1. NCOs signing the State Certificate certify that:

- The information recorded accurately reflects the Aircraft's current installed Weapons and Expendable Stores.
- All transposed information was taken from the corresponding RAF Form 2947(Chinook Weapons) and 2947(Chinook Countermeasures) where applicable.
- Where Weapons, Equipment and Stores have been Checked, annotated by a 'C' within the 'Act' Column, they have been suitably checked, found to be serviceable and still correctly installed/loaded as per the relevant Maintenance/loading procedures and policies.
