Dear [REDACTED]

PROVISION OF REQUESTED INFORMATION

Thank you for your request for information about zoos which we received on 25 July 2016. Your request has been handled under the Freedom of Information Act 2000.

The information you requested and our response is detailed below:

“Please can you provide me with a full list of the names of all Zoos in the UK. Under the classification of 'Zoos' I am including any place where a member of the public can visit or observe captive animals: zoological parks, centres or gardens; aquariums, oceanariums or aquatic attractions; wildlife centres; butterfly farms; petting farms or petting zoos.”

See Appendix 1 for a list that APHA hold on current licensed zoos in Great Britain (England, Scotland and Wales), as at 25 July 2016 (date of request). The information relating to Northern Ireland is not held by APHA. Any potential information maybe held with Department of Agriculture, Environment and Rural Affairs (DAERA).

See Appendix 2 for a list that APHA hold on ALL zoos, including those exempt from the Zoo Licensing Act, in Great Britain (England, Scotland and Wales), as at 25 July 2016 (date of request). The information relating to Northern Ireland is not held by APHA. Any potential information maybe held with Department of Agriculture, Environment and Rural Affairs (DAERA).

Please note that the Local Authorities' Trading Standard departments are responsible for administering zoo licensing under the Zoo Licensing Act 1981, and APHA are only responsible for maintaining a list of zoo inspectors and nominating them for inspections. Therefore both Appendices have been produced from APHA's list of inspectors nominated to inspect a zoo.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOIs and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

I attach an Annex which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact the Access to Information Team at the email address below or postal address at the top of this letter.

Yours sincerely
