

## NEW POWERS FOR SCOTLAND

The Scottish Parliament has a range of new powers as a result of the Scotland Act 2016.

It delivers on the UK Government's commitment to the people of Scotland.

The Scottish Parliament already has extensive powers - but will now be responsible for raising more than 50% of the money it spends, while keeping the strength and security that comes with being a part of the UK.

Find out more about these important changes and what they mean to you:
