Future known funding

- 5. This circular reflects confirmed funding at the time of issue. LAs should note that further New Burdens payments will be allocated in respect of the new benefit cap levels (due to be introduced autumn) and the abolition of the management cost fee for Temporary Accommodation. An associated circular containing more detail will follow.
- 6. This is not exhaustive and there may well be additional policies generating the need for further New Burdens payments as the year progresses. LAs will be informed as soon as this information is available.

Key points

- 7. Some LAs will notice that their allocations differ from 2015/16. This is in part due to caseload changes from the previous year, and the benefit cap funding, which has been reduced for 2016/17 to reflect recent changes in the caseload, around a 15 per cent reduction, from 2015/16.
- 8. In addition, funding has been provided for eight months of the year given the start of the rollout of the new, lower tiered cap towards the end of 2016. The funding for the new cap level is being finalised and will be proposed to LAs shortly.
- 9. The allocation methodology has remained the same as previous years with additions for the following

Current benefit cap funding

- Increased enquiries from claimants
- Processing costs for on-flows and change of circumstances
- Handling reconsiderations
- Appeals
- · Housing options advice
- · Money management and debt advice
- · Landlord liaison (social and private rented sector)
- · Processing of DHP applications

Removal of Spare Room Subsidy funding

- Intensive housing options advice (for those at serious risk of eviction)
- Less intensive housing options advice

- Increased enquiries from claimants
- Appeals
- Applications to transfer properties
- Additional change of circumstances (e.g. moving, entering work)
- DHP administration

LHA welfare reforms funding

- DHP administration
- Increased enquiries from claimants regarding LHA freeze policy

Removal of the Family Premium and limiting backdating of HB to one month

- · Increased enquiries from claimants

- 11. Each LA will receive a single payment by May 2016.
