b) a groundwater Source Protection Zone (SPZ) 1 or 2

No

Yes

c) 250 m of a human dwelling (for bespoke operations only).

No

Yes

For SR2010No11, if you answered yes to any of the above please provide a site specific risk assessment in section B7. For bespoke operations B7 must be completed in all cases.

B1.5 Are your storage and treatment activities planned to take place on an impermeable surface with side bunds and sealed drainage facilities?

No Please provide justification in section B7

Yes

B2 Specified activities to be carried out at the site

B2.1 Please provide a brief description of your proposed activities, including information on any treatment or storage activities that will be carried out as part of this deployment.

Place each activity in the context of other things that might be happening at this site.

Provide supporting documentation on a separate sheet if required.

B3 Waste types and quantities

B3.1 Please specify the types and quantities of wastes that will be stored and treated at this site. Include information on the six-digit European Waste Catalogue (EWC) code for the waste types.

The waste types must be the same as those that are listed in your permit.

Description of waste	EWC six-digit code	Quantity (tonnes)	Medium (Solid/liquid/sludge)

B6 Material management procedures

B6.1 Please provide details of the procedures on how wastes and residual materials will be handled, stored and treated at this site.

Provide supporting documentation on a separate sheet if required.

B6.2 Please specify the maximum capacities of quarantine facilities that will be used for the storage of wastes destined for retesting, reprocessing or off-site disposal.

Indicate the locations of such quarantine facilities on the site plan.

Provide supporting documentation on a separate sheet if required.

B7 Conceptual site model and risk assessment

B7.1 For SR2010No11 only – within which risk band does the activity fall?

Please tick the relevant box below to indicate within which risk band your activity falls.

Table B7.1 Risk banding

	Lower-risk deployment	Medium-risk deployment	Higher-risk deployment
Standard rules SR2010No11	Any permitted wastes outside of SPZ 1 or 2 and not within 500 metres of a European site, Ramsar or SSSI site <input type="checkbox"/>	Any permitted wastes within of SPZ 1 or 2 or within 500 metres of a European site, Ramsar or SSSI site <input type="checkbox"/>	N/A

B7.2 For bespoke operations – please provide a conceptual site model (CSM) and detailed risk assessment identifying all plausible pollution linkages (source–pathway–receptor relationships) and potential impacts that may result from your waste treatment, storage and handling operations. For SR2010No11 please provide a detailed risk assessment if required under B1.4 or B1.5.

Use this section to outline the impacts your operations are likely to have on the environment. A template and further information are available (see the MPD1 guidance notes for further details).

Provide supporting documentation on a separate sheet if required.

B Deployment details, continued

B8 Pollution control

For noise, dust, particulates, fibres, aerosols, bio-aerosols, odour, VOCs, vapours, fuel, oil or chemical storage, vibration and pests.

B8.1 Please provide details of any site-specific measures needed to control or minimise emissions and prevent pollution of the environment or harm to human health resulting from your waste treatment, storage and handling operations.

The potential risks should have been identified in your risk assessment.

Provide supporting documentation on a separate sheet if required.

B9 Emission monitoring plans

B9.1 Please provide a site-specific monitoring plan for any emissions that may be generated by the proposed treatment operations.

Such monitoring plans must include information on all of the following (if applicable to your operations):

- groundwater
- surface water
- dust, particulate, fibres
- noise
- VOCs
- odour
- vibration.

Depending on your technology, the plan should include both point-source and wider (fugitive) emissions monitoring (see the MPD1 guidance notes).

Provide supporting documentation on a separate sheet if required.

B10 Record keeping – commissioning, operating and maintenance

B10.1 Please provide details about your commissioning, operation and maintenance plan and further information on the records that you are required to send us during your operations.

Provide supporting documentation on a separate sheet if required.

Cheque details

Cheque made payable to	_____
Cheque number	_____
Amount	£ _____

You should make cheques or postal orders payable to 'Environment Agency' and make sure they have 'A/c Payee' written across them if it is not already printed on.

Please write the name of your company and application reference number on the back of your cheque or postal order.

We will not accept cheques with a future date on them.

We do not recommend sending cash through the post. If you cannot avoid this, please use a recorded-delivery postal service and enclose your application reference details. Please tick the box below to confirm you are enclosing cash.

Paying by credit or debit card

If you are paying by credit or debit card, either we can call you or you can fill in the separate form CC1 and enclose it with the application. We will destroy your card details once we have processed your payment. We can accept payments by Visa, MasterCard or Maestro card only.

Please call me to arrange payment by debit or debit card

I have enclosed form CC1 with my application

Paying by electronic transfer BACS reference

If you choose to pay by electronic transfer you will need to use the following information to make your payment.

Company name	Environment Agency
Company address	SSCL (Environment Agency), PO Box 797, Newport Gwent, NP10 8FZ
Bank	RBS/NatWest
Address	London Corporate Service Centre, CPB Services, 2nd Floor, 280 Bishopsgate, London EC2M 4RB
Sort code	60-70-80
Account number	10014411
Account name	EA RECEIPTS
Payment reference number	PSCAPPXXXXYYY

You need to create your own reference number. It should begin with PSCAPP (to reflect that the application is for a permitted activity) and it should include the first five letters of the company name (replacing the X's in the above reference number) and a unique numerical identifier (replacing the Y's in the above reference number). The reference number that you supply will appear on our bank statements.

You should also email your payment details and reference number to ea_fsc_ar@sscl.gse.gov.uk.

If you are making your payment from outside the United Kingdom, it must be in sterling. Our IBAN number is GB23NWK60708010014411 and our SWIFTBIC number is NWBKGB2L.

If you do not quote your reference number, there may be a delay in processing your payment and application.

C Confidentiality and national security

We will normally put all the information in your application on a public register of environmental information. However, we may not include certain information in the public register if this is in the interests of national security, or because the information is confidential.

You can ask for information to be made confidential by enclosing a letter with your application giving your reasons. If we agree with your request, we will tell you and we will not include the information in the public register. If we do not agree with your request, we will let you know how to appeal against our decision, or you can withdraw your application.

Only tick the box below if you are certain that you wish information to be confidential. This may delay your application.

Please treat the information in my application as confidential

National security

You can tell the Secretary of State that you believe that including information on a public register would not be in the interests of national security. You must enclose a letter with your application telling us that you have told the Secretary of State and you must still include the information in your application. We will not include the information in the public register unless the Secretary of State decides that it should be included.

D The Data Protection Act 1998

Please read through the following information before ticking the box below. The information provided will be processed by the Environment Agency to deal with your application, to monitor compliance with the permit conditions, and to maintain the relevant public registers.

We may also process or disclose it in connection with the following:

- offering or providing you with our literature and services relating to environmental matters;
- consulting with the public, public bodies and other organisations (e.g. Health and Safety Executive, local authorities, emergency services, Defra on environmental issues);
- carrying out statistical analysis, research and development on environmental issues;
- providing public register information to enquirers;
- investigating possible breaches of environmental law and taking any resulting action;
- preventing breaches of environmental law;
- assessing customer service satisfaction and improving our service; and
- responding to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004, where the Data Protection Act allows.

We may pass it on to our agents/representatives to do these things on our behalf. You should ensure that any persons named on this form are informed of the contents of this data protection notice.

Disclosing information you provide to us in this application

We will place the following information from your application on the public register:

- name of the operator;
- where the activity is taking place; and
- details of the activity.

E Declaration

The application contact must tick the declaration section. The application contact must be the operator or their agent.

A person knowingly or recklessly making a statement that is false or misleading when providing information to us commits an offence under regulation 38 of the Environmental Permitting (England and Wales) Regulations 2010.

If you make a false or misleading statement:

- we may prosecute you;
- if you are convicted, you are liable to a fine or imprisonment (or both).

I declare that the information provided both on the form and in the supporting documentation which has been supplied with this form is true to the best of my knowledge and belief
