

REP 44 [OBJECTION]

Subject: Llanbrynmair and Carnedd Wen Windfarms

Dear M

I wish for my previous comment made to the public enquiry to be carried forward to the re-consideration of the above applications.

Nothing has changed and so the objections do not need to be modified.

If anything and in view of the recent commencement of very large loads to build other wind farms, the comments that I made about the traffic disruption - at the time predictions - are now being proved to be true.

Yopursd faithfully
