List of medical facilities/practitioners in Thailand

Prepared by British Embassy Bangkok

www.gov.uk

The following list of medical facilities/practitioners has been prepared by the British Embassy Bangkok for the convenience of British Nationals who may require these services and assistance in Thailand. It is provided on the understanding that we the British Embassy do not assume or undertake any legal responsibility, to you, or those affected, if you choose to take it into account when instructing a medical facility or practitioner.

Further and alternatively, we cannot accept any liability to any person or company for any financial loss or damage arising from the use of this information or from any failure to give information.

The following list is the list of hospitals that have been accredited with Joint Commission International (JCI) standard. The JCI standard is globally recognised as gold standard for health care services. For more information please follow this link: http://www.jointcommissioninternational.org

Our aim is to provide our customers with as much relevant information to enable them to make better informed decisions but our lists are not recommendations and should not be treated as such.
