Updated: 18.11.16

Ref No. & date	Action Point	Owner	Status	Update
AP1 (20.9.12)	Overview of DWP data landscape – PB requested during transition of Universal Credit (UC) the inflows and outflows are to be tracked by occupation	Nigel Brough (DWP)	**Open**	UC statistics have been released from December 2013 on a monthly basis and will build up over time. The UC statistics include start ups by age / gender for each Pathfinder Office, caseloads, broken down to LA and parliamentary constituency level. **Further update provided at the meeting 8.7.15 and included in follow up minutes** (Linked to AP3)
AP3 (20.9.12)	UC and Personal Independence Payment (PIP) data – The Standard Occupational classification code needed to be a data requirement to understand household make-up	Nigel Brough (DWP)	**Open**	PIP – PIP statistics are being released on a quarterly cycle via Stat-Xplore see https://stat-xplore.dwp.gov.uk/ The statistics include key information on new claims, caseloads, by award rate, type, personal characteristics medical conditions and local area UC statistics have been released from December 2013 on a monthly basis and will build up over time. The UC statistics include start ups by age / gender for each Pathfinder Office, caseloads, broken down to LA and parliamentary constituency level. **Further update provided at the meeting 8.7.15 and included in follow up minutes**

Ref No. & date	Action Point	Owner	Status	Update
AP4 (20.9.12)	UC and Personal Independence Payment (PIP) data – UC MI users need to understand what type and % of data items would be available, and by when, during UC rollout	Nigel Brough (DWP)	**Open**	See update for Action Point 3
AP28 (18.11.16)	Nick Halliday (NH) commented that this [Churchill] is a good use of data which is already out there. It is important to demonstrate that open data is in demand and is used, and foreseeing where we want to link our data to is important. NH suggested that this would be a great example for a Cabinet Office Data Group Show and Tell. NH to put Ryan Dunn in touch with relevant people in Cabinet Office	Nick Halliday (CO)	**Open**	
AP29 (18.11.16)	Gillian Hall (GH) to gather opinions via short questionnaire as per the Welfare Sector Transparency Board	Gillian Hall (DWP)	**Open**	
AP30 (18.11.16)	PB asked for further details about draft Open Data Case Study 4 (data labs). GH will ensure the case study owner provides an update before case studies are finalised in readiness for publishing	Gillian Hall (DWP)	**Open**	
AP31 (18.11.16)	Paul Bivand asked about Universal Credit and statistics on the flow of conditionality groups. Tom Davies	Tom Davies (DWP)	**Open**
