4. None of the material to which this authorisation relates shall be used for human or animal consumption under any circumstances.
5. Any products and records relating to the product imported under this authorisation shall be made available if so required for inspection by an Officer of the Animal and Plant Health Agency (APHA) at any place nominated by him/her for such inspection. The importer or his agent shall afford all assistance necessary to such an officer to enable him/her to carry out the inspection in such a manner as he/she shall determine and the importer shall be responsible for meeting any costs of carrying out such an inspection.

NOTES

- a) The material must at all times be handled, stored, transported and used in accordance with the requirements of Regulation (EC) No 1069/2009 and Regulation (EU) No 142/2011. Further information is available from your local [APHA](#) office.
- b) If the material is to be re-exported, you should ensure that the importing country will permit entry and that you have the correct paperwork to accompany the consignment.
- c) European legislation is available on the [Commission website](#).
- d) This authorisation does not provide an exemption from any prohibition or restriction imposed by the Official Feed and Food Control (England) Regulations 2006, the provisions of the Food Safety Act 1990 and Regulations made under it, the Animal By-Products (Enforcement) Regulations 2013, the Marketing Authorisations for Veterinary Medicinal Products Regulations 1994, The Control of Substances Hazardous to health (2002)

(COSHH), Management of Health and Safety at Work Regulations (1999), Health and safety at Work Act (1974) or by any regulation superseding or amending the same.

- e) This authorisation is granted under animal health import legislation and gives no exemption from any prohibition, regulation or restriction imposed by any other Government Department or Agency.
- f) Please note that while this authorisation is current at the time of its issue, conditions can be subject to frequent change and importers are advised to check the latest position with the Centre for International Trade (see below).

CAUTION

It is the importer's responsibility to ensure that any import covered by this authorisation complies with the terms and conditions as set out.

Any breach of any conditions attached to this authorisation will constitute an offence against the Animal Health Act 1981.
