

CHANGE NOTICE

Quarterly vaccination coverage report: statistics for children aged up to five years in the UK (COVER programme): October to December 2015

17 June 2016

Following the identification of an error in Table 3b of the above *HPR* report [1], the figures have been amended (see tables below)

The overall England/United Kingdom figures remain unchanged.

The separately published statistical tables are not affected by the above change [2].
