

## **Pre-Release Access to National Statistics**

Pre-release access arrangements within DFID are in line with *The Pre-release Access to Official Statistics Order 2008* which came into force on 1 December 2008. In particular, pre-release access is only allowed for a maximum of 24 hours.

The list below shows those DFID ministers and officials who received access in advance of publication under the terms of the Order to the following annual publications (as well as non-DFID officials – whose department is stated):

- *Provisional UK Official Development Assistance as a proportion of Gross National Income* Publication – April 2016

The officials on this list are either involved in the production of briefing for DFID ministers or are regularly called upon to give direct advice to the minister to enable her to comment on the figures shortly after publication.

As well as the people on this list, there are a limited number of other DFID staff who will have pre-release access to the information because they are involved in the compilation or quality assurance of the data.

### **PRE-RELEASE ACCESS LIST** *(names are DFID unless stated otherwise)*
