

UK Visas & Immigration

Visitor: supporting documents guide

This guidance explains the documents you may need to provide in support of your application to visit the UK.

All documents must be originals and not photocopies. Submission of these documents does not guarantee that your application will be successful and you should bear this in mind when making any bookings.

If you submit a document that is not in English or Welsh, it must be accompanied by a full translation that can be independently verified by the Home Office. Each translated document must contain:

- confirmation from the translator that it is an accurate translation of the original document
- the date of the translation
- the translator's full name and signature
- the translator's contact details

Structure of this guidance

[Section 4](#) documents that you should not send in support of your application

Section 1: documents you must provide – all visitors

Valid travel document (national passport or other document that allows the holder to travel internationally)

Section 2: other documents you may want to provide – all visitors

This section provides guidance on the types of documents that you may want to provide to help us consider your application against the Immigration Rules.

Previous travel documents/passports, which show previous travel.

Financial documents showing that you have sufficient funds available. These must clearly show that you have access to the funds, such as:

- bank statements
- building society book
- proof of earnings such as a letter from employer confirming employment details (start date of employment, salary, role, company contact details)
- where a third party (who is either in the UK or who will be legally in the UK at the time of your visit) is providing financial support to you e.g. a business, a friend or a relative, documents to show they have sufficient resources to support you in addition to themselves and any dependant family should be provided

Confirmation of legal residence, if you are not a national of the country in which you are applying or your right to reside there is not included in your passport.

Details of employment or studies where you have stated in your application that you are either employed or in full-time studies. This could include:

- a letter from your employer on company headed paper, detailing your role, salary and length of employment
- a letter from your education provider, on headed paper, confirming your enrolment and leave of absence

If self employed: business registration documents confirming the business owner's name and the date the business started trading.

Business activities – where you are coming to the UK in order to undertake activities relating to your occupation/employment outside the UK you should submit documents showing what you will be doing in the UK, including any letters from inviting organisations. For example:

- any business activities, e.g. letter from your employer outlining the reason for your visit, who you will be meeting and details of any payment/expenses
- for performances and entertainment visitors, whether you work in this area as a professional or amateur , and what and where you will be performing

Under 18s – we strongly recommend you submit the following information otherwise it may delay consideration of your application.

- a Birth Certificate or legal document (such as adoption papers) showing the relationship between you and your parent or guardian

If travelling unaccompanied or with someone other than your parent(s) you should provide:

- a signed letter from your parent(s) confirming details of anyone accompanying you, and details of care and accommodation arranged in the UK
- a copy of your parent(s) or legal guardian's biographical page of their passport, which includes their signature and passport number if your parent(s) do not have a passport then you must provide another official document which bears their signature

Section 3: Additional documents for specific types of visitors

This section sets out additional types of documents that you must submit if you are visiting for one of the following reasons:

[Academics coming to undertake research \(12 month visa\)](#)

[Family accompanying academic coming to undertake research \(12 month visa\)](#)

[Private medical treatment](#)

[Organ donors](#)

[Prospective Entrepreneur](#)

[Work-related training](#)

[Approved Destination Scheme](#)

[Permitted paid engagements](#)

[Visitor \(marriage/Civil partnership\)](#)

[Transit](#)

Academics coming to undertake research (12 month visa)

- a letter from your current employer on official headed paper, detailing the period of your sabbatical, exchange or outlining the research to be undertaken

- letter from UK host organisation confirming the arrangements for your research or exchange

if you are from a country listed in [Appendix T part 1 of the Immigration Rules](#) you must provide a valid medical certificate issued by a medical practitioner listed in [Part 2 of Appendix T](#)

Family accompanying academics coming to undertake research (12 month visa)

- if you are from a country listed in [Appendix T Part 1 of the Immigration Rules](#) you must provide a valid medical certificate issued by a medical practitioner listed in [Part 2 of Appendix T](#)

Private Medical Treatment (6 and 11 month visa)

You must provide a letter from your doctor or consultant in the UK, which includes:

- details of the condition requiring treatment or consultation
- estimated costs and likely duration of treatment
- details of where treatment or consultation will take place
- if you are applying for an 11 month visa and are from a country listed in [Appendix T part 1 of the Immigration Rules](#) you must provide a valid medical certificate issued by a medical practitioner listed in [Part 2 of Appendix T](#)

Where you are applying for an extension of stay as a visitor for private medical treatment you must provide the following documents:

- a letter from a registered medical practitioner, at a private practice or NHS hospital, who holds an NHS consultant post or who appears in the Specialist Register of the General Medical Council, detailing the medical condition requiring further treatment documents to show that you have met the costs of any treatment already received

In addition, organ donors must provide a letter confirming:

- that you genuinely intend on donating an organ to a named individual who you have a genetic or personal relationship with, and that you are either a confirmed match to the identified recipient or are undergoing further tests to establish this
- details of when and where the planned transplant or tests will take place

The letter must be from one of the following:

- the lead nurse or co-ordinator of an NHS Trust's living donor kidney transplant team
- a registered medical practitioner who holds an NHS consultant post, or who appears in the specialist register of the General Medical Council

Organ donors also need a document showing that the intended recipient is legally resident in the UK, such as a copy of their British passport or residence permit. If they are applying for a visa at the same time, you must provide their details (name, nationality, date of birth).

Prospective Entrepreneur

Letter of support from:

- one or more registered venture capitalist firms regulated by the Financial Conduct Authority
- one or more UK entrepreneurial seed funding competitions, [listed here as endorsed](#)
- one or more UK government departments

Failure to provide these documents will prevent subsequent switching into Tier 1 (Entrepreneur).

Work-related training

- Professional and Linguistic Assessment Board or Objective Structured Clinical Examination Tests – a letter from the General Medical Council & Nursing and Midwifery Council confirming arrangements for the test
- unpaid clinical attachments or dental observer posts –confirmation of your offer to take up this post and that you have not previously undertaken this activity in the UK
