## GUIDANCE NOTES

### 1. For Which Applications Must You Use Form SET(DV)?

Form SET (DV) must be used if you are applying for indefinite leave to remain as the victim of domestic violence after being admitted to the UK or given leave in the UK or an extension of stay as the spouse, civil partner, unmarried or same sex partner of a person present and settled in the UK or of a serving or discharged member of the HM Forces who is a British citizen or has served for at least 4 years.

You and any children under 18 who are applying with you must be in the UK to apply.

### 2. Qualifying For Indefinite Leave To Remain

To qualify for indefinite leave to remain as a victim of domestic violence you must meet the requirements set out in Part 8 of the Immigration Rules or Appendix FM or Appendix Armed Forces to those Rules, which are on our website.

### 3. Who May Apply On This Form?

You and any children under 18 if they are applying as your dependants.

Children aged 18 or over may not be included; they must each apply individually and pay the specified fee, as must any children under 18 if there is some reason preventing them from applying with you.

### 4. The Fee

The premium service at our Premium Service Centres is not available for applications on form SET(DV). You do not need to pay the fee if you can show that you are destitute.

A person who claims to be destitute for the purpose of being exempt from the fee must provide evidence to show that, on the date of making the application, they have:

- a) no access to sufficient funds to pay the specified application fee; and that they are;

b) totally and necessarily reliant on a third party for the provision of essential living costs, such as basic accommodation and food.

You must provide satisfactory evidence if you claim to be destitute - see next page.

Unless you provide satisfactory evidence, your claim to be destitute will not be accepted and your application will be rejected as invalid. Satisfactory evidence could, for example, be a signed letter from a local authority or agency supporting you. The letter must confirm that your circumstances have been assessed, and that you have been deemed to be destitute and are therefore unable to pay the application fee.

If you are not claiming to be destitute, you must pay the specified fee. Please note that if you do not, the application will be invalid and will be returned to you.

Please also note that if you are paying the application fee, we will not refund it if we refuse the application or if you withdraw it.

For information about methods of payment, please see the payment details guidance on page 2 of the form.

For more information about the current fees, please go to our website at

[UK Visas and Immigration - GOV.UK](https://www.gov.uk)

Biometric enrolment fee

As part of your application you are required to enrol your biometric information. You will be charged an additional handling fee for this service, payable to the Post Office Ltd. You must pay the fee by cash or debit card when you attend Post Office Ltd to enrol your biometrics. Each dependant included on your application must also pay this fee when they enrol their biometric information. Do not send the biometric enrolment fee with your application fee.

Applicants on some immigration routes are exempt from paying an enrolment fee at the Post Office Ltd. If you are in one of these categories you will be informed of this when we send you a biometric notification letter.

Your application may be rejected as invalid if you do not enrol your biometrics when requested. For more information about enrolling biometrics and the current fee, please visit the following section of our website:

[Biometric residence permits - GOV.UK](https://www.gov.uk)

## 5. When To Apply

You and any children under 18 applying with you should do so before the end of your/their permitted stay in the UK.

Your application should be made as soon as is practicably possible after your marriage or other partnership has broken down as a result of domestic violence.

You should not wait until the end of your permitted stay in the UK.

## 6. Making Sure Your Application Is Valid

Paragraphs 34-34I of the Immigration Rules specify certain requirements with which an application on a form specified for the purpose of the Rules must comply. To make a valid application, you must:

- apply on the current version of form SET(DV)
- pay the specified fee by one of the methods specified in the payment guidance (unless you are destitute)
- provide photographs of yourself and any children under 18 who are applying with you as specified in the application form

- complete section 8 (Personal History) as required
- sign the declaration in section 13
- send the application by prepaid post to the Home Office

If you fail to do any of these things, the application will be invalid and we will return it to you. This could result in the loss of appeal rights if your permitted stay has run out by the time you make a valid application.

## **7. Ensuring Your Application Is Complete**

You do this by completing every relevant section of the form as required and providing all the documents specified for your particular application, including your valid passport or (except a PBS applicant) a national identity card. If you do not have these (except a PBS applicant), your most recent national identity card. If you don't have either of these, you can provide a travel document. You also need to include the valid passport, national identity card or travel document of any dependants applying with you..

If you do not do this, we reserve the right to decide your application on the basis of the information and documents provided.

It is important, therefore, to provide an explanation if you cannot give us all relevant information or documents when making your application.

## **8. Completing The Form**

Please use a black pen to complete the form; write names, addresses and similar details in capital letters.

In the payment details and other sections where you give personal details and addresses, leave an empty box between each part of the name and each part of the address.

Please note that we always use the personal details in an applicant's passport, national identity card or travel document for official purposes, including any residence permit if the application is granted.

Take care to complete all sections as required, including the Personal History section. Follow the guidance on page 2 of the form when completing the payment details. Read the notes in various sections of the form.

As already emphasised in part 7 of these notes, you must enclose a letter of explanation if you are unable to provide all the required information or any relevant specified documents.

## **9. Photographs**

For your application to be valid, it is mandatory to provide the following photographs:

- Two identical passport-size photographs of yourself with your full name written on the back of each one.
- Two identical passport-size photographs of any children under 18 who are applying with you with their full name written on the back of each one.

The photographs you provide must also comply with the format requirements specified in the separate UK Visas and Immigration photograph guidance.

Please ensure that you place the photographs in a small sealed envelope and attach it to section 1 of the form as instructed there - and without any staples, clips, pins or anything else which could mark or damage the photographs.

## **10. Documents**

Documents provided with the application must be originals.

Copies of any kind are not acceptable unless there are valid reasons for not being able to provide the original document. In such circumstances, we may accept a copy certified by the body or authority which issued the original (for example, a copy of a savings book certified by the building society or bank), or by a notary.

The reasons for not being able to provide the original document must be explained in a covering letter. We are unlikely to grant your application without the original document.

Any documents not in English must be accompanied by a reliable English translation. Make sure passports or travel documents are signed.

## **11. Applying By Post - The Address**

The address to which you must post an application on form SET(DV) is:

Home Office - SET(DV)  
Indefinite Leave to Remain  
PO Box 492  
Durham  
DH99 1WU

Posting it to any other address will not only delay your application but could make it invalid. This address is only to be used when sending your application.

Please use the address given in part 14 for any other correspondence about your application.

If you use Recorded or Special Delivery, this will help us to record the receipt of your application. Make sure that you keep the Recorded or Special Delivery number.

We will return your passport(s) and other documents by Recorded Delivery. If you would like them to be returned by Special Delivery, you must provide a prepaid Special Delivery envelope which is large enough.

You will receive a letter of acknowledgement within a few days of your application being received unless there is a problem concerning the payment of the fee, in which case you will be contacted as soon as possible.

## **12. Decision Times**

For the latest information on our service standards for deciding charged applications, please go to our website.

Applications which are not straightforward, or which need further enquiries, take longer to decide. These include applications by people who have remained here unlawfully after the expiry of their permitted stay.

As we cannot tell in advance how long it will take to decide particular cases, our general advice is not to make any non-urgent travel arrangements until your passport(s), national identity card(s) or travel document(s) are returned.

## **13. Your Status While Your Application Is Being Considered**

If you and any children under 18 apply before the end of your permitted stay in the UK, your/their existing immigration status, including any permission to work, will continue until your/their application(s) is/are decided.

## **14. Contacting Us After You Have Applied**
