**For Illustrative Purposes Only,**

Data As At :

**This is an example of a LITS produced**

Aircraft Tail Number:

F721B Package Number: \_\_\_\_\_

## MOD Format 721B.

Responsible Engineering Organisations Certificate:

Certified that the maintenance and component replacements detailed in pages 3 to 24 of this LITS Report, for the Forecast Limits listed on page 2, have been correctly transposed from the previous report. I further certify that any non-LITS managed preventative maintenance and component replacements have been correctly listed and forecast on pages 22 to 23 of this report.
