Amendment Independent	MAA-OA-DepHd2	Redacted	<i>Redacted</i>

Amendment Classification (As per MAA SOP 20 Matrix)	Major Change (1*/OF5)	Publishing Requirements:	ROUTINE
---	------------------------------	---------------------------------	---------

AUTHORIZED AMENDMENT
 RA 1310 has been reviewed in consultation with the Regulated Community. The update reflects the change from Aircraft Document Set to Air System Document Set (the Air System Document Set will be known as the ADS in the interest of reducing amendment action), and examined the relationship and responsibilities between all documents and organizations in the ADS. It formalizes in regulation that only personnel issued with an appropriate Letter of Authority may issue or amend the ADS.

ISSUE STATE CHANGES (if more lines required, contact the MRP Team)
