AUTHORIZED AMENDMENT

Note to provide a summary/overview of the amendment and to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.

The input here should be your 'one minute' to explain what, why and how.

Change to MAA01 incorporates the updated DSA Enforcement Action, the ANO being re-issued in August 2016 and a number of other minor changes to correct typographical mistakes or ensure definitions are coherent between MAA01 and MAA02.

The annual review of MAA03 has been completed. This has included the updated DSA Enforcement Model at Annex E and a new Annex G, MAA Letter of Endorsement (LOE) Application Process (Operating and Delivery Duty Holders).
