16. Breach

16.1 For the purpose of this Clause, the following definitions shall have the meanings set out below:

16.1.1 "Minor Breach" shall mean a delay or non-performance by either Party, including any College Related Parties, of its obligations, in part or in full, under this Funding Agreement which does not materially, adversely or substantially affect the performance or delivery of the Services, in part or in full, or the provision of a safe, healthy and supportive learning environment; and
16.1.2 "Serious Breach" shall mean any breach which adversely, materially and substantially affects the performance or delivery of the Services, in part or in full, or the provision of a safe, healthy and supportive learning environment. Serious breach includes but is not limited to:

16.1.2.1 a breach of security that adversely affects the personal data or privacy of an individual;

16.1.2.2 failure to comply with Law, or acts or omissions by THE COLLEGE that endanger the health or safety of students;

16.2 For the avoidance of doubt:

16.2.1 neither Party shall be liable for any Minor Breach or Serious Breach under this Clause, which occurs as a direct result of any act or omission by the other Party, its staff or agents; and

16.2.2 in the event of a breach the Party not in breach may enforce the clauses in this Funding Agreement relating to breach even if it has not done so in the event of earlier breaches.

**Minor Breach**

16.3 Without prejudice to any other remedy, in the event of a Minor Breach, the Party not in breach shall be entitled to serve written notice on the Party in breach, giving full details of the breach and requiring the other Party to remedy the breach within a specified period.

16.4 If the Party in breach fails to remedy the Minor Breach within the time specified in notice served under part two clause 16.3, or such other period as may subsequently be agreed in writing between the Parties, it shall constitute a Serious Breach by the Party in breach.

**Serious Breach**

16.5 Without prejudice to any other remedy, in the event of a Serious Breach, which in the view of THE EFA is capable of remedy, the Parties shall adopt the following procedure:

16.5.1 The Party not in breach shall be entitled to serve written notice on the other Party giving full details of the breach and requiring the Party in breach to remedy the breach within a specified time period.

16.5.2 In the event that a Serious Breach of this Funding Agreement by THE COLLEGE is in the view of THE EFA not, or cannot be, remedied within the period specified in the notice served under part two clause 16.5.1, or such other period as may subsequently be agreed in writing between the Parties, THE EFA may:
(a) require THE COLLEGE to suspend recruitment of Students, and cap growth of learning programmes in future years, to the Services to which the Serious Breach relates;

(b) give consideration to the Serious Breach in its application of lagged learner funding when finalising the amount of funding in any subsequent Funding Agreement(s) between the Parties;

(c) reduce, suspend or recover payment to THE COLLEGE in respect of that part of the Services to which the Serious Breach relates;

(d) terminate, in accordance with part two clause 17 (Termination), in full or in respect of that part of the Services to which the Serious Breach relates.

16.6 In the event that any Serious Breach cannot be remedied at all or within the period specified in the notice served in accordance with part two clause 16.5.1 or such other period as may be agreed in writing between the Parties, the Party not in breach may at its sole discretion terminate this Funding Agreement or that part of the Services to which the breach relates with immediate effect on notice in writing to the other Party.

17. Termination

17.1 Without prejudice to any other remedy, on the occurrence of a Serious Breach that is not capable of being remedied THE EFA shall be entitled to terminate this Funding Agreement, in respect of that part of the Services to which the Serious Breach relates, by notice to THE COLLEGE with immediate effect.

17.2 THE EFA shall be entitled to terminate this Funding Agreement on written notice in the circumstances as detailed in Part Two clauses 5.5-5.7 above (quality Assurance). The period of notice shall be that which, in all the circumstances, THE EFA deems reasonable.

17.3 THE EFA shall be entitled to terminate this Funding Agreement on written notice in case of the insolvency, liquidation or dissolution of THE COLLEGE.

17.4 In addition to the rights of termination under any other clauses of this Funding Agreement, either party shall be entitled to terminate this Funding Agreement in respect of all or part of the Services delivered under this Funding Agreement by giving to the other not less than six months’ notice, in writing, to that effect without the need to give a reason for termination. Where this right is exercised by THE COLLEGE it shall be implemented at no cost to THE EFA.
17.5 Termination under part two clause 17 shall not prejudice or affect any right of action or remedy, which shall have accrued or shall thereupon accrue to the Parties under this Funding Agreement.

17.6 The Parties agree that on termination or expiry of this Funding Agreement for any reason, the continuity of the Services is of paramount importance. THE COLLEGE shall do its utmost to minimise disruption caused to Students and to assist the implementation of any contingency plan proposed by THE EFA either prior to or after the termination of expiry of this Funding Agreement, to deal with the effects of such termination or expiry in so far as it is practicable to do so.

17.7 THE COLLEGE shall, within 2 Working Days of termination of this Funding Agreement cease using any marks of THE EFA and deliver up to THE EFA all correspondence, documents, student data relevant to continuation of the Services, specification papers and other property belonging to THE EFA, which may be in its possession or under its control.

17.8 On termination of this Funding Agreement (however arising) the accrued rights and liabilities of the Parties at termination shall survive and continue in full force.

18. Dispute Resolution

18.1 Any dispute, difference or question arising between the Parties either during the term of this Funding Agreement or afterwards shall be referred to the relevant EFA Territorial team who will nominate a member of staff to lead discussion and review with a nominated representative of THE COLLEGE in order to try to resolve the same.

18.2 In the event that the nominated representatives are unable to resolve the dispute, difference or question, either of the Parties may (subject to part two clause 18.4 below), by written notice to the other party, refer the matter to a Dispute Resolution Panel (“the Panel”) to attempt to reach a mutually acceptable resolution. The Panel shall be made up of one of THE EFA’s Territorial Directors and a senior representative (it is envisaged that this would be the Principal, acting Principal or member of the Senior Management Team) from THE COLLEGE. The date of reference to the Panel will be agreed by the Panel themselves. The Panel shall meet within 14 days of the date of reference to them and the Panel shall use best endeavours to identify a mutually acceptable resolution.

18.3 In the event of the Dispute Resolution Panel failing to identify a mutually acceptable resolution within 28 days of the date of reference, then any dispute, difference or question arising out of or in connection with this Funding Agreement including any question regarding its existence, validity or termination, save for any matter or thing as to which the decision of THE EFA is under this Funding Agreement deemed to be
final and conclusive, shall be referred to and settled as far as possible by mediation in accordance with the Centre for Effective Dispute Resolution (CEDR) Model Mediation Procedure.

18.4 If the Parties agree in writing, the dispute, difference or question that the nominated representatives were unable to resolve may be referred to directly to mediation, in accordance with part two clause 18.3 above, without reference to the Panel.

18.5 No party may commence any court proceedings/arbitration in relation to any dispute arising out of this Funding Agreement until they have attempted to settle it by mediation, but any such mediation may be terminated by either party at any time of such party wishing to commence court proceedings/arbitration.

18.6 If Mediation does not reach a conclusion satisfactory to the Parties the dispute, difference or question shall be referred to and finally resolved by arbitration and the provisions of the Arbitration Act 1996 (or any statutory modification or re-enactment thereof) shall apply to such arbitration.

18.7 The arbitration will be conducted by a sole arbitrator, jointly agreed by THE COLLEGE and THE EFA. In the event of the Parties being unable to agree the identity of the arbitrator within 14 days of the service of the Notice of Arbitration, either THE COLLEGE or THE EFA may request the Chairman of the Chartered Institute of Arbitrators to make the appointment.

18.8 The place of arbitration shall be London, England.

Study Programmes, incorporating Traineeships

To improve the quality of vocational education provision for post-16 students, Professor Alison Wolf recommended that study programmes be introduced to offer students breadth and depth and without limiting their options for future study or work.

From September 2013, new 16 to 19 study programmes were introduced, supported by changes to post-16 funding. All students in full or part-time education aged 16 to 19 are expected to follow a study programme tailored to their individual needs, education and employment goals, including students with learning difficulties and/or disabilities.

For specific detail on Traineeships (Framework for Delivery):

14 to 16 full-time provision

As recommended in Professor Alison Wolf’s review of Vocational Education – recommendation 19, Further Education Colleges and Sixth Form Colleges will be able to enrol, and be directly funded by the Education Funding Agency (EFA) for 14 to 16 year olds who wish to study vocational qualifications from September 2013 other than in a school environment.

Under current legislation Further and Higher Education Act 1992 s.18 (1) (aa)-(ac) for FE colleges and s.33E (1) (b)-(d) for SFCs and s52A for both FE Colleges and SFC’s,

Colleges have various powers to provide “secondary education” to compulsory school age students. The education should take place by agreement with schools, local authorities or parents/carers.

Further information about the new 14 to 16 provision has been published on the DfE webpages

Raising Participation Age

The participation age was raised in 2013 and young people are now required to continue in education or training until at least their 18th birthday. Young people can choose to participate through full-time education, a job or volunteering combined with part-time study, or by undertaking an apprenticeship or traineeship.

For further information on Raising the Participation Age (RPA) please see the statutory guidance for local authorities: www.gov.uk/government/publications/participation-of-young-people-education-employment-and-training - Annex 1 is of particular interest as it provides further detail on the different routes young people can take to meet their duty to participate.
