Thank you for your letter dated 6<sup>th</sup> July 2016. In view of the short consultation time period, it has not been possible to prepare detailed additional representations.

Powys County Council's position was set out at the Mid Wales Conjoined Public Inquiry. The Council does not wish to amend this stance.

Please find attached a table that outlines for the Secretary of State's attention the current windfarm scenario in Powys which has changed since the original decisions were issued on 7<sup>th</sup> September 2015.

I trust this information is of assistance. If you have any further queries please don't hesitate in contacting me.

Yours sincerely,

Powys County Council
