketing and Settlement Agreement) relate to a period after the Transfer Date.

5. Rights and liabilities in respect of any contract, lease, licence or other equivalent arrangement (excluding rights and liabilities valued under paragraphs 1 to 4 [and paragraph 6] of this Schedule 1) shall be valued at nil except to the extent that the relevant rights and liabilities include matters specified in the left hand column of the following table, which shall be valued on the basis specified in the right hand column of the following table:

SCHEDULE 16

Pensions

1. **Franchise Sections**

The Franchisee shall participate in and become the Designated Employer in relation to the following Shared Cost Sections of the Railway Pension Scheme:

1.1 TransPennine Express (Former ATN) Section; and

1.2 TransPennine Express (Former NWT) Section,

(together the “Franchise Sections”) in respect of the Franchise Services. Subject to paragraphs 2 and 3.2(d) membership of the Franchise Sections will be offered to each employee of a Franchisee only.

2. **Closed Schemes**

2.1 Subject to any requirements of Her Majesty’s Revenue and Customs, the Franchisee shall take any necessary steps (including entering into any relevant deed of participation) to allow Closed Scheme Employees to continue in membership of the British Railways Superannuation Fund or the BR (1974) Pension Fund in accordance with their terms during the Franchise Period.

2.2 For the purposes of this paragraph 2, “Closed Scheme Employees” means such of the employees of the Franchisee who were, immediately prior to the commencement of their employment with the Franchisee, members of either of the British Railways Superannuation Fund or the BR (1974) Pension Fund.

3. **Variations in benefits, contributions and investment**

3.1 If a Franchisee is considering making a proposal that falls within the scope of paragraphs 3.2(a) to (g) inclusive, it shall promptly consult with the Secretary of State in relation to that proposal prior to putting such a proposal to the Pensions Committee of any Franchise Sections, the Trustee of the Railways Pension Scheme (the “Trustee”), or to any trade union. The Franchisee must otherwise consult in good time with the Secretary of State in relation to any proposal falling within the scope of paragraphs 3.2(a) to (g) inclusive.

3.2 Separately and in addition to complying with its obligations under paragraph 3.1, the Franchisee shall not, without the prior written consent of the Secretary of State (which may be given on such terms and subject to such conditions as the Secretary of State thinks fit):

(a) restructure or change the composition of the earnings of employees of the Franchisee in such a way as to increase the part of those earnings which qualifies as pensionable earnings under rules of the Railways Pension Scheme applicable to any Franchise Section (the “Franchise Section Rules”) or take any action (or consent to the taking of any action) which could detrimentally affect the funding of any Franchise Section, including varying or providing different or additional benefits under that Franchise Section or promising to do so, unless this change:

(i) is required by Law; or
only affects benefits payable in respect of past service of members of that Franchise Section and on or prior to the effective date of the change the Franchisee pays an additional cash payment to the Trustee which, in the opinion of the Actuary, meets in full the additional funding cost imposed on that Franchise Section; or

would not lead to substantial changes in the funding of any Franchise Section and is the result of the normal application of the Franchise Section Rules in the ordinary day to day running of the business of the Franchise, for example, where individual employees are, from time to time promoted or transferred to higher paid or different employment which has a different composition of earnings;

(b) make or consent to any proposal to change any of the provisions of the Pension Trust in respect of the Franchise Sections unless the change is required by Law;

(c) provide retirement, death or life assurance benefits in respect of any of its employees other than under any Franchise Section or as provided in paragraph 2;

(d) omit to provide the above-mentioned benefits in respect of its employees save that, without prejudice to any rights which any such employee may otherwise have, the Franchisee shall not under this Schedule 16 be obliged for the purposes of the Franchise Agreement to offer such benefits to any employee employed on a fixed term contract of 12 months or less;

(e) take any action (or consent to the taking of any action) which could affect the contributions payable by Participating Employers under any Franchise Section, including exercising any discretion allowed to the Franchisee as Designated Employer arising out of any actuarial valuation of a Franchise Section, and varying or providing different or additional benefits under the Franchise Sections in respect of future service, unless such action is required by Law;

(f) close a Franchise Section to new members; or

(g) take (or omit to take) any action which could result in any Franchise Section being wound up, in whole or in part.

3.3 The Franchisee shall consult with the Secretary of State on:

(a) any proposal made by the Trustee to change the statement of investment principles applicable to any Franchise Section; and

(b) any proposal to alter the rate of contributions payable by the Franchisee or its employees under a new schedule of contributions for the Franchise Section.

3.4 With respect to any proposal falling within the scope of paragraph 3.3(a) or (b), the Franchisee shall also consult with the Trustee on the basis of any response it receives from the Secretary of State in relation to any such proposal.
4. **Funding liabilities**

4.1 The Franchisee shall pay the employer contributions required under the schedule of contributions applicable to each Franchise Section (or either of the British Railways Superannuation Fund or the BR (1974) Pension Fund in which it participates) in respect of the Franchise Term subject to the provisions of paragraph 4.2 below.

4.2 Where, during the Franchise Term, Franchise Services are aggregated or disaggregated by the Secretary of State (for example, as a result of remapping) and, as a consequence, a Franchise Section of which the Franchisee is the Designated Employer is required to accept a transfer in or to make a transfer out of members, the Secretary of State shall ensure that the Franchisee has no liability for any resulting deterioration immediately arising in the funding level of the Franchise Section measured in accordance with the Franchise Sections’ technical provisions in Part 3 of the Pensions Act 2004, or for any amount arising under article 7(4) of the Railway Pensions (Protection and Designation of Schemes) Order 1994. Notwithstanding the above the Secretary of State shall have no liability for any future deterioration in the funding levels of the Franchise Section linked to such transfer in or out of members.

5. **Discharge of obligations**

5.1 The Secretary of State may at any time during the Franchise Term seek information from the Trustee with a view to satisfying himself that the Franchisee and the other Participating Employers (if any) have fully discharged their respective obligations under the Railways Pension Scheme, including their obligations in respect of the payment of contributions to any Franchise Section.

5.2 The Franchisee shall, at its expense, promptly provide such information in relation to any Franchise Section, including actuarial advice and information, as the Secretary of State may from time to time request and shall authorise and consent to the Trustee doing so.

5.3 The Franchisee shall, in respect of the Franchise Term, use all reasonable endeavours to provide to the Secretary of State:

(a) within one month of the expiry of each Franchisee Year; and

(b) at other times as soon as practicable following a request by the Secretary of State,

a certificate signed by the Trustee in relation to the Franchise Sections stating either that the Franchisee has fully complied with its obligations under the Railways Pensions Scheme, including its obligation to contribute to the Franchise Sections or, if it has not so complied, stating the extent to which it has not done so. Where the certificate is given pursuant to paragraph 5.3(a), it shall cover the relevant Franchisee Year. Where the certificate has been given pursuant to paragraph 5.3(b), it shall cover such period as the Secretary of State shall specify.

5.4 If the Trustee does not certify under paragraph 5.3 in relation to the Franchise Sections that the Franchisee has fully complied with its obligations under the Railways Pension Scheme or if the Secretary of State otherwise reasonably considers that the Franchisee has not complied with such obligations, the Secretary of State may adjust Franchise Payments payable under Schedule 8 (Payments) by an amount which is, in his opinion, no greater than the amount of...
any contribution that the Franchisee has thereby failed to make or avoided making.

5.5 The Secretary of State may, under paragraph 5.4, continue to make such adjustments to Franchise Payments payable under Schedule 8 (Payments) until such time as he reasonably determines that the relevant contributions have been made in full by the Franchisee. Following that determination, any amounts so withheld by the Secretary of State shall become payable (without interest) on the next day on which a Franchise Payment becomes payable under Schedule 8 (Payments), being a day which falls no less than seven days after such determination or, if there is no such day, 14 days after the date of such determination. To the extent that the Secretary of State has not so determined within four weeks after the expiry of the Franchise Period, the Franchisee’s right to receive the amount so withheld under the Franchise Agreement shall lapse and the Secretary of State shall not be obliged to pay such amount.

6. **Termination of Franchise**

The Secretary of State shall at the end of the Franchise Period ensure that the Franchisee has no liability for any deficit in the Franchise Sections (other than for contributions due and payable by the Franchisee to the Franchise Sections for any period prior to the end of the Franchise Term) and shall have no right to benefit from any surplus which may exist in the Franchise Sections. For the avoidance of doubt, this paragraph 6 shall apply where the Franchise Services are either aggregated or disaggregated (for example, as a result of remapping).

7. **Definitions**

Unless otherwise defined in the Franchise Agreement, terms used in this Schedule 16 shall have the meanings given to them in the Railways Pension Scheme.

the Franchisee will provide to the Secretary of State details of any provisions of the Franchise Documents or any such variation which the Franchisee believes are exempt from disclosure in accordance with the provisions of the Freedom of Information Act, the Environmental Information Regulations and/or Section 73(3) of the Act (the “Redactions”).
10.2 For each such Redaction the Franchisee should specify:

(a) the exact text of the Franchise Document or variation that the Franchisee proposes is redacted;

(b) whether the Franchisee proposes that the Redaction applies in relation to the publication of the relevant Franchise Document or variation on the website of the Department for Transport, on the register required to be maintained by the Secretary of State pursuant to Section 73 of the Act or on both such website and such register;

(c) the reasons why the Franchisee believes that the proposed Redaction is justified in accordance with the Freedom of Information Act, the Environmental Information Regulations and/or Section 73(3) of the Act.

10.3 The Secretary of State shall consult with the Franchisee in relation to the Franchisee’s proposed Redactions (provided that the same are provided to the Secretary of State in accordance with paragraph 10.1). SCHEDULE 19

Other Provisions

1. **Rights Cumulative**

The rights of the Secretary of State under the Franchise Agreement are cumulative, may be exercised as often as he considers appropriate and are in addition to his rights under the general Law. The exercise of such rights shall not limit the Secretary of State's right to make payment adjustments, claim damages in respect of contraventions of the Franchise Agreement or pursue any available remedies under general Law.

2. **Disputes**

**Disputes under the Franchise Agreement**

2.1 Wherever the Franchise Agreement provides that the Secretary of State may reasonably determine any matter, the Franchisee may, unless the Franchise Agreement expressly provides otherwise, dispute whether a determination made by the Secretary of State is reasonable, but the Secretary of State's determination shall prevail unless and until it is agreed or found to have been unreasonable.

2.2 Where either party is entitled, pursuant to the terms of the Franchise Agreement, to refer a dispute arising out of or in connection with the Franchise Agreement for resolution or determination in accordance with the Dispute Resolution Rules, then such dispute shall, unless the parties otherwise agree and subject to any duty of the Secretary of State under Section 55 of the Act, be resolved or determined by arbitration pursuant to the Dispute Resolution Rules.

2.3 Where, in the absence of an express provision in the Franchise Agreement entitling it to do so, either party wishes to refer a dispute arising out of or in connection with the Franchise Agreement to arbitration pursuant to the Dispute Resolution Rules, the following process shall apply:

(a) the party seeking to refer to arbitration shall serve a written notice upon the other party stating (i) the nature and circumstances of the dispute, (ii) the relief sought including, to the extent possible, an indication of any amount(s) claimed, and (iii) why it is considered that the dispute should be resolved by way of arbitration rather than litigation;

(b) the other party shall respond within 20 Weekdays of service of the notice confirming whether or not referral of the dispute to arbitration is agreed. In the absence of any response, the referral to arbitration shall be deemed not to have been agreed;

(c) in the event that the parties agree to refer the dispute to arbitration then it shall be resolved or determined in accordance with the Dispute Resolution Rules;

(d) in the event that the parties do not agree to refer to arbitration then it shall be resolved or determined in accordance with Clause 10 (Governing Law) of this Franchise Agreement; and
nothing in this paragraph 2.3 shall preclude either party from commencing, continuing or otherwise taking any step by way of litigation in pursuit of the resolution or determination of the dispute unless an agreement is reached to refer the dispute to arbitration.

2.4 The arbitrator in any dispute referred for resolution or determination under the Dispute Resolution Rules shall be a suitably qualified person chosen by agreement between the parties or, in default of agreement, chosen by the Disputes Secretary from a panel of persons agreed from time to time for such purposes between the Secretary of State and the Franchisee or, in default of agreement as to the arbitrator or as to such panel, selected on the application of any party by the President of the Law Society or the President of the Institute of Chartered Accountants in England and Wales from time to time (or such other person to whom they may delegate such selection).

Disputes under Other Agreements

2.5 The Franchisee shall notify the Secretary of State of any disputes to which it is a party under any Inter-Operator Scheme, Access Agreement, Property Lease or Rolling Stock Related Contract, or under any other agreement in circumstances where the relevant dispute could have an adverse effect on the Franchisee's ability to comply with its obligations under the Franchise Agreement or on the provision of the Franchise Services and which have been submitted for resolution either to the courts or to any other procedure for dispute resolution provided for under such agreements.

2.6 Such notification shall be made both:

(a) at the time of such submission (and such notification shall include reasonable details of the nature of the dispute); and

(b) at the time of the resolution of the dispute (whether or not subject to appeal) (and such notification shall include reasonable details of the result of the dispute, any associated award and whether it is subject to appeal).

2.7 The Franchisee shall provide such further details of any dispute referred to in paragraph 2.5 as the Secretary of State may reasonably request from time to time.

Any other notice, notification or other communication under or in connection with the Franchise Agreement shall be in writing and shall be delivered:

5. Set Off

Save as otherwise expressly provided under the Franchise Agreement or required by law, all sums payable under the Franchise Agreement shall be paid in full and without any set-off or any deduction or withholding including on account of any counter-claim.
5.2 Notwithstanding paragraph 5.1 the Secretary of State shall be entitled to set-off against any amounts payable by him under the Franchise Agreement:

Waivers

6.1

(a) Either party may at any time waive any obligation of the other party under the Franchise Agreement and the obligations of the parties hereunder shall be construed accordingly.

(b) No waiver by either party of any default by the other party in the performance of such party’s obligations under the Franchise Agreement shall operate or be construed as a waiver of any other or further such default, whether of a like or different character. A failure to exercise or delay in exercising a right or remedy under the Franchise Agreement shall not constitute a waiver of any right or remedy or a waiver of any other rights or remedies and no single or partial exercise of any right or remedy under the Franchise Agreement shall prevent any further exercise of such right or remedy or the exercise of any other right or remedy.

Time Limits

6.2 Where in the Franchise Agreement any obligation of a party is required to be performed within a specified time limit (including an obligation to use all reasonable endeavours or best endeavours to secure a particular result within such time limit) that obligation shall be deemed to continue after the expiry of such time limit if such party fails to comply with that obligation (or secure such result, as appropriate) within such time limit.

Partial Invalidity

6.3 If any provision in the Franchise Agreement is held to be void, illegal, invalid or unenforceable, in whole or in part, under any enactment or rule of Law, such provision or part shall to that extent be deemed not to form part of the Franchise Agreement but the legality, validity and enforceability of the remainder of the Franchise Agreement shall not be affected.

Further Assurance

6.4 Each party agrees to execute and deliver all such further instruments and do and perform all such further acts and things as shall be necessary or expedient for the carrying out of the provisions of the Franchise Agreement.
Rights of Third Parties

6.5

(a) A person who is not a party to the Franchise Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Franchise Agreement except to the extent set out in this paragraph 6.5.

(b) Any Successor Operator or potential Successor Operator nominated by the Secretary of State and notified to the Franchisee for the purposes of this paragraph 6.5 may enforce and rely on the provisions of Schedule 15 (Obligations Associated with Termination) to the same extent as if it were a party but subject to paragraphs 6.5(c) and (d).

(c) The Franchise Agreement may be terminated, and any term may be amended or waived, in each case in accordance with the terms of the Franchise Agreement, without the consent of any person nominated under paragraph 6.5(b).

(d) The person nominated under paragraph 6.5(b) shall only be entitled to enforce and rely on Schedule 15 (Obligations Associated with Termination) to the extent determined by the Secretary of State (whether at the time of nomination or at any other time) and, to the extent that any such person is entitled to enforce and rely on Schedule 15 (Obligations Associated with Termination), any legal proceedings in relation thereto must be commenced within one year of the expiry of the Franchise Period and any such person shall not be entitled to enforce or rely on Schedule 15 (Obligations Associated with Termination) to the extent that it has consented to any particular act or omission of the Franchisee which may constitute a contravention of Schedule 15 (Obligations Associated with Termination) or has been afforded a reasonable opportunity to indicate to the Franchisee that it is not so consenting and has not so indicated (the extent of such reasonable opportunity to be determined by the Secretary of State unless otherwise agreed).

Secretary of State's Consent or Approval

6.6 Where any provision of the Franchise Agreement provides for any matter to be subject to the consent or approval of the Secretary of State, then (subject only to the express terms of that provision as to the basis on which that consent or approval may be given or withheld) the Secretary of State shall be entitled to give that consent or approval subject to any condition or conditions as he considers appropriate, which may include the adjustment of any of the terms of the Franchise Agreement.

7. Enforcement Costs

The Franchisee shall compensate the Secretary of State for all reasonable costs incurred by the Secretary of State as a result of the Franchisee failing to perform its obligations under the Franchise Agreement in accordance with their terms in the exercise of the Secretary of State's rights under Schedule 10 (Remedies, Termination and Expiry).
8. **Currency**

If at any time the Bank of England or other competent monetary authority of the United Kingdom or competent organ of H. M. Government of the United Kingdom recognises the Euro as lawful currency and tender of the United Kingdom, the Secretary of State may, by reasonable notice to the Franchisee and the Franchisee may by reasonable notice to the Secretary of State, elect that all payment obligations arising under the Franchise Agreement shall be denominated and/or constituted in Euros on the basis that all outstanding amounts and obligations previously denominated and/or constituted in pounds sterling shall be translated into Euros at the exchange rate applied or recognised by the United Kingdom authority or organ which granted recognition of the Euro for the purpose of such translation on the date on which it granted recognition of the Euro.
