

Pre-release access to BEIS National Statistics output ‘Business Population Estimates for the UK and Regions’

Protocol 2 of the [Code of Practice for Official Statistics](#) requires that access to releases before public release is limited to those people essential for production and publication, and for quality assurance and operational purposes. Pre-release access may only be granted in accordance with the rules and principles set out in the [Pre-release Access to Official Statistics Order 2008](#). In addition, Protocol 2 also requires that records are published of those who have access prior to public release.

Recipients of pre-release access to the 2016 edition of Business Population Estimates for the UK and Regions are listed below. Recipients work for BEIS unless otherwise stated.
