PUBLIC PATH DIVERSION AND DEFINITIVE MAP AND STATEMENT MODIFICATION ORDER

HIGHWAYS ACT 1980

WILDLIFE AND COUNTRYSIDE ACT 1981

WILTSHIRE COUNCIL

The Wiltshire Council Parish of Norton Bavant Path No. 4 (part) Diversion Order and
Definitive Map and Statement Modification Order 2015

This Order is made by Wiltshire Council ("the authority") under section 119 of the Highways Act
1980 ("the 1980 Act") because it appears to the authority that in the interests of the owner of the
land crossed by the bridleway described in paragraph 1 of this order and of the public it is
expedient that the line of the path should be diverted.

This order is also made under section 53A(2) of the Wildlife and Countryside Act 1981 ("the 1981
Act") because it appears to the authority that the Warminster and Westbury Rural District Council
definitive map and statement dated 1953 as modified under the Wildlife and Countryside Act 1981
require modification in consequence of the occurrence of an event specified in section 53(3)(a)(i)
of the 1981 Act, namely the diversion (as authorised by this Order) of a highway shown or required
to be shown in the map and statement.

Norton Bavant Parish Meeting has been consulted as required by section 120(2) of the 1980 Act.

BY THIS ORDER

1. The public right of way over the land situated at Scratchbury Hill in the Parish of Norton
   Bavant and shown by a bold continuous line on the map contained in this order and
described in Part 1 of the Schedule to this order, after confirmation of the order, shall be
stopped up on the date on which Wiltshire Council certify that work has been carried out to
bring the site of the new highway described in Part 2 of the Schedule into a fit condition for
use by the public and thereupon the Warminster and Westbury Rural District Council
definitive map shall be modified by deleting from it those public rights of way.

2. Notwithstanding this order Scottish and Southern Energy shall have the following rights
   over the land referred to in paragraph 1 namely: -

Where immediately before the date on which the footpath is diverted there is apparatus
under, in, on, over, along or across it belonging to statutory undertakers for the purpose of
carrying on their undertaking, the undertakers shall continue to have the same rights in
respect of the apparatus as they then had.

3. There shall be at the date of certification of the new highway described in Part 2 of the
Schedule a bridleway as described in Part 2 of the Schedule over land south of
Scratchbury Hill, Norton Bavant and as shown by a bold broken line on the map contained
in this order, and thereupon the Warminster and Westbury Rural District Council definitive map shall be modified by adding this path to it.

3A. The Warminster and Westbury Rural District Council area definitive statement dated 1953 shall be modified as described in part 3 of the Schedule to this Order.

4. The rights conferred on the public under this order shall be subject to the limitations and conditions set out in Part 3 of the Schedule.
