We have published a new version of the [Landspreading: form LPD1 application for deployment](#).

Application for deployment

SR2010No4 Mobile plant for landspreading (land treatment resulting in agricultural or ecological benefit)

SR2010No5 Mobile plant for reclamation, restoration or improvement of land

SR2010No6 Mobile plant for landspreading of sewage sludge

Bespoke mobile plant permit for landspreading or land reclamation

The Environmental Permitting (England and Wales) Regulations 2010

Please read through this form and the guidance notes that came with it before you fill this form in. Please write clearly in the answer spaces.

This form may only be used for deployments for the landspreading of waste where the operator holds a permit referring to any of the following standard rules:

- SR2010No4 Mobile plant for landspreading (land treatment resulting in agricultural or ecological benefit);
- SR2010No5 Use of mobile plant for land reclamation, restoration or improvement of land;
- SR2010No6 Mobile plant for landspreading of sewage sludge; or
- Bespoke mobile plant permit for landspreading or land reclamation.

Please tick one box to indicate under which standard rules set (facility type) or bespoke permit this deployment is taking place

A1.1 Discussions before your application

If you have had discussions with us before your application please give the reference or details on a separate sheet. Tell us below the reference you have given this extra sheet.

Pre-application reference

A1.2 Submitting more than one deployment for the same area of land

You may spread more than 10 waste streams on the same area of land provided you submit further fully completed deployment forms listing the additional wastes. Your benefit statement must take into account the total benefit to the land of all wastes to be spread.

If you are submitting more than one deployment for this area of land please tell us in the box below. For example 'this deployment is one of three'.

Section B Deployment details**B1 Risk assessment****B1.1 Within which risk band does the activity fall?**

Please tick the relevant box below to indicate within which risk band your activity falls. This is a combination of waste types and proximity to sensitive receptors.

Table B1.1 Risk banding

	Lower risk location Outside SPZ2 and/or outside 500 m of a European site, Ramsar and/or SSSI	Higher risk location Within an SPZ2 and/or within 500m of a European site, Ramsar and/or SSSI (a site-specific risk assessment must be submitted in all cases)	
SR2010No4 List A wastes (Lower risk)	Low risk deployment <input type="checkbox"/>	Medium risk (2) deployment <input type="checkbox"/>	
SR2010No4 List B wastes (Higher risk)	Medium risk (1) deployment <input type="checkbox"/>	High risk deployment <input type="checkbox"/>	
SR2010No5 and SR2010No6 (Any waste listed)	Medium risk (1) deployment <input type="checkbox"/>	High risk deployment <input type="checkbox"/>	
Bespoke mobile plant permit	Low risk deployment <input type="checkbox"/>	Medium risk deployment <input type="checkbox"/>	High risk deployment <input type="checkbox"/>

Once you have selected the risk band within which your activity falls, please see the form guidance that tells you what additional information you need to send with the form.

You will also use this risk banding to help you work out the fee you need to send with your deployment application in section B7.

B1.2 Additional information on sensitive receptors

If you have identified that you are within an SPZ 2 and/or 500m of a European site, Ramsar or SSSI you must submit a site-specific risk assessment showing how you intend to prevent any harm to those receptors.

For more information on risk-assessment please look at the form guidance.

Please tick the box indicating which risk-assessment you have submitted:

I have attached a site-specific risk-assessment as the deployment is within and SPZ 2 and/or 500m of a European site, Ramsar or SSSI. I have also addressed risks to other receptors in the risk assessment

I am not within an SPZ 2 and/or 500m of a European site, Ramsar or SSSI but have addressed risks to other receptors in my benefit statement

I have a bespoke permit and I have attached a site-specific risk assessment

B2 About the waste**B2.1 Please list all the individual waste streams being spread under this deployment**

B7 Payment

Tick below to show how you will make the payment.

Cheque Postal order Credit or debit card Electronic transfer (for example, BACS) **How to pay****Paying by cheque, postal order or cash**

Check details

Cheque made payable to Cheque number Amount £

You should make cheques or postal orders payable to 'Environment Agency' as appropriate and make sure they have 'A/c Payee' written across them if it is not already printed on.

Please write the name of your company and your permit reference number on the back of your cheque or postal order.

We will not accept cheques with a future date on them.

Paying by credit or debit card

If you are paying by credit or debit card, please fill in the separate form CC1. We will destroy your card details once we have processed your payment. We can accept payments by Visa, MasterCard or Maestro card only.

Paying by electronic transfer BACS reference

If you choose to pay by electronic transfer you will need to use the following information to make your payment.

Company name	Environment Agency
Company address	SSCL (Environment Agency), PO Box 797, Newport Gwent, NP10 8FZ
Bank	RBS/NatWest
Address	London Corporate Service Centre, CPB Services, 2nd Floor, 280 Bishopsgate, London EC2M 4RB

Account number	10014411
Account name	EA RECEIPTS
Payment reference number	PSCAPPXXXXYYY

You need to create your own reference number. It should begin with PSCAPP (to reflect that the application is for a permitted activity) and it should include the first five letters of the company name (replacing the X's in the above reference number) and a unique numerical identifier (replacing the Y's in the above reference number). The reference number that you supply will appear on our bank statements.

You should also email your payment details and reference number to ea_fsc_ar@sscl.gse.gov.uk.

If you are making your payment from outside the United Kingdom, it must be in sterling. Our IBAN number is GB23NWK60708010014411 and our SWIFTBIC number is NWBKGB2L.

If you do not quote your reference number, there may be a delay in processing your payment and application.

Section C The Data Protection Act 1998

We, the Environment Agency, will process the information you provide so that we can:

- deal with your application;
- make sure you keep to the conditions of the licence, permit or registration;
- process renewals; and
- keep the public registers up to date.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues;
- carry out research and development work on environmental issues;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows).

We may pass the information on to our agents or representatives to do these things for us.

Section D Confidentiality and national security

We will normally put all the information in your application on a public register of environmental information. However, we may not include certain information in the public register if this is in the interests of national security, or because the information is confidential.

You can ask for information to be made confidential by enclosing a letter with your application giving your reasons. If we agree with your request, we will tell you and not include the information in the public register. If we do not agree with your request, we will let you know how to appeal against our decision, or you can withdraw your application.

Only tick the box below if you are certain that you wish to claim confidentiality for your application. This may delay your application.

Please treat the information in my application as confidential

National security

You can tell the Secretary of State that you believe that including information on a public register would not be in the interests of national security. You must enclose a letter with your application telling us that you have told the Secretary of State and you must still include the information in your application. We will not include the information in the public register unless the Secretary of State decides that it should be included.

Section E Declaration

If you knowingly or carelessly make a statement that is false or misleading to help you obtain a mobile plant deployment (for yourself or anyone else), you may be committing an offence under the Environmental Permitting (England and Wales) Regulations 2010.

I declare that the information in this application is true to the best of my knowledge and belief. I understand that this application may be refused or approval withdrawn if I give false or incomplete information.

If you deliberately make a statement that is false or misleading in order to get approval you may be prosecuted.

Tick this box to confirm that you understand and agree with the declaration above

If you do not tick the box above we will not be able to process your application.
